My Dear Brother John  
I write to acknowledge  
the receipt of a large  
nicely bound, Geography  
looking Book, entitled  
Notes and Observations  
made in the Cruise of the  
Corwin, in Alaska, by  
Your Own Self, & others.  
It is very interesting indeed.  
We expect that it was sent  
by you, although you did not

mentioned it. Many Thanks  
John

Annie is improving  
a little we think. Dan  
seems to think her sympt-  
oms better. He has not  
been here to see her

except once shortly after  
the cure. The pain in her  
side has troubled her today but  
is better now. We are still

having beautiful weather  
something like your winter  
weather, hoar frost in the  
mornings & warm sunshiny  
days. Annie enjoys it very  
much and keeps out of doors

as much as possible.

The rest of us are all  
pretty well. Hoping you  
are all enjoying the same  
blessing. Kiss Wanda  
for me. and now as  
it is bedtime I will  
close with much love  
to all Lottie, Wanda &  
yourself. I am lovingly,  
Maggie

Remember me to the Doctor  
& Mrs Strentzel.
