Corvallis, ⁱⁿ July, Dec 12,
1883.

My Dear Brother John
I write to acknowledge
the receipt of a large
nicely bound, Geography
looking Book, entitled
Notes and Observations
made in the Cruise of the
Corwin, in Alaska, by
Your Own Self, & others.
It is very interesting indeed.
We expect that it was sent
by you, although you did not

mentioned it. Merry Thanks
John

Annie is improving
a little we think. Dan
seems to think her sympt-
-oms better. he has not
been here to see her

except once shortly after
the cure. The pain in her
side has troubled her today but
is better now. We are still

having beautiful weather
something like your winter
weather, hoar frost in the
mornings & warm sunshiny
days. Annie enjoys it very
much and keeps out of doors

as much as possible.

The rest of us are all
pretty well. Hoping you
are all enjoying the same
blessing. Kiss Wanda
for me. and now as
it is bedtime I will
close with much love
to all Lottie, Wanda &
yourself. I am lovingly,
Maggie
