June 12, 1893

My dear Papa

I suppose that

you will have crossed
the bounding billows by
the time this letter reaches
you. I hope that there has
been no storms while you are
on the water and that
you will be well. We are
all very well here but

Grandma she has been
real sick and has been
in bed several days but
she is a little better today.

Helen is very well and she is ~~very well~~ getting heavy she weighs 78 pounds now.

I hope that Mr John Burrows will go with you to Scotland as I think it would be much pleasanter than for you to go alone.

How is Mr. and Mrs Keith and where does she expect to stop while you and Mr Keith are climbing mountains? You must have had a fine time on the Hudson river I wish I had been along.

We have taken Elfie in to our room at night and she approves greatly and so do I she sleeps in a box in the fire place.

The cherries are very nearly gone we have had some nice ones. have you had any good ones where you have been?

The boat and tusked and things were sent Mr. Coleman took them down ~~on~~ the boat and saw that they got there all right.

We had three very warm days were the thermometer went up to 98 but since then it has been very cool but the mosquitoes have been very bad sometimes.

Papa, now take good care of your self and dont go in any dangerous places
With love and kisses
from us all & close.

Ganda
