John Muir, Esq.,

The Century Magazine,

New York, N. Y.,

Dear Sir :-

The American Forestry Association proposes to hold a two days' session, October 18th and 19th, in Chicago, under the auspices of the World's Congress Auxiliary; the printed circulars on the subject have not yet come to hand from Chicago, or I should enclose some to you.

Can you not be present to take part in our meeting and, if possible, read a paper on some forest subject with which you may be familiar; perhaps on your work in behalf of the forests in the Yosemite Valley ?

Yours truly,

J. D. French.
