Dear Louis

We are now at the northernmost point of the Norway trip & will probably be back in Leith next Saturday. Then I mean to go to Switzerland for a month. We have had a glorious & instructive time in Norway. Went through two grand fjord-valleys & the scenery of the fjords is magnificent. I feel that the time is well spent & only regret that I can not stop & make some special

studies. I hope to be back in October - Have seen nothing of Keith - but find pleasant companions everywhere. (From Naeradale)
Hello Midge & Wanda - I hope you are well & enjoying the peaches. How I would like to see you again but I will soon. Here are a few flowers from the beautiful Romsdalen & Naeradale valleys
Love to all. In haste
Ever lovingly, John Muir
