Uncle David Aunt Etta
were here last Sunday.

I am still learning
4 or 5 verses in the Bible
every day and also a vers
or two of Poetry.

Now Papa good-by, take
good care of your self and
come home before long.

With love from all
of us Wanda Mui

P.S. since I wrote this letter
we received one from you
saying that you had such a
cold. try not to get it any worse.

Martinez Cal.
September 5. 1893.

My dear Papa

We have received
your letters from Switzer-
land, and oh how glad
we were to get them, and
how we enjoyed them, I
wish I could have been
there too and seen it all.

All are very well here,
Helen in particular is
very well and is enjoying

the grapes.

I hope you will soon be home, how long do you think it will be before you are here, you said you would be home about grape time and the sweet waters and a few other kinds are ripe now.

The little spray of Edelweiss you sent in your last letter to Mama was beautiful, how I wish I could have a growing plant of it ^{here} at home.

The weather here is almost cold, and it looks

as if it were going to rain today.

Elen is still delighted with her studies, she does not tire of them as we thought she would; often she does not want to stop when school hours are over but wants to keep on studying.

We have given up going to Pacific Grove as people that have just come from there say the weather is very cold and foggy and besides Aunt Margaret concluded she was not able to go with us.
