My dear Mr. Minor,

I should like
very much to meet you for
an interview for the Examiner
as soon as you arrive. The
paper would like to run
a good long one if it is
exclusive of the other papers
do not fit it first. You
would be doing me a great favor

if you will let me know
how when and where I
can meet you. That is, of
course if you care to
tell about the European
glaciers etc. as compared
with ours.

Hope that you have enjoyed
your trip.

Yours very sincerely

James W. Hillier
