Say It With Music at Homecoming; Festivities, Floats, Fun Scheduled

"Pacific Says It With Music" is the theme of this year's Homecoming Festivities to be held on Friday, October 16, and Saturday, October 17, for the purpose of welcoming COP's alumni back to the campus for their annual reunion.

The festivities will feature such traditional events as the parade of floats and the bonfire. Highlights will include the crowning of the Homecoming Queen and the presentation of her court.

Homecoming Season officially starts with a student barbeque at 5 p.m., Friday evening, on Anderson Hall lawn. Says Mona Vaughn, chairman of the barbeque, "This event should prove interesting to everyone who attends, because the faculty men will be serving the entire meal."

Immediately following the barbeque, a rally will be held at which the Homecoming Queen will be crowned. Later the Bonfire will take place.

According to Dave Wilson, chairman of the queen committee, this year's Homecoming Queen will be chosen with a great deal of care. The process of choosing "Her Majesty" is as follows: each women's living group chooses two girls to compete for the Queen's title. These 14 candidates are then interviewed by a panel consisting of one man from each men's living group and one graduate student. The panel, which judges the girls for poise, charm, personality, and good grooming, narrows the group down to seven finalists.

A committee of local business men and women then choose the Queen from the seven finalists. The six runners-up become princesses.

Her Majesty will receive a crown, a trophy, an array of flowers, and a wrist watch as symbols of her rank. Each of the princesses will receive small replicas of the crown and the trophy.

Floats created by students from the various living groups will be judged on Saturday morning after they have traveled the route of COP's yearly Homecoming Parade on Pacific Avenue. Prizes will be given for the best men's living group float, the best women's living group float, and the best comic-style float.

The parade, which will begin at 10:30 a.m. on Saturday, October 17, will also include marching bands from COP and four local high schools. Convertibles will carry the Homecoming Queen and campus dignitaries.

Saturday evening will feature COP's Homecoming Game with Marquette. A Homecoming Dance will follow. According to Carol Blackham, chairman of the dance, students will dance to the music of Buddy Makapagal's Band. Dress for the dance, held at the Stockton Ballroom, will be school clothes and heels for women and sport clothes for men.

According to Maggie Bodley, social chairman, "Through all the fun of the Homecoming Season, it is hoped that COP students will remember the basic reason behind the festivities — to welcome the alumni back to the campus — and to make it a pleasant weekend for them."

Honor Society Set for Frosh

Alpha Lambda Delta, freshman womens' honor society, will soon become a part of the Pacific campus.

Last April, the college submitted a petition to the organization, requesting establishment of a chapter at COP. This summer the national board acted favorably upon the petition, and it is expected that final acceptance will be granted in November.

First established at the University of Illinois in 1924, Alpha Lambda Delta became a national organization in 1926. Membership eligibility depends on a scholastic average of 3.5, and members will be elected on the basis of work during their freshman year. One will remain eligible throughout her first year and members will take an active role during their sophomore year.

Dr. Samuel Meyer, academic vice-president, has been instrumental in developing interest in Alpha Lambda Delta, and Miss Judy McMillan, Assistant to the Dean of Women, will serve as adviser when the group is established on the Pacific campus.

Students eligible for membership are: Gretchen Trenholm, Marles Burk, Betty Kirkpatrick, Claire Davis, Marilyn Monson, Sue Beson, Jo Ella Brayton, Mary Burr, Gay Currier, Carla Eubank, Cynthia Lindhe, Vicki Pratt, Brenda Robinson, and Nancy Tate.

Spirited Rally Committee members and Rally Commissioner, Del Alberti, (second from right) prepare to lead the Car Caravan to Stanford tomorrow. Why not join 'em at 9 a.m. in front of the conservatory?

JOIN COP'S CAR CARAVAN

Get your cars ready, get set and go in COP's mammoth car caravan from the Pacific Campus to Stanford University.

Promptly at 9 a.m. tomorrow, the caravan will assemble in front of the conservatory. All cars should be decorated by their owners and occupants, so that the faculty will be able to judge and select the best decorated automobiles. Cash prizes will be presented to the winners.

The caravan will leave Stockton obeying all city traffic rules. Cars will go out Pacific Avenue to Center Street, onto Highway 50, and continue across the San Mateo bridge to Highway 101, turning off 101 to Embarcadero

Avenue in Palo Alto and continuing to Stanford University.

All state traffic laws must be obeyed! Those taking cars are urged to do no passing and to keep a safe distance from the car ahead. It is permissible to blow car horns in Palo Alto.

California Highway Patrol, Stockton Police Department, and Palo Alto Police Department have approved the car caravan.

Rally schedule for the semester is as follows: October 8 and 16; November 5 and 12; December 3 and 14; and January 4.

Del Alberti, Rally Commissioner, reminds students, "Let's all come out for these rallies and really root our teams on to victory."

Elections Slated For October 9; "Proposition One" Up For Vote

Once again it is fall election time at COP. Voting for PSA class officers and the much talked about "Proposition One" will commence on Friday, October 9, at 8 a.m. Interested students will be able to vote throughout the day until 5 p.m.

"Proposition One" states that the executive committee of the PSA senate should receive tuition rebates totaling \$300. Last year, Fall and Spring Senates proposed that \$100 be allotted to the president, \$75 to the vice president, \$75 to the treasurer, and \$50 to the secretary per year.

The issue, naturally, has aroused an affirmative and a negative side. Those upholding the proposition state: (1) The key student officers in most colleges,

large and small, receive full tuition. (2) Students participating in athletics, debate, music and other activities receive scholarships from the school. (3) The editors and business managers of the PSA publications receive scholarship aid.

Arguments against the issue are: (1) PSA officers already receive such benefits as a free PSA card, academic credits if desired, and prestige. (2) This money should be used to benefit the entire student body. (3) These officers should feel they fill the office as a service.

Whether you are for or against the proposition, be sure to get out and vote. Help promote the policy you wish to have followed at COP, and elect the candidate of your choice.

"Y" LISTS PLANS

Advantages for participation in campus activities are offered at the College "Y." A new approach is being used this year, giving special emphasis to committee work.

Many plans and activities will be carried out by the following commissions: Social Study and Action, International Relations, Man and the Arts, and Faith and Skeptics. Active committees will be: Campus and Community Service, Building, Publicity, Conferences and Summer Opportunities, and Recreation.

Occasional meetings are scheduled for the entire membership, but activities will be sponsored by the above smaller groups. Some of these will include a community service project, a social action study group, and theater trips. Both the YM and the YW are included in the College "Y," and, as needs arise, special programs for each will be scheduled.

Tonight marks the "Y's" first theater trip to San Francisco. The group will attend "Plaster Bambi" at the Actor's Workshop and will dine at a luxurious French restaurant before the performance.

October 6 will be the first general meeting of the "Y." A speaker will be featured. The membership drive will be continued through next week.

JACOBY TO SPEAK AT TUESDAY CHAPEL

Dr. Harold Jacoby, director of the COP Sociology Department, will present the question, "To What Will You Belong?" on Tuesday, October 6, at 11 a.m., Morris Chapel Services.

The Chapel Choir will sing under the direction of Dr. Charles Schilling. Dorothy Watt, junior home economics major, will serve as worship leader, and the men of Alpha Kappa Phi Fraternity will usher.

All students and faculty members are invited to attend "discussion sessions," moderated by Dr. Jacoby, at noon, October 6, in Anderson Dining Hall.

PACIFIC WEEKLY

Published every Friday during the College year by the Pacific Student Association. Entered as second-class matter October 24, 1924, at the Post Office, Stockton, California under the Act of March 3, 1879.

EDITORIAL

Recently I heard of a book with a very thought-provoking title—"Ideas Have Legs." At first glance, a person might be inclined to scoff at such a title. But stop!

Since the world began, man has formulated and carefully thought out ideas, often putting them into effect with little or no effort simply because these ideas were so stable and sound that they could stand on their own feet. They could rebuke the doubters and stand against the tide of suspicion.

Before modern methods of communications were invented, ideas were carried by men who ran from small town to growing village. The Pony Express system also provided a running means of communications. Man's ideas were literally carried by legs!

Ideas are like children's mechanical toys. Without a key to turn the inner mechanism, the toys stand motionless. However, after a few turns and a gentle push, they are off on their own steam.

Washington, Shakespeare, Lincoln, and Peter Marshall, along with many others, were all great men in their own field of endeavor. When an idea occurred to them, whether they expressed it in a speech, a play, a written document, or a sermon, these men had one common basic denominator—they gave their ideas the chance to grow and expand.

A tree shall grow from a seed, and, like the tall, sturdy pine tree, an idea should be nurtured and carefully watched. From this tree, limbs and branches will carry the idea to the greatest heights.

KNOLENS NEWS

Members of Knolens, a Senior Women's honorary, can be recognized by their navy blue skirts, white blazers and Knolens' emblem.

Knolens have been very active leading tours of the campus during orientation for freshmen and parents. They also served as ushers at the President's Reception. At the bookstore, the Knolens are selling a unique datebook for 35c. This calendar gives information of coming school events.

You will be hearing in the future of many successful activities the Knolens will be doing.

Knolens officers are Sally Anacario, president; Beth Akers, vice-president; Shelley Onweiller, secretary-treasurer and Lynette Pierce, historian.

PRESBYTERIAN CHURCH FORMS YOUTH GROUP

The First Presbyterian Church, El Dorado and Vine Streets, is in the process of organizing a young adult group for students between the ages of 18 and 24. A series of programs have been planned, which will begin October 4 at 5:30 p.m.

Sunday will mark the first in a series of discussions titled "Communism, Christianity, and You." Army psychiatrist Major William Mager's tape, "Communist Brainwashing in Korea," will inspire a lively discussion on Sunday evening.

Transportation for both men and women will be available at 5:15 p.m. in front of the Women's Residence Hall.

Danforth Foundation Sponsors Fellowship

The Danforth Foundation, an educational foundation located in St. Louis, Missouri, invites applications for the ninth class (1960) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September 1960, for their first year of graduate study. The Foundation welcomes applicants from the areas of Natural and Biological Sciences, Social Sciences, Humanities and all fields of specialization to be found in the undergraduate college.

President Robert Burns has named Mr. Gordon Zimmerman as the Liaison Officer to nominate to the Danforth Foundation two or not to exceed three candidates for these 1960 fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need. The maximum annual grant for single fellows is \$1500 plus tuition and fees charged to all graduate students; for married Fellows, \$2000 plus tuition and fees charged to all graduate students with an additional stipend of \$500 for each child.

Students with or without financial need are invited to apply. A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson, Marshall, etc., concurrently with his Danforth Fellowship, and applicants for these appointments are cordially invited to apply at the same time for a Danforth Fellowship. If a man received the Danforth Appointment together with a Rhodes Scholarship, Fulbright Scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth Fellow without stipend, until these other relationships are completed.

All Danforth Fellows will participate in the annual Danforth Foundation Conference on Teaching, to be held at Camp Miniwanka in Michigan next September, 1960.

Qualifications of the candidates as listed in the announcement from the Foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications, including the recommendations, must be completed by January 31, 1960. Any student wishing further information should get in touch with our Liaison officer.

LOCAL COLOR ABROAD

Three COP students are spending the 1959-60 school year at the University of Vienna.

Susanne Bestor, Sandra Donald, and Charles L. Smith have been accepted for participation in the European Year Plan which is sponsored by the Institute of European Studies. These students will live with Austrian families and will take accredited courses at the University for the next ten and one-half months. Their program of studies will include three study tours through many countries of Europe combined with the English taught courses at the University of Vienna.

Coiffure Confusion

Short? Long? Curly? Wavy? Blonde? Brunette? Redhead?

These questions are familiar to many members of the female species as they have to do with a woman's "crowning glory"—her hair!

I, along with many others, face these questions every year when I see glamorous new hair styles jumping out at me from the morning's newspaper or from the latest New York fashion magazine.

To be or not to be—an ash-blond, a silvered brunette, a golden-redhead. Ah, its is as much a problem as whether I should be the first woman volunteer to "rocket" to the moon.

I settled one problem when I had my long, wavy locks snipped and trimmed a month ago. Since then, however, more problems have arisen. Should I continue to keep it short or should I let it grow once again?

When my hair was long I was able to create a variety of styles such as the inevitable pony-tail, the popular french roll, and the old-favorite, the page-boy. Now, I wash my hair, set it with dozens of silver-colored clips, and then wait for the same hair-do to emerge.

Since that fateful day when the scissors cut off my tresses, I have gazed at bottles and bottles with complicated-sounding names that reveal the hair colors between parentheses. I remember my limited knowledge of Cleopatra, who used henna rinses on her hair. (This was a guaranteed way to get a man, I suppose.)

Then the old arguments of, "Dyeing dries the hair," "Bleaching will make you bald," and others, come rushing back to me like a torrent of creme rinses under a faucet.

I wonder if I am a conformist? After all, one sees more girls with short hair than with long hair! Perhaps I should show my individuality by exhibiting the newest idea in chignons.

But the damage is done and I am happy! My hair is still short and still its natural blondish shade. Who knows what it will be like next week though, for as long as women have access to combs, scissors, mirrors, bleaches, and dyes, the thousands of amateur and professional beauty operators will continue to snip, curl, and dye.

By the way, I must not forget my appointment day after tomorrow at Bechloff's Beauty Salon. Scissors, anyone?

HONOR...AN AGELESS VIRTUE

The Honor System is YOURS. It has become a part of the Pacific Family. In the academic side of the campus community, the Honor System is as much yours as any idea that you receive from a professor.

Furthermore, the Honor System depends on you. Without your concern and without your acknowledgement, it will go out of existence. No committee, faculty member, or student can make it work for you. This "YOU" is not a nebulous group hiding in some dark corner of the campus; it is each one of you reading this article—faculty and student. You are called to share in the honor spirit and join the Pacific family.

Many have said, and will say, that they will not violate the Honor System themselves, and they will not report anyone who does. No system which has any honor wants to bring about a "police state." In fact, the opposite is its desire. However, because violations are harmful to others as well as to the violator himself, something needs to be done. The point is to get the violator to stop. In this student-oriented community this becomes a student's responsibility. As a measure to back up the students and to strengthen the Honor System, the means have been set up to report to the Judiciary Committee (a student committee) those who depart from the honor spirit or those who want to step outside of the Pacific Family.

The Honor System is yours to make successful or to write off as a failure. —John Sublett

Next Week: "How It Works."

OPERA WORKSHOP NEEDS VOICES

College of the Pacific's Opera Workshop offers students interested in singing an opportunity to participate in chorus-work for "Marguerite" (Faust) by Gounod. Performance of the production is scheduled in January, and rehearsals will be held weekly or Wednesday evenings from 7 to 8 p.m. in the Music Annexes. Other times may also be made available to students.

All those interested are urged to contact Dr. Lucas Underwood, director of the Opera Workshop.

A Bore: A person who arrives dragging his tale behind him.

Federal Service Gives Opportunity Exams

Applications are now being accepted for the 1960 Federal Service Entrance Examination, the United States Civil Service Commission announced today. This is the examination, first announced in 1955, through which young people of college caliber may begin a career in the Federal Civil Service in one of some 60 different occupational fields. The jobs to be filled from the FSEE are in various Federal agencies and are located in Washington, D.C., and throughout the United States.

The examination is open to college juniors, seniors, and graduates regardless of major study, and to persons who have had equivalent experience. Starting salaries will be either \$4,040 or \$4,980 a year depending on the qualifications of the candidate. Management Internships will also be filled from this examination with starting salaries of \$4,980 and \$5,985 a year.

The first written test will be held on October 17 for those who apply by October 1. Five other tests have also been scheduled under this year's examination. Dates are November 14, January 9, February 13, April 9, and May 14.

Acceptance of applications for Management Internships will be closed on January 28. For all other positions, the closing date is April 28, 1960.

Interested persons may obtain further information about the test and how to apply from Civil Service Announcement No. 206, which may be obtained from college placement offices and many post offices throughout the country, or from the U.S. Civil Service Commission, Washington 25, D.C.

Poetic Competition Announced

National Poetry Association is announcing its annual competition for college students.

The closing date for the submission of manuscripts is November 5, 1959. Any student is eligible to submit his verse. There is no limitation as to form or theme. However, shorter works are preferred by the board of judges because of space limitations.

Each poem must be typed or printed on a separate sheet, and must bear the name and home address of the student, as well as the name of the college attended.

Teachers and librarians are also invited to submit poetry for consideration for possible inclusion in the Annual National Teachers Anthology. The closing date for teachers and librarians is January 1, 1960.

There are no fees or charges for acceptance or submission of verse. All work will be judged on merit alone. Manuscripts should be sent to the National Poetry Association, 310 Selby Avenue, Los Angeles 34, California.

International Students to be Entertained at "Family Day"

All foreign students currently enrolled in colleges and universities throughout the Bay Area are cordially invited to attend a massive welcome reception on Sunday, October 4. The fun-filled event will commence with a family-style picnic at 12:30 p.m. in Woodminster Amphitheater in the East Oakland hills.

Many students attended last year's "International Family Day" festivities. This year the salute is to Korea, and the principal speaker of the afternoon program, starting at 2 p.m., will be His Excellency Ben C. Limb, Ambassador to the United Nations from Korea.

COP students wishing to attend the picnic are urged to contact Dr. E. T. Peckham, foreign student adviser, as soon as possible so that transportation can be arranged. Food will be provided by American families.

SEE THE WORLD ON SCHOLARSHIP

Only two months remain to apply for some 900 Fulbright scholarships for study or research in 28 countries according to the Institute of International Education. Applications will be accepted until November 1.

Inter-American Cultural Convention awards for study in 17 Latin American countries have the same filing deadline.

Recipients of Fulbright awards for study in Europe, Latin America, and the Asia-Pacific area will receive tuition, maintenance and round-trip travel. IACC scholarships cover transportation, tuition, and partial maintenance costs. IIE administers both of these student programs for the U.S. Department of State.

General eligibility requirements for both categories of awards are: 1) U.S. citizenship at time of application; 2) a bachelor's degree or its equivalent by 1960; 3) knowledge of the language of the host country; and 4) good health. A demonstrated capacity for independent study and a good academic record are also necessary. Preference is given to applicants under 35 years of age who have not previously lived or studied abroad.

Applicants will be required to submit a plan of proposed study that can be carried out profitably within the year abroad. Successful candidates are required to be affiliated with approved institutions of higher learning abroad.

Enrolled students at a college or university should consult the campus Fulbright adviser for information and applications. Others may write to the Information and Counseling Division, Institute of International Education, 1 East 67th Street, New York 1, New York or to any of IIE's regional offices.

Competition for the 1960-61 academic year closes November 1, 1959. Requests for application forms must be postmarked before October 15. Completed applications must be submitted by November 1.

Washington: The city bureauful.

ATTENTION ALL COP EMPLOYED STUDENTS

All students who are presently employed by the College of the Pacific should make careful note of the following, said Miss Beatrice Darr, payroll clerk.

1. Checks will now be distributed on the 20th of each month. Do your part by seeing that your time card is properly approved by your department head and is in the Business Office not later than the 16th of the month.

2. If you have payments coming from more than one department, make sure that all your time cards are turned in to the Business Office. Only one check will be issued per person each month.

3. Do not call at the Business Office for your check unless asked to do so. Your check will go back to the department in which you have been employed and will be distributed there.

4. Check your own time cards carefully to make sure that the time listed is correct.

me and SOCRATES

By WALT CHRISTOPHERSEN

BRIGITTE BARDOT MARRIES RICKY NELSON.

There is absolutely no truth whatsoever to the above statement; I simply had to catch your wandering eye somehow. Welcome to Stockton, one of the largest illegal narcotics traffic centers on the West Coast. Stockton supplies most of the United States with opium and heroin smuggled in from the Orient. This is just one of the many vices enjoyed by people in this area. Remember . . . if it's illegal, you can get it in Stockton.

It's Happening in Monterey: The cool set is flocking to the sunny shores this weekend for the second annual Monterey Jazz Festival. An endless list of names, including Woody Herman, Cal Tjader, J. J. Johnson, the M.J.Q., Oscar Peterson, Sarah Vaughn, Gerry Mulligan, and Count Basie, will set the Monterey County Fairgrounds into a madly swinging delight, starting tonight. There are five shows altogether—Friday thru Sunday nite, with matinee's on Saturday and Sunday. Like, if you dig the sound, come around.

Well, my time is up. Look for this little essay again next week somewhere within these pages. I must set my newspaper work aside and get back to work on my new novel. By the way, my novel is, without a doubt, going to be a best-seller. Through research, I've discovered the two things the public is most interested in are sex and Khrushchev. So my new novel is: "The Sex Life of Nikita Khrushchev."

SOCIAL SCENE

Barbara-Ralph Pinned

Barbara Fridell received wings insignia from Ralph Whitby this past month at Lake Strawberry. In announcing her pinning to her sorority sisters at Kappa Alpha Theta on September 24, a candle adorned with pink baby roses was passed to herald the announcement.

Big 'n Little Sister chairman, Spurs, and junior class secretary are some of Barbara's activities. She has also been on the AWS Standards committee for the last three years.

Barbara, from Orinda, is a senior majoring in elementary education. Ralph is a pilot in training at the Naval Air Corps at San Diego. His hometown is Berkeley.

Carolyn-Don Engaged

Carolyn Watson, affiliated with Zeta Phi, announced her engagement to Don Beckie on September 1. Don is a member of Alpha Kappa Lambda and Phi Mu Alpha. Mu Phi Alpha, national music sorority claims Carolyn as a member.

Tuesday evening, September 22, the engagement was celebrated with the passing of the candle by Carolyn's sorority sisters.

Sheila-Tom Pinned

Sheila Phillips and Tom Vickery announced their pinning to members of Sheila's sorority, Delta Delta Delta, and Tom's fraternity, Phi Delta Chi, Friday, September 25.

Tom, a hasher at the Tri Delta house, presented the house mother, Mrs. Maupin, with a red rose just before the main meal was served last Friday evening. With the dessert course, a candle adorned with flowers was passed around and the ceremony was climaxed by Tom when he presented Sheila with his pin.

Cigars were also presented by Tom to his fraternity brothers.

Sheila is a junior speech therapy major from Berkeley. Tom, a Pharmacy major, hails from Woodland.

Betty-Rick Engaged

Betty Imrie chose September 22 to announce her engagement to Rick McMillen. Mrs. Koerber, housemother of Kappa Alpha Theta, read a poem to reveal the event.

An earlier announcement, on August 24, was made in Diablo, Betty's hometown, at a small family dinner.

Betty, an elementary education major, has held the office of chaplain in her sorority. In 1957 she was a Homecoming princess. She has also been a member of CSTA and Young Republicans. This year she is participating in CCR and Chapel committee.

Rick, a member of Sigma Chi fraternity at Stanford University, is a star football back. He is a senior pre-dental major from Danville.

Marriage in the summer of 1960 is included in the couple's future plans.

Pat-Ben Pinned

The pinning of Pat Amick, a resident of the Women's Residence Hall, and Ben Aiken, a member of Archania, was revealed last Thursday evening, September 24. Pat invited her section and other friends to the informal lounge of her residence to witness the announcement. Red rose buds and white carnations adorned the white candle she blew out.

Members of the Alpha Kappa Phi Fraternity then serenaded Pat appropriately.

Pat, from Grass Valley, is a junior majoring in education. Ben is a resident of Piedmont, and a sophomore with a major in general biology.

Pam-Jon Engaged

On September 22, Dyan Brown, house president of Kappa Alpha Theta, announced the engagement of Pam Derby to Jon Colton, a June graduate of COP.

Pam is a senior English major from Los Gatos, and Jon was a business administration major while on campus. Jon hails from Elk Grove.

Pam's activities include Knolens, Organizations Committee, junior class treasurer and Spurs. Jon was vice-president of Alpha Kappa Phi Fraternity and active in intra-mural sports.

July, 1960 is the date they have set for their wedding.

DORM DOINGS

Election is the big word in the Women's Residence Hall and Manor Hall. The usual offices of president, vice-president, secretary and treasurer will be filled this week.

Nominations for Homecoming Queen have also been made. Ede Barker, junior; Lynn Zornik, sophomore; Judy Campbell, freshman; and Kay Bonsey, freshman were nominated from the New Dorm as semi-finalists. Those honored from Manor Hall were Kay Borch, junior; and Cathy Gunter, sophomore.

Spurs Tap Cathy

"Tapping," the traditional ceremony for choosing new Spurs was performed at the Big 'n Little Sister party September 23. Catherine Gunter of Redlands brings the total of Pacific Spurs to 1.

Spurs is a national honor for sophomore women. Its members are selected on the basis of their scholarship, citizenship, leadership, and participation in extra-curricular activities.

Officers for the coming year include Linda Huffman, president; Gretchen Trenholm, vice-president; Abby Wasserman, secretary; Gay Currier, treasurer; Judy Henderson, historian; and Judy White, editor. Sheila Thompson and Nancy Thory O'Doan, members of Spurs last year, are junior advisers. Faculty advisers are Miss Patty Pierce and Dean Catherine P. Davis.

SUIT UP, GIRLS! IT'S SWIM TIME

Acquatically inclined Pacific Women will journey to the University of California at Davis on Saturday, October 10, to compete in the extramural swim meet held annually by students from various California campuses.

The event, which is an activity of the Women's Recreational Association, will include competition in front and back crawl and breast stroke.

According to Nan McLean, WRA president, "Only a limited number of participants can be taken, so all those interested are urged to sign up now in the Gym. Any girl experienced in swimming competitions will be welcomed."

Chiropodist: A man who makes money hand over foot.

Girdle: Device for bringing a girl in on the beam.

ADALINE'S WISDOM for SOPHISTICATES

Dear Addy,

What's the jazz on an Honor Code here at Pacific? I've been on Pro now for six semesters with the use of the files . . . Whadda i du widdoutem, huh?

Benny Bench-Sitter

Dear Ben,

The Honor Code was voted in for a purpose—to RAISE the standards of the College. Put away your files and try your brain. (Try attending class. It helps!)

Dear Ad,

I'm a senior and have changed my major five times this week. My roommate hates me, and I can't get a date. What should I do?

Toni Twitch

Dear Toni,

Transfer!!

Dear Addy,

Tiger tags, orange bows, and beanies are becoming rather battered. Besides, the colors just don't match my outfits. When is this famed "Kangaroo Kourt" supposed to occur? All of the freshmen are getting tired of this "stuff."

Frustrated Frosh

Dear F. Frosh,

This "stuff" is all a part of Pacific's tradition. It is to help upperclassmen identify you. Don't fret, Frosh, sophs will strike sooner or later.

Dear Addy,

Most of your advice is to the freshmen of our fair school. How about some of your timely informative counsel to an upperclassman? My problem is simple. I want to join a sorority. What is the procedure that one must go through in order to become affiliated with one of these groups?

Julie Junior

Dear Julie Junior,

A period of "silence" will start on Monday, October 19. The first rushing function, the Black Tea,

will be held on Thursday, October 22. Coke dates will be on Saturday, October 24, and informal dinners will follow the next week. In order to "rush," a girl must have a 2.0 grade average and must be a high freshman or a transfer student.

Dear Addy,

I'm desperate! Tomorrow is the big game at Stanford, and I don't have a date or a ride. I really want to go to the game, but how does a car-less freshman get to Palo Alto?

Carless Carla

Dear Carless,

Since this is the season of girl-ask-boy events, the phone numbers of North Hall, South Hall, West Hall, Alpha Kappa Phi, Rho Lambda Phi, Alpha Kappa Lambda, and Delta Upsilon are listed in the Stockton Directory.

AD-LIBS

Stanford Game this weekend . . . everybody wear red . . . Everyone had fun at Alpha Theta's dance . . . little warm, though. Congrats to the first house to go National . . . Long live Tri-Delt . . . 9-1 at Archania's Open House Sunday night . . . Tri Delt's dance tonight . . . Dick is still sleeping on Kaufman's desk . . . A.W.S. has a new President. Congratulations, Beth . . . Zeta Phi's pajama party was a smash . . . Don't forget the Car Parade starts at 9 tomorrow.

. . . Rhizomia's annual Watermelon Feed will be on Monday. Grade "A" watermelons will be served free . . . who's the cannibal at AKL? . . . No more Denny Levett and the Tag-ers . . . Grapevine says the frats are "not needed" . . . the female population needs 'em . . . Election fever has started . . . support the Rally Committee . . . Last semester's P.W. editor is now sporting an M.G. . . . Who's the Phantom? . . . What are Spring cigarettes . . . guaranteed to snap back when you puff? . . .

NEWS FROM THE GREEKS

ALPHA KAPPA LAMBDA

AKL has been making preparations for a dance to be held tonight from 9 to 12 at their house.

Following the COP-Stanford game Saturday, the chapter will meet with the Stanford Beta chapter for an exchange.

An informal exchange with Zeta Phi is also on the calendar.

ALPHA KAPPA PHI

Archania held a very successful open house last Sunday evening, September 27. Explanations of bells and a history of the house were readily offered. Refreshments were served, and there was dancing to records.

Homecoming plans are in full swing with everyone participating to the fullest extent.

DELTA UPSILON

National field secretary of DU arrived on campus Wednesday from New York to spend a week with the COP chapter.

Delta Upsilon also reports a successful informal dance last Saturday night.

RHO LAMBDA PHI

Rhizites are preparing for their annual Watermelon Feed to be held on Monday, October 5, from 7 to 10 at the house.

Enjoying a European tour for the year are Denny Levett and Dan Poynter.

DELTA DELTA DELTA

Members and guests of Tri-Delta are looking forward to tonight's pre-rush dance to be held at the Skeet and Bocci Club from 9 to 12. Based on the theme "Mad-Hatter's Ball," costumes will be built around varied designs of hats.

Plans for an alumni luncheon on October 17 are under way, and work has begun on the house decorations and float for Homecoming.

DELTA GAMMA

University of California's Gamma chapter will be in Stockton on Sunday, October 4, to pledge the COP chapter of Delta Gamma.

Under the chairmanship of Kim Morris, plans are being made for the annual pre-rush "Shipwreck" dance on October 9 at the Rod and Gun Club.

KAPPA ALPHA THETA

Today the ladies of Alpha Theta Tau are being initiated as pledges in Kappa Alpha Theta.

Last Saturday's "23-Skidoo" dance was reported as a big success.

ZETA PHI

All the members of Zeta Phi were pleased with their pre-rush dance, "Pajamboree" held Saturday, September 26.

Last Wednesday an Open House was held for all new students on campus.

Officers for the fall semester are Nilsine Nilsson, president; Roberta White, first vice-president; Sally Lemos, second vice-president; Gail Terwilliger, secretary; Marilyn Austin, treasurer; Carolyn Watson, historian; Tanya Desatoff, chaplain; Bette Lowry, house manager; Cathy Wilson, sergeant-at-arms; and Shirley Pylant, service chairman.

COP out to AMBUSH INDIANS

PEACE PIPES PUT AWAY! BIG GAME TOMORROW, 2:00 P.M.

Scalp the Indians! This is the cry heard through the halls of COP this week. The call, of course, refers to the Stanford-Tiger game scheduled tomorrow, October 3, at 2:00. Pacific rooters are eagerly looking forward to the contest as the Indians are the best opportunity this year to gain a victory which will improve the football reputation of this school.

After the gloomy defeat of the Tigers by an unimpressive Colorado State team, however, Pacific will have to change considerably to be victorious over the Indians. At the moment things look dark for the Black and Orange. One of the big items causing particular concern to head coach Jack Myers is the vaunted passing offense of Stanford. The combination of quarterback Dick Norman and end Chris Burford is one of the most potent passing twosomes in the country. The running of Rick McMillan and Skip Face will also cause the Tigers much trouble. The truth is that the Indians are stronger than was expected at the beginning of the season. The line which was said to be weak and inexperienced has turned into a very strong point in Stanford's favor.

The good showing of the Redmen against the Wisconsin Badgers last week, one of the best teams in the Big Ten, is another

indication of the strength of the squad from Palo Alto.

The fact that the Stanford-Wisconsin game preceded the approaching game with COP is helpful to the Tigers. In the first place there is a good chance the Indians will have a letdown. Also, the Redmen will probably be well battered by their encounter last week.

It should be a very interesting game. The spectators will see the passing attack of Stanford matched against Dick Bass and other strong runners for Pacific. If the Tigers are "up" for the game, and they get the breaks, there is a very good chance for a COP victory.

COP set three single game records on offense last season. Two were in the San Diego game, with 250 yards gained passing, and 679 yards total offense. The other record was for most yards penalized, 130, during the BYU scramble.

Never try to change a woman's opinion — even if you can figure out what it is.

Cabanyog Hurt Out For Year

Pacific lost another first-stringer last week as Bob Cabanyog, right halfback, twisted his ankle in practice, severely injuring it. He is now walking around in a cast, and will be unable to participate in any more games this season.

Cabanyog, a sophomore transfer student from Hartnell College, was one of the key men in the COP backfield. Coach Myers was depending upon him for a lot of action this year.

Bob won four letters while at Salinas High, and was named the Outstanding Player of the All-America Junior College game

Bob Cabanyog watches his teammates scrimmage in preparation for Stanford. Bob's twisted ankle will keep him inactive for the rest of the season.

last year while at Hartnell. He stands at six feet even and scales in at 190 pounds. An excellent runner, Bob would have added a lot to the COP offense. With both Bass and Cabanyog in the backfield, opposing teams would have to be doubly careful.

Kammerer is already on the injured list, and Bass, though able to run, is not up to his top form. Injuries could prove to be Pacific's biggest opponent this year. With two tough games coming up, Stanford and Washington State, Cabanyog will be missed greatly.

Annual Water Polo Jamboree Gets Under Way Today in Pacific Pool

Water polo at Pacific begins this afternoon as the Tigers host several teams for the annual water polo Jamboree. Participating squads will include two from COP and teams from Stockton College, San Francisco State, Sierra Swim Club, and Davis. Pacific starts the action as they encounter one of these teams at 2:30 today.

From the standpoint of manpower, this is starting out to be a lean year. The Bengals boast only three lettermen from last year, Kelly Kjeldsen, Harold Robinson, and Dave Houghton. Other experienced men include Larry Pitman and Bruce Brown, both of whom saw action last year as freshmen. Pete Hunt, Connor Sutton, and Mike Mealiffe are a few promising newcomers. Inexperience may turn out to be the Tigers' biggest deficit this season. No starting

lineup was available by press time.

Pacific's tentative schedule so far will include games with Cal on October 7, Fresno Junior College on October 9, and the Olympic Club on October 10. The Tigers play in a league comprised of COP, Athens Club, Olympic Club, San Jose State, and Cal.

Last year was an excellent season for COP as they came up with the best college squad in northern California, and tied for second place in the league. The Tigers will have a tough time matching that record, but they'll give it a try.

GREG SMITH
Jr. Class
Treasurer

Big John Felix gets set to block a shot during a water polo game last year. John was Pacific's most valuable player. Although he is a graduate student this year, he will be back to assist the Tigers in the coaching department.

"VEEP"

THE TIGER TALE

by George Niesen

This is the big weekend as nearly the whole Pacific student body, including the football team, travels to Stanford tomorrow.

A good showing by the Tigers is a must after a poor game two weeks ago. There is no reason why COP can't beat Stanford if the Tigers are ready for the game, and with a week's vacation they are quite likely to be ready. They should be "up" for the contest also to avenge the first game's loss. Stanford won't be in the best shape after last week's tough tussle with Wisconsin, although the Indians were a pleasant surprise as they limited the Badgers to a two point win. With a big rooting section backing them up, the Bengals can notch up their first win. Don't expect a win, of course, as the odds are against Pacific. However, it is bound to be an exciting struggle, and the Tigers will be in it all the way.

POSSIBLE PASSING

Cabanyog's loss for the season was a big blow to Pacific hopes. Stanford is lucky in this respect, as the powerful Pacific running attack will be slowed considerably. Perhaps the Tigers will resort to passing themselves, and they might even beat Stanford at their own game. With several fine ends and flanker backs and some quarterbacks who can pass this year, the Bengals should make more use of the aerial attack. If the Orange and Black take to the air tomorrow, the fans are in for quite a show.

Bob Gatiss came through with a fine passing performance in the last few minutes of the Colorado State game. This was proof enough that Pacific could have an excellent passing combination if it were developed and used a little more.

WATER POLO

Pacific water polo opens this afternoon as COP hosts the annual Jamboree. This is really an interesting sport, and the spectators can have as much fun as the players. The team, although it likes to win, is not going to worry if it doesn't. The boys are out there for the sake of playing a varsity sport, and to get some healthful exercise. There are no scholarships awarded for water polo, but some of the team members have athletic scholarships from the swimming team. They play water polo in the off season just to keep in shape. Strictly a low pressure sport.

And yet, water polo has no place for sissies. Blood often discolors the blue water. With all the flailing of arms required for swimming, passing the ball, and blocking, someone is bound to get a good crack on the head during the course of a game. And when the crack on the head is administered by someone as big as John Felix, (who was Pacific's most valuable player last year as a senior, and a league All-Star) it is bound to be felt. John is about the size of Carl Kammerer.

It would be a good experience to take in a game some afternoon. There is a lot of action to one of these scrambles, and nobody is allowed to touch the bottom of the pool when playing. This makes life interesting. The tentative schedule may be found elsewhere in the sports section.

Other events on the football scene include frosh ball and intramurals. Intramurals are strictly for fun and house honors. They furnish recreation and a few good lumps to brag about. The spectators are usually a few girl friends.

The frosh squad is quite important to the future of the school. These are the boys that will become the future Dick Besses (possibly) or at least the nucleus of the varsity in a couple of years. They deserve a lot of support and encouragement. Their games, though not technically as good as those of the varsity, nevertheless offer an opportunity to watch some good rough football.

In other words, this column asks you, the students of Pacific, to support and root for your representative athletic teams, regardless of their type or level of competition.

Coach Jack "Moose" Myers tells the team how to beat Stanford. The Tigers have been working hard for the coming game, and a few closed practices have been held in preparation. Trainer Mel Moretti, (with back to camera) has been kept busy not only with the usual aches and pains, but with a few serious injuries.

STANFORD'S NORMAN POSES THREAT FOR HUNGRY TIGERS

Pacific faces the nation's top passing team tomorrow when they meet the redmen. Dick Norman of Stanford not only leads all college backs in passing, but in total offense also, despite a minus eight yards rushing.

In fact, he is making such a runaway with total offense honors in the Big Five that the race may be over by mid-season.

Norman, the accurate-throwing Stanford quarterback, was undaunted by the elements last weekend as he hiked his total to 374 yards in just two games. All of this represents passing yardage, since Norman shows minus eight as a runner.

Wayne Crow, heir-apparent to Joe Kapp at California, moved into second place behind Norman in total offense and replaced teammate Steve Bates as the Big Five's rushing leader. Crow has a lead of only one yard over USC sophomore Lynn Gaskill, who has carried only four times this season.

Passing is an all-Stanford show with Norman far in front of all throwers and end Chris Burford of the Indians leading the receivers with 14 receptions. And his three closest competitors are all teammates.

Stanford's Skip Face, with a 45.7 average, is the leading punter; Jim Maples of USC leads in interceptions with three; Cal's Grover Garvin tops punt returners with 103 yards; and Washington's George Fleming leads in kickoff returns, 62 yards, and in scoring with 20 points.

At this time last year, Pacific's

Dick Bass was the national rushing and total offense leader. He went on to be the first "triple crown" winner in almost 20 years, with the most yards rushing, most total yards, and most points scored.

FROSH FOOTBALL OPENS SOON

Freshman football practice at COP began last Monday, and this week the Tiger Cubs have been getting into shape for the 1959 season.

Coach Sid Hall reports a good crop of new material, and hopes for several wins this year. The tentative schedule arranged for the frosh consists of four games, starting with an encounter with the Fresno State J.V.'s on Sat., Oct. 24. Game time for this one is 3 p.m., at the Memorial Stadium. Other games are at Cabrillo J.C., at 8 p.m. Saturday, Nov. 7, and two home games, with the San Jose State frosh on Friday, Nov. 13, and McClellan Field on Sat., Nov. 21. Both these games will start at 3 p.m.

Last year's Tiger Cubs had a great season which was marred only by a 28-30 loss to San Jose State. In five games COP wracked up 215 points while limiting their opponents to only 36. In three games the opposing squad failed to cross the goal line.

This year should be just as fruitful for the young Bengals.

Farrell Funston, one of Pacific's all-time greats, was cut last weekend from the Cleveland Browns roster, and now, it is reported, may be going to Canada to play football. Funston was a star in Shrine East-West football competition.

Intramural Sports; Football Under Way

The intramural football season opened this week when two games were played on the Baxter Field gridiron.

Rhizomia opened the schedule against West Hall on Wednesday, and South Hall played AKL on Thursday. Other teams in the league are defending champions, Archania, Delta Upsilon, and Phi Delta Chi.

As yet the complete schedule has not been worked out, but games will be played Monday through Thursday at 4 p.m. on Baxter Field. Anyone interested in playing may contact their hall or fraternity representative.

The director of the various intramural sports activities is Dr. Carl Voltmer, Professor of Physical Education. His assistant is Chuck Filice. Together they promise an extensive recreation program throughout the year.

The Natives Return; Back to the Grind!

By SARAH NELSON

Summer was so short! Groans from the Student Body. Gone are the long lazy lovely languorous Sunday afternoons. Gone are the blissful hours with Maverick and Alfred Hitchcock. And what happened to the luxurious hours after 5:00 when you could just sit and do nothing with your summer love? Or if you weren't among the manual laborers . . . lost are the mornings when you could sleep until noon.

Eight o'clock classes, mental blocks, tranquilizers, guilt pangs, new blisters from new shoes, empty wallets and social pressures have returned. Ugly words like grade point, petition, organization, adjustment, study, preparation, concentration, probation are in the air.

But on the happy side are the crisp refreshments like football games, old friends, weekends, frat parties, Henry's doughnuts, Bob Vanderwall, water fights, panty raids, (Editor's Note: we don't have these things at COP), transfer students, rallies, Mike Bellini, bewildered Freshmen, Nationals, bridge tournaments, Bob Hicks, termites, red blazers, Chuck Felice, Stanford game, new hashers, Plogglies and Nikita. Let's face it . . . it's great to be back!

JAZZ AT MONTEREY

Monterey Peninsula is making preparations to receive a capacity audience of 35,000 at the second annual jazz festival to be held October 2-4. The five concert event has attracted nationwide attention and is drawing visitors from every state, including many prominent critics, writers, and musicians.

A college playoff at Monterey Peninsula College on September 27-28 will feature big bands and small combos from over thirty colleges; winners of the competition will appear at the Festival.

Open rehearsals of the Woody Herman Festival ALL-Stars will be held at the Monterey Fairgrounds Exhibit Hall every evening from September 29 through October 1. John Lewis, festival music consultant and Gunther Schuller, composer, critic and French horn virtuoso will assist Herman in these rehearsals, which are open to the public.

In addition to the three evening and two afternoon programs scheduled for October 2-4, the fairgrounds will offer a variety of exhibits, including art and photography displays, hi-fi, stereo, musical instrument and sports car shows. Strolling folk singers and impromptu jam sessions will enhance the festive air of the spacious picnic lawns. Unlimited free parking is available at the adjacent polo grounds.

Congregational Church Invites Interested Students

All interested college students are invited by the First Congregational Church of Stockton to a meeting this Sunday evening.

Bernardo Garcia, a student at Pacific School of Religion, will speak on "The Migrant Worker and Labor Organization." During the summer, Mr. Garcia worked among the migrant laborers in San Joaquin County.

Congregational (United Church) students and all others interested in the program are asked to meet at Anderson "Y" Center Sunday, October 4, at 7 p.m. Transportation will be provided.

Transportation will be furnished by members of the Church at 9:15 a.m. and 10:30 a.m. each Sunday from the "Y" to the Church at Madison and Willow Sts., for morning services.

The program planned for next week, October 11, will consist of a talk on the same subject, but from the employers' point of view. Mr. Allan Jensen, Executive Secretary of the Tomato Growers Association, will be the guest speaker.

"Ultimate Reality" Philosophers Theme

COP's Philosophy Club will hold its first meeting of the year Wednesday, Oct. 8 at the home of Dr. William D. Nietmann, chairman of the department.

The program will be centered around a search into the nature of the Ultimate Reality or the Supreme Being. Questions on the subject will be directed to Dr. James Davis, professor of botany and instructor of philosophy at Stockton College; Reverend R. J. Hawthorne, minister of Tracy's First Methodist church; Donald E. Ramstead, reference librarian at COP and Dr. Vincent Evans, visiting professor and instructor of esthetics at COP.

The philosophy club is a joint organization with Phi Sigma Tau, the national philosophical honor society. This organization is the oldest academic club on the campus, having been organized in the early 1920's. It is devoted to academic achievement and the discussion of various philosophical problems.

Universal Grants And Fellowships For Grads

Seniors interested in applying for grants and fellowships for graduate study in the United States, Canada, and other foreign countries during the 1960-61 school year should consult Dr. Clair Olson, room 202, Administration building immediately.

Grants are available under the Fulbright Act for study in many countries. The United Kingdom offers 12 Marshall scholarships for graduate study at universities in England, Wales, Scotland and Ireland. The Woodrow Wilson Fellowship Program grants 1000 fellowships for study in American and Canadian universities to seniors and graduates who are seriously considering becoming college or university teachers in the humanities or the social sciences. A few fellowships are also available to students considering teaching careers in the natural sciences.

Deadlines for filing applications under these programs are as follows:

Fulbright fellowships, Novem-

CAMPUS COMEDY

"WELL, I DROPPED THAT COURSE."

Car Pool Program Set For Sundays

Over 200 students from the College of the Pacific campus have participated in the church car pool program on the past two Sundays, which is sponsored by the Pacific Council of Religious activities under the leadership of Bob Goux.

Each Sunday throughout the school year, students wishing to attend services in churches in the Stockton area are invited to meet in front of Anderson "Y" at 10:30 a.m. Transportation at other times will be provided for students who make special arrangements with members of the church group that they wish to attend.

The following Stockton churches are participating in the pool: First Baptist Church, St. Luke's Church, St. Mary's Church, First Church of Christ Scientist, First Congregational Church, St. John's Episcopal Church, Temple Israel, Faith Lutheran Church, Central Methodist Church, Grace Methodist Church, St. Paul's Methodist Church, Lincoln Presbyterian Church, First Presbyterian Church, and First Unitarian Church.

Originality: The art of remembering what you hear and forgetting where you heard it.

ber 1; Marshall scholarships, October 31; and Woodrow Wilson scholarships, October 31.

Part-Time Job Opportunities For Sales-Minded Students

Sears, Roebuck and Co. offers a part-time, rotational training program to Sophomore, Junior, or Senior students interested in merchandising. Will include work in sales, credit, receiving, personnel, auditing, and inventory control. An unusual opportunity to earn while you learn and serious minded students are urged to apply. Openings exist now in our Stockton store. Contact the store's Personnel Manager or see your Placement Director for further information regarding Sears College Work-Study Program.

Why is there life?
Is it not useless —
what is derived from it?
Fun, love, success, happiness,
but for what reason?
Isn't life only to wait for death?
In the end death is wasting and
sad so then isn't life also
wasting and sad —
Think, then tell why.

Faith, faith to have, faith
to find, faith to give —
yet faith, do explain.
Faith is all power, and power —
what is it?
Power, power to grow, power
to make, power to kill,
power to destroy — power
to End.
End is lonesome, end is happy,
end is eternity, end is all —
tell me, why?
Why, why for life, why for love,
why for hate, why for you —
why for me?
