## Dec. 11 Deadline Set For Reserving Rooms

Applications and deposits for housing for the spring semester, 1960, are now being accepted by the Director of Housing in Quonset C. Deadline is December 11.

The \$10 deposit must be accompanied by three housing reservation cards. Recipients of room and board scholarship must also fill out the cards in triplicate.

Students who do not have applications in by December 11 will lose priority. In accordance with the general policy, priority is given first to those students wishing to retain the room they have been occupying. Next in line are seniors, juniors, sophomores, and freshmen.

All undergraduate women and lower division men are required to live in campus residences except students living at home or with close relatives, and those working for room and board. Upper division men under 21 years of age who are desirous of renting an apartment or house where no supervision is available, must present written parental permission for this to the Director of Housing.

## Art Center Features Paintings By Snyder

Thirty-five oil paintings by William Snyder, chairman of the Franklin High School art department, are now on display in the College of the Pacific Art Center lecture gallery.

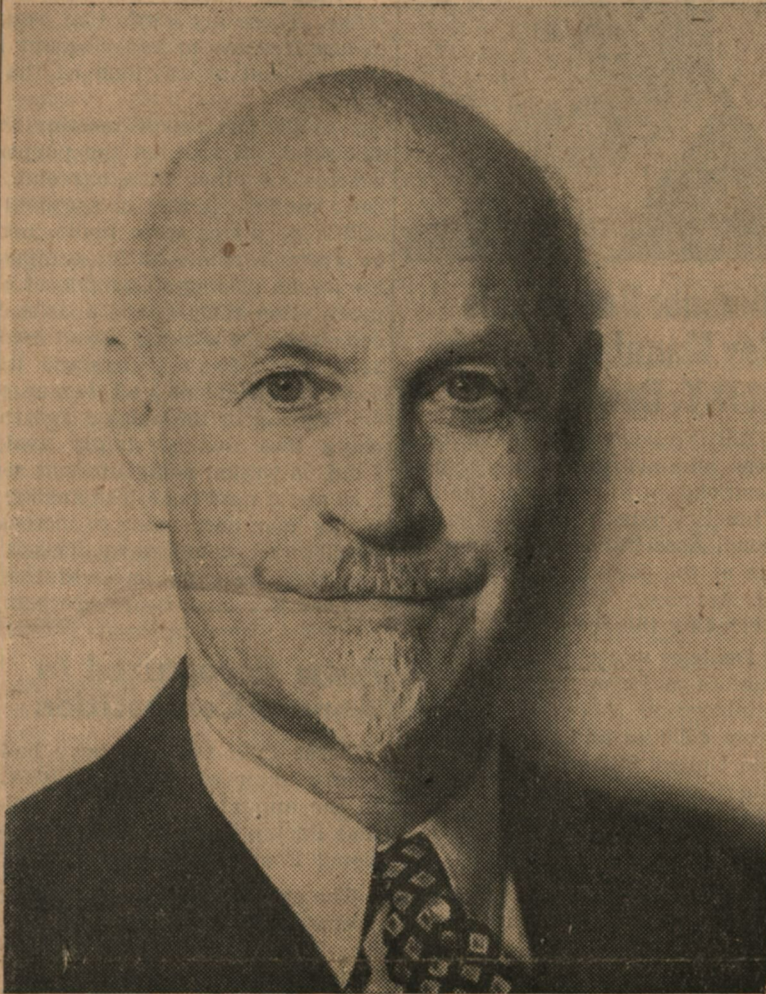

Explaining his semi-montage style, the exhibitor said, "I try to give the impression of layers of reality, as though done on superimposed reflecting surfaces in violation of the two-dimensional picture plane. The literal elements I work with reflect a profound personal compassion that I possess for humanity, but they are not intended to tell any story or pose any moral evaluations."

Snyder has had a "one-man" show at the Crocker Art Gallery and has exhibited at the De Young Museum in San Francisco and the Haggin Art Gallery. His paintings also were included in the "Art, U.S.A." show at Madison Square Garden in 1958 and the 1958 "Church Art" show in Grace Cathedral, San Francisco.

Currently a candidate for Guggenheim Foundation and Fulbright awards, Snyder is a member of the Pacific Arts Association and Stockton Art League.

The exhibit is open to the public on Monday, Wednesday, and Friday from 1 to 5:30 p.m. The Snyder show closes December 18.

CHANCELLOR TULLY CLEON KNOLES

## 44th Annual Presentation Of The Messiah To Be Held On Sunday In Civic Auditorium

Over 250 voices of the College of the Pacific Oratorio Chorus, Stockton College Chorus, and Stockton Chorale will join for the 44th annual presentation of *The Messiah* this Sunday at 8 p.m. in the Civic Auditorium.

Arthur J. Holton, choral director for both colleges and the Stockton Chorale, will conduct the choir. The Pacific Concert Orchestra will provide the accompaniment.

Four soloists will be featured in the annual production, which is sponsored by COP. Mrs. Joan L. Bates will be the soprano soloist, Mrs. Leona Orr, a member of the Chorale, will be the featured alto, and Robert Gettys will handle the tenor solos. Robert Oliver of Los Angeles will make a return engagement as a "Messiah" soloist.

Included in the program will be "Let Us Break Their Bonds Asunder," a chorus never before performed in the Stockton area. The performance will close with the seldom-heard "Amen Chorus."

Scored in just 24 days by George Frederic Handel, *The Messiah* was first performed in Dublin, Ireland, in 1742, where it was instantaneously successful. The combination of the words adapted from the Bible and Prayer Book by Charles Jennens and perceptive Handel music have made *The Messiah* the most performed oratorio in musical history.

The production, for which no

seats are reserved, is open to the public without charge. A voluntary collection will benefit the J. Russell Bodley Scholarship Fund, which aids selected Stockton College students who enter music study at the Pacific Conservatory.

## "Winter In Abstract" To Be Theme For Saturday Night Formal

This year's winter formal takes a slight turn from the traditional Christmas with Santa atmosphere when a "Winter in Abstract" theme is presented at the Stockton Ballroom tomorrow night. The annual dance will be held from 9 to 1 a.m.

Pete Devanis and his band will provide the music for the formal affair.

General chairman of the dance is Maggie Bodley, who has assigned each class to be in charge of a committee. Refreshments will be handled by the freshman class, decorations by the sophomores, publicity and bids by the juniors, and chaperones by the seniors.

Dress for the evening is tux or dark suit for men and formal or dressy dress for women. A student body card will be required for admission.

## CHANCELLOR KNOLES DIES AT 83 AFTER RICH LIFE

*College Of The Pacific's Ex-President Leaves Impression In Fields Of Administration, Education, Public Speaking And Religion*

Dr. Tully Knoles, beloved chancellor of College of the Pacific, died of a heart attack Sunday, November 29, at the age of 83.

Despite his advanced age, the former long-time president of the college's death was unexpected, since Dr. Knoles had no medical history of heart ailment. The night before his tragic death, he travelled to Oakland where he was made a 33rd degree Mason. He returned home in presumably good health and excellent spirits.

Early in life Dr. Knoles began his three-fold career of educator-administrator, speaker, and churchman.

### EDUCATOR

Born in Petersburg, Illinois, in 1876, Dr. Knoles joined the student body of the University of Southern California in the late 1890's. Here, he studied philosophy and became a divinity student, also winning acclaim on the gridiron. After graduation, Dr. Knoles joined the faculty of his alma mater.

In 1919, the distinguished educator was appointed president of College of the Pacific, then located in San Jose. Under his skillful guidance, the college was moved to Stockton in 1924.

### MINISTER

Dr. Knoles began his ministry while still a USC student. Throughout the years, he remained a great churchman and leader of Methodism. He was seven times official delegate to the quadrennial world-wide General Conference of the Methodist Church and was a member of its national Board of Education for many years.

As a speaker, Chancellor Knoles' career also stemmed from his un-

dergraduate days. A lifetime of speaking without manuscript or notes made him a master of oral composition.

For more than 20 years, he broadcast weekly quarter-hour or half-hour current history commentaries under the title "The World Today." The educator was a principal on "America's Town Meeting of the Air" three times and for years presented the annual opening address before the Commonwealth Club of California.

### CHANCELLOR

In 1946, after 27 years as Pacific's president, Dr. Knoles retired. At this time he was given the honorary title of chancellor, continuing to advise on college academic matters.

It was not until two years ago that the grand educator went into full retirement. Despite this, he continued pursuing his active role in the civic and social life of Stockton.

Riding was Dr. Knoles' first recreation. He was well-known for his expert horsemanship and remained a great sports fan throughout his life.

Among the many organizations that Dr. Knoles was an active participant in, some include: the National Education Association, the Southern California Historical Society, American Academy of Political and Social Science, Kappa Alpha, Phi Beta Kappa, Phi Kappa Phi, Pi Gamma Mu, and Phi Alpha Theta. He held honorary degrees from Pacific, USC, Pacific School of Religion, and Boston University.

### FAMILY

The distinguished educator is survived by his wife, the former Emily Walline, by his three daughters, Lorraine Knoles, professor of history at COP; Edith

Knoles, a Los Angeles teacher; and Mrs. Herford McAllister of San Mateo; and by his five sons, Peter, vice president of the Sacramento Junior College; George, a professor at Stanford University; Tully Jr., director of adult education in the Palo Alto schools; Gordon, a department store executive in Pacific Grove; and Leslie, dean of men and director of students at Modesto Junior College.

Memorial services for Chancellor Knoles were held in Morris Chapel Wednesday, December 2.

## EDITORIAL

Another one of COP's greatest living traditions passed on to greater heights when Chancellor Dr. Tully Cleon Knoles died last Sunday morning.

A familiar figure on campus, at dozens of football games, and at convocations and chapel services throughout the years, Dr. Knoles remained active and interested in COP after his retirement from the school's presidency in 1946. A friendly word, a nod, and a firm handshake were the trademarks of the white-bearded man who began a three-fold career early in his life.

A well-known educator-administrator, speaker, and churchman, Dr. Knoles combined unselfishness and humbleness into a combination respected and admired by many.

The COP Chancellor found time to dedicate many hours to civic and community affairs. He was a member of Phi Beta Kappa, Phi Kappa Phi, Rotary, Shriners, and the evening before he died he became a 33rd degree Mason.

Many Pacific students will long remember the staunch figure of Dr. Knoles riding his horse in parades, sitting on the players' bench at football games in Memorial Stadium, and speaking before audiences with a crisp, commanding voice.

Although he is gone, Dr. Knoles' spirit will live long in the hearts of students and faculty.

"He who bends to himself a joy  
Does the winged life destroy;  
But he who kisses the joy as it flies  
Lives in eternity's sunrise." (William Blake)

A college newspaper is usually a fascinating tool of communication. Throughout its pages one may find a variety of subjects ranging from controversial topics and who has been pinned to how the school fared at the last football game. That is what a newspaper is for—to inform a great variety of readers on a great variety of news.

However, keeping this in mind, many problems unknown to the reader do arise and a paper finds itself in more than one predicament. The Pacific Weekly is no exception.

Although this paper has usually been a weekly eight-page periodical, this year we have had to face a great decrease in the budget allotted to us by the PSA. Because of this cut, it is impossible to publish an eight-page paper every week.

Continuing around the vicious circle, it is obvious that without sufficient funds, a newspaper must adopt secondary sources of money—advertisers. It is these advertisers who give the paper its "bread," so to speak, when the butter is not available.

Another problem: why isn't there more news in the paper? The answer is two-fold. 1. Without enough money from the school, we must have advertisements, and 2. By having ads in the paper, the space, naturally, for news has to be sacrificed.

Working around these obstacles the news editor, society editor, sports editor, and the business manager battle the lack of time, no money, lack of complete, concise coverage of news, no money, and on and on.

The fall semester staff of the Pacific Weekly is small, but we are striving, and we will continue to strive to bring you the facts in the best possible way. In spite of four pages, advertisements, no money, headaches, and ulcers, the paper must go on! (And it will!)

## Deubner Represents Bay Manufacturers At N.Y. Conclave

Bill Deubner, COP junior business administration major, has been chosen to represent the San Francisco Bay Region of the National Association of Manufacturers at the 64th Annual Congress of American Industry in New York City this week.

Deubner was chosen from COP juniors majoring in business administration. About 30 students from colleges and universities in the United States are attending the Congress as guests of the NAM. The purpose of the Congress is to give the student delegates a chance to quiz industrialists and other business executives and to better understand the workings of big business.

The student guests will also have an opportunity to tour New York. Deubner left November 30 and will return to Pacific tomorrow.

## Engineering Club Sponsors Open House

College of the Pacific Engineering Club elected officers on Wednesday, November 25, and outlined plans for the annual Engineering Open House on December 11 and 12.

Open House preparations were set under way, and Wayne Goodell was put in charge of the demonstrations. Tours will be under the direction of Dick DeVan. The 60 members of the club will participate in the schedule of tours, exhibits, and demonstrations for the open house.

## FROM WHERE I SIT . . .

By MEL SLOCUM

This week I don't have one or two big problems to linger upon as usual, but I do have several little bits of information to pass on for whatever they may be worth. So, if you will absorb, this little barrel of information will pour forth.

A common question by the many pursuers of excellence after returning from a four-day weekend is, "When does Christmas vacation begin?" Well, we can all do our pursuing at home beginning December 17th. The last day of school for 1959 is Wednesday, December 16th. Classes resume again on January 4th, 1960.

Student Theater Discount Cards are still on sale at the PSA office. These are cards that you buy for \$1 and they entitle you to one free movie and discount rates for all others. These cards are accepted at any one of the four decent theaters in greater Stockton.

At the last Senate meeting the traffic problem on campus was discussed. It was not the purpose of the discussion to reach any conclusions other than agreeing that the problem did exist. The basic problem is that of speeding and how to slow cars down. Several suggestions were made including putting in bumps or rises at strategic points on the campus lanes, putting in little islands in the street, placing stop lights at corners, etc. The latter doesn't help much other than to add a little color to the campus. This problem occurs in the evening about two minutes before 10:00, 10:30 and 11:00 p.m. Can't understand it! This problem might easily be solved by abolishing all women on campus.

Tuition is the subject for the day. Last week I said I would check into this constantly avoided topic for good conversation. I did. Is tuition going up next semester? The answer is NO. Then how about next fall? The answer is again NO. At least no arrangements have been made to increase it at this time. Now, there is a possibility it could go up. This is decided by the Board of Trustees, and they have not brought the situation up . . . yet. So any rumors you have heard are completely untrue . . .

## Poets Recognized In Annual Competition

Three COP students have had poetry accepted to be published in the annual Anthology of College Poetry sponsored by the National Poetry Association.

The students and their winning poems are Sara Higgs, freshman, The Dead Man's Son; Jean McGuire, junior, The Pier; and Geraldine DeBenedetti, senior, The Fog Seeps Through The City.

The Anthology is a compilation of the finest poetry written by the college men and women of America, representing every state in the country. Selections were made from thousands of poems submitted.

## Theatre To Present Clown For Children

Tomorrow morning at 11 a.m. and tomorrow afternoon at 2 p.m. Pacific's Children's Theatre will present "The Clown That Ran Away" on the Conservatory stage.

After running away from the circus, Dodo the Clown finds his way to a doll shop where he quickly falls asleep. While Dodo is sleeping, robbers enter the scene to steal all the beautiful dolls. With the aid of Gladys the Horse, Dodo sets out to apprehend the robbers and recover the dolls.

"The Clown That Ran Away" is directed by Marcia Lou Brown and features Fred Vallier in the title role as Dodo the Clown.

## NEWS FROM THE GREEKS

### ALPHA KAPPA LAMBDA

AKL's "eight" staged their pledge dance, "Prohibition Days Hop," Saturday, November 21. The house took the appearance of an old speakeasy for the event, complete with wooden crate chairs and tables and an apple cider bar. The members and guests had a great time. Mr. and Mrs. Johnson chaperoned the event.

On the social calendar for the near future is a Christmas exchange with Zeta Phi. A trip to an orphanage is planned for the evening.

The men of AKL are now sporting black blazers with their crest in white, purple, and gold.

AKL's pledges will be formally initiated this Sunday.

### ALPHA KAPPA PHI

The Fall Formal held by Archania on November 21 lived up to and surpassed everyone's expectations. The country-club atmosphere of the Briner Estate in Auburn and the soft music of the Makapagal Band helped to make the dance a great success.

Help Week will end tonight for the Archanian pledge class. The pledges have been doing constructive jobs for both the house and the membership. Initiation for the new members will be held on Sunday, December 6.

The Archania intra-mural basketball squad under the able leadership of Ben Aiken and Ron Loveridge is busy getting in shape for the coming season. All-American candidate John Beyer will lead the offensive attack as the team tackles its warm-up games before traveling to Rome for the summer Olympics.

### DELTA DELTA DELTA

Special meetings were held Tuesday and Thursday for the pledges in connection with "Delta Week." Thursday evening the pledges were hosted at dress dinner. Mrs. Robert Stice, District President of Delta Delta Delta, was also present Thursday.

An exchange dinner was held at Rhizomia Wednesday evening. The group then proceeded to Tri Delta for dessert and dancing.

Today at 4 p.m. will mark the beginning of the initiation of collegiate, alumnae, and honorary members of the Phi Rho Chapter of Delta Delta Delta. The second degree will be given on Saturday. The rituals will be performed at the Unitarian Church. A banquet

will be held at the Ambassador Hotel for the new initiates and honored guests Saturday evening. A reception and open house Sunday from 3-5 will conclude the initiation activities. Sixty-five girls will become collegiate members and about 70-80 will become alumnae and honorary members of Delta Delta Delta.

### DELTA GAMMA

Wednesday an exchange with DU was held at the Delta Gamma house.

Thursday evening the chapter entertained the national officers at dress dinner.

Collegiate members will be initiated into membership of Delta Gamma tonight. Tomorrow the alumnae will receive the degree of initiation. At 6:30 p.m. a banquet for collegiates, alumnae, Delta Gammas from San Jose, and honored guests will be held. A reception honoring the new initiates will be open to the campus from 2-4 on Sunday.

### RHO LAMBDA PHI

Rhizomia donated food to the Thanksgiving basket for the Children's Home of Stockton. They also gave clothes to the United Clothing Appeal.

An exchange with Tri Delta was held at the sorority Wednesday evening. Next week Rhizites will host Dee Gees at an exchange at their house.

Plans are being made for the annual Children's Christmas Party to take place December 12.

### ZETA PHI

Sue Mossler as captain and Betty Lowry as assistant captain led Zeta Phi to victory in the recent WRA basketball tournament.

The sorority's pledges are planning a Christmas party for underprivileged children on December 9.

Also in the Christmas spirit are the members who are busy preparing their song for the Christmas Pageant.

## SPURS SPONSOR SERVICE PROJECTS

Abby Wasserman has been elected to succeed outgoing Spur president, Linda Huffman. Ruth Sabastian will take over the post of secretary which Abby leaves.

The Regional Spur Convention held at Arizona State University recently was attended by Linda Huffman. Sally Anaclerio, Director of Region III, presided over the event.

The Thanksgiving Basket project was a big success. The gifts donated by the living groups on campus were presented to the Children's Home of Stockton.

Spurs will usher at the "Messiah" December 6. They will serve refreshments in the WRH dining hall following the Christmas Pageant, December 13.

San Joaquin County Hospital patients will hear Spurs caroling in the halls on the evening of December 14.

## Nyla-Mel Engaged

November 11, Nyla Marchese and Mel Hanson announced their engagement in the lobby of Manor Hall. Mel presented Nyla with a ring which he had designed for her himself. After the reading of a Shakespearean sonnet by Geraldine Kennon, licorice and bubble gum were passed to the small group of close friends.

Nyla, who lives in Sacramento, is a senior majoring in speech and drama. She is a member of Theta Alpha Phi, national drama fraternity. She will graduate in January.

Mel, a resident of North Hall, will graduate in June. He is majoring in philosophy and art and is a member of the Philosophy Club. His home town is San Francisco.

After their June wedding in San Francisco, Mel plans to continue in the field of art. Nyla will obtain her master of arts degree in speech at San Francisco State.

## KNOLEN'S ACTIVE ON CAMPUS

Knolens recently hosted a dinner for Spurs and Alpha Lambda Delta, freshmen women's honorary. Each of the three groups brought part of the menu. Peggy Joy was in charge of the event.

At the November 19 San Jose Exchange Rally, "Lick San Jose" suckers were sold. Jean Watkins directed the sale.

Knolens will usher at the "Messiah," December 6, at the Stockton Auditorium.

Members are currently working on the annual address book that will come out before Christmas vacation.

Officers of the Senior Women's Honorary are Sally Anaclerio, president; Beth Akers, vice president; and Shelly Onweiller, secretary-treasurer.

## AWS Convocation To Be Held Thursday

Plans are under way for the second annual Christmas convocation sponsored by AWS. Thursday, December 10, at 11 the conservatory will be filled with all women students on the Pacific campus.

"Let's Have an Old Fashioned Christmas" is the chosen theme. Each of the twelve sections of WRH, the sororities, and Manor Hall will present a short song or skit.

General chairman for the event is Elise Austin. Other committee members are Lynn Vandermore, Wendy Waldie, Jill Blosser, Alice Biagi, Marlene Monese, and Bebe Hart.

## Pat-Gary Engaged

Wedding plans are being made by Pat Nording and Gary Newly for August 29, 1960. The engagement was announced at a luncheon in Boise, Idaho, late last summer.

Pat, whose home town is Boise, Idaho, is living in the Women's Residence Hall. She is a senior business major. Her activities include counseling in section 6 of the dorm, Phi Kappa Phi, and Phi Theta Kappa.

Gary has served several years in the Navy. He is now a sophomore at Boise Junior College, majoring in physics.

After the wedding they will move to Arizona, where Gary will complete his education.

## Mitzi-George Engaged

Recently announced to Delta Gamma sorority sisters was the engagement of Mitzi Kirk to George Silva. A poem was read by Geraldine Kennon, and a candle decorated with lavender and white carnations was passed to announce the engagement.

Mitzi is a sophomore student here at COP, and she is majoring in home economics.

George graduated from Pacific last June. While in school his major was pharmacy. He is a member of Phi Delta Chi and served as president of the fraternity in 1957.

Included in Mitzi's activities are Standards Committee, Asilomar in 1958, and the Academic Survey Committee.

George served as president of Blue Key in 1958. He is also credited with a listing in Who's Who in American Colleges and Universities.

Pleasant Hill is Mitzi's hometown, and George is from Los Banos.

He is presently stationed at Fort Sam Houston in Texas in the Army Medical School. The couple plan to be married on February 27 and will then spend the next three years stationed in Germany with the Army.

## DORM DOINGS

Sunday, December 6, the Women's Residence Hall will hold their second annual Christmas Tea and Open House. There will be guided tours through the rooms, and refreshments will be served.

"Around the World" is the theme chosen for the tea. The countries the twelve sections have chosen to depict are Sweden, Mexico, Switzerland, Germany, the Holy Land, Norway, Denmark, the North Pole, Holland, Tibet, France, and Old Fashioned America. A first, second, and third prize will be awarded for the best section decorations. The winners will be announced at 4:15 over the intercom.

Carolyn Stitt and Becky Kanninen were in charge of the theme, and Marty Grannell and Janis Bishop headed the committee for decorations. Ilka Galvez will be acting hostess, and refreshments will be under the direction of Karen Weir and Martha Hartan.

Zeta Phi's winning basketball team poses proudly with the trophy. They defeated Tri Delta in the playoffs. In the front row are: Kathy Wilson, Linda Huffman, Betty Lowry, Joan Munn, and Sally Lemos; standing l. to r. are: Leah Morford, Susan Mossler, Diane DeLaHunt, and Nilsine Nilsson.

### Zeta Phi Triumphs In WRA Basketball

With Zeta Phi winning the championship, the WRA intramural basketball tournament came to a close. Play-offs were held Tuesday night, November 24, between the two top and the two bottom teams.

Competing for first place were Zeta Phi and Delta Delta Delta, while Kappa Alpha Theta and the

Women's Residence Hall's first floor were contending for bottom place, with the girls of the first floor winning. The tournament began November 17, with a team from each women's living group participating.

Tentative WRA plans for the future include a basketball tournament with Sacramento State College.

### COP Water Polo Squad Wins First Tournament, 100th Game

Rags to riches was the story of the College of the Pacific water polo team. After losing all their league games, the Tigers surprised everyone by winning the Junior Pacific Athletic Association Championships. The gods must have been smiling on the Bengals, as most experts figured that Pacific would be dumped in the first round.

However, the Orange and Black managed to squeeze by the University of California at Davis by a score of 7-6. The biggest surprise was yet to come! COP pulled the upset of the tournament by downing the Pacific Water Polo Club 10-7. This is the team which features the talents of such players as John Felix and Tom Robinson, both former stars for Pacific. With this, the Tigers reached the finals.

Their opponent for the final game was Stockton College, a team which swept through its league with only one defeat. COP crushed the Mustangs 13-5. Much credit must be given to Kelly Kjeldsen, who held the star of the Stockton team to four goals. This is the first championship ever won by the College of the Pacific water polo team.

Coach Bill Anttila was faced

with an interesting situation. Anttila coached both teams in the finals for the championship, and of course he couldn't lose. The victory for the Tigers was the hundredth for Anttila since his arrival at Pacific. He has suffered only 59 losses during this time.

All league selections were made last week and Pacific is honored to have goalie Harold Robinson placed on the team. Robinson has played well all season and is deserving of the honor.

Since the Tigers will only lose one man to graduation, guard Kelly Kjeldsen, hopes are high for a successful season next year.

### Frosh Finish Season By Edging McClellan

COP's freshman football squad opened with a 28-8 halftime lead and then held off a determined McClellan Air Force Base rally in the fourth quarter to defeat the rugged Air Force team 35-24 in a game played November 24.

The Tiger-yearlings scored four times in the first half on two touchdowns by Aaron Youngblood, and single tallies by Jay Olson and Dick Hernander, the latter of which was a 65-yard pass interception runback. Bill Kutzer scored the other T.D.

One unfortunate injury occurred during this game. Paul Worden, a standout on both offense and defense this season for the "Tiger-Cubs", broke his ankle during the first quarter. Duane Isetti, first string halfback, was also forced to sit out the game because of a recurrence of a previous concussion.

### BENGALS SPEAR SPARTANS, 20-7

Pacific's Tigers played one of their better games against the San Jose State Spartans to finish the season with a winning record and salute the eighteen seniors with a 20-7 victory in their final action at COP.

The game was a one-sided affair, as the Bengals took the opening kickoff and marched 68 yards for six points with less than four minutes of the game gone.

In the second period Pacific increased its lead with another six points after Gritts recovered a Spartan fumble on their own 43. The conversion attempt was unsuccessful.

Pacific went on the scoreboard for the third time with Bass romping for the six points, after Wallace recovered a fumble on the San Jose 27 to set up the score. The conversion gave the Tigers an unbeatable 20-0 lead.

The Spartans scored late in the third period, but never had a chance to even things up.

Bass scored all three touchdowns to break the all-time scoring record at COP, and his yardage gained also eclipsed the old all-time mark.

This victory left the Bengals with a 5-4 season record.

### BASKETBALL BEGINS FOR TIGER CUBS

Pacific's basketball season will officially begin tonight at 8 when the freshman squad opens against the San Francisco Theological Seminary at Pacific Gym. The frosh hardcourtters will turn this into a basketball weekend by playing Downey High School tomorrow afternoon at 3 p.m.

Tonight's opener promises to be a thriller as Coach Don Cockburn's untried but well balanced team goes against a squad which has already tasted blood. San Francisco Theological Seminary opened its season last week by blasting a strong Marin County City League team 57-37. Pacific's freshmen, however, scrimmaged against Edison High last Monday and against Stagg High on Tuesday — two of the best teams in the area — and, although scores were not kept, the frosh looked strong and ready.

Coach Cockburn will use a 1-2-2 offense in the opener. This pattern is highly flexible. With it the

### Hoopsters Open Season At Chico VAN SWEET UNCERTAIN ABOUT DEFENSE

Coach Van Sweet and his basketballers will leave the campus tomorrow at 2 p.m. with fangs and claws bared for what may be the biggest cat fight of the year. The Chico State Wildcats and the Tigers will tangle tomorrow night at Chico in the opening game of Pacific's Varsity schedule.

Like the animals for which they were named, the Tigers are bigger than the Wildcats, but Coach Sweet, who scouted the Wildcats last Tuesday at Santa Clara, isn't underestimating the scratchability of his opponents. "The Wildcats are always toughest on their own court," he said.

The Tigers will be sending their biggest and meanest cats against Chico. The probable starters are: at forwards, Larken Bryant, 6' 5" and Lee Leonard, 6' 8"; at center, Leroy Wright, 6' 8"; at guards, Sandy Bleier, 6' 3" and "Bobo" Leonard, 6' 2". "Our starting five will be strong on rebounding, adequate on shooting and the best we have on defense," Coach Sweet said.

The Tiger's defense is still the big question. It isn't a question of it being bad so much as a ques-

team will be capable of shifting rapidly into formations which should overcome any defense thrown against it.

Earlier this week Coach Cockburn said that his probable starters for this game are: at forwards Ralph Eymann, 6' 1/2" and Duane DeLong, 5' 10"; at guards Thomas Dalrymple, 5' 10 1/2" and Kendall Dyson, 5' 10"; at center Ivar Kent, 6' 1".

Having found the path to victory in that earlier game, the San Franciscans will have the psychological advantage. But this will be overcome by the host of home court rooters. A win by the frosh in this opener could be the spark that will set them on fire.

tion of whether or not it will bog down at the wrong time. "We're not a veteran ball club like the Wildcats," the Coach said. "We have several new boys who look good in practice, but we won't know how good they really are until we've seen them in a game or two."

Although Coach Sweet is still clinging to a "wait-and-see" attitude, he did say that the Tigers are capable of beating Chico, and any other squad on the schedule for that matter, — IF.

For those who may be driving to Chico, game time is 8 p.m.

### South Hall Men Are Intramural Winners

The intramural basketball season commenced last Wednesday with three initial games. Gritts' Internationals opened the schedule in the four team National League with a game against Delta Upsilon. In the American League, composed of five teams, Delta Upsilon played Archania, and in the six team Minor League South Hall tangled with Archania.

John Preston of South Hall won the cross-country race held on November 18. Gary Brink was second. The team trophy was won by Delta Upsilon.

On November 23-24, the swim meet was held. South Hall emerged victorious with West Hall second and Delta Upsilon third.
