Brother John  
I received your letter on last day as we were coming home from meeting in which I found some very fine calculations but this is only a note I also found "something" yet nothing I told you in my last letter it was "All done"; I meant that which was in the bottle I therefore as you gave me liberty send for some more you said I must cheer up well I have a good while

ago and much reason  
I have after you left  
I did not have one single  
— While the bottle lasted  
nor for some time after  
but altogether not more  
than 3 or 4 and as I had  
no appetite in the morning  
now I can eat from  
7 to 10 Potatoes by  
day-break and begin to  
feel well therefore I say

Cheer up
