Yosemite Val Feb 20

Dear Doctor, I sent you  
directions about my trunk  
some time ago but the interrup-  
tion of the mails may have  
prevented you from receiving  
them. If you have not yet  
sent it - omit the Sept the clock

If you & your love are con-  
joined - accept my most hearty  
congratulations! We have  
been splendidly snowbound but  
warm weather has released us  
Robins & Thrushes sing, & Willows  
are in bloom,

If I were rich I would lend  
you money enough to visit  
our valley

If you watch The N.Y. Tribune  
You may occasionally see an  
article from my pen. The  
first appeared in the issue of Dec  
19<sup>th</sup>

Let me hear from  
you soon. Give my most  
cordial regards to your son  
I am ever yours John
