family are all well - as far
as I know - I liked the
newspaper you sent me
very much - I am glad
you take an interest in
the Sunday school -

where ever our home may
be, we will be very glad
to have a visit from you
when ever you think you
can spare the time -

I expect your marriage
trip will be home -

and now Dear Daniel
I commend you to God
and to the word of his
grace which is able to
build you up - and to give
you an inheritance among
all them which are
sanctified - from your
affectionate Mother

Farm Feb 26¹⁸⁷²

Daniel Dear

I received
your very welcome letters
of Dec^r 8th and am
much gratified to know
that your health is good -
and your practice increasing
I hope you will prosper

 will do, until after sale
 day is over - perhaps we
 may not move after all -

I presume you have
 been told about the man
 that came to our house
 and told us he had left
 John on the 2 of Jan^y - for
 nine days we listened to
 lectures about John and the

Yosemite valley - when
 Sarah received a letter from
 John dated 17th Jan^y which
 led us to believe he was
 an impostor - so we got
 rid of him as quietly and
 quickly as possible -

I suspected him the second
 day of his visit and told
 Anna of it - but she
 reproved me so sharply that
 I tried to think I was wrong
 but never could -

Your father had a letter
 from Mary about 2 weeks
 ago - she is in good health
 and spirits - and likes her
 studies - Joanna will get
 through with her school
 in a fortnight - I expect
 a short visit from her -
 Today - the rest of the -
