Mayor Fay Invites C.O.P. Students to Memorial Service

In place of the regular parade and celebration of Memorial Day in Stockton this year, there will be a memorial service in the Civic Auditorium on May 30th, at 7:00 p.m. This service will be only about one hour in length and all patriotic, civic, and religious organizations, and clubs are urged to take part in it.

SILENCE PERIOD

Mayor Ralph W. Fay has also proclaimed as a token of respect to our departed soldiers that at 12:00 o'clock noon, on Memorial Day, all human activities in Stockton shall cease for ten seconds for silent meditation and prayer, during which ten-second period, all buses and all (See Memorial Service, p. 3, col. 2)

'WUTHERING' DISPLAYS TOP NOTCHERS

By ELINOR SIZELOVE

"Wuthering Heights" thrilled audiences last week end and lived up to all that the famous story offered. It was exhilarating acting by the cast and moved at a swift pace. At the end of the first act, the audience had worked themselves up to the high tension and excitement the play calls for.

WILDE, CAHN EXCELLENT

The entire cast is excellent. Every one does his job and does it well. June Wilde proves her worth as a fine actress in her very charming and believable characterization of "Cathy." She has a warmth about her acting and a great sweep which embraces the entire audience as she picks them up with her in breathless concentrated empathy.

J. P. Cahn as "Heathcliffe" has fine characterization too and good, clear-cut diction and in addition a realness about his role polished by his excellent technique. Cahn is particularly good in the first scenes where he must portray youth and naivete.

DARWIN AMAZES

As the housekeeper, Ellen, Letafrances Darwin is outstanding and gives top-notch performances and takes all honors as a character actress which is quite amazing considering that Miss Darwin is the possessor of great physical beauty.

Bruce King and Roger Starr give performances to be remembered as does Vera Freeman. George Linnear was very fine as Joseph, the servant.

V-12 Program Quota Will Be Reduced

Mr. O. H. Ritter returned to Stockton from New York City on the evening of May 21. While in New York, Mr. Ritter acted as a representative for Pacific at a meeting of administrator officers of the Navy Department, which was held at Columbia University.

Every school that has a V-12 program was represented. One of the principal problems discussed was a change in the quota, and it was decided a reduction would take place on November 1.

Newman Club Invites Students to Meeting

The Newman Club of the College of the Pacific has been meeting Tuesday during Chapel hour. The club is composed of Catholic men on campus and anyone who is interested is welcome to attend.

LECTURE SERIES

There is now in progress a series of lectures on Catholic Morality. This Tuesday Doctor James McHugh, physician and surgeon, of Stockton, spoke on "Medicine and Morality." Next week to wind up the series Reverend James Mabey, (See Newman Club, p. 3, col. 2)

Honor Societies Will Give More Student Blood Donations

An active program to organize and promote more donations of blood from Pacific students has been undertaken as a joint project by the Senior Women's Honor Society and Nu Alpha Kappa, sophomore women's honor society, it was recently announced by Miss Vera Rodoni, president of the senior women's honorary.

CHAIRMAN

Miss Jimmie Yocum, a sophomore, has been appointed chairman of the project and will appoint a committee to assist her. She will also be aided by Miss Ann Cutoff, who has been carrying on similar work in Women's Hall and Manor Hall.

SIGN-UPS

A representative from one of the societies will be found in the Bond Booth in the main hall of the Administration Building every Thursday from ten to four o'clock to give out information on blood donations and sign up those who wish to contribute. Necessary transportation will be arranged through the Red Cross.

REQUIREMENTS

Requirements for blood donors are an age within the limits of twenty-one and sixty or written parents' consent between eighteen and (See Blood Donors, page 4, col. 1)

Dr. Knoles' Office Turned Into Studio

Plans for an oil painting to be made of Dr. Knoles were announced at a reception held in March in commemoration of his 25th year as president of the college.

For the past nine days Dr. Knoles' Office has been turned into an art studio, while Mr. Oscar Galaiani works on the portrait. The charcoal sketches have been completed, and Mr. Galaiani is now applying the highlights.

Dr. Knoles is costumed in a doctoral gown. The bright purple on the hood emphasized against the dark robe signifies the Doctor of Law decree. The interior is lined with Pacific colors of black and orange.

In the far background of the painting can be seen a globe of the world. The painting will be finished in time to be unveiled at June commencement.

Art Department Has Ceramics on Display

Mr. and Mrs. Garfield D. Merner of Hillsborough recently presented C.O.P.'s art department with a collection of Indian Ceramics. The collection was given in honor of Miss E. Grace Ward, former art instructor at Pacific.

Mr. and Mrs. Merner, who have been prominent in many art activities, was instrumental in establishing the Allied Arts in Palo Alto. A large portion of the collection was secured while the Merners were on a tour of the Indian section of the country with Mr. and Mrs. Pedro J. de Lemos, art instructors at Stanford University.

The collection can now be seen on exhibit in the art department in Weber Hall.

Crozier-Angwin Race Is On; Elections June 9

Miss Ione Angwin and Miss Frankie Crozier will compete for the office of president of the Pacific Student Association in the elections that are to be held next Wednesday, according to the first list of candidates issued this week.

ACCEPTANCE, PLATFORM

Both candidates will make their acceptance speeches and outline their platforms at the formal presentation assembly next Tuesday.

Studio Theatre Presents Three Dramas

Next Thursday and Friday, June 1st and 2nd, the Studio Theatre will present "Cross Section," three one act plays written, produced, acted, and directed by students. The plays offer variety in fantasy, drama, and comedy.

COLLABORATORS

The Studio Theatre has always been used by senior students for experience in acting and directing. However, in the past two years there has not been an all-student production from the standpoint of all the technical sides of doing a show from writing on up to the finished production. This year two students were collaborating on doing their own original plays which were inspired in Miss Patty Pierce's Creative Drama course.

Plans for the shows were to offer variety of entertainment in three short plays in one evening rather than a long three act. These plays combine a fantasy, "Strange Interval," a drama, "Incident," written by Elinor Sizelove and a comedy, "The First Ten Years," by Carroll Doty. Doty since has gone with the (See Studio Theatre, page 6, col. 1)

Repairs Being Made On Baxter Stadium

Permanent repairs are being made on the central section of the west side of Baxter Stadium. These repairs are in the form of new seats—the old ones have been ripped out and new ones are being built. Temporary repairs are being made on the east side. These are to carry through until next year at which time they will be torn out and replaced. A concrete bulkhead is being installed as a retaining wall bordering the tracks and will be a part of the new structure. When these repairs are completed, the stadium will be painted in the school color of orange.

S.C.A. Election Opens Monday

The annual SCA election will be held next Monday, May 29 from 9 a.m. to 5 p.m. in the SCA building. Only members will be allowed to vote; however, anyone who wishes to join may do so. Officers are elected every semester; this time, however, officers for two different semesters are being elected.

Those people who have been nominated for offices during the summer session are as follows: President, George Brandon, Margaret Fitzgerald, these two candidates come from town. The runner-up for president will be vice-president; secretary, Eleanor Miles from Women's Dormitory, Penny Kurtzweil from Co-op. The students who have been (See SCA ELECTION, p. 3, col. 2)

Nominated for the office of vice-president are Misses Lelia Ruggeri and Jean McCloud and for secretary Misses Marion Smith and Marilyn Padula. Miss Viola Nail is unopposed for treasurer.

Running for members at large of the Executive Committee are Jeanne Hall, Charlotte Mercereau, Flo Strand, Art LeClert, Peggy Gibson, Verle Goble, Lois Pearson, Anita Perry, Laverne Severin, Don Rayner, Ruth Ellen O'Neil, Betty McKee, Wilbur Lenz, Janice Gosling, Don Ackley, Charles Cooke, Ben Holt, Eva Marie Genuit, Grant Malquist, Mel Evans, Frank Eslinger, Dudley Wolford, and Marcus Lees.

TWO MORE FOR PUBLICATIONS

Competing for members of the publications committee are Misses Sally Silbaugh, Elaine Peterson, and Beatrice Berlander. At least two more candidates are needed to fill the committee, which is supposed to be made up of five representatives, all of which must have had some experience on one of the student publications. The candidate receiving the highest number of votes automatically becomes chairman of the committee.

Running for yell leader will be Don Segner, John Kerner, Ross Alexander, and Miss Lorraine Thyret.

Seventeen Students Will Be Recommended For Credentials

The College of the Pacific will recommend seventeen students for various teaching credentials at the close of the spring term, according to information released by Dean Jantzen of the School of Education. Eight students will qualify for the general elementary credential, six for the general secondary, and four for the special secondary in music.

CREDENTIALS

Those completing the general elementary include Marcelyn Battilana, Betty Carter, Mrs. Rose Ann Chatton French, Mrs. Belle Edwards, Virginia James, Barbara McKenzie, Mary Lou Nunan, and Mary Jane Ryland. The six finishing work for the general secondary are Vera Broder, Robert M. Graham, Mrs. Joy McAlpine, Idella Noteware, Emamae Prising, and Evanda Rivinius. Those getting the special secondary in music are Betty Jane Herrick, Jane Scott, Claire Wilkens, and Mrs. Lois Johnson Speer.

SUMMER TERM

Three students, Aimee Arbios, Mary J. Thompson, and Helen Lusenden, will complete requirements for the general elementary credential through Summer School attendance. Six students to complete the general secondary credential at the close of the Summer Session are Janice McCloud, Florence Newberry, Elvera Giorgi, Mildred Eachus, Vera Rodoni, and Ruth Ellis.

By JOE WILLIAMSON

We've heard some pretty good-sized moans, but the ones we heard last Friday about that back page in the Weekly beat 'em all. Miss Editor, your editorial had more dirty cracks per inch than Walter Winchell or Westbrook Pegler could cook up in a week. Here are some of the things that didn't go: the crack about fledglings—the boys with the hash marks, Presidential Citations, and more battle experiences than you've ever heard of, didn't go for that; and the approximately two dozen men who were going to Pacific before the Navy moved in, and are in uniform here now, didn't jive with the crack about turning the campus over to strangers; and we imagine the fellows from Men's schools are getting a little tired of your digs against them. It seems to us that you could have got the idea over without being so bitter.

ALIBI DEPARTMENT

Now is the time to present some alibis for our own errors in last week's issue. So we did say "Chief Bo'sun's rate." To hear the ex-Bo'sun's Mate in our section moan, one would think we had committed a cardinal sin. Maybe it was a typographical error, maybe it should have been "Chief Bo'sun's Mate," just an "M" for an "R." Happy now? And the same lad, and his buddies, were chilled about the front page faux pas of calling Trueblood a CPO and then turning around and calling him a Coxswain. We had absolutely nothing to do with that—'twas done by one of the feminine members of our happy little family.

WHITES, LIPSTICK, AND SCRUB BRUSHES

To the tune of "Scrub Me, Mac, In a Gallon of Clorox" whites made their appearance on the COP campus last Monday. Whites are wonderful outfits, they really are—for a few hours. Then it's the same old story around the wrists, elbows, neck, and you-know-where. And, they are subject to so many calamities. First, there's the character who makes with the spaghetti in chow line. Put on a clean set of whites and, comes chow, he'll slap down his stuff with a solid slop. Yellow spots again. And beetles—they'll certainly be in season again any day now, they always find their way into the corner slot of your tray right where you can drag your sleeve across them. And lipstick—ever get any of that permanent stuff on your jumper and try to

Former Pacificites

Neil "Scoot" Rogers, former student body treasurer, member of Ex Committee, and house manager of Alpha Kappa Phi, is now a storekeeper third class at the University of Kansas V-12 unit. Scoot, who recently announced his engagement to Miss Peggy Hurt, P.S.A. secretary, writes that he misses Pacific and is amazed at how famous it is throughout the country.

Since his graduation last November, Scoot has been stationed at Norfolk, Virginia, Northwestern University, and Great Lakes, Illinois, besides his present post. He was home last February for a short leave after recovering from an attack of pneumonia.

Ensign Bob Monaogan, former student body president, member of Omega Phi Alpha fraternity, and active student leader, is now on patrol duty with the Coast Guard in Alaska on board a Cutter. Bob, who is planning on coming back to Pacific for his fifth year graduate work, writes that the weather of the Alaskan spring is warm and pleasant and not at all cold and snow-bound as it is usually pictured. Last summer Bob announced his engagement to Miss Ione Angwin, president of Epsilon Lambda Sigma.

Ensign Robert "Bud" Stefan, former rally chairman, member of Omega Phi Alpha fraternity and Ex Committee, and an active student leader, is now skipper of a Landing Craft Tank in the Atlantic Fleet. Bud, who was commissioned at Columbia University last October, was in England for three months before he took over the command of his boat. During his days at Pacific Bud was noted as the caretaker of Hansen, huge St. Bernard dog that served as the mascot of Omega Phi.

Ensign Milt Griesler, former member of Rhizomia, is now serving in the South Pacific. Milt graduated from Pacific last June and received his commission in the Navy last October at Columbia University.

Second Lieutenant

Douglas Ray Ahlstrom, 21, former star fullback on the Tiger eleven, recently was commissioned a second lieutenant in the Marine Corps at Quantico, Va.

He now is taking his advanced training.

Lieutenant Ahlstrom was a Pacific student in the V-12 pre-officer training program.

Marine Private Jacqueline Lagorio, former psychology and pre-medicine major here, is now on duty with the Marine air station at Quantico, Virginia. Jackie enlisted last December and was a member of the recent class of recruits graduated from Camp Lejeune, North Carolina, training center for all women Marines.

WHITES

Greys!! What a relief—now if only we can keep them white. I work my fingers to the bone, but what do I get—Tattle Tale Gray.

HYPNOSIS

It seems since a little demonstration on hypnosis in Abnormal Psychology class there have been some boys that have taken up research work on the subject. It seems as though Al Towle is the favorite Hypnotee while Manion and Menzies are the hypnotists.

Our boy Klug spoke on "Phosphorous compounds" in Chemistry seminar this week.

U. C. MED

Three former pre-meds Raney, Lininger, and Forney, of this unit, have got their appointments for U. C. Medical School. What luck!!

I wish someone would shoot a few of the black birds around this campus. I don't like the way they dive at me.

D. D. Cluff had a big bag of cherries last Saturday. I can't figure out where they all went.

BEAR TRAPS

Some day (I'll tell on you if you haven't got your bunk made) Higgs is going to step in a bear trap when he goes around to check the bunks.

Our star swimmer, physicist, demerit getter etc. Herendeen has infectious bineucleosis. They say it's contagious (the treatment—three weeks in bed) which makes it a very economical disease to get.

Ritter and Gardner like to wrestle on the main deck; I'd like to see them after a bout with their whites on.

"MALARIA"

There is certainly a lot of "Malaria" going around this building. It was originally Asbury's, then Barr contracted it, and now I think Grubb has it. Some disease!!

THAT G.I.

I'll just bet Pete has started a new fad with his butch hair cut. It's cool, saves money, and it certainly improves the looks? (See Cadaver Hall, page 4, col. 2)

Semper Fidelis

By DON WESTOVER

It seems that a certain individual on campus hasn't a full appreciation of the V-12 Program. In last week's paper an editorial was written to the effect that we fledglings, referring to the marines and sailors, can scarcely claim ownership to Pacific's "sorority guided" traditions. Perhaps the author of that editorial should have meditated first before boldly issuing such a fabulous statement.

NOT FLEDGLINGS

The marines do not claim ownership to C.O.P.'s traditions for we still retain those of our former alma maters, but where would Pacific's tradition be today without the presence of V-12ers on the campus? As for the fledgling part of her orthodox statement—to one who hasn't any previous experience outside of her sorority house we wonder about the generality of that term. The Marine Unit is composed of men who recently have returned from the fighting front in the South Pacific, wearing campaign ribbons of various descriptions with the Purple Heart. It is composed of men with long enlistments in the corps and it also is composed of the 3-D's who were taken out of college last July. But still every member of the detachment has and is giving more to the war effort than a certain Editor! We wonder if the term fledgling also pertains to her activities on the home front!

WOODMAN RETURNS

Guy Woodman, former trainee on the campus, returned last week for a visit with former cronies. (See MARINE, page 4, col. 1)

COLLEGE MEN! Work in the Woods This Summer

This vital war industry needs men NOW for openings at Bly, Oregon, either in the mill or in the woods. Minimum pay, 87½ cents per hour. 48 hr. week, plenty of overtime. Real He-Man food and good fishing nearby. We will pay transportation both ways for those who work the full season. Write IVORY PINE COMPANY, Klamath Falls, Oregon, giving particulars.

Tough Match Ahead For C.O.P. Racket Men

College of Pacific's tennis team, currently coached by one time Bengal football star Rube Wood, faces its toughest opposition of the season tomorrow at Berkeley opposing the University of California Bears. The Bears, bolstered by Harry Buttmer and Ellis Slack, high ranking California players, are one of the top teams in the district and will go into the meet as slight favorites.

Last Saturday the Tigers continued their winning spree by knock-

ing off Hammer Field at Fresno, 7-2. George Druliner remained among the ranks of this season's undefeated.

Singles matches. Druliner def. Rothchild (HF), 6-3, 8-6; Beisser def. Johnson (HF) 4-6, 6-0, 6-1; Cantrell (HF) def. Beale, 9-7, 6-4; Seymour def. Davison (HF), 6-2, 9-7; Teeple def. Toombs (HF) 7-5, 6-1; Wilmes (HF) def. Ritter, 6-4, 6-3.

Doubles: Druliner and Beisser (COP) def. Rothchild and Cantrell, (HF) 2-6, 6-2, 6-4; Ritter and Seymour (COP) def. Johnson and Davison (HF), 6-1, 6-4; Beale and Teeple (COP) def. Kratz and Johnson (HF), 4-6, 6-3, 6-3.

STUDENTS

It is the desire of the committee in charge of these services to have as many of the students from the College of the Pacific attend as may be able to do so.

Spring Football Ends With Today's Practice; Fall Looks Doubtful

By CHARLIE COOK

Well, today at exactly six o'clock, ole man Football bids farewell to the Pacific campus for approximately two months. Yes, this year's spring practice of ten or eleven consistent turnouts and a Coach draws to a close this Friday night, and in the opinion of Amos Alonzo Stagg, next fall looks doubtful.

FEW GOOD PROSPECTS

Coach Stagg wasn't impressed at all by the turnout this spring. Only a few of the fellows were consistent enough to don the moleskins everyday. But, nevertheless, from the material he had to work with, he sees a few good prospects. Ray Jackson is one of the fellows that Mr. Stagg thinks is a comer. Although he has had little experience at the center position, he is a hard worker who should make good. The coach hasn't seen enough of Jackson on defense to draw any conclusions, but he likes the manner in which the 206 pound boy moves around the gridiron. Wiley Cousins is another boy who draws a good word from the coach. He likes Cousins' form at the tackle slot, says that he is a conscientious worker, and thinks that he should be right in there on that first eleven next spring. Bob Caster, Don Semon and Vern Wheeler were also praised. Caster and Semon are hard charging linemen, while Wheeler's position, because of his versatility, is in doubt. All of these men plus Bud Klein, an up and coming tackle should form a good nucleus for a fast charging line next fall.

In the backfield, Bob Pohl and Wayne Hardin were the standouts. Pohl, a sailor in his first year of college ball, carries himself like a potential veteran and looms as a threat on the coming Tiger eleven. Hardin is the boy who ran hog wild for Stockton High last year, and should repeat for COP, provided that he gets a chance to attend school next semester.

SCHEDULE UNDECIDED

When asked about this coming football season and the schedule, "The Immortal Coach" was none too sure of the dates. But he did say that USC, California and St. Mary's Pre-Flight had asked to play Pacific. There was some doubt in his mind about UCLA, but he believes that the games will be easy enough to get.

Returning from last year are huge "Moon" Muentner, alias I. M. Builtwell and a great guard; Fred Klemenok, triple-threatener de luxe;

Barracks A-2 Has League in the Bag

The winner of the softball league this semester is Barracks A-2. They have one game left, but already have clinched first place with eleven straight wins. Their star pitcher is Herb Witt, who seems to be the main winning factor on the team. The last games of this softball league were played May 21 to end a good season of intra-mural softball.

Starting Monday, May 29, intra-mural Sigma Delta Psi events will be in progress. Sigma Delta Psi is an honorary track and field Fraternity in which any one man may qualify who can pass the required events.

Modesto Relays Next Week Will Finish Season

This track team will lay over tomorrow, with nothing on tap until their last and biggest meet of the season, the Modesto Relays—next Saturday.

This meet, the third of its kind, is staged by Modesto Junior College, in cooperation with the Modesto Junior Chamber of Commerce and the Modesto Bee.

There will only be three classes this year, the high school class, the junior college-college class, and the open class. Consequently, Pacific is entering the J.C.-college class this year, instead of the inter-collegiate class, in which it ran last year.

Coach Jackson plans to enter men in the following events: the javelin throw, the pole vault, high jump, shot put, broad jump, discus throw, distance medley relay (440-880-1320-mile), 100-yard dash, 120 yard high hurdles, 880 yard relay, and the mile relay.

Right now, big Ben Silva's leg is healing so it looks like he might be able to run. Also in the injury department, Frank Domenichini had a sore arm at Fresno (he threw the javelin 30 feet under his normal there) and Coach Jackson cannot positively say now whether the big boy will be in shape to throw the spear next Saturday or not.

Last year, the Pacific Student Association (SJC and COP) took a second in their class at the meet, behind Fresno State, whom Pacific has already beat in a dual meet this year. Naturally, with a stronger team this year than he had in '43, Coach Jackson expects his lads to win the meet.

Ernie Busch, a fullback with all the power of a run-a-way box-car and Carl Lueder, All-Coast end in '43. Coach Stagg thinks the '44 season looks doubtful, but let's remember that it was a little dark horse by the name of Pacific back in '43 that rose to national fame and gave the All-America team a great tackle—Will Pacific repeat?

We hope so—

Tiger Swimmers Win Meet With Grant H.S.

Monday, at 6 p.m. this week, the C.O.P. swimming team, under the guidance of Chris Kjeldsen, traveled to North Sacramento to swim against Grant Union High School.

RESULTS: C.O.P.—37; Grant—20

The Grant pool is a 40 yard pool which was really a handicap to the C.O.P. mermen because they have been training and swimming races in a 25 yard pool all season. But the handicap wasn't insurmountable as can be seen by the results of the meet.

The meet was held at six because some of the C.O.P. swimmers had classes until 4:30 and the time consumed in making the trip to Sacramento takes a little over an hour.

The climax of the trip was the Italian dinner that the team and their coach enjoyed after the meet. In the words of that intellectual marine, Jim Turner, "The meal was delectable; it would put Kingfish's dinners to shame!!!"

SUMMARY:

50 yard Free Style: Time, 27.4; 1st, Turner (COP); 2nd, Sandman (COP); 3rd, Waite (G).

100 yard Breast Stroke: Time, 1:00.1; 1st, Wright (COP); 2nd,

Tiger Cindermen Meet Fifth Place Jinx at West Coast Relays

"They were just too fast for us, we aren't in their class," said Coach Jackson, when asked about Pacific's participation in the eighteenth Annual West Coast Relays at Fresno last Saturday night.

If nothing else, the Bengalmen were consistent—they took a fifth place in every event they entered, which includes three relay events, a couple straight races, and the field events. The lads from Stockton were competing against such greats as U.S.C., Olympic Club, University of California, and U.C.L.A.

USC WINS CHAMPIONSHIP

The meet was won by the University of Southern California, after rolling up 54 points and winning six of thirteen events on the program at Ratcliffe Stadium.

Tied for second place were the Olympic Club of San Francisco and University of California at 39½ points each. University of California at Los Angeles was third with 34 points and California Institute of Technology fourth with 23 points.

FAST RACE

One Pacific track man, Dick Payne, turned in his best performance of the year in the high hurdles, but still took a fifth. The event was won by a U.S.C. man in 14.4 seconds—excellent time in any meet, and a new USC freshman record.

Although not jumping for Pacific, high jumper Ambie Schindler, on the V-12 staff here, who jumped for the Olympic Club in this affair, took a fourth place in the meet. His highest jump was one of 5'¾" and he went out on a faulty roll in his next jump, when the bar was at 6' 1¾".

Frank Domenichini, javelin thrower deluxe, whom Coach Jackson counted on for taking a place at Fresno, had a sore arm the night of the meet. He threw the javelin about thirty feet under his normal in previous competition.

ies. After a brief stay, his return was climaxed with a farewell party at the Plaza, before leaving for Mirmar for further orders. It seems that the big surprise at boot camp in San Diego are the drafted element who are wearing the forest green.

POLITICS

..... Last week banner lines appeared in papers throughout the nation of a political proposal to induct the Navy and Marine Corps into the Army. This plan was once before highlighted but to the veto of Congress, now it is again trying to force its way into becoming a law by popular consent. We of the Marines wonder at such a proposal!

Art Hugh has best described the feeling running amuck in the unit with his poem "Disbandment":
Aye, politicians, send us out
To fight our country's war.
And while we're raising hell out there
Disband our gallant Corps.

Just tear the globe and anchor down.
Cut out the eagle's heart;
Clad all of us in olive-drab
And split us far apart.

Take our two-toned suits of blue.
Reclaim our thread-bare greens;
But those traditions still belong
To the United States Marines.

Belleau Wood, Chateau Thierry,
St. Mihiel, the Argonne.
Wake Island, Midway, Solomons
Where have those memories gone?

'Tis better far to take our band
And group us all alone.
(You'll have to search the far-flung fronts,
(You won't find us at home).

Then give us all the guns we need,
With cartridges to spare,
And send us to Japan itself
To make a landing there.

Beneath the cannon's thunderous roar
On hot and bloody sands,
While "Wildcats" strafe from up above,
Let Leathernecks make their stand.

When the "Devil Dog" insignia
Waves o'er Nippon's shore
Then let the gods of war decide
The disbandment of our Corps.

THREE RING CIRCUS

Radio Stage players on last Thursday night's show called it "Butch Night" and it really was too. There wasn't a soul on the show, actors, announcers, and all, who didn't make some mistake over the air. And it was all everyone could do to keep from howling with laughter.

WHAT HAPPENED

Gaethe didn't show up until the last minute and the script had been changed from someone else to read. People became excited over Peg Hurt's new diamond and everyone read everyone else's lines.

And to top it all off, Bill Barkhaus couldn't get the sound truck to work and the rain stopped and then went blithely on.

THANKS

But thanks to Alta McClintock, who certainly did a swell job directing the chorus for the show.

SPORTS PAGE

Charlie Davis and Phil Drieci, your show has been steadily getting better with each broadcast. Too, it's caught the interest of the town people. Walk along down town on any Saturday afternoon and there are countless numbers of radios tuned in to your show. Nice going!

WHY SO BITTER?

Look fellas, let's not be bitter about the whole thing. After all, it's college and it's fun—and it's wartime. And what's a little criticism now and then? Cream puffs don't come every day, ya' know.

Peg Hurt Reveals Betrothal News

"She got a man and a ring to boot, and now at last, it's Peg and 'Scott.'" With the above jingle, enclosed in a traditional box of candy topped by an orchid corsage presented to Miss Sue Gregory by house President Ione Angwin, Peggy Hurt announced the news of her betrothal to Mr. Neil Lawrence Rogers Jr., USN, on last Thursday night to her Epsilon Lambda Sigma sorority sisters.

Peggy, the daughter of Mrs. Clara C. Hurt of Berkeley, will graduate from the College of the Pacific in June. She has been active in campus activities as Secretary of the Pacific Student Association, member of All-College Honor Society and

Senior Women's Honor Society, member of Alpha Epsilon Omicron, radio society, and is house manager of Epsilon. She is listed as one of Pacific's representatives in "Who's Who in American Colleges and Universities."

Mr. Rogers, son of Mr. and Mrs. Lawrence Rogers Sr. of Berkeley was graduated from the College of the Pacific in November, 1943, after training in the V-12 program on the campus. He was a member of Ex-Committee, treasurer of the PSA, house manager of his fraternity, Alpha Kappa Phi and was a member of Alpha Epsilon Omicron, radio society. He was also listed in "Who's Who in American Colleges and Universities."

Because of the uncertainty of military orders, the wedding plans have not been announced.

Have You a Friend or a Brother in the Service?

He'd sure be glad to know you were standing behind him by working in a can manufacturing plant during your summer vacation. He'll tell you how important cans are to him because they bring him food, ammunition, and other things necessary for him to live and fight.

Right now we need girls 16 or over for clean, pleasant work to help us in our fight to supply him; and you'll earn good money, too, with plenty of opportunity for extra pay.

No experience is necessary and you can earn as you learn.

Please come in and talk it over with Mr. Morgan, our Personnel Manager, or call on the phone 6-6731 any time from 8:00 to 4:30.

Intersorority Party Held

An informal evening was enjoyed Thursday, May 18, by the members of the three campus Greek-letter sororities, Tau Kappa Kappa, Alpha Theta Tau, and Epsilon Lambda Sigma. The combination meeting was sponsored by the Pan Hellenic Council, and the pledge classes presented their sisters with a talent-studded program.

Members of Epsilon were hostesses for the evening and the pledge classes served refreshments to the group.

TAU KAPPA KAPPA

The general chairman was pledge president Pat Corwin, the program was in charge of "Skip" Harlow, and refreshments in charge of Eleanor Pohl, Marie Madden, Virginia Lydon. The program included contributions by Marjorie Carey, Virginia Lydon, Shirley Dugas, and the entire pledge class in a musical skit.

ALPHA THETA TAU

The chairman of the skit, "Minstrel Show" was Charlotte Mercereau, Dorothy Gelatt was Master of Ceremonies, Viola Burris, Interlocutor, Barbara Merrill, Endman. The rest of the program included Sally Fenton, Virginia Carter, Betty Broder, Marla Dickinson, Virginia Cheney, Helen Graham, Peggy Fronefield, Marie Arbios, and Jeanette Morrison.

EPSILON LAMBDA SIGMA

The president of the pledge class, Betty Keuchler, introduced the Master of Ceremonies, Fae Mueller, who in turn presented the rest of the program. Those pledges participating were Betty Keuchler, Dee Keyton, Dorisedna Forslund, Virginia Griner, Margaret Yost, Marilynne Burger, Pat Phillips, Jean Arnold, Nadine Walsh, and Beverly Byrne.

Phi Sigma Gamma Elects Officers

Election of officers for the coming year was held last Tuesday evening by Phi Sigma Gamma, honorary modern language society, at its last business meeting of the semester in the S.C.A. building.

Officers chosen were Miss Ava June Colliver, vice-president, Miss Helen Boren, secretary-treasurer; Miss Bertha Melcher, historian; Miss Marie Peletz, who was elected president at the beginning of the semester, will continue in her present capacity. The officers represent majors in French, Spanish, and German, the three major modern languages.

Plans were also discussed for a picnic to be held at Victory Park on Friday, June 2nd, at 5:30 p.m. The committees for the picnic are as follows: Refreshments, Marie De Carli, chairman and assisting her, Helen Boehme and Beth Merriot; Amusement Committee, Jack Cornwall, chairman, and Ross Torrano assisting him.

Knoles Notes

Tuesday—Dr. Knoles spoke at the teachers institute in San Jose.

Today—He will speak at the High School graduation exercises in Avenal. His subject will be, "What kind of a World Do We Want?"

Sunday—He is scheduled to deliver the Baccalaureate address at Salinas High School.

S.C.A. PLANS BANQUET FOR 150 GUESTS

The annual S.C.A. meeting, a spring banquet and program, will be held June 10th at the SCA building on campus. Faculty members and wives, interested friends and all students, especially those belonging to the SCA are invited. The banquet is being planned for 150 guests.

CONCISE REPORT

The purpose of the meeting is to get a clear, concise report on the whole year's activities that is what's been going on.

The meeting this year commemorates three anniversaries: first, this is the fifth anniversary of College of the Pacific's SCA building; second, it is the tenth anniversary of the organization of the SCA here on campus, a union of the YMCA and YWCA; third, it is the 100th anniversary of the YMCA of which the SCA is a part.

(See SCA BANQUET, p. 6, col. 4)

Alpha Theta Holds Informal Dance

Last Saturday night Alpha Theta Tau held an informal dance from 8 until 12 o'clock. The General Chairman was Janice Gosling and it was attended by thirty couples.

The committees included the following: Food, Vera Broder, Peggy Roth; Decorations, Betty Ferrari, Vanadine Carroll; Music, Barbara Goodwin; Clean-up, Phillis Wraith, chairman.

Insurance Policy

Through exercise of restraint we will gear ourselves to war-time thinking.

We may find that those privileges for which we have so ardently fought must be put in cold storage for the duration. It is possible that the Four Freedoms at which we grasped so eagerly will disintegrate in our hands, if used unwisely now.

OUR AIM

Our one aim is, or should be, to win the war. It is a healthy commentary on American life that the public as a whole has generally accepted restrictions in building priorities in travel, rationing of food, gasoline, and tires.

The answer to this acceptance of a changing program lies in the faith, respect and admiration which the American people hold for the United States Army, United States Navy, and United States Marine Corps. It is not our admiration for Washington and the alphabet bureaucracies that causes us to curtail our freedom of past years. Rather, it is an ingrained faith that we have in our armed services.

PACIFICITES

We at Pacific who say much about tradition must recognize that we are the fledglings where Service traditions are concerned. Perhaps we have been guilty of a lack of respect, forgetting that rules and regulations always spring from logic.

A REASON

There is a reason behind every bit of control we have at this moment.

May we, rather than kick against the pricks, appreciate the stand taken by all Services in regard to unrestrained speech.

Free Speech is a commodity that must be rationed for the Duration.

Navy V-12 program to Plattsburg, New York, leaving Miss Sizelove to carry out plans for the spring production.

The plays have now been in rehearsal for the last three weeks and open next week.

In "Strange Interval" are "Casey" Ruggeri, Fred Jackman, Shirley Chapper, Betty McKee, and Shirley Stout.

The cast of "Incident" has only three people and is a war episode of a boy and girl caught in an air raid somewhere in France. Those in the play are Joyce Atwood, Bill Barkhaus, and Don Kibby.

The comedy, "The First Ten Years" is the eternal triangle of a man, his wife, and his secretary with a new and hilarious twist! Bill Barkhaus, Marty Locke, Shirley Reid, and Joyce Atwood have the leading roles.

The string trio directed by Elton Bergstahler will play during intermissions.

The plays have stylized sets and one regular interior. Keith Lukens

SETS, LIGHTS EFFECTIVE

The sets are something in themselves and are especially good since it's very difficult to secure any new building materials which are necessary for making sets.

The lighting effects are interesting, different, and well handled by electricians Morey Vilkin and Rolin Buckman.

"Wuthering Heights" is one of those shows which is an all-round fine production and is certainly one of the best shows to be produced in the Little Theatre this season, handled by De Marcus Brown.

Tonight and Saturday nights will see the final performances. Tickets may be purchased by reservation or at performances in the Little Theatre box office.

The plays are directed and produced by Elinor Sizelove. Curtain will be at 8:00 and tickets may be purchased at the performances.

LETTERS TO THE EDITOR

To the Civilians of the College of Pacific:

Subject: To inform a few students of some things that might be said in behalf of the Navy and Marines.

First: Granted that the conduct at the last assembly was disorderly, but didn't similar occasions ever arise during peace times or did all the C. O. P. students wear haloes?

Second: You claim there is very little cooperation or school spirit. I can name a few instances where you might find some.

1. On the tennis team.
2. Candidates for next season's football team — practicing every night at 1830.
3. On the swimming team.
4. On the baseball team.
5. On the track team (it beat Fresno here a couple weeks ago or don't you remember?)
6. The two booths put up by the Marines at the Bond Rally.
7. The Navy skit for the Band Frolic.
8. In the school band.

After reading the above, how can you say there is no spirit, cooperation, or enthusiasm? Then too, there are only about four hundred of us.

Third: Whether anyone knows it or not, quite a few fellows spent a lot of time on a skit for the recent Band Frolic. Spare time is not one of the things we have a lot of. The skit was even rated second by the judges. (By the way, who got the five bucks?) Results—The skit was acknowledged by two lines in the Weekly, but the article couldn't have mentioned the skit and said less. That, in comparison with the write-ups for the other houses, is hardly enough thanks to a group who did their best for you.

Fourth: Then comes a time when we do something wrong and do not act like the gentlemen C.O.P. is used to and the results—three columns of sarcastic criticism.

Note—Two lines when we do something good: three columns when we do something bad. 50-50 huh?

We don't want publicity when we do something good—and we don't need three columns of sarcastic remarks when we do wrong. I believe in most instances constructive criticism would be well received and would show better results than your back page of the Weekly.

Fifth: I do not believe you will ever get more school spirit as long as the services are represented only by a yell leader and a couple members of the Executive Committee. If other colleges can lower qualifications for officers to meet existing conditions why can't C.O.P.? Maybe they think these are still peace times.

SCOTT T. HASELTON

BUILDING D, ROOM 306

Editor's Note: Regarding the write-up in the WEEKLY regarding the Navy Skit, our reporter made continued attempts to secure information about your skit, but no one in the barracks could or would give her any information to make the story more complete. Also the pictures did not appear in the paper as the negatives did not turn out. Dear Editor,

In your column you express a desire to promote Democracy to the fullest extent possible. If this be the case then you shouldn't mind our writing our opinions to you.

NOT MACHINES

In my opinion, and I think I speak in behalf of a great number of male students, the girls of C.O.P. in their enthusiasm to carry on, have been carried away. Since the boys in civvies have left and the uniformed boys have come, you think it is your job to keep things preserved until the civvies come back. You seem to think we are a

That's Life . . .

For several weeks now underneath the surface and a bit around the edges of the classroom there have been long and serious discussions of school politics. So long and serious have they been that some of us forgot to vote in the primaries for an election that is at least just as important.

JUST KIDS

There has been disgust because it looked like a handful of kids were trying to run the campus. The reasoning in most of these roaming bull sessions has gone like this: We

group of machines sent here to study and nothing else. You think that we are taking over when actually you are afraid of just that, and doing your best to prevent it.

HANDICAPPED

We are handicapped by the simple fact that we are working against prejudice as evidenced by the statement of a student of this college, quote, "Pacificites respect the traditions of your own colleges as well as those of the Navy and Marine Corps (to which, as yet, you fledglings can scarcely claim ownership)" unquote. Is that fair? Remember, some of these boys have seen a lot of action and overseas duty. Also, sharp prejudice was shown by the write-up of our recent Band Frolic in which the Navy tried to cooperate and received little recognition. What recognition are we getting for our cooperation rendered in such functions? Haven't we done anything good? Can't our paper look at our good side instead of always looking for the bad?

PART OF YOU

For many of us this will be our only taste of college and college life. For this short while we want to share those traditions and customs—as one person wrote in the "Weekly," we want to be a part of you. Give us a chance and we'll give you the cooperation. But remember, you girls can't run it by yourselves.

Andrew John Boho
Don L. Urich
Robert L. Wheeler
Herbert H. Pierce

have been told that the college generation is the cream of the crop. The cream of the crop grows with every look it takes at big-time politics and is supposed to dedicate itself to replacing that dedication through education. If then, college students do no better than reproduce that on a smaller scale, what avail education?

That reasoning is logical—but applicable to the current situation.

In the first place, if when you lows came here, it looked like a handful of kids were carrying responsibility of an entire school body, you were probably right. A handful of Pacificites were left to carry them all. Who do you suppose carried on at the schools left?

VACANCIES

When vacancies occurred on the governing student board those vacancies were filled with trained hands. Had the circumstances been turned about, what would you have done? Kept the entire thing in your hands, or turned it over wholeheartedly to a bunch of kids who knew nothing of the problems they were about to encounter? Those were the other alternatives.

NOW

Now it is time for another student body election. The situation changed. Many of you have had experience working with those who originally had the job alone. All you had as much access to the information that nominations were held when they were as the rest of us. But instead of thinking about it before you get to the assembly, you went with no forethought.

Okay. What happened? Kids got up to make nomination. You didn't like letting the other have all the say so you set up an unorganized resistance. That's enough. That it could have been carried on with more courtesy. The final analysis neither here nor there, except that common decency would dictate better behavior.

Be that as it may, you proceed to nominate some of your own. That's swell. You should have representation; no one will deny that. Your past experience with Student Ex Committee should close ample reason to believe you get a fair deal.

ACCOMPLISHMENTS

Two things were accomplished that nominations assembly: good, one not so good. Like with their ice cream, let's leave the best for last. What was not so good was that many people lost respect for prospective officer candidates.

But what was good was infinitely more important. That is that the first time we became aware of many of you as individuals. Individuals who, thinking the wool being pulled over their eyes, wouldn't let it be pulled. Had been in your position we like to think that we wouldn't let anyone else pull the wool over our eyes.

RED, WHITE AND BLUE

After all, isn't that what elections are for? To turn momentarily white, and blue, isn't that what fellows are one day to fight for? Okay, then let's make our campaign a clean one. Forget the name-calling, the bulldozing. Look to your laurels and elect men with ability to do the job.

YOU ARE NEEDED

Pacific has done its best to make you all feel as much at home as possible under the circumstances. You've not only had representation on Ex Committee, but the Band Frolic, the Carnival, the dances, everything we've done socially has been with an eye toward putting you more at ease and enjoying your stay here. We're only human; we know we're far from perfect, but we'll come a lot closer to achieving perfection with you than we ever will without—and we know it!
