John Blair Esq.

Dear Mr Blair:

It has been a long time since we have heard from you, and we fear you may have abandoned literature altogether, very much we are sure to the loss of American readers.

[2]

Has the ink in your fountain entirely dried up, or would you have time to sit down on receipt of this letter and write for us an account of your experience and talks with Emerson, during his visit to the Gosewite? It would seem to be a pity that

anything relating to that great man and poet
should find of public record. Have the
kindness to let us hear from you on this
subject, and believe me

Very sincerely yours
Ed. G. M.
