Dear Emma

Your kind letter  
of Oct 14<sup>th</sup> was duly received  
and gave me much pleasure  
I like the photo you sent  
me of your baby very much  
and I hope all of your family  
still continue in the enjoy-  
ment of good health -

I am very glad to know  
that Dad has quite regained  
his health and has also  
acquired a good practice  
tell him I enjoy my "big  
Masony Choir" in this cold  
weather very much  
I hold every one of you  
continually in loving  
remembrance

I am glad to write that  
Annie's health has improved  
very much. She has  
decided to spend the winter  
in Kansas City - Laura's health  
is also good and she takes  
much comfort with her  
little "Ethel".

Sarah has not  
been enjoying very good  
health since she met with  
her great loss - her husband  
assisted her to select the  
home she now occupies  
it is very comfortable  
and she is very comfortably  
provided for in every way  
still she feels her loss deeply

I feel very much  
for poor "Stattie" her disease  
still increases and at times

the pains she suffers is very distressing - However she is able to get dressed and goes into the Parlor and sees company in the afternoons - for several days she has been feeling quite comfortable it is surprizing how well she bears up under such a sore trial - David feels very bad about it all - His health is quite good at present as well as the rest of his family -

Thanksgiving day was spent very quietly with us I went to Church in the morning and spent the rest of the day in thinking over the many blessings and comforts I enjoy - and felt Thankful to God for all -

I enclose this bill to you  
for the anticipated visit  
to the children of "Santa Clara"  
hoping you will all have  
a very happy Christmas  
and with the kindest  
~~wishes to all I am~~

affectionately  
Mother
