Friend Mearns.

Wife and I
were real glad to get
your letter of the 20th
and I assure you that
it called up many
pleasant recollections
with which you were
closely associated and
in fact formed the central
figure. In all our
long trips of six months
duration, I am sure
we enjoyed our ride
through the Yellowstone
more than
any other. Your article
enclosed, is an excellent

and poetical descriptions
of the wonders of the
Past and we hope you
will not fail to send
us or call our attention
to any other articles
you may publish, for
we will read them
with double interest.

Frank is back at
school hard at work.
His address is 28
Weld Hall Harvard
Cambridge Mass, in
case you wish to write
him. He will spend
the Christmas holidays
with us.

I am so sorry that
you could not have
spent more time with

us here, as I have
met many persons
who would have liked
to have met you, and
whom you would have
enjoyed. I hope the
day may not be long
distant when you
can spend some time
with us.

If we should go to
Mt Ranier (Tacoma)
next summer I hope
you can go with us
for I know you would
greatly enjoy that
beautiful mountain
and your company would
add greatly to our pleasure.
With kindest regards
regards to you and yours
