## Ruggers Dump Davis 9-3 In Rain; Sapp, Leitch, Lindsay Outstanding

Photograph by Chris Petersen

Steve Olds stops a Cal Davis advance in a rugby loose scrum. Assisting him are Bob Scardina, Kirk Bowman, and Ben Kwong.

Spring must be just around the corner. Why? Because the Pacific Rugby Club is once again pitting itself against some of the better Rugby Clubs in Northern California.

Last Saturday the "Black Knights of the Calaveras" handily defeated UC Davis, 9-3, in a rain-soaked and windy game at Stockton College Field. Despite these almost impossible handicaps, Pacific scored one try and two penalty kicks against Davis's single penalty kick.

Bob Sapp, Tiger fullback, was responsible for kicking the two penalty kicks. Davis' one penalty kick was scored after a technical infraction was called against Pacific.

The only try (similar to a touchdown) scored in the game came late in the first half, when Bill Kutzer kicked the ball into the end zone and then fell on it.

Dennis Lindsay, Bill Reed, Dennis Vartan and Walt Wright played an outstanding game in the scrum, and Larry Leitch, Ben Kwong, Dick Hernander and Floyd Lytle were the outstanding backs.

Some of the newcomers to Pacific's Club who are showing a lot of promise are John Phillips, Pete Habley, Herb Schreiber and John Fruth.

Fellows, if you think you'd like to try your hand at this exciting game, contact Bob Scardina or Steve Olds in South Hall, or D.U., or Floyd Lytle at Phi Sig. They'll be glad to talk to you.

## Stanford-UOP Debate Convocation to Feature Indians' Best vs Pipes and Kennedy Thursday

Doug Pipes and Raoul Kennedy, U.O.P.'s first-string debate team, will meet Chuck Bischoff and Barry Carter of Stanford at 11:00 next Thursday in this year's Stanford-Pacific Debate Convocation.

Bischoff and Carter are Stanford's number one debate team, going to the semi-finals last weekend at Northwestern where they lost to Pipes and Kennedy.

U.O.P. went on to take second behind Georgetown in that tournament which Paul Winters, U.O.P. debate coach, called "one of the three or four toughest and most important" in debate competition.

The teams, when rematched next Thursday, will be switched in the positions they took at Northwestern. Stanford will take (Continued on Page 5)

## Theatre Slowly Dying? Not At Pacific Playbox

By NOANIE DeBAKCSY

It has been said that the "theatre is slowly dying," however, this is not the case at Pacific. Last night the Pacific Playbox opened its third semester with the production of Shakespeare's "As You Like It." This romantic comedy is directed by DeMarcus Brown, with sets by Curt Ennen. The cast of characters is well-known to Pacific students be- (Continued on Page 8)

## Pacific Ends Interest In Stockton J.C.; Expansion Plans Exclude S.C. Land

The University of the Pacific is evidently not going to acquire the Stockton College campus, at least its acquisition is no longer in the present expansion plans of this school.

According to a statement released by the administration, the University has withdrawn its interest in the property at this time and will look in other directions in its expansion program. The statement went on to explain that the motion recently passed by the Stockton Unified School Board stating that the property was not for sale at this time had placed the school in a very difficult position.

Pacific is in an expansion program which is proceeding on a time schedule. The master plan must be determined at an early date, and UOP cannot delay the decision beyond 1963 as to the direction it will take.

President Burns stated that "we are perfectly willing to let either the Stockton Junior College or the new county junior college rent facilities until such time as a bond issue could be passed and new campus structures built."

The reference to the new county junior college pertains to a new school which will eventually take the place of Stockton College. The plan has been that the new college would occupy the Stockton campus until its own facilities had been constructed.

## McConchie Freshman Hit On Pacific "Death Row;" Dragged 185 ft.

Pacific Avenue's "Death Row" claimed another victim last Tuesday night.

Seriously injured was Carolyn M. Caldwell, UOP freshman. Miss Caldwell, a resident of McConchie Hall, was struck and dragged 185 feet by a car while on her way to mail a letter. Police found her shoes 90 feet from the intersection.

"Death Row" has already claimed its first victim for 1963.

In satisfactory condition, at Dameron Hospital, Miss Caldwell suffers head injuries and a broken leg. The mishap occurred (Continued on Page 6)

## Archites Hike Fifty Hard Miles To Prove Fraternity Men Are Physically Fit; Nine Out Of Fourteen Starters Finish

Finishing in 16 hours and 52 minutes, the men of Phi Kappa Tau completed one of the most, if not the most, grueling fifty mile hikes that have been attempted during America's newest fad. Of the fourteen men that started out, nine were able to finish the long walk through California's Mother Lode country. Al Pross, who is quoted below, was the first of the five drop-outs.

Wet from the pouring rain and weary from the last steep hill, the hikers marched into Sutter Creek, Amador County, amid the cheers of fellow students, the playing of "Dixie," and the shouted welcoming speech of Mayor William Larigan.

Said Mekkeson, a junior, "It was my 20th birthday. What a way to celebrate!"

**"Name" Performers Don't Always Spell Success At UOP Boxoffice**

"There is no chance now that we'll be able to obtain Peter, Paul, and Mary for Mardi Gras," said PSA social chairwoman Joy Archibald sadly, following last Saturday's mild, mild, MILD turnout for the Highwaymen. "We made no money, the pressagent fell \$700 short of expectations, and I've been chewed out from ear to ear by practically everyone on campus."

"I've had it with the kids in this school."

Perhaps Miss Archibald has a right to be bitter with us students. She got the Brothers Four here last fall; they flopped, financially. Likewise last Saturday night, when only the center section, main floor was filled.

Various, insufficient reasons can be given. It was a rainy night. There wasn't enough local publicity. The Highwaymen's reputation was below par. Joe and Eddy weren't publicized sufficiently. One of the Greeks was throwing a party at the same time.

However, analyzing the situation more closely, we come to a key factor. The Brothers Four and the Highwaymen, both big names, cost in the neighborhood of \$2000 to obtain. This is quite a sum to make back, for several reasons.

In the first place, tickets must be more expensive. This means that students who can't afford \$4 or \$5 for an evening's entertainment for themselves and their dates won't attend. There are quite a few students in this category. Secondly, many seats must be sold. Problem: this is not, by any stretch of the imagination, a large school. Thirdly, in order to get a high percentage of students to buy tickets, the performer(s) must be top-notch. The Highwaymen, unfortunately, turned out to be anything but that, as many students had predicted.

There are many lesser-known performers, and good ones (I give you Joe and Eddy), in the Bay Area who wouldn't charge \$500 for a one-night stand. May it be suggested to Miss Archibald, and all future social chairmen, that from now on we book some of them, thus saving enough money for us to hire a really outstanding act for Mardi Gras? As was already proven last week, talent isn't necessarily spelled C-E-L-E-B-R-I-T-Y.

## COMPLAINT DEPARTMENT

I have received several letters from students who are wondering why, FOR PETE'S (or Paul's?) SAKE, the gym and sports pavillion are not kept open on weekends. They maintain that there is little enough to do here without closing up the athletic department; that those facilities aren't doing anyone any good sitting there gathering dust; that there ought to be a "Co-ed Sports Night" once a week; and that President Burns's house is going to be stink-bombed if these things aren't done, rather than only talked about.

I think they have a very good set of points there, although the last one is somewhat debatable, from President Burns's point of view, anyway . . .

## TOP OF THE MARK DEPARTMENT

We here at the Pacific Weekly would like to join with the rest of the school in commending the Pacific Theatre for announcing its forthcoming production of that highly successful, Broadway musical comedy, "Bells Are Ringing." We feel sure it will enjoy equal success here at UOP.

## HUBER'S HIGHLIGHTS

After the Weekly's last sports editor, Jud Robinson (Motor Mouth), graduated, we were thrown into a mild quandry as to what we'd do about running the sports department here. Luckily for us (and you), we were fortunate enough to get a man with more than enough of the necessary qualifications.

He has, at various times, been baseball manager, football manager, and track manager. He is now the junior class representative to the PSA. His name is Bob Huber, and he is certainly a welcome addition to our staff.

## COMEDY-LOVERS

"Divorce—Italian Style," now playing at the Ritz, is certainly one of the funniest (and most sophisticated) of the "sophisticated comedies" ever made. Marcello Mastroianni ("La Dolce Vita") is amazingly clever as the husband who wants to kill his ugly wife so he can marry his beautiful niece. Believe me, you'll be sorry if you miss it.

**IFC Signups Ahead;  
Feb. 25th - 28th**

Men, rush is rapidly approaching! Students interested in being rushed by a fraternity this Spring are required to sign up in the Dean of Men's office between the dates of Feb. 25 and 28. A fee of \$2.00 will be charged for sign-ups, but the prospects of four dinners—one at each fraternity house—and the opportunity to examine how each house operates is well worth it, according to those who have gone before.

On the last day of Rush each fraternity will hold an open house preceded by a general meeting in the Administration Building explaining the procedure to be followed. Two important rules must be observed. First, all rushees must go to each house and sign in; second, silence must be observed beginning at 12 midnight on Thursday, March 7 and ending Friday March 8 at 4:00 p.m. with preference. On preference day rushees will meet at the Administration Building for their bids. The entire rushing procedure will be handled by the Inter-Fraternity Council.

Some of the advantages of belonging to a fraternity which are emphasized by the members themselves are: (1) living with people whom you enjoy being with, (2) being part of a social brotherhood, (3) living under a set of strictly enforced rules that the members themselves have a choice in setting up, and (4) having a wide variety of social events to participate in which are sponsored by the fraternity.

Students wishing to sign up should be reminded that the required grade point average necessary to rush has been raised to a 2.2 average.

**Alpha Chi Initiates  
At Formal Ceremony**

Alpha Chi Omega initiated eight new members in a formal ceremony this weekend. The new initiates include Janice Anderson, Patricia Fisk, Libbie George, Liane Michael, Betty Roddy, Sara Schumann, Judy Shintani and Kathy Wiley.

The new members were honored at a formal dinner party featuring a blue and white color scheme Saturday evening. Guests at the banquet included Mrs. Lenaberg, president of Stockton AXO alumnae association, Mrs. Arnold, Mrs. Ellis, and Mrs. Glick, patronesses.

Betty Roddy was selected as the outstanding pledge of her class. Co-chairmen of the banquet were Sharon Alexander and Gail Abeloe.

**Ex Student Is Author  
Of Zoology Manual**

A former student of Pacific, Lee Fred Braithwaite, is co-author of a newly revised zoology manual. Recently published, the second edition of "Invertebrate Zoology—Laboratory Workbook" offers copious up-to-date illustrations and descriptive material as a text and laboratory guide.

Braithwaite combines a position on the Brigham Young University faculty with work toward the doctorate he expects to complete in 1964.

## Archites' Hike

(Continued from Page 1)

In addition to the fourteen male hikers, one female, Sharon Hoyle, a freshman at Stockton College, joined the hike. Starting five miles out of Sutter Creek she didn't manage to finish.

Fourteen men from Archania took off at midnight on Tuesday in an attempt to complete fifty miles of walking. Starting at Jamestown, the men hoped to make it to Sutter Creek in 15 to 17 hours.

Armed with candy bars and oranges, the men started off dressed in boots, bermudas, and sweatshirts and carrying their battle flag, that of the Confederate nation. As Kit Cornett, organizer of the group put it, "We want to prove to President Kennedy that even us lazy old fraternity men are physically fit."

Those participating were Kit Cornett, economics; Chris Carr, engineering; Bill Lloyd, Business ad.; Allen Mekkelson, chemistry;

There's no business like show business, and, like all the other campus living groups, the Phi Sigma Kappans are out to prove it.

Last year's winner of the women's living groups was Delta Gamma; small group winner was Phi Delta Chi, with their Tranquillizers, a Dixieland jazz combo. Judging will be based as follows: out of a possible 50 points, 20 will be given for originality of plot; 15 for music quality; 10 for dancing; and 5 for costumes and scenery.

**T**HIS is a two-color striped button-down shirt designed and tailored by Eagle Shirtmakers and sold everywhere by fine men's stores. Many of them admire our shirts so much they sell them under their own names. High praise indeed, and we should like to reciprocate by advertising their (our) shirts. But it's hard to know just where to start. Obviously we can't say things like "None Genuine Without This Label" when they are all quite genuine, you know. And it would be silly to say "Try An Eagle Shirt Today!" when it is likely you already have a draw-erful; even though you didn't know it until just this minute. So all we can suggest is that you send in for your Eagle label. Write Eagle Shirtmakers, Quakertown, Pennsylvania; Attention Miss Afflerbach.

## Do You Feel The Grade Change For Rushing Is Justifiable?

Jenni Jackson; Freshman; History

A raise to a 2.20 is justifiable in that it follows the general trend at Pacific of raising the standards and building a better reputation for the school, and the sororities.

Stephen Kittle; Junior; Philosophy

The change from a 2.00 to a 2.20 is so insignificant that you really can't justify the change.

Terry Tanner; Freshman; Undecided

I don't think it's right because it makes it harder for people to make their grades, especially freshmen. Most other colleges have only a 2.00 and I think Pacific should too.

Karl Jacobs; Senior; English

I feel very definitely that the higher grade point regulation will help the fraternity system help themselves, and Pacific to reach their own needs.

Ellen Huddleston; Freshman; English

I think it's justifiable because it helps in raising the academic standards on campus and, for this reason I think it should be accepted even though other colleges don't have it.

## Rush Parties Provide Fun: Casino, Bossa Nova, Stereo, Rock 'N Roll

With the start of a new semester, spring rush sign-ups and rush parties are the main concern of the local fraternity houses. The Delta Upsilon House has planned a rush dance for the evening of February 16, to be held at the D.U. House from Nine to One. The theme is "Sava Bossa Nova," and it's a come as you are party. Decorations are being kept a secret until dance time. Jimmy and the Broom Dusters will be the dance band for the occasion.

Next door to the D.U.'s, the Phi Sig's are making equally good plans for their dance, to be held on Friday, March 1. It is to be a rock 'n roll dance, featuring Jimmy Valeny's band. Casual dress is suggested, and the time is from eight to twelve.

The Alpha Kappa Lambda's have decided to hold their rush party in the Garden Room of the Stockton Hotel on March 2, from eight to twelve. Stereo music will be provided, and a tie and coat are requested as dress. A new singing group will provide the entertainment for the evening, and any needed transportation is offered from the AKL house to the hotel.

The Phi Delta Chi's will hold their rush function on Friday, February 15 from 7-9.

The Phi Tau's held their Spring rush party last Friday night from eight to twelve at the Phi Tau house. The theme was "Casino Archania" and decorations were that depicting a typical casino. Dress was sport clothes, and Mike Vax's band provided the evening's music. Chuck Smith, Leslie Zalinsky and Myron Jansen were also noted as high points of the evening with the singing of folk songs; and, all in all, the dance was a success.

So the spring semester is off to a busy start, and it looks as if all the fraternities have provided impressive activities for their future members.

## Burns, Pedersen

(Continued from Page 1)

and Dr. Pedersen, a high-ranking member of the U.S. delegation to the United Nations, were chosen to receive the awards for "distinguished contributions in their professional careers for a more worthwhile way of life."

Dr. Burns received a B.A. degree and an M.A. degree from Pacific, and a doctor of laws degree from Willamette University. In 1947 he was inaugurated as president of the University, the first alumnus to hold the position.

Dr. Pedersen, a Stockton youth, graduated from Pacific in 1946, acquired a master's degree from Stanford and a Ph.D. at Harvard in 1950. After three years with the State Department and the U. S. delegation to the United Nations; in 1959 he became chief of the political section of the delegation and chief assistant to Adlai Stevenson.

## Peace Corps To Recruit Students, Sat., 23rd

A Peace Corps examination will be administered on Saturday, February 23, 1963, in Room 207 in the Administration Building at 8:30 a.m. and at 1:00 p.m. The examination will include in the morning section tests for those interested in teaching assignments as well as those who are candidates for other assignments. Optional tests in foreign language, agriculture, health science, and mechanical skills will be given in the afternoon.

Those eligible to take the tests are, first, those who have applied and have received admission cards from Peace Corps headquarters; second, those who have in hand a Peace Corps Volunteer questionnaire or are willing to sign an affidavit that their questionnaire has already been mailed to Washington, and finally—if there is room—those who agree to remain after the examination and fill out the Peace Corps questionnaire.

## Ski Club Plans Trips Despite Snowlessness

The Pacific skiers have been keeping active in spite of the dry ski season this year. Along with informative meetings and a fashion show, the ski club was able to have their first trip last Saturday. Everyone had a good time while some tried to figure out what type of wax to use for ice, powder, slush, etc., and others were trying to find the technique they lost somewhere between this season and last. The new tram lift and the versatile slopes of Heavenly Valley were enjoyed by all 24 enthusiasts, according to Ski Club President Ken Studer.

Hoping for improved skiing conditions, the ski club has planned several trips for the following dates: March 3, Alpine Meadows; March 16, Sugar Bowl; and March 23, Squaw Valley. On many of the ski trips slalom courses will be set up for intra-club competition and fun.

In order to plan and inform you about the ski trips, meetings are held on Monday or Tuesday of the week of the ski trip. Guest speakers, movies, and a door prize contest are planned for the remaining meetings: Monday, February 25; Tuesday, March 12; and Monday, March 18. All meetings are held at 7:00 P.M., upstairs in Anderson Lecture Hall. All interested students are welcome to attend.

## PROPHECY

By CAROL BAKER

There are prophets in every land and all of them are keeping mighty busy these days predicting the shape of things to come! H. G. Wells, forerunner of our modern-day prophets, predicted the great strides that have been made in science and travel in outer space. Nostradamus, one of the oldest prophets on record, predicted the coming of a great new world, where the peoples on planet earth would become one family—finally learning to understand and live with one another.

Here in the West, where California is growing beyond all dreams, where people from every land are coming to either settle, or visit, we can become our own prophets and predict the shape of things to come! And it's at times like these that we predict the most discriminating traveler will stay at the Mosswood Motel, member of the Executive Exchange, at 683 West MacArthur Blvd., in Oakland, just a few scenic minutes from San Francisco, while visiting the city of the Golden Gate, because the Mosswood Motel extends every courtesy and convenience—accepts Diner's Club, American Express, BankAmericard, Hilton's, and Carte Blanche cards—and features free coffee in their lounge for your comfort, living up to the San Francisco tradition of warm hospitality.

## HAWAII

Mrs. Edith S. Adkins, Covell Hall housemother, for the fifth consecutive year has been appointed campus representative of Howard Tours, the original college and travel program for the University of Hawaii summer session and to the Pacific. Applications for 1963 are now being accepted by her at Covell Hall—telephone HO 6-3581.

Next summer's tour of 56 days to Hawaii costs \$589, plus \$9 tax. This price includes roundtrip jet between the West Coast and Hawaii, campus residence, and the most diversified itinerary of dinners, parties, shows, cruises, sightseeing events, beach activities, and cultural entertainment plus all necessary tour services.

Waikiki apartment living, steamship passage, and visits to Neighbor Islands are available at adjusted tour rates. Steamship travel, however, will be at a premium. Therefore, interested travelers should apply early to protect their reservations.

1963 will be the "Big Summer in Hawaii" because this is the biennial year of the world famous Trans-Pacific Yacht Race from Los Angeles to Hawaii, with everybody sharing in the extra fun and added excitement.

In addition to Hawaii, Howard Tours offers a 67-day study program to the Orient and another study tour of 45 days around South America. Both are San Francisco State College summer session study tours offering six upper division university credits. College men and women may call MRS. ADKINS for further information.

## SCTA Reports 148 Memberships

Membership for the Student California Teachers Association is still open, according to Rita Preszler, of 129 Covell Hall. To date 148 memberships have been sold, making Pacific's chapter one of the largest in the state.

Those interested may see Rita for membership application, or, a membership form may be obtained from Mrs. Pickrell in the School of Education Office.

## VALENTINES AT PACIFIC NEED MORE THAN 'FRINGE BENEFITS'

By DIANA COLBY

A pretty, young co-ed asked her Adonis, "Will you be my Valentine?" Adonis replied, "Sorry, I've already been asked by 10 others." She tried again with another Pacific wonder-man. "Will you be my Valentine?" "No, I'm studying today." Dejected, she returned to the confines of her room.

And so went another happy Valentine's Day at UOP, land of the 3-1 ratio. Instead of eating candy, smelling flowers, and enjoying kisses, many disillusioned Pacific women spent February 14th nursing broken hearts.

This soap opera situation may explain the popularity of the pessimistic contemporary cards bearing such cheerful thoughts—"We might as well be Valentine's this February. It's too cold to do anything else." And the co-ed heart sinks to an all-time low.

After considering these fringe benefits one realizes that it's time for action. Something must be done to remedy the situation. As for suggestions, we could accept bigamy in our social mores or maybe persuade the Admissions Office to initiate sex discrimination. Then, there is always Jonathan Swift's brilliant plan as stated in "A Modest Proposal."

In adaptation, we could eliminate (the means to be decided at a later date) enough of the female babies each year so as to keep the ratio even.

In any case, a course of action must be adopted before next Valentine's Day, at least. We are open for any suggestions. Send yours to the P.C.E. for B.V.D.'s. (Pacific Co-Eds for Better Valentine Days)

## Pacific Interest in SC

(Continued from Page 1)

In 1958, UOP was approached by the president of the Stockton Board of Education to ascertain if we would be interested in the purchase of Stockton College. Since that time, the school has (1) shared an appraisal cost of Stockton College, (2) contacted Dempsey-Tegeler Company, specialists in institutional bonds and received assurance of financing the purchase and (3) raised \$800,000 toward the purchase. The last was done by the California-Nevada Conference of the Methodist Church.

"Throughout all these proceedings," the administration's statement continued, "we have expended a considerable amount of work and money on a master plan, assuming that the junior college campus would be available to us. In all these steps we have proceeded in good faith."

"However, it now appears that the Stockton Unified School District Board is not ready to come to a conclusion within the next year. The University therefore withdraws its interest in the property at this time and will look in other directions in its expansion program."

the affirmative on the question of whether all non-communist nations should organize into a common market.

This is a matter of more than idle conjecture since several organizations now, including the U.N., are working towards common market organization on a larger scale than the "European economic community."

Stanford and U.O.P. may meet, strangely enough, for a third time in two weeks on the weekend following convocation when a Northern California Forensic Association Debate Tournament, in which they are both entered, will be held here.

Student officers for the chapter are Willis Corkern, president; Gordon Peterson, vice-president; Shirley Alves, secretary; and William Soars, treasurer. Dr. Charles W. Roscoe is faculty advisor.

In order to be considered for a scholarship in the 1963-64 school year, students must submit an application prior to March 15. The necessary blanks may be obtained from the scholarship secretary in Room 105, Administration Building.

On February 18, 19 and 20 LCDR Blackington from the U.S. Navy Recruiting Station, San Francisco will be on campus with the NAVAD display van to talk to students interested in Navy Officer programs, particularly Officer Candidate School and The Naval Aviation Cadet program. The recruiting van usually parks near the Union on Burham Lane.

## Mebbe Sweet Wasn't Villain After All; Basketball Hurt By Outlying Factors—

By BOB HUBER

Motor Mouth has graduated. It will be almost an impossible task to fill his shoes. He must be commended for the excellent job he did as sports editor this past Fall.

In my editorials I intend to direct my criticisms in a constructive manner. These criticisms are not intended to be of a personal nature. I feel this is the only fair way to deal with the sports situation here at Pacific.

I will consider my column a success if what I deal with has any bearing on the promotion of the Tiger sports program.

After eleven years as Tiger basketball coach, Van Sweet submitted his resignation last week effective at the end of the current season. Coach Sweet in his Tiger coaching career saw his best year 1955-56 with a second place in WCAC competition.

To a greater extent Coach Sweet has been a victim of circumstances. Pacific gives less basketball scholarships than any other WCAC school, has a small recruiting budget, and does not have a permanent assistant coach.

Does the Pacific Athletic Board of Control expect to remedy this poor basketball situation by hiring a new coach? I think this is hardly getting at the solution to the problem!

At least one situation has been remedied with the resignation of Coach Sweet. The effigial hangman and the headstone placer will have to retire or head straight for the unemployment office.

After the resignation of Coach Sweet the Tigers defeated the San Francisco State Gators with a real team effort. It was speculated that his uplift by the team might have been to show the coach that they were still behind him.

On the other hand some felt the hoopmen had a great pressure lifted from them and were ready to play a good brand of ball as a team looking forward to next year.

Apparently neither of these speculations were true. Less than a week later the Tiger hoopsters were up to their old tricks again.

Nineteen costly ball handling mistakes put them in the bottom of the WCAC cellar at the hands of Loyola 72-61.

Just a few days later the Tigers repeated themselves with a 82-56 loss at the hands of the Seattle Chieftains.

After this game the Tigers slipped (which seems to be common of late!) into an overall basketball record of 4-14 with just 8 WCAC games remaining.

If you add the game totals correctly (12-14) you've got the correct answer. Another losing season!

## RUGGERS WIN

The Pacific Rugby Club met Cal Davis here last Saturday with a 9-3 victory. It has been brought to my attention that the club is in dire need of personnel. You do not need experience to play.

The club members will teach you the techniques of the game. If you are interested in a sport that will give you a chance to get plenty of exercise and to meet new friends, look into rugby. The club practices on Knowles Field Monday and Wednesday at 4.

## TRACK UNDER WAY

All track enthusiasts should start their conditioning now in order that they will be in prime shape for the intermural track meet to be held March 2.

during a rainstorm at 9 p.m.

Driver of the car was Keith A. Landes, 28, an insurance man, of 1328 N. Commerce. Landes claimed he did not see the girl until he had reached the crosswalk and had struck her.

Miss Caldwell was dressed in brown clothing. Witnesses told police that she was in the painted crosswalk and had broken into a half-run when she was hit.

Officers cited Landes for failing to yield the right of way to a pedestrian. Landes said he was driving 25 miles an hour.

## Canadians Bow 9-6 To Stocktonians In Hockey; Colts Over Mowhawks

Last weekend the Stockton Colts hockey team defeated one of Canada's top amateur teams, the Jasper Place Mohawks of Edmonton, Alberta, by the score of 9-6.

The goalie of the Stockton Colts is Russ Patitz of Pacific. In all, Patitz made 44 saves. Pacific griddier Al Ford did an outstanding job for the Colts first line.

The penalty time for the Colts of 20 minutes, and 12 minutes for the Mohawks, did not slow the pace of the game. The action was rough and fast.

The Colts play the Sacramento Rexalls tonight at the Stockton Fairgrounds. If you want to see all the action of football as well as the skill of golf, this would be a fine place to spend an evening. Your date will enjoy it, too.

Walking as a fad began with the White House discovery of a plan for Marine Corps officer training which was drawn up by President Teddy Roosevelt in 1908. The plan calls for a fifty mile hike doing the last mile in double time and the last 200 yards at a dead run.

Al Pross, student body president, appeared dubious about the hike but asserted that "if I can make it, President Kennedy should be able to." Other emotions ranged from exuberant confidence to dogged determination.

The men hoped to make it in between 3 and 5 in the afternoon amid the cheers of their fraternity brothers and the comforting sympathy of a few of the fairer sex.

## RETRACTION

In last week's Weekly The Savage Eye was scheduled by mistake for February 5. The Weekly apologizes to those of you who attended, patiently sitting there in the dark, for this picture which was actually not scheduled until tonight.

The Savage Eye will be shown at the "Y" at 3:00 this afternoon and 7:30 tonight.

## Hoopsters Drop Two In A Row; We're In W.C.A.C. Cellar Again

With great control of the boards the Seattle University Chieftains turned back the Tigers 82-56 last Saturday night in a non-WCAC basketball encounter.

Coach Van Sweet said, "They're the best club we've seen this season."

High scorer in the game was Bill Wilson, sinking 10 of 21 shots, to amass 22 points for the Tigers. He was the only Pacific shooter in the double digits in scoring.

"Seattle was so big and strong our boys found themselves trying to shoot high over long, outstretched hands and arms. Wilson did well by hooking around them. And Rich Davey guarded well," said Sweet.

The Seattle Chieftains hit at a 44 per cent field goal rate to a 30 per cent rate for Pacific.

On Wednesday, February 6, the Tigers were downed by the Loyola Lions 72-61. This loss put the Tigers into the WCAC cellar, as usual.

In the first four minutes of play, the Tigers weren't able to unleash a field goal effort because they lost the ball four times on wild passes.

The Tigers, who made 19 costly ball-handling mistakes, had

been defeated by Loyola earlier, 75-52, in the Knights of Columbus tournament at Portland, Oregon.

Jack Schalow was high point man with 15 points. The Tiger field goal percentage was .338 as compared to .448 for the Lions.

The Tigers have yet to win a game in the Stockton Civic Auditorium this season.

## Mermen Meet Oregon St. Today; Debut For New Tiger Coach

By TOM HONEY

For the past few weeks, the University of the Pacific Swimming Team has been working out for their first two meets of the 1963 season. Since the death of the late Chris Kjeldsen, Connor Sutton, Pacific graduate and outstanding swimmer, has taken over as the new coach for this year's team.

According to Connor, the Tigers will have a good season under the present schedule. The splashers will be pitted against such powers as Oregon State, University of Oregon, University of California, San Jose State, the Olympic Club, and California at Davis.

Last Tuesday the Tiger mermen held their first time trials. Among the standouts included such returning lettermen as Gary Wycoff, backstroke, Pat Meliff, freestyle; Kip Only, butterfly; and John Ostrum, freestyle. Also

posting good times were Clay Clement, freestyle; Mike Chin, breaststroke; Dick Wehe, freestyle, and Steve Baily, breaststroke.

Yesterday, the splashers traveled to Sacramento for a meet with the University of Oregon team at Arden Hills Pool. With two weeks of hard practice and one meet under their belt, the Tigers should show quite well against the Oregon State team today at the local pool. The first race begins at 3:00 o'clock.

## Phi Delta Chi Elects Officers For '63 Term

The Alpha Psi chapter of Phi Delta Chi national pharmacy fraternity at the University of the Pacific has elected officers for the 1963 term. Formal installation ceremonies will be conducted in January.

The officers for 1963 are as follows: President, Gerald Miller, Grass Valley; Vice President, Stephen Bishop, Pleasant Hill; Secretary, Dick Alexander, Redding; Treasurer, Frank Call, Richmond; Correspondent, Arden Pratt, Long Beach; Prelate, David Banks, Santa Ana; Master-at-Arms, Don Bartolo, San Leandro; Inner Guard, Bob Belluomini, Stockton.

Dr. D. Y. Barker, Professor of Pharmacy, and Mr. Max Polinsky, Assistant Professor of Pharmacy Administration, are faculty advisors to the local chapter.

## Spring Football Swings Into High Gear Minus 18 Graduating Gridders

Spring football practice is in full session and will come to a grand climax with the annual alumni game on March 9. Bolstering the Pacific varsity are nine junior college transfers. Five freshmen have graduated to the ranks of the big time.

Frosh moving up are linemen Vern Garrison, Mike Damsgaard, Jim Busher, and John Phillips. Halfbacks are Eddie Simas and Don Wilson.

New junior college transfers are Tom Strain, Ernest Zermeno, Jack Reed, John Billicci, John Balla, Russ Pinching, halfbacks; and Simon Molini, Van Boschetti, and Bob Irwin, linemen.

The Tiger varsity is hampered by the loss of 18 members of last

year's squad, which includes the full session and will come to a loss of the first and second string quarterbacks.

There are seven returning lettermen to the squad of 48. They are Buck Del Nero, Terry Marshburn, Dave Pett, Ray Raffo, Bob Scardina, Don Shackelford, and Ted Watkins.

Gridders presently running with the black or first string squad are: ends Buck Del Nero, Ted Watkins, tackles Dave Pett, Don Shackelford, guards Bob Scardina, Terry Marshburn, and center Paul Latzke.

Backs on the black squad are quarterback Howie Campbell, left half Al Ford, fullback Smiley Verduzco, and right half Cameron Doyle.

## Four different ways to make going more fun than getting there

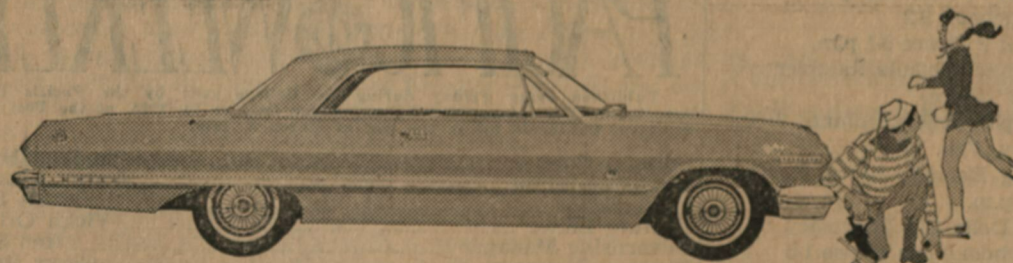

You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the Jet-smooth Chevrolet, about as luxurious as you can go without going overboard in price; the low-cost Chevy II, a good-looking car that would send any family packing; another family favorite, the sporty Corvair, whose rear-engine traction

will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, Corvette—now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. Picked your favorite already?

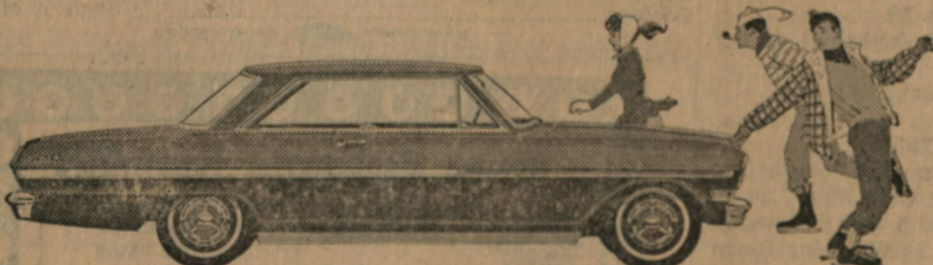

**Keeps Going Great**

The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!

setting up the series of eight programs — seminars to acquaint the campus with NSA activity and organization. Student leaders from other campuses will be used as resource leaders in specific fields. Letters about the seminars will be sent out this week; the meetings are open to anyone interested.

Cynthia also reported that she is taking a delegation of seven from Pacific to the N.S.A. Regional Conference at Stanford on March 22-24. The conference topic is Latin American Affairs.

**J. Constitution Revision — Don Roberts.** The committee has been enlarged to 12 members and they came back during Orientation and met from Friday through Sunday. They began a series to try to find a suitable framework for student government on campus. So far the committee has set up a three part government — the executive, legislature and judiciary. The Executive would be chaired by the President, the Legislature by the Vice-President. The Judiciary had not been discussed yet. The committee has interviewed the Executive Committee and other officers to try to pull nebulous ideas into specific facts.

The meetings are open to everyone and in the near future, there will be an open forum.

**K. Administrative—Dean Betz.** Tuesday, February 11 will be the Faculty Retreat at Columbia. The topic for this year will be the study of the curriculum. Outside speakers will be there as well as the faculty from Pacific. Dean Betz urged the students to submit a written letter to him if they have any reactions to the current curriculum as he will present the student reaction at this retreat.

### L. Class Reports:

1. Freshman — No report.
2. Sophomore — No report.
3. Junior — Bob Huber. March 15 is the date set for the Junior Class dance. Committees have been set up to plan it as well as the push-cart relays, which they hope will be held during Mardi Gras Weekend.

4. Senior — Lee Knight. Class rings will go on sale again soon.

### II. Old Business—None.

### III. New Business

A. Gary Wiler moved that "The Senate recommend to the administration to place one representative from the P.S.A. and one representative from the Alumni Association on the proposed Athletic Board of Control, with voting powers." Discussion was held and it was brought up that the Alumni Association had already passed this same resolution. A vote was taken and the motion was unanimously passed.

B. The Senate discussed the idea of requiring the standing committees of the P.S.A. to make at least five written reports to the Senate during the semester.

Gary Wiler made a motion to this effect, which was discussed, amended and withdrawn. Gary again moved that "The standing committees of the P.S.A. be required to make periodic reports to the Senate, upon the request of the Chairman." This motion was unanimously passed.

C. The Board of Trustees will be meeting on March 26. Before this year, the students have not been allowed to attend; but this year the Executive Committee hope to attend and present a student report.

D. Gary Wiler reminded the Finance Committee that there will be a meeting Wednesday at 4:30 in his office.

E. Cynthia Woodruff announced that the appointed Travel Representative for N.S.A. on this campus is Danine Cozzens.

F. Al Pross announced that Karen Van Dine is the Peace Corps Representative on campus.

G. The meeting was adjourned at 8:25 p.m.

Respectfully submitted,  
BARBARA BULLOCK  
Secretary, P.S.A.

## Executive Committee

The meeting was opened at 3:00 by Al Pross, President.

### Student Leadership Conference

The Conference will definitely be held on March 15, 16 (Friday and Saturday) at Columbia. Those attending will be Senate members, living group presidents, and other interested persons; but it will be limited to 50 people due to housing conditions. For answers to further questions, contact Katie Hill, Chairman.

### Constitution Revision Committee

The committee has been meeting over semester break and will give an oral and written report at the Senate meeting. Their first open forum will be held soon to comply with the Senate requirement. The Executive recommended that the Senate pass a resolution requiring all other standing committees (Student Union, Academic Standards and International Commission) to make a report at each regular Senate meeting.

**Athletic Board of Control**  
The faculty and administration are planning on organizing an Athletic Board of Control. At the last Alumni Association meeting, they passed a resolution asking the administration to place one student and one alumni on this board. The Executive Committee recommended that the Senate pass this same resolution.

### Student Body Cards

The Student Body Cards may be picked up this week and Wednesday, February 13 in the P.S.A. Offices from 3:00-5:00 p.m. picked up later will be fined.

The meeting was closed at 3:30.

Respectfully submitted,  
BARBARA BULLOCK  
Secretary, P.S.A.

the new active chapter, as a climax of the banquet. Awards were given to Terry Fowler, most outstanding pledge; LaDean Dalke, highest scholastically; and Marlene Wallace, most improved scholastically.

Activities for the new chapter, which was organized by colonization last fall, began as soon as the pledges returned from semester break. During Gamma Phi Beta week the girls worked on service projects which included helping prepare craft materials for the blind at the local blind center and also making valentine favors for mentally retarded children.

Gamma Phi Beta, one of the five oldest collegiate sororities in the country, was founded at Syracuse University in 1874. University of the Pacific now has the sixth chapter in California joining the University of California

at Berkeley, San Jose State College, University of California at Los Angeles, San Diego State College, and the University of Southern California.

They were aided at the initiation service last Saturday by the Phi Betas from San Jose State. The new initiates include Jeanette Arburua, Geva Arcanin, Lucy Blende, Debbie Boettiger, Bonnie Copeland, LaDean Dalke, Carole Decetis, Sandy Fado, Rosalie Formusa, Terri Fowler, Darby Gorman, Ellen Gregory, Arlene Harper, Caryll Hayden, Ann Hudspeth, Joy Jones, Kathy Lewis, Lynda Luke, Marilyn Preston, Marcia Schimpf, Terry Statham, Helen Stebbins, Tanya Stephen, Sandy Stone, Nancy Stutzman, Sally Swift, Nancy Todd, and Marlene Wallace. Initiated also were 17 women from Stockton and other parts of California who belonged to Mu Zeta Rho, the local sorority whose alumnae merged with Gamma Phi Beta.

The group will meet in a chapter room on campus for the spring semester. Beginning next fall, Manor Hall will become the Gamma Phi Beta house until a new house is constructed. Mrs. Marvin M. McDow has been supervisor of the collegiate group since its beginning and Miss Sally Johnson, a junior from the University of Iowa, has served as student counselor.
