Portage May 4<sup>th</sup> 1889

Dear Dad

Your letter of April 16<sup>th</sup> containing the prescription arrived safely. It proved to be the very thing required, as the pain and disagreeable feeling has gradually ceased - except on my shoulder and that is still rubbed every night.

My general health is now as good as usual. I now take long walks ~~as usual~~ or rides and enjoy them very much.

I thank you very much for both of the prescriptions you have sent me as they were just what was needed.

I had a letter from John last week. He writes that he intended to make a trip to Wis - this summer but Scarlet fever and other malades had cast back his work on the Ranch and also on the Book - for weeks. The Publishers have been calling impatiently for copy, now he thinks he will not be able to leave home but will make an extra effort to -

— sell part of the Ranch  
so he can have more  
time for better things

Leone and Annie  
seems to enjoy living at  
Loup City. They intend  
making their home there.  
Mr Owen has bought  
land there and will  
build this summer.

Mary has told us  
that Annie intends to  
be married next week.  
she hardly knows how  
they can get along without  
her as she has been the  
housekeeper so long.

I hope you are all  
well. I expect the children  
will all be attending school.

David seems to get on  
about as usual.

Since the revival  
meetings here, quite  
a large number of both  
old and young people  
have united with the  
Church of their choice.  
(much good has been done)

Love to all

Affectionately  
Mother
