Elections; nonpartisan offices

California Constitution article II, § 6 (amended).
ACA 7 (Mountjoy); 1986 RES. STAT. Ch. 1

Under existing law, all judicial, school, county, and city offices are required to be nonpartisan.¹ Prior case law, however, permitted a political party or party central committee to endorse, support, or oppose a candidate for nonpartisan office.² With the passage of Proposition 49, a political party, or party central committee, is prohibited from endorsing, supporting, or opposing a candidate for such a nonpartisan office.³
