Legislation Editor's Note

The editors and staff of the *McGeorge Law Review* are proud to present our Review of Selected 2005 California Legislation. This edition compiles the work of twenty-three staff writers who have worked since May of 2005 to analyze and evaluate laws enacted during the 2005 legislative session. Publication of this edition culminates over a year of planning, writing, editing, revising, and proofreading articles covering a variety of legislation.

On behalf of the Legislation Department, I would like to thank the California legislators, their staff, and the numerous organizations involved in the legislative process, for taking the time to meet with our writers and contribute valuable insight.

It is our twin aim to publish articles that inform practicing attorneys and advance legal academia. We hope you find this edition contains the same in-depth coverage that our readers have come to expect from the *McGeorge Law Review*.
