UNION SQUARE NEW YORK

August 28, 1890.

My dear Mr. Nutt: *Welcome to
your adopted Country!*

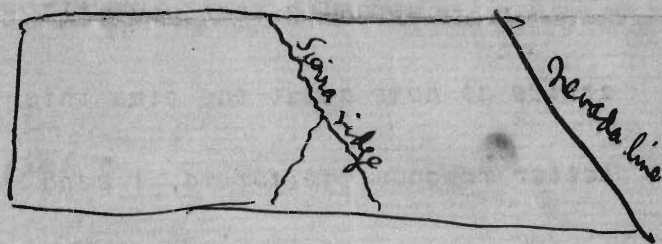

Supposing that you will
arrive at home about the time this
letter reaches California, I send
herewith our check in payment for
your two articles, including also
the use of your sketches.

Very sincerely yours, -

R. M. Johnson.

*I hope you will be able
to go at the King's River Cañon for
I want to have a bill introduced to re-
serve it - (Can you send me a description of
desirable limits?) and second I want to give
Robinson something to do. He is hard up and
he is going to make the sketches. (over)*

The House has passed the Tulare
Big Grove Bill and I am urging
it upon the Senate Public Lands
Committee. I hope the Yosemite
Bill will go through soon. The
Land Office recommended these limits

But I got them to leave off the
Nevada end & put it back about
where you said. I feared complications
from mining interests. Now if you
could get some strong letters written
soon in favor of the bill addressed
to Senator P. B. Plumb or Gen. Wm.
Vandever M. C. it would go through.

Yours anon.

R. M. G.
