Dinner with us in this family
gathering - Mother, Sarah and
Mary have asked me to say
so to you. And they all thank
you for the children's photos,
which have given them all
great pleasure. They all think
them lovely. The wood here is
large, the lawn kept nicely cut,
and there are some lovely flower
plots in it - besides which there
is a funny and many beautiful
flowers in spots. All of which I
am sure you would admire
and enjoy very much if you
were here. For I know how you
appreciate things of that sort.
You will be glad to know
that my trunk reached me safely
after all my uncertainty about it.
Mother is ready to take this to the
office so I must close - with love
to your self - the dear little girls
and Grandpa & Grandma - I sup-
pose John will soon be home now.
When I know he is home I will
write to him - I am not yet
quite rested from my journey
but hope to be soon.

Annie L. Muir -
