WINTER FORMAL TONIGHT

December 5, 1947—No. 11

Xmas Concert To Commence R. E. Week

Religious Emphasis Week, beginning Sunday and lasting thru the 14th, synchronizes with the Advent season this year and accordingly special plans have been adopted.

The Week officially opens with a concert Sunday evening at 8 o'clock at the Central Methodist Church. The church choir will present a program of Christmas music under the direction of Professor David Lawson.

During the week seven speakers will be present on campus to give talks and conduct discussions.

Dr. Harold Case of Pasadena will speak at Tuesday chapel and Thursday assembly. He will also speak at two vesper services on

GRAPE BOWL RALLY TUESDAY

Tuesday at 11:40 there will be a street rally in front of the Cub house to send off the Varsity for the Grape Bowl game Saturday, December 13, at Lodi.

"FOOD FLOWERS" FOR FORMAL

A campus wide vote of women's houses and sororities has given unanimous backing to the substitution of "Food Flowers" for traditional Winter Formal corsages tonight.

PERMANENT BENEFIT

Instead of ordering elaborate floral pieces, men students are asked only to purchase the simple replica of a corsage, thus assuring a permanent benefit from their money through the channels of world student relief, rather than an investment due to wilt and fade within 24 hours. "\$5.00 worth of concentrated food stuffs will save a life today" say overseas relief agents.

\$1 MINIMUM

Selling to the men at a minimum of \$1.00 (where else can you get a corsage so cheaply?), the beribboned cardboard tokens are available all day today in the Main Hall of the Administration building, and at the auditorium tonight.

"Only those with real live flowers will be conspicuous tonight!" emphasizes Student Body Prexy Daren McGavren.

Catching like wildfire, the idea of the novel corsages has completely taken ahold of the COP-SJC campus, and promises to be one of the most significant activities yet attempted by the Pacific Student Association.

MONEY FOR WSSF

Money obtained through the sales will be sent directly to the World Student Service Fund which distributes food, medical and scholastic supplies directly to university students in Europe and Asia, irregardless of political affiliation, religion or race. An organ of UNESCO, and sponsored in the USA by the National Student Association, WSSF is the only agency which gives American students opportunity to share with fellows abroad.

Even then, American students raise only half of the world budget for university relief, while Denmark and Sweden, recently occupied by the Germans, have a higher per capita contribution than do the richest student body in the world.

COP's main WSSF drive will come in the spring semester, when each student will be contacted for his contribution.

CHRISTMAS FORMAL 9 to 1

Tonight Pacific, en masse, will stage its annual Winter Formal in the Civic Auditorium from 9 until 1.

The event will take on a new significance since the women students have offered to sacrifice the wearing of a real corsage to wear an inexpensive imitation so that the money ordinarily spent for flowers can be donated to the WSSF.

GALLAGHER

The theme for the affair will be the Starlit Hour. Hank Gallagher and his orchestra will play.

Gallagher played at the 1942 Mardi Gras and has played engagements at the Claremont Hotel in Oakland and at UC in Berkeley.

Featured vocalists will be Don Griffin who sang with Tex Beneke and Bob Yules, novelty singer.

Trombone artist Wally Wells was formerly with Jack Teagarden. Bob Kinney, pianist, was maestro for his own outfit at UC before joining Gallagher.

ADMISSION

One PSA card per couple will be required for admission. Bids will be given out at the door.

Gene Mortarotti is the general chairman for the dance. Other committee members are: Nancie Harrold and Jean Gallagher, decorations; Beverly Ball, bids, and Walt Pinska, chaperones.

HORACE HEIDT SHOW FEATURES PACIFICITES

Tonight and tomorrow Pacific talent will head Fresno way to appear with Horace Heidt in his stage show.

The offer for participation came following auditions Wednesday night before Heidt's talent scout Allan Bode.

Those selected are: Daren McGavren, The Midnighters, Bob and Art Corra, Don Ratto, John Mortarotti, Leighton Edelman and Barbara Mills.

Ratto will go down tonight to sing in the 7:30 and 10:30 show. The remainder of the talent will go down tomorrow. Edelman will conduct Heidt's orchestra on a musical arrangement of his own. Featured vocalists will be McGavren, The Midnighters, Barbara Mills and Don Ratto. The Corra Brothers will play the accordion, and Mortarotti will play the violin.

On these weekend shows Pacific talent will compete with acts from Fresno State and the winners will be selected by audience applause. The four best acts will appear over the initial broadcast of Horace Heidt's new radio show Sunday evening at 7:30 over KNBC.

ORRBITS

HARD TO BELIEVE it is but did you know that other colleges aside from COP are plagued with the smoking problems and plaintive gripes from frustrated smokers? ? ? the old argument that smoking should be permitted on campus because the other schools allow it, even the state schools, is not valid now, —witness the following quoted from the FSC Collegian—

"CAMPUS SMOKING

HABITS CURBED BY HEALTH COMMITTEE

... the committee has decided that college students should return to the practices set by the California State Law. The only sections of the main building in which smoking will be permitted are the corridors upstairs on the east and west side. Students are requested to make use of the receptacles."

IF YOU ARE one of those devotees of the slippery sticks, to wit, a skier, tryouts for the ski team will take place at Mount Rose this weekend. Where's Mount Rose? Oh Yes, that's in Nevada around Reno way ... see your nearest service station for roadmap service.

YIPE, OUCH, no thanks!—even if we weren't working on New Year's day \$3.60 a crack would be too big a chunk for us to get our teeth around. That's what the bite for tickets to the Raisin Bowl will be, with or without PSA Cards.

ANOTHER RUMOR says that with Louis Armstrong in the Bay Area now, we just might have another Jazz Concert, if the students would pay 50c admission and if there is enough demand for it.

PERHAPS SOMEONE can explain to us why the Library is so slow in notifying students of the fact that they have overdue books out and "would they please remit" ... people have been complaining to us that there is a lapse of four to six days from the date the books are due till the notification of such fact is postmarked to the student ... seems to us that if the purpose of fines is to encourage the re-

C. O. P. Key Station On IBS Network

Plans for Network operation between Western Colleges having IBS stations was discussed at a recent IBS conference at the Stockton Hotel. Bob Holmes was named as Western Network Regional Representative.

Arrangements are being made for network operation between IBS stations at Stanford, S. Mary's, University of San Francisco, and Humboldt. College the Pacific will be key station in the network. According to E. McClarty, KAEQ station manager, the IBS network now has reporters in Paris, Rome, London and Vienna who will short-wave news features for the Pacific station.

The conference was headed by David Linton, program director for IBS. In conjunction with the COP Radio Workshop, he is instigating an immediate trading of programs through transcriptions on the Western Network. A weekly news-letter will be published for all the IBS stations on the Western Network. Intercollegiate Debates between radio stations is being instigated.

Stations participating in the radio debates include those at Yale, Harvard, Columbia and Stanford.

Honors were conferred on both Pacific Radio Workshop and Bob Holmes when Pacific was selected as Regional Headquarters of the Western Network. Holmes was elected as Western Network Regional Representative of IBS.

He went to see his little sweetie. She pulled down the shade. They sat upon the piano bench. And played, and played, and played.

An epic of the depression, a phantasy of melancholia, Williams' play depicts the life of four characters in a futile battle against poverty.

The production will be presented four times, tonight, tomorrow night and Thursday, December 11 and Friday, December 12.

Tickets are on sale at the Little Theatre Box Office. Orchestra, \$1.50; Dress Circle, \$1.50 and the Balcony 75c.

YMCA-YWCA Regional Asilomar Conf. Slated for Five-Days, Dec. 27-Jan. 2

With 25 students already registered for the Christmas time conference, the YMCA-YWCA regional Asilomar will probably be attended by a record crowd of COP-SJC students. Held at the assembly grounds directly on the shore of the picturesque Monterey peninsula, ASILOMAR will cover the five day period between December 27 and January 2.

An opportunity to examine such concerns as international relations, economic justice, racial discrimination, civil rights, and genuine Christian community, the conference is open to all college students in California, Arizona, Nevada and Hawaii.

"A necessary and vital part of every college student's life" say many faculty members of COP of the Asilomar gathering.

Among leadership this year will be COP's Malcolm Moule, Associate Professor of Political Science who will be responsible for the seminar on the United Nations; Walter Muelder, Dean of the Boston School of Theology; Martin Hall, world traveler, educator, journalist, and popular lecturer; and Leila Anderson, Executive Elect of the National Student YWCA.

A counseling bureau, through which opportunities will be made available for vocational and personality tests, will operate at the conference, as well as a recreation program including badminton, tennis, swimming, hikes and scenic trips, and shuffle board.

Application for attendance may now be made through the SCA office. The registration fee of \$9 is due by December 10. Total cost will be \$30. Limited loan funds are available.

The Low Down On Wichita

Where is Wichita University? Why, in Wichita, Kansas. Who is its football coach? Why Ralph Graham. Who is it? Why, it's the football team that the committee, growing a little desperate after SFU and Utah had refused their kind invitation, ask down to play College of the Pacific in the Fresno Raisin Bowl on New Years day.

The Shockers, as they are quaintly called, have rolled over such formidable opposition as Warrnesburg, Bradley Tech, Drake, Abilene Christian, Flagstaff, St. Louis, and Colorado College.

They were edged out by the poyerhouse of Utah State, Tulsa, and Miami of Ohio. They finished roaring second in the strong Missouri Valley Conference.

The Shochers verses the Bengals on January first (at three-sixty a throw) in the Fresno Raisin Bowl!

turning of books so that they may be available for use then this delay in notifying students is defeating the purpose of returning the books for use and is also placing somewhat of a financial pinch on students who in many cases are on very limited income.

IT PROBABLY wouldn't be possible for the library to check their book lists the first thing the morning after the books are due and see that notices were in the mail by noon of that day? ? mayhap some students could be employed for special work along this line if the staff is too busy? ?? or if it is merely a question of revenue then perhaps a rental fee could be charged by the hour, day, or week for all books taken out!

33-0 ROUT—

CUBS WIN FINAL GO

JAYCEES MURDER HAPLESS PLACER

By NORMAN RITTER

The Stockton Junior College Cubs rang out a very successful season on a happy note here Saturday evening, November 22, by scoring a lop-sided 33-0 victory over hapless Placer JC.

For the locals it was their second straight rousing win, and they thus gained lone possession of second place in the final standings of the Northern California Junior College Conference's "A" Division. It was also sweet revenge for Coaches Stagnaro and Mason as well as several veterans of last year's Juco squad. For the Auburn eleven was the only team to defeat the mighty Cubs of '46.

CAME CLOSE

Strangely enough, it was the visitors who made the first serious threat of scoring in the opening minutes of the contest. Taking the opening kick-off, Placer marched to the Stockton 20, before the local's defense could stiffen sufficiently. Despite all this, only a missed pass by Placer's left end, Leo Quinn in the Stockton end zone prevented a touchdown.

From this point the Cubs drove relentlessly for their first tally, culminating in the 80-yard drive with a Heath-to-Barbaccia touchdown pass. Minutes later Russ Overacker marked up the Jaycees second TD on a beautifully executed slant off his own right tackle.

BEAUTIFUL CATCH

The rout gained in proportion when Smith made a finger-tip catch of another Jack Heath pass, thus running the half time score to 21-0 as Stockdale made good on the third straight conversion.

With Coach Stagnaro constantly juggling the line-up in the second half the Cubs still managed to push across two more scores—one by Kramer and another on a dazzling piece of open-field running by Ed Barakatt. Eddie's 63-yard jaunt included two complete reversals of field and was rightfully claimed the most brilliant offensive play of the evening.

Placer made a final and determined march toward pay dirt in the waning moments of the last period. The plunges of William Clark, Placer fullback who bore the brunt of the single-wing attack, carried the visitors to within 2 yards of the goal. Here the Cub forward wall again showed its vaunted strength by stopping Placer cold.

Cubs Host 'Y' In JC Cage Opener

By NORMAN RITTER

Coach Van Sweet's Stockton Junior College Cubs play their second basketball game in three days when they meet the Berkeley YMCA tomorrow night in the Pacific Gymnasium.

The Berkeley "Y" cagers are coached by Bob Bell, a former COP student. Bell played on last year's football squad under Amos Alonzo Stagg. They have already met two formidable opponents—Modesto JC, and San Francisco State College, losing both contests.

Sweet has expressed consistent optimism over his squad's showing during the final week of warm-up work. He gave special praise to the offensive improvement of Leighton, Pierce, and Bob Thomas, a newcomer to the team. He also noted superior defensive work by Monnich and Filbin.

Since the Cubs are not meeting a junior college team, Coach Sweet will be able to use Howard Pierce, Don Kent, and Wes Miller, three reserves who are ineligible for conference competition until next semester.

Mike Monnich, Jack Pierce, "Bones" Filbin, John McCandless, and Bob Thomas compose the tentative starting line-up.

Wichita vs. COP In Raisin Bowl

After much debating the Shockers from Wichita, Kansas were chosen as the rival for the Tigers in the Raisin Bowl on Jan. 1.

The University of Utah was originally chosen by the board at Fresno, but refused to play because of lack of opposition. Now that seems to be a strange statement.

The naming of Wichita was a disappointment at first, but a look at their record will show that they should give us a rough go. In the first place, the first four men in total offense in the Mo. Valley Conference are the four men in the Shocker backfield. Secondly, the team is second in the nation in total offense.

They lost only one conference game and that one to Tulsa 7-0. However, it is hard to know just what kind of competition they were up against just by looking at the statistics. One think is known for certain however, and that is that Utah State defeated them. We meet Utah State on the 13th of this month in the Lodi Grape Bowl. A good indication of strength can be derived from that game. Let's not get over-confident.

Roy Kirstine is shown making a sizeable gain on the end-around play that the Tigers have used in the last few games. Roy picked up twenty yards against Fresno on the above play.

BENGALS BULLDOZE BULLDOGS

By NORMAN RITTER

The College of Pacific Tigers captured all the glory that belongs to the winner of a time-honored football classic, when they overwhelmed the Fresno Bulldogs 47-22 on the Baxter turf in their traditional grid battle November 21.

LEBARON TO HECK

Though the spotlight of stardom again fell upon that passing combo of LeBaron-to-Heck, which tallied four touchdowns, every one of the fighting Bengals played a champion's role in bringing the CCAA Conference title home. Franceschini and Cathcart stood out brightly in the forward wall, while little Bruce Orvis was again the workhorse of a strong running attack.

The Bulldogs proved to be a worthy foe by thwarting three drives by the Tigers during the first period. But with Orvis slanting off his own left tackle with only 40 seconds gone in the second quarter, the Bengals gained a lead they never relinquished. Wayne Hardin's conversion attempt went wide.

HECK AGAIN

Touchdown number two came after Heck had returned Pereira's punt to the COP 38 and LeBaron spotted him perfectly with a pass over center. Heck gathered it in on the Bulldog 40 and went the remaining distance untouched.

The Tigers gained their third

scoring chance when—with four minutes remaining in the half—Fresno gambled and lost on a fourth down pass from her 28-yard line. On the first ensuing scrimmage play, LeBaron passed to big John Rohde in the end zone. After missing the first two attempts, Hardin then kicked the first of five straight conversions.

The locals began the second half much as left off, when they drove 77 yards in 11 plays for their fourth marker. A LeBaron-to-Heck aerial was good for 35 yards and set up Orvis's touchdown jaunt around left end.

GUARD SCORES

Only three minutes and ten seconds later the Tigers scored again after Gambetta's interception of Carter's pass had given them the ball on the Fresno seven-yard line. Again Bob Heck was on the receiving end of LeBaron's touchdown toss.

The Bengals wound up their scoring with two more Heck touchdowns resulting from "Excellent Eddie's" passes. The last of these was surely good for 83 yards, and the pass actually travelled 60 yards in the air.

Fresno finally showed some offensive strength in the final minutes of play when they scored three quick touchdowns and a safety against the Tiger reserves. The publicized passing of Fresno quarterback, Montgomery, paid off at last, but too late.

Tigers Whip Senators 46-43

Quintet Meets Cal In Bear Gym Sat.

The Tiger quintet got off with a roar last Tuesday night when they defeated the highly favored Sacramento Senators in one of the most thrilling games seen in years.

The capacity crowd was virtually on its feet throughout the entire game as the score saw-sawed from team to team. The Senators, fresh from a 53 to 48 victory over California, were never more than six points ahead and were forced all the way by the faster and shorter Bengals. Still it seemed that it would be only a matter of time for every one knew that we should not have been in the same room with the semi-pro cagers from the Capitol city—that is everyone knew except Kjeldsen's supposedly out-classed five.

FINAL MINUTES FURIOUS

The last three minutes decided the game. The score stood 43 to 42 with the Senators leading. Bud Proulx sank a free throw, tying the game. The Senators took the ball out and proceeded down the court—and then Proulx came again. He intercepted a Senator pass and roared down under the basket tallying the crucial two points with only a minute and a half remaining. The Tigers then froze the ball. Ortez was fouled and sank the charity toss to end the scoring 46 to 43. The gun went off seconds later.

KJELDSSEN PLEASED

Coach Chris Kjeldsen was very pleased with the showing his boys made and had a great deal of praise for all of the six men who were in action. The very few substitutions used in the game speaks well for the conditioning of the squad, the Tiger mentor stated. He was especially pleased with the excellence of ball handling and aggressive play that was shown, and stated that in view of the fact that it was the first game of the season that both departments far overreached his expectations.

SENATORS BEAT CAL

The Senators were no mean opposition having returned from a victory over Cal. and Nevada U., and possessing approximately a three inch advantage in height over the Bengals. Sacramento is in the American Basketball League which boasts of teams such as Bittners, Phillips Oilers, and 20th Century Fox. The victory at this stage of the season has no little prestige value and could indicate a very successful season.

TONIGHT AND SATURDAY

The Bengals will be seen in action again tonight when they meet the alumni in a practice go. Saturday night the quintet will meet the University of California at the Bear gym which will feature Andy Wolf and most of the other mainstays of last year's team.

The Cal. game will be a thriller from the opening gun and could go either way. Although

KAEO-9:00

At the Monday night meeting of Ex Committee, Jean Grosbach, local W.S.S.F. President, announced that the decisions of the houses on campus was to set the corsage price minimum at \$1 for the coming Winter Formal. The buyer will be presented with a receipt showing that he has contributed to the W.S.S.F.

Student affairs investigation, regarding the cost of music in the dining hall, revealed the cost of \$505. The cost includes the use of speakers and amplifiers. Suggestions for raising the sum were discussed in the meeting, however, nothing definite has been decided.

Pledge letters of \$4 are being sent to the various organizations on campus to help pay for the cost of the new bulletin board to be erected in front of the Cub House.

Manuel Furtado and Mary Spanos appeared before the committee and reported the results of the Western Congress of Col-

leges. Russian and American relations were discussed, they said, and that soon there are to be more discussion groups.

Bob Wilson reported that a meeting of the Publications Committee has shown much better results with regard to the Pacific Weekly.

Ralph Guild announced that tickets for the Lodi game are \$1.25 and should be purchased before tomorrow. He suggested that another Jazz Band Concert might be appreciated by the students, and submitted the name of Louis Armstrong.

Dean Betz spoke to the group on the 6-4-4 plan. He asks that any student with questions about the plan turn them in to him for consideration.

LEW'S VIEWS

Well it's all over but the shouting and the bowl games. We roared through a season marred by only one defeat—but we don't talk about that one—and can look forward to two post-season games. It took a long time to gain recognition from the large news-paper syndicates, but lately there seems to be a few writers that will admit that COP does not mean policeman, and that some of the boys on our squad can handle themselves in any league.

When the all-Coast selections came out they verified the above statement. Eddie LeBaron was mentioned on every all-Coast team. He was first string all-Coast QB on the United Press all school selection. Eddie made second string all-Coast on the INS picks. The Associated Press gave him honorable mention and last but far from being least, Eddie was chosen as the outstanding back in Northern California by the Football Writers of this region. That's right, not the outstanding quarterback, but the outstanding back. That means that he was chosen over men like Forrest Hall of U.S.F., Jackie Jensen of Cal., Herm Wedemeyer, Joe Scott, Johnny Graves, and George Quist. That's quite an honor for a sophomore. We were very pleased and a little surprised, not because Eddie doesn't deserve the rating, but because we were afraid that he wouldn't be noticed. Incidentally, the first time that the Chronicle mentioned Eddie's amazing abilities they referred to him as the "outstanding quarterback in the Bay Area". Gad what a great big bay you have Grandma!

LeBaron was not the only Tiger given honors. Francischini, Rhode and Orvis were chosen in addition to LeBaron on the UP little all-Coast selections. That includes all schools not in the PCI conference. Bob Heck was given honorable mention on the same team and probably would have been chosen on the first squad had he started earlier in the season with the kind of ball he played against Santa Clara, San Jose and Fresno. Keep your eye on him next year.

All in all it has been a great season and the credit is due to the coaching staff who took a down-in-the-mouth squad and molded a championship team out of them. The spirit on the field and in practice would be the envy of any coach in America. The boys worked and loved it. That is not very easy to do. Just take a look at USF, all the material in the world and no will to win. Siemerling deserves more credit than he could ever get—we doff our chapeau. And remember that it is a Sophomore team with two more years together. One never knows, but in two years we could easily be one of the top teams in the nation. Think I'll hang around and see.

FINAL J C SATISTICS

By NORMAN RITTER

Though he failed to tally in the final two contests, George Burget became the official scoring leader of the Stockton Junior College Cubs with a total of 30 points from five touchdowns.

Four Juco gridders tied for the runner-up spot—Gaedtke, Moser, Barakatt and Barbaccia. They each are credited with two touchdowns. Stockdale's accumulated 10 points, all gained by the conversion route, was the third highest total. Others figuring in local scoring for the season are Stevens, Ayres, Smith, Overacker and Kramer—each of whom has six points.

Final tabulations show that Coach Gene Stagnaro's squad

amassed a total offense of 1763 yards while holding its opponents to 1199 yards. The Cubs rushed for 1185 yards and passed for 578 yards. The combined opposition found the Cub pass defense vulnerable for 624 yards and was able to succeed on the ground for 576 yards.

The Cubs out first-downed their challengers 75 to 57. They presented an enviable record of four won, two lost, and one tied in league play. A victory over independent St. Marys J. V. brings the over-all season record to 5-2-1. Stockton outscored her combined foes nearly two to one, 118-69.

Though Coach Stagnaro followed the principle of choosing a new captain for each game, the honorary title was bestowed upon right tackle, Phil Tippet, by a majority vote of the squad.

A bay area critic has a perchance for cleaning out his office drawer and discovering interesting morsels of past drama and radio events. While I've neither the desk or the remembrances of past radio and drama events, I'm taking from my imaginary desk a potpourri of entertainment items.

For fine listening on the campus station, KAEO, you might listen to "Chapel Chimes" at 7:45 p. m. Sunday evenings. "Chimes" is produced by Mary Spanos and the script is very well read by Byron Meyer. One of the program's outstanding features is the "Pacific Four" quartet which is composed of singers Clarence Dudley, Jon Pearce, Chuck Monroe, and Milton Dick. These boys have really fine voices and combine excellently as a quartet.

Bob Holmes produces "Views on the News," an excellent Public Service program using a similar format to that of the University of Chicago Round-Table. The "experts" are Drs. Jacoby, Hunt, Nietman, and Jantzen. Each week they read reports as they come off the news wire and then analyze and interpret the news on the spot. Informative and timely, the professors make "Views on the News" a witty and intelligent approach to the news at it happens.

"Us Again" isn't at all on a par with "Views on the News". Produced by Jerry Mullins and written by Gene McCabe and Mullins, this show features Johnnie Graves and Patty Lou Peters. Johnnie and Patty Lou strive valiantly to overcome a format that is too cute and wears thin over a period of fifteen minutes. The show, however, has good possibilities and has been improving.

Not many people know it, but the PSA really did a good turn the other day. Seems that some of Pacific's talent took itself up to Oak Knoll hospital and gave a variety show before the veterans. Entertaining the disabled veterans were Ralph Guild, Johnnie Graves, The Midnighters, Leighton Edleman and his Dixieland Jazz Band, Patty Jane Peel, and Art and Bob Corra. Personally, I think it was a really fine idea!

Ed McClarty, station manager for KAEO, the campus station, would like to know whether campus students would like to hear out-of-town Pacific basketball games broadcast on the campus station. If so, let McClarty know at the Campus station.

Gold Cup Award For Packages Sent Overseas

A gold loving cup to be awarded during the next semester to the outstanding group sending overseas packages has just been promised by the PSA. Presentation will come at an event to be announced later.

Word has also been released that postage on all overseas packages mailed from the COP campus will be paid by a special fund put at the disposal of the student body by Barthol Pearce of the Foods Processing Office.

All receipts of packages mailed submitted by groups to Walt Pinska at Omega Phi will therefore not only be accredited on the thermometer indicator outside of the Cub House, but will have a refund of postage expenditures from this central fund.

With Christmas approaching, it is more than ever essential that clothing and food packages continue to be shipped. It is possible to weigh them in at the Book Store, 22 pounds limit for all countries except France and Italy which place it at 14, and after filling out customs declarations and postal tags, to place them by the mail box where they will be picked up for downtown mailing.

Chairmen of relief activities within campus groups may obtain further information from Pinska, or the bulletin attached to the Cub House display. Boxes and tags are obtainable in unlimited quantities at the SCA.

The first thing needed to make a dream come true is to wake up.

SEAT CUSHIONS FOR \$3.60

Announced this week was the opponent of the College of the Pacific Tigers for the contest in the Raisin Bowl New Year's Day. The Tigers will meet the University of Wichita "Shockers".

This announcement comes as somewhat of a shock to most Pacificites who have been led to believe that we would play the University of Utah, Champions of the Big Seven Conference. According to the Fresno Junior Chamber of Commerce officials connected with the bowl enterprise the University of Utah turned down the invitation.

Biggest squawk as far as the supporters of the Tiger Team are concerned is the fact that tickets for the game will cost them \$3.60 per copy with no reduction for PSA Cards. The Raisin Bowl is admittedly one of the minor bowl games, and strictly a commercial enterprise. It seems that the price of \$3.60 is pretty steep when one considers that the tickets for the biggest bowl game, that of the Rose Bowl in Pasadena, go for about \$5.50.

Also, students of the winning team on the Pacific Coast are granted reductions in rates to tickets for the game.

It seems fair to assume that with the seat price so high for the average student there will not be a very large representation of student rooters present for the game.

We think that the Pacific Tigers and the Pacific Rooters deserve a better deal than they are getting.

KAEO INVITES STUDENT CRITICISM

Prizes of Sheaffer Fine-Line Pencils and COP Stationery are being given by Station KAEO during their current three week contest.

Contestants are asked to submit to the college station a list of three suggestions for the improvement of programming. Ideas for improved sport, music, news, and variety shows and for the improvement of the general operation of KAEO will be judged. The three best lists of each week will entitle the contestants to receive prizes of either Sheaffer Fine-Line Pencils or COP Stationery. The stationery is being given to the studio by the College Book Store.

Details of the contest have been announced for the past week over the PA system. Special five minute programs between classes were aired from KAEO.

The contest is part of a campaign by the KAEO staff to publicize the campus station. Heading the group of publicizers are Daren McGavern, Ed McClarty, Johnnie Graves, and Patty Lou Peters.

6-4-4 PROPOSAL UP FOR YOUR CRITICISM

(Third in a series of articles on 6-4-4)

Proposals for reorganization of the student body under the 6-4-4 plan fall into three groups: (1) Separation of the College of the Pacific student body from the Junior College; (2) Division within the Junior College; and (3) Federation of the three levels in the two colleges.

SEPARATION

Plan one suggests complete separation of the two student groups and the organization of two Associated Student Bodies. This would result in a division in all student body activities: athletics, dramatics, publications, forensics, Student Christian Association, music, social events and honorary organizations.

OPPOSE SPLIT

Opponents of the split, point to the years of successful administration of the present joint student body. It is argued that splitting into two student bodies would weaken both. Many students enroll in the junior college because of its relationships to College of the Pacific and they would not approve of an organization which divorced them completely from the College of the Pacific.

KEEP PRESENT PSA

Two plans involving a split within the junior college have been suggested; one would organize three student bodies at the three levels—11 and 12, 13 and 14, and C. O. P. The other plan calls for a continuation of the present P.S.A. and the organization of a new government for the 11th and 12th grades. The first of these two suggestions probably should be dismissed as having all of the weaknesses of a split student body multiplied by the establishment of another unit.

The other suggestion would allow for the continuation of the present organization intact. It would result in the 11th and 12th grades becoming a separate unit as far as social and activity interests are concerned. This would result in an extension of Stockton High School to the new campus. There would be a split within the Junior College with a definite line drawn between the 11th and 12th grades on the 13th and 14th.

The third proposal is for a Federated Student Body of the three levels, 11 and 12, 13 and 14, and C.O.P. This would set up one government with two or three units having autonomy in certain areas.

Students wishing to express opinions are asked to drop comments into the box in front of Room 109, Administration Building.
