## Gov't. Not Accepted; Only Recommended

The story in last week's Weekly was misleading concerning the college acceptance of a federated type of student government. The following paragraph is published as a correction:

The Student Affairs Sub-Committee which is looking into the matter of student government for the future sent to X-Com the recommendation that a federated type of government be adopted.

Before any definite action can be taken with regard to acceptance of a government, the X-Committee and the students must vote.

## BRONZE PLAQUE PRESENTED BY VETS CLUB

The 1946 College of the Pacific Veterans' Club was host to local and out-of-state visitors last Thursday, December 11th, when the veterans presented a bronze plaque to the college in memory of the war dead.

Veteran Curt Camel made the presentation to Dr. Robert A. Burns. Daren McGavren, PSA prexy, presided. Following the presentation, the Junior College Choir sang.

The plaque will be placed in Morris Chapel.

## Fresno Presents Optimistic View On Third Annual Raisin Bowl

Editor, Pacific Weekly  
College of the Pacific  
Stockton, California.

Dear Sir:

In the December 5th issue of the Pacific Weekly, an editorial entitled, "Seat Cushions for \$3.60," and a separate news story labeled, "The Low Down on Wichita," both took great delight in kicking our teeth out. We spit bloody bicuspid and mangled molars for a full two hours, and then, after a careful analysis of the gripes, decided to send this explanation of our optimistic viewpoint on the third annual Raisin Bowl slated for January 1st.

We honestly believe it's going to be a great game. College of the Pacific, champions of the California Collegiate Athletic Association, versus the University of Wichita, runnersup to Tulsa in the Missouri Valley Conference.

We were just as teed off as you were when Utah U. backed out of the Raisin Bowl. Last Spring we met with the Big Seven officials and made a deal for their champion to play ours. The Rocky Mountain press carried big, black headlines: "Rocky Mountain Conference Signs Raisin Bowl Pact." It looked like the real McCoy.

Then bango! Utah U. wins the Big Seven crown but decides not to come. No real reason is given, just "sorry, but not this year, boys." Our "agreement" is

## ORRBITS

**BIGGEST NEWS** to hit the JC Vets between the eyes in recent weeks was the item announced last week to the effect that the cogs are commencing to friction into motion in the big white father's wigwam and estimates—the more conservative—have it that the vets will be reimbursed sometime next year for the 10 semolians they put forth for PSA Cards.

**OF COURSE**, the vets will be shortchanged a small 83c out of their \$10. For a fuller and more adequate explanation of this phenomenon consult the story on page 2.

**FINAL EXAMINATION** schedules are now being posted. We can't get enthusiastic about this announcement but if you are the worrying type this is just to notify you to start worryin', brother, start worryin'!

**JUST FOR THE** heck of it, we conducted a little pre-Christmas poll of a few students to see what they wanted from the good old saint and got the following quotes: "Pete" Devanis, "a Schick electric razor; Byron Meyers, "a new Buick convertible"; "Moose" Ijams, "a little peace and quiet" (we almost misspelled that one; Gerry Sims, "??"; Bert Trulson, "a decent paying-teaching job for next year"; Mary Jane Johnson, "a wedding ring."

**THAT WINDS IT** up in a neat little package for this year folks—Merry Christmas and a Happy New Year (complete with finals)!

## ROOM FOR ARGUMENT

By M. WINDMILLER

"The time has come," the Walrus said,

"To talk of many things:

"Of shoes—and ships—and seal-  
ing wax—

"Of Mardi Gras Queens and  
Kings."

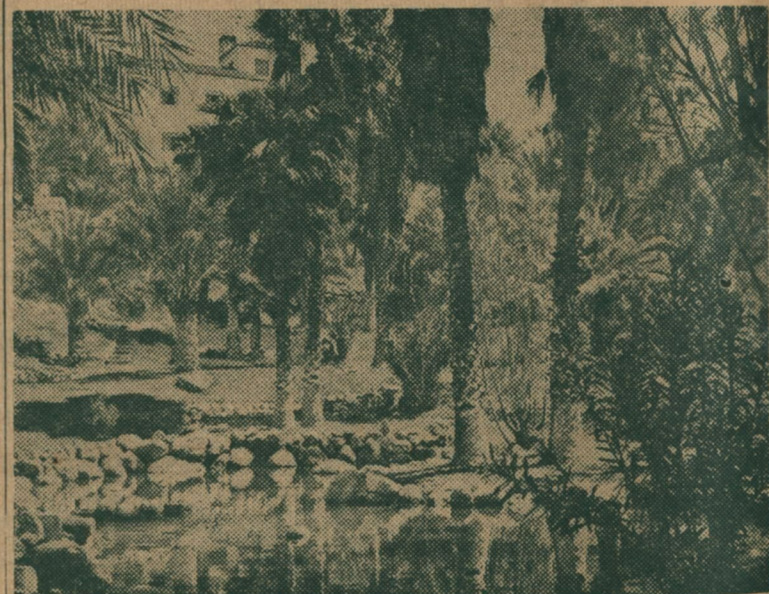

Last week at Ex-comm meeting Squirt Wilson poked a stick at a sleeping dog. He wanted to know the status of the traditional Mardi Gras. Since sales strategy for Spring student body cards must be mapped out soon, the fate of the best-selling-point must be discovered right away.

Student conduct during this semester will be considered when the administration makes its final decision, but our good record alone will not turn the trick. Now we find that what is required by both deans is a definite plan for the control of student conduct. This plan has to be so good that the college administration will feel convinced that a repetition of last year's debacle is impossible.

Since the formation of such a plan is the logical job of the Ex-comm, the fate of the Mardi Gras is in its hands.

Last week three Ex-comm

## VA WILL PAY J. G. FEES, EXCEPT 83c

The Veterans' Administration has recently decided administratively that it will pay the Student Body Fee in Junior Colleges. However, we cannot voucher the Veterans' Administration for the admission tax part of the ticket, which amounts to 83c. This means that the Veterans' Administration will pay \$9.17 of the \$10.00 cost of the Student Body card.

The Pacific Student Association has officially ruled that the veteran who received a card must pay the tax of 83c. Any veterans who have not secured a Student Body card this semester will be required to pay the 83c tax. This card may now be secured in the veterans department in the Junior College principal's office, Administration Building, Room 106.

All veterans who have purchased Student Body cards for this semester and whose names have been certified to us by the

Pacific Student Association will be included on a voucher to the Veterans Administration for the Student Body fee. When this money is received from the Veterans Administration, it will be available for reimbursement to the individual veteran purchaser in accordance with a procedure determined by the Pacific Student Association.

Veterans attending the Stockton Junior College under Public Law No. 346 and No. 16; Navy V-5; and those attending under the State program are eligible for this Student Body card. Veterans attending under the State program will be handled in exactly the same manner.

The arrangement with the Veterans Administration relative to fees, does not include the payment of the infirmity service membership. Veterans cannot be reimbursed therefor for this service through the Veterans Administration.

For further information see Burke W. Bradley, Dean of Administration.

## SPORTSCASTS TOPS

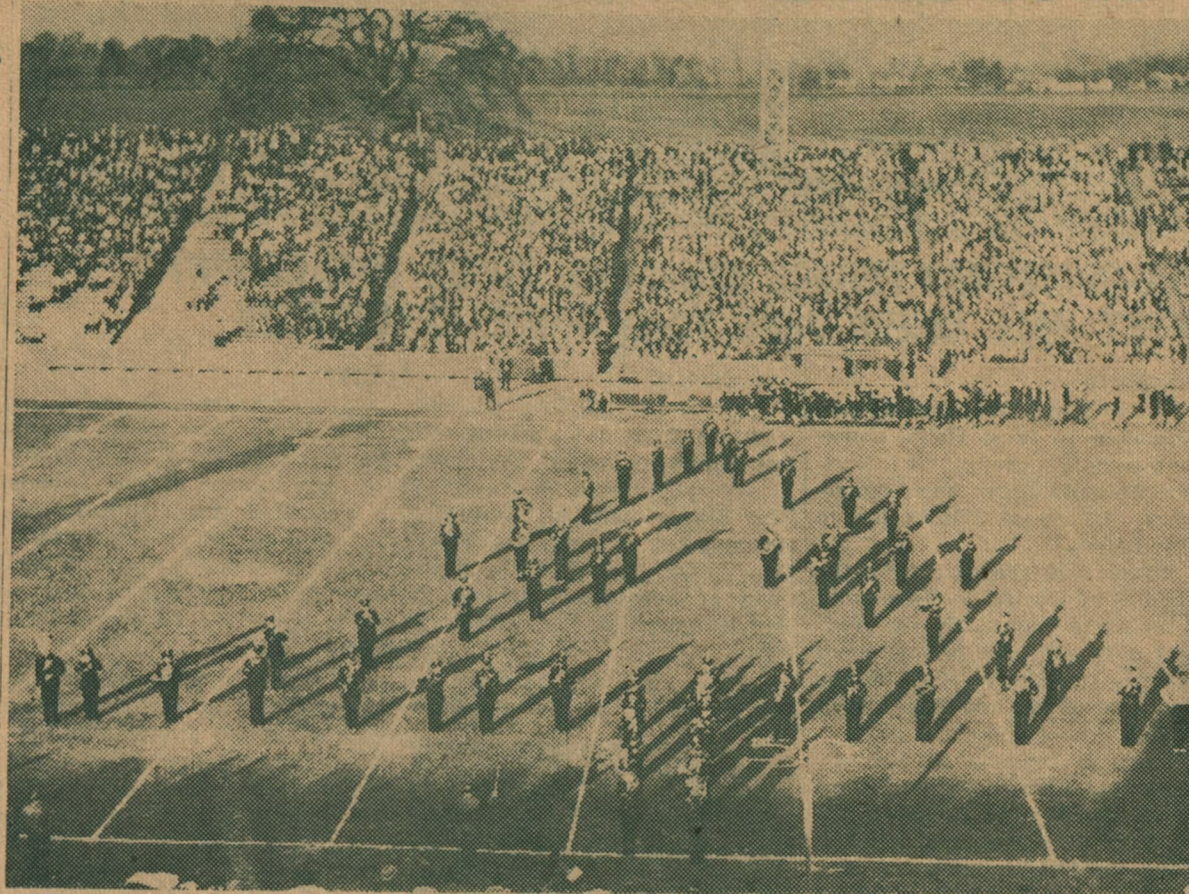

KAEO'S coverage of the basketball game here and out-of-town has proven quite successful. The games are surprisingly well reported with lots of interest and smooth production. Monday night sports listeners heard top student reporting of the basketball game between the Santa Clara Broncos and the Pacific Tigers.

Able handled by Pacific's top student producer, Bob Holmes, the game was, for the most part, broadcast with professional polish. Trading back and forth mikeside were sportscasters Jack Myron and Sandy Price while Johnny Graves engineered the broadcast. Myron sounded especially good which is a departure from his uninteresting routine handling of record shows and staff announcing on the campus station.

Next sportscast beamed KAEO way will be on Saturday, January 5th when Stockton J. C. meets

## PACIFIC PERFORMS IN GRAPE BOWL

Musical parade spectacle by the Pacific Band of more than 50 participants sparked half time entertainment at the Grape Bowl.

## "Messiah" Rated Outstanding; Plays to Capacity Audience

All attendance records for the college auditorium were broken last Sunday afternoon, December 14, when the annual performance of Handel's "Messiah" was given before a capacity house which included hundreds of standees.

Coming into its own in truly stellar fashion, the junior college chorus, under J. Russell Bodley's persuasive batonic urge, proceeded to eclipse all former efforts for choral activity, and in the process attained a degree of proficiency which may well serve as an inspiration for similar organizations in years to come.

## SOLOISTS

Soloists were Miriam Stewart, soprano; Margaret Lee Kemp, contralto; Edward Steiner, tenor, and Larry Mason, baritone. Miss Stewart added to the laurels which she has achieved since coming to the Conservatory last September by singing with great beauty of voice, and with a reverence which was projected to all of the vast audience. Mrs. Kemp sang with a fine feeling for the text and justified her several appearances as oratorio soloist. Steiner, chosen from the senior class of the Conservatory, was a thoroughly satisfactory tenor and Mr. Mason, a former student, reaffirmed the high quality of musicianship developed on the campus.

## CHORUS SUPREME

It was the chorus, however, that stole the show. Such purely mechanical tasks as unanimity of attack and release were absolved with the utmost exactitude, while the tone quality, no matter what the degree of power attempted, was one of rare loveliness. The climax of the afternoon was the "Hallelujah Chorus" and it seemed as if the singers had been "lying in wait" for this grand finale, for they sang with tremendous volume, and their fervor was inspiring. The orchestra acquitted itself well, and too much credit cannot be given those capable young instrumentalists who played throughout the two hours of the oratorio.

## HEY SKIERS!!

Good news. Snow tours from the San Francisco Bay area are available by Southern Pacific and Greyhound.

All-expense trips will begin with a special New Year's trip leaving December 31 and returning to the bay area Sunday night. Weekend trips will leave every Friday night beginning January 9th, with the tariff of \$19.75. This roundtrip, accommodations at Donner Village, snowmobile to Sugar Bowl, and a ski lesson. Rail tours will leave the Bay area on the following Friday nights and return Monday morning: January 9 and 23, and February 6.

## Who's Got the Shovel?

Stockton Junior College scores —takes Sacramento College by storm.

Pacific has the Fresno Bell—now a new tradition is taking shape. SJC swiped a red and gold painted shovel from Sacto last week after the SJC-Sacto rally in the capitol city.

The shovel is one that was used to break the first ground for the stadium in 1928. Rumor has it that the shovel is on campus.

Where is the shovel?

## Vets' Insurance Deadline Dec. 31

December 31 is the deadline for veterans of World War II who have allowed their National Service Life Insurance term policies to lapse to reinstate them without the necessity of a physical exam.

After the deadline date, policies that have lapsed more than three months cannot be reinstated without the veteran proving his insurability by a complete physical exam.

At the present time, and until the end of the year, a veteran may reinstate term insurance in most cases by simply signing a statement to the effect that his health is as good as it was at the time of lapse. Then, by payment of two monthly premiums, his insurance can be reinstated.

## Ellie McGrew Will Marry George Brumm

On February 1, in Morris Chapel, Ellie McGrew and George Brumm will be married, the announcement was made last Thursday evening at Alpha Theta Tau.

Ellie, a senior majoring in physical education, will graduate in June. She is the daughter of

Mr. and Mrs. John C. McGrew of Oakland.

George, the son of Mr. and Mrs. Brumm of Lodi, is a junior in the College of the Pacific, majoring in history, minoring in physical education.

The couple plan to live here until after their graduations.

## Butland-Bronfin Will Wed Today in Chapel

This afternoon at 4 o'clock in Morris Chapel, Jean Butland will exchange marriage vows with Hal Bronfin.

Jean and Hal, both seniors in the College of the Pacific, will graduate in June. They both major in sociology.

The bride elect is the daughter of Mr. and Mrs. George B. Butland of Milton, Mass. Hal is the son of Mr. and Mrs. Samuel Bronfin of St. Louis, Mo.

## PRE-CHRISTMAS TIDINGS ANNOUNCE THREE ENGAGEMENTS; WEST HALL COEDS PASS TRADITIONAL CHOCOLATES

### VALERIE

A five-pound box of candy was presented to West Hall's house-mother on the evening of December 9, announcing the engagement of Valerie Clinkscales to Floyd Boss.

Valerie will graduate from the College of Pacific in June with a major in music. She is president of Mu Phi and is now doing practice teaching. She is the daughter of Mr. and Mrs. J. Kyle Clinkscales of Fresno.

Floyd is the son of Mr. and Mrs. Fred Boss of Fresno. Floyd has a ranch near Fresno.

The couple have made wedding plans for this summer and plan on making their home in Fresno.

## South Hall's Secrets Were Told Wed.

For a whole week, good cherubs at South Hall have been shining shoes, making beds, leaving candy bars and doing dozens of things that are nice.

But on Wednesday night, South Hall found out. The annual Christmas Party revealed which cherub was which friend.

It seems that the girls had chosen names and secretly were doing good turns for the name that they had chosen. Then, on Wednesday night the cherub was made known by Santa Claus, in the presentation of a toy with the cherub's name on it.

The toys are to go to an orphanage in the vicinity or to a local church organization for distribution.

## Peg Fronefield Weds

Tomorrow in Morris Chapel, Margaret Ann Fronefield will become the bride of Mr. Robert Arthur Clark. Miss Fronefield is iated with the Phalanx Club, the daughter of Mr. and Mrs. Lloyd R. Fronefield.

Following the wedding will be a reception held at Alpha Theta Tau.

### SARAJANE

West Hall's caroling practice was brought to a surprising end last Thursday night, December 11, when Carol Wilson presented Mrs. Magee with a beautifully ribboned box of candy and Betty Dawson announced the engagement of Sarajane Rawlings to Phil Morgan after her dedicatory song.

Sarajane is a business administration major at the Stockton

Junior College and is the daughter of Mrs. W. A. Rawlings of Piedmont, Calif.

Phil, also a business administration major at Stockton Junior College, is from Sonora. He is a member of Omega Phi Alpha.

The couple have made indefinite wedding plans.

## International Club Plans Conference

A proposal that the next California-Nevada Regional Conference of International Slub Students be held on Pacific's campus is under consideration by the local chapter of the International Club.

The idea was suggested at a recent regional conference where ten colleges participated. At this conference, Eva Jeung, representative from College of the Pacific was elected secretary for future regional conferences.

### CHRISTMAS SPIRIT

A pictorially beautiful presentation of "The Christmas Chorologue" was presented by Tony Reid's 8:55 Class in Acting at yesterday's assembly. With music by Alan Bacon at the organ and the voice of Donna Perrot, the effective religious pageant was narrated by Robert Thomas. Outstanding lighting effects were created by Bill Strom and James Jewell.

### FOREIGN FILMS

The Rally Committee's plan to present outstanding films of the past at regular showings is a fine idea. Instigated by Ralph Guild and Johnny Graves, they plan to bring back top notch movies that are requested by the students.

This columnist hopes that the committee will find it possible to bring to the college some of the outstanding foreign films which never reach Stockton. I think the committee would find that a large percentage of the students would like to see such creative foreign pictures as "Shoe-Shine," "Torment," "Brief Encounter," and "Golden Silence." If you would like to see some of these films, send along the word personally or in a note to Graves or Guild.

### DRAMA IN ART

Wandering around the art department, you may have noticed the superlative monotypes done by Frank Valentine and Ramona Cox. These two talented art students along with Leslie Baxter and Gary Gray indicate in their work a dramatic sense which is indirectly related to the theatre.

## Entrain to South Tiger Quintet

### UCLA - Pepperdine Are Foes this Week

While the C.O.P. students break camp and scatter to their respective homes for the holidays, the Tiger quintet will close out the year in Los Angeles this week-end. Two games are on tap for the year's finale. Tonight Pepperdine plays host to Col-Pac, while the U.C.L.A. Bruins will do the honors tomorrow night.

Although being a small school, Pepperdine always manages to floor a quintet that will stand up to the best teams on the coast, the Pacific Coast Conference schools included.

A victory by Pepperdine over Pacific tonight might strengthen the former's bid for a birth in the C.C.A.A.

#### BRUINS STRONG

The Bruins are well known up and down the coast for their athletic department. Last year the teddy bears won the Southern Division casaba crown, and although they lost Don Barksdale, their big center, the UCLAns have a very good chance to retain last year's crown. Dave Minor is back to lead the Bruins this year.

So far this season the Bruins have dropped Loyola twice, and have split with the Santa Clara Broncos.

Last Monday in San Jose helped to prove what was shown in Berkeley a few weeks ago. When the Tigers come up against any height, the going gets plenty rough. C.O.P. has to be hot on their first shots, because rebounding is almost impossible when the opposition is as much as eight inches taller than our guards.

This is the first weekend away from home for the Tiger quintet, and we all hope the tour is a successful one.

Remember, the Oakland Bitters and the Tigers play at the Stockton Civic Auditorium on January 3. If any of you students get back to the campus early, be sure and see the game. It will be one of the best games that will be played here this season.

## Cubs Lose Twice At Modesto Gym

Confronted with one of the fastest-breaking and sharpest-shooting junior college quintets in the valley, the Stockton Junior College Cubs humbly bowed to a red-hot Visalia JC five 89-45 on the Modesto JC gym last Saturday evening.

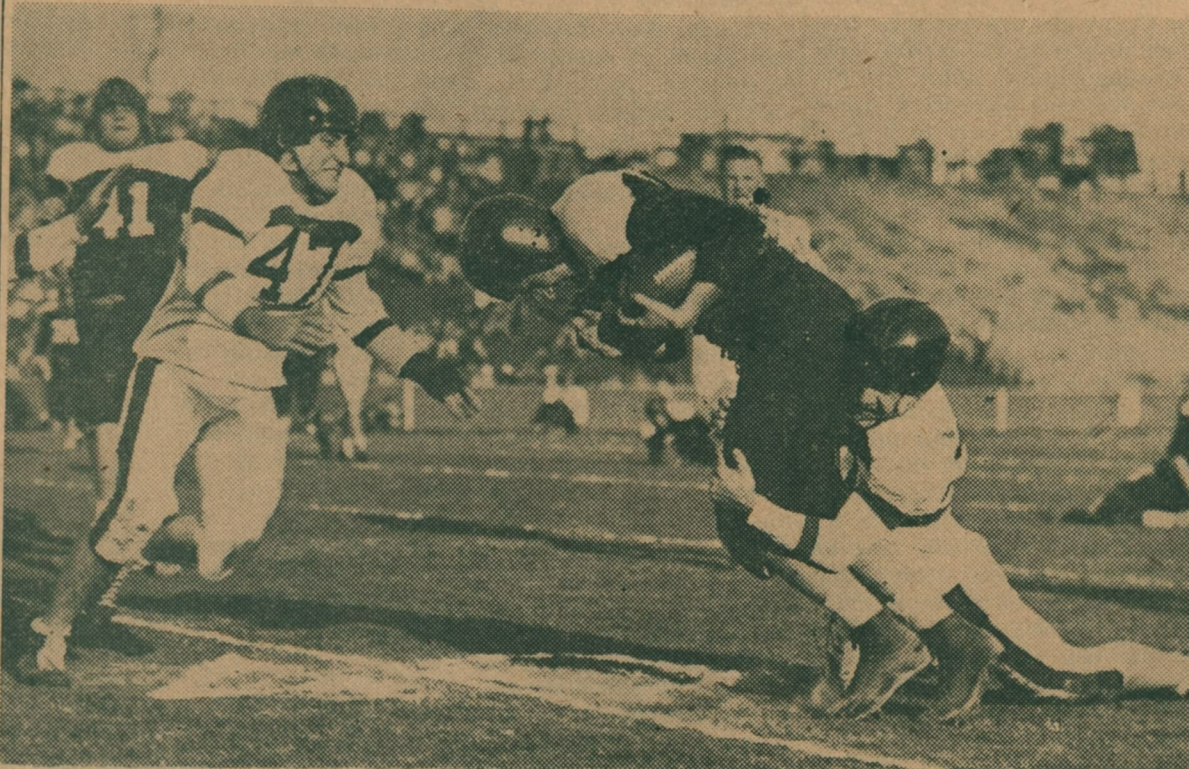

Beset by injuries to the two lankiest starters, Barney Filbin and John McCandless, the Jucos lost all semblance of backboard control for one long, dismal evening. The Visalians simply couldn't be denied the ball, as they made merry on a series of interceptions and ball-stealing tactics.

Visalia jumped to an early lead on three successive field goals by Bob Saunders and showed a 40-22 advantage at half-time. When the teams returned to the court the expected comeback drive was not to be found in the Stockton attack. Instead, the visitors retaliated with the dreaded fast break,

(Continued on Page 6)

# SPORTS

## GO GET HIM STAN!

Don Brown holds onto a luckless Utag back while Stan Goldman moves in for the kill. Goldman is one of the finest guards in the area for our money and is displaying the type of defensive play that has kept the center of the Tiger line almost impregnable this season.

## TIGERS ROAR ON TO THE RAISIN BOWL

On January 1, the College of the Pacific Tigers who have won nine out of ten starts this season, will be seen in action for the last time this year in the Raisin Bowl in Fresno.

Their opponents are the shockers from Wichita, Kansas, who finished second in Missouri Valley Conference this season, being defeated only by Tulsa in the league race. Wichita is the second largest ground gaining team in the nation this year and has a backfield that consists of the top four ground gainers in the MVC.

#### TIGERS A SHOWTEAM

Those of you who have seen the Bengals in action this year need no reminder that they are perhaps the prettiest team in action on the coast or perhaps in the nation. There is no time at which the Tiger is not formidable—breakaway runs come fast and furiously. The main attraction of course is the "gay deceiver" Eddie LeBaron, Little All-American quarterback as master of the Tiger model "T." Eddie has uncorked 14 touchdown passes this year, one of them for the phenomenal distance of 64 yards in the air.

Wichita has very much the same type of ball club. They are potent at any time and the four speedsters that make up their backfield will be sure to provide the spectators with many a thrill and will force the locals to their utmost.

There is still time to purchase tickets for the show. They are on sale for \$3.60 at the Gym and at Ward Tyler's Sportshop. There will be a special train leaving Stockton for the game. For details on the train see the box on the lower right hand corner of this page.

## FAST BENGAL CASABA QUINTET DOWNS SAN FRANCISCO STATE

Displaying a fast and aggressive style of ball, the Tiger quintet set back the tide from San Francisco State 52-45 last Friday night.

The game came after a defeat for the Tigers at the hands of Cal. and while the same old story was told—not enough height to control the backboards—the locals ignored the failing and dominated the game throughout. The first half was a display of the fast breaking tactics that the Bengals must use this season, used to perfection. Guards Proulx and Levi fed Hank Pfister and Stan McWilliams flawlessly while the latter pair had little trouble getting behind the San Francisco defensive.

#### LEVI DOMINATES

By far the most able man on the court was Al Levi whose hyper-thyroid brand of ball held the Bengals together when the going got rough and allowed him to make phenomenal defensive stops throughout the evening. Levi was the floor general from the tip-off to the gun, his shooting was deadly—he led the individual scoring for both teams with 15 tallies—and his ball handling was a sight to behold. Perhaps the best to watch was the way that Levi time and again took advantage of the man-to-man defensive of the visitors and virtually faked through the entire team to score.

#### LAST HALF SLOWER

The Tide from the big city seemed to have found the key in the last half and proceeded to cut down the 26-14 score that stood at the end of the initial frame. In four minutes the lead

was cut to four points 26-22 and it seemed that the locals were in for trouble. But then McWilliams broke the scoreless minutes for the Bengals with a free throw, Bud Proulx drove through for 2, and the Tiger machine was off again. The game ended 52-45 and the Tide did not threaten during the last quarter.

#### PRELIM NOSTALGIC

The preliminary contest between the Pacific Blacks and Willows Elementary Faculty was a great show for the student body since five alumni were represented on the visiting squad. Ed Cerf, Lou Franz, Nick Aguzin, Jim Nelson, and Coach A. R. Hutchinson were all ex-pacificans and most of them have been seen in the orange and black service of the Casaba squad in recent years.

The game was a close one from the start with the score teetering from team to team and finally resting in favor of Willows at the gun, 36-38. Ed Cerf was high point man with 14 tallies.

## Utags Dunked in Bowl of Grapes

### Local Men Feature Rollicking Victory

Though an interrogatory air may prevail over the coming meetings of the Lodi Chamber of Commerce as to why the expected full-house did not materialize in Saturday's Grape Bowl, there will surely be no tears shed over the performance of any of the town's favorite sons in the recent venture.

Don Brown put on a terrific show for the partisan crowd. He was an exceptional target for LeBaron's "banana" passes as well as a brilliant open-field runner who contributed 2 touchdowns to the Tiger cause. His scoring jaunt, a 55-yard tight rope act along the north sidelines, was a beautiful sight to see. Likewise spectacular was the key block of Stan Goldman on the Utag 35 which set the fleet Lodian free.

A second Grape City star, Corky Ortez, must have also caught the fancy of the home town folk, for it was Ortez and Pete Gambetta who formed one of the most efficient tackle-and-end teams seen this season. Phil's vicious slashing, coupled with the hard charge of Gambetta, jeopardized Aggie passers all afternoon.

To Lodi's George Brumm and Woodbridge's Tom Atkins goes much of the credit for making the Bengal middle nearly impregnable. George and Tom were worthy exponents of the "Come and get me!" type of defensive play, and they proved true Gibraltar when it came to moving them.

The end play of Ridley and Rhode was as nearly perfect as ever as they made the flanks most difficult to turn. On one occasion midway in the second period, Big John boomed through two shoulder-to-shoulder blockers to get at the ball carrier.

The Oakdale pair, Orvis and LeBaron, was highly effective and was loudly acclaimed by S.F. Chronicle's Art Rosebaum. With his favorite receiver, Bob Heck, injured early in the game, Eddie fell back on his defensive prowess and artistic faking for his crowd-pleasing antics. LeBaron made three tackles behind the

## Special Fresno Train

There will be a special Santa Fe train leaving for Fresno at 9:30 New Year's morning to accommodate the Raisin Bowl fans.

The price of the round trip tickets will be \$4.14 and may be purchased at the Pacific Athletic Office or at the Santa Fe depot. Fans are cautioned that there will be no added cars on the regular trains between Fresno and Stockton and that the heavy holiday traffic has necessitated the special train. The train will stop virtually at the gate of the Stadium and will leave immediately after the game.

Game tickets on the fifty-yard line are still obtainable and may be purchased at the College Pharmacy on Pacific Avenue or at the Gym or at Ward Tyler's Sport Shop.

Utah line by coming up from the right halfback position. He also batted down two potential touchdown passes, much to the chagrin of All-Rocky Mountain end Roy Hughes for whom they were intended. Ed pulled another sure touchdown toss from the arms of Ed Heath on the COP goal line.

With the most admirable record in Bengal gridiron history already behind Larry Siemering's stalwarts, Fresno's third annual Raisin Bowl remains as the only obstacle. With the price of seats unaltered by the presentation of student body cards and the opponents the likes of the Wichita Shockers, many formerly-loyal Pacificites have made it known that they will hear the game by the fireside.

Utah State stands as the only common foe for both schools—COP winning from the Utags 35-21 while the Shockers dropped one to them 21-6.

Conceding that Wichita has a chance even on paper, the psychological element then pops up. One need only recall the recent Big Game, the TCU-SMU tie, the Michigan-Minnesota scare, and Columbia's upset of Army to appreciate the power that dogged determination has over the most heavily-favored of teams.

## LEW'S VIEWS

There remains only one game for the Tigers best team in history—the (historic) Raisin Bowl in Fresno January 1. The game should be a great one to watch as all the games this year have been. However, since the choice of Eddie LeBaron on the little All-American team I find that I am a little sorry that we are in the CCAA and are forced by contract to play in the Raisin Bowl—seating capacity under 20,000—when the mere presence of a boy like Eddie could help to raise a crowd of twice that number. The American crowd is a funny thing—they won't walk two blocks to see a team, but the same team can have an All-American chosen from its ranks and they will fly half way across the country for a look-see.

The fact remains that next year, in view of the terrific record that the boys have rung up (see page six), the eyes of the American football fan will be focused on the Tigers of COP. The SF papers will undoubtedly rave on about the "wonder team" that we have and will probably make a pet of Eddie LeBaron (the best in the bay area) much in the same way as they did with Wedemeyer. The result of all this publicity will be that more and more people will want to see the Bengals play and more and more large schools will be willing to lose face at the hands of the diminutive COP.

### TUMBLERS SHINE

The gymnastic team trained by Bill Anttila that has put on two exhibitions this year is fast becoming one of the most popular entertainments on the campus. The show that Malen Stroh, Bob McMahon, Ed Simpson, Bill Kirstine and clowns Bob Hollenbeck and Corky Haun, put on at the SF State Basketball was great to watch. The main weakness of watching a basketball game is the

and the score mounted to dizzy heights.

The Cub defense failed to tighten, and this—coupled with announcer Fred Earle's comment that the Modesto gym record for scholastic competition was 89 points—gave an added incentive to the Visalia ball-hawks.

### CUBS TROUNCED BY SALINAS

Though they displayed their best brand of basketball in an outstanding second-half comeback, Van Sweet's Stockton Junior College Cubs dropped a 41-37 decision to the Salinas Panthers in the Modesto JC gym last Friday evening.

The Stockton casababes were completely outclassed during the first period by the tall, fast-passing Salinas quintet, and left the court trailing by a 26-13 count. As in previous games, the Cubs' passing was far below par, and the inner defense was quite vulnerable.

However, the Jucos rallied with the starting whistle which opened the second half and were never again counted out of the game. Jack Pierce regained much of his usual steadiness as a floorman while Bob Thomas began to hit the hoop consistently.

Ron Simpson's after-the-whistle free throw equaled the record.

Surprisingly enough, the outstanding performer of the night was a Stockton cager, Bob Thomas, whose 22 points composed nearly half of the Cubs' total.

long wait between halves. The tumblers fix this weakness. We hope to see more of them in the future.

## More on New Year's Bowl

(Continued from Page 2)

broken, just like that, and they wish us luck in getting another team. Okay, we're equal to the occasion.

Wichita U. agrees to come all the way from Kansas for \$9,000. Yep, that's it . . . nine G's for the outside team . . . \$6,000 for the CCAA team. A maximum of \$15,000 is as much as we can give to the two teams without losing our shirts. Last year our net profit on the gate was 68 bucks. No, the Raisin Bowl is hardly "a commercial enterprise." We've got to charge \$3.60 and \$2.40 in order to crack the nut.

But now for Wichita U. We feel the "Shockers" are a worthy opponent for the valiant Tigers. It really adds up when you consider the following:

1. Wichita U. plays in a conference with Oklahoma A&M, Tulsa U., and Drake University.

2. The coach of Wichita, Ralph Graham, wants to know who College of the Pacific plays before he'll accept the bid. We give him the CCAA teams plus Santa Clara. We have to repeat the names of Santa Barbara, Willamette, Cal Poly, San Jose. He doesn't recognize them too well. But he has heard of Santa Clara and College of the Pacific. He accepts the bid. But it is evident that our conference is as unknown back there as their conference is out here—both being overshadowed by larger groups.

But that still leaves the gripe on the \$3.60 needle for students. We agree that's a lot of hay for a college student to lay on the line. (Most of the Jaycees are just out of college.) But we need

all the revenue we can get to pay off the nut of \$15,000, plus another \$10,000 for game promotion (travel jackets, advertising, 1,000 high school band musicians for the halftime spectacle, Raisin Bowl Queen Contest, etc.). However, there are \$2.40 tickets, too, but they're not on the 50.

We sincerely hope you'll help us make the third annual Raisin Bowl a huge success. It gives nation-wide recognition to our conference and gives the championship team something to point to each year. We've got a big "After The Bowl Game Dance-Party" planned, and we're confident the COP student body will have a rip-roarin' time by attending the third annual Raisin Bowl game on New Year's Day.

Very sincerely yours,

## Letters to the Editor

I note with interest the project to install a system in the dining hall for music during meal times (See Dec. 12th edition). Personally I think it a wonderful idea. However, there is one thing which should be taken care of now.

Last Sunday (Dec. 7th) one of the girls had a portable radio in the hall which she turned on low, making it just barely heard at our adjacent table and others around. Yet, in spite of the fact that the girl had it turned to a good music program, the woman in charge of the hall rushed over, demanding that the radio be turned off.

Yet we want music all the time. It seems to me that the women working there had better be notified of the proposed project, otherwise the system will not be of much use.

Sincerely,  
Richard (Dick) Panzer

You're so right.

## Coloma Centennial Tour Is First of Series

A one-day tour through the California Mother Lode to historic Coloma will be conducted by Dr. G. A. Werner on Jan. 4, 1948—

Director of tours for the College of the Pacific, Werner announced that the trip to Coloma will be made by chartered buses. Seating is limited, and applications will be accepted as they are received. Total fee for this trip is only \$4.50.

## Room for Argument

(Continued from Page 2)

members volunteered to chase the problem down. Hazel Collier, Squirt Wilson, and Pres. Daren McGavren met in conference with both deans, and the discussion ended with the status of the Mardi Gras still undecided. There will be some sort of Spring dance, and Miriam Martell has been given the go-ahead concerning the band and the auditorium. But as things stand now this dance will not be a Mardi Gras.

Since the conduct at the dances this year has been good, and since in the past the Mardi Gras has been the only offensive social function, it is fair to be suspicious of the costumes and the festive theme. Costumes and the name Mardi Gras have a profound psychological effect on a lot of people.

From some viewpoints the word gaiety is synonymous with alcohol. The fact that the Mardi Gras is a costume affair affords ample opportunity for the concealment of a bottle under a bustle or a pair of blood-shot eyes under a domino mask. Let's face it . . . some people throw caution to the winds, winds that blow across the dance floor like zephyrs over a distillery.

That under such circumstances a few tired and bawdy songs will be dragged out and dusted off is expected by everyone. To say that these melodies cause riots is to dignify them unnecessarily. Nevertheless, it takes only one overly fortified celebrant to start the singing, etc., that brings all loyal brethren from far and wide to the defense of the honor of the clan. To save the Mardi Gras we must either keep alcohol away from music majors, or see that at the dance they don't get a chance to tune-up.

Maybe the answer is a student police force. Perhaps there should be more fact finding. The joint student-faculty relations committee might be the place for proceedings to begin. Its success on other problems would indicate that it could make recommendations to the PSA and the administration that would result in a workable plan.

Whatever is to be done must be done now, if PSA card sales are not to receive a staggering blow.

## AND, A VERY

Merry Christmas to all of you! Know you haven't got all that shopping done yet . . . so how about a few last-minute suggestions.

## FIRST OFF, FELLAS

. . . You can glance at this if you want. But despite the fact that it's JOHN BALL'S ad . . . it's a girl-property this week. They're always complaining that it's so hard to find a gift for you. It's time somebody put them wise to the fact that that all depends on where they shop, isn't it? Now if they make it a point to gift hunt at 2105 Pacific Avenue, their worries are over. To-wit: **The Useful** . . . belts . . . from \$1.50 up . . . natty, plaid woolen mufflers . . . \$3.95. **The Traditional** . . . socks . . . 79c up. **The Thoughtful** . . . multiple slot trouser racks (save space, save pressing) . . . \$1.50 . . . tie racks . . . \$1.50-\$1.95. **The Luxuries** . . . pipes (Dr. Graybo, Kaywoodie, Emperor) . . . \$3.50 through \$7.50 . . . poker chips in plastic holders . . . \$5.95 . . . Beau Brummel Toiletries . . . masculine fragrances in gleaming aluminum flasks . . . after-shave lotion, talcum, cologne (yes, for fellas!), deodorant, and hair dressing . . . for as little as \$1.25 through the deluxe gift package at \$15.00. And you say there aren't things to buy that man of yours!

## HOW DOES \$3.95 SOUND?

. . . About the right amount to spend for those gals on your list? I found a couple of items that answer to that description in the Young Moderns Room at THE BROWN HOUSE, 1700 Pacific Avenue. **The First:** A Black Orchid Pettiskirt . . . sound glamorous . . . and it is! A long, black pettiskirt edged with a deep flounce of silk net . . . just the thing she'll want to wear under that New Year's Eve formal. **The Second:** A white jersey gown with a ballerina neckline and short, short sleeves. The neckline, sleeves and yoke are piped in contrasting color. Guaranteed for sweet dreams . . . and a "you-couldn't-have-given-me-anything-I-wanted-more!"

## HINK PINK DRUM GLUM

. . . So you're shaking your head sadly and thinking that shopping for this column has finally led to this. Really I'm alright. Hinky Pinky Borey Worey . . . see, I know the second line, too. But if you want to hear the third one . . . you're going to have to go into JOHNNY CALVIN'S

and play the record yourself! Oh, so you knew all along that I was only gift-listening for the small fry in your family. And you agree that nursery rhyme records make a wonderful gift . . . the plastic, unbreakable variety. Twelve-inch singles come gaily packaged for as little as \$1.64. What's more records are swell gifts for "bigger fry," too. (And if you know anybody who's got \$49.65 to spend on you . . . why don't you hint for a G. E. personal radio . . . plays on either plug-in or battery). Remember the new location . . . Pacific and Bedford (2001 Pacific).

## AND WHILE YOU'RE HINTING

. . . What better time of year to round out your supply of ski gear. Make it easy on the folks . . . give 'em WARD TYLER'S address . . . 129 E. Weber. Just one stop for them . . . and underneath the Christmas tree you'll find: **Skis** . . . Gregg hickory's \$16.45 . . . Anderson & Thompson's \$27.50-34.50 . . . Lund's \$33.95-40.95 . . . **Poles** . . . \$5.95 through \$8.95. **Ski Pants** . . . wool gaberdine by White Stag . . . gals' \$16.95-33.50 . . . fellas' \$9.95-33.50. **Parkas** . . . also by White Stag . . . waterproofed . . . gals' \$12.95 . . . fellas' \$14.95. **Boots** . . . Sandler of Boston . . . steel shank . . . reinforced . . . \$19.95. **After Ski Boots** . . . to wear while you lounge around that crackling fire . . . sheep skin lined . . . fellas' \$7.45 . . . gals' \$6.45. You might throw in, too, that Tyler's carry a complete stock of all ski accessories including rope tow clamps.

## BEEN DREAMING

. . . Of a White Christmas? A winter white Christmas? Of you at a holiday party in your new winter white, rayon and wool dress? It's a two-piecer with a full sking skirt . . . ballerina length . . . a fitted jacket with seven little covered buttons down the front . . . a round neckline . . . and a spray of gold bead and sequin embroidery on each shoulder. All for only \$22.75. Other styles for as little as \$16.95. May your holidays be merry . . . in your winter white party dress from the second floor at THE WONDER, 340 East Main. A few of these dresses are on display in the front window. See the one that was made-for-you?

## ALL THOSE NICE PEOPLE

. . . In at THE DELTA, 1928 Pacific Avenue, want to wish to you a very Merry Christmas and a Happy New Year. And I hope you have a wonderful vacation. See you next year.
