## "RIDING A PONY?" WATCH IT, THEY'RE LOOKING

### Reporter Frozen to Death In Historical Snow Fall

SKIING EDDIE

What happened to the California Chamber of Commerce ("Snow? What's that?") shouldn't happen to Referee Frank Powers (of San Jose whistle tooting infamy). It snowed in L. A. It snowed in Palm Springs. It snowed in Frisco. There was even a despicable white layer covering the Rose Bowl in Pasadena.

But in Stockton, that beautiful little garden spot of the Far West, it seemed that even the inexorable way of old Mother Nature was turned aside. There was no snow in Stockton.

Don't you believe it! Ed Kaupilla, president of the Pacific Ski Club, walked across the campus on the morning of Monday last, suddenly did a fast double-take, and made a mad dash for his ski pants and timbers. There on Stagg Way was a portion of his precious element—snow!

The Weekly staff, sensing something big, swung into action. A reporter and photographer were dispatched to the spot. The above picture resulted. It is thought that the reporter froze to death.

Ed displayed the skill that has made him top honor man for the local team. He made long, graceful glides (approximately 2½ feet). He made swanlike leaps (off the curb). He fell on his face like a champion.

But the sun (for which the

Chamber of Commerce gets down on its knees and thanks God for every day) soon took its toll. The snow went through the physical process of transforming to H-2-O (Chemistry 1-a).

Ed trudged sadly home muttering a prayer that someone else brings back a memento of a trip to the ski slopes.

### Faculty Recital Postponed to Feb. 8

Due to the fact that next week is final week and the week after is mid-term vacation, the Music Conservatory of the College of the Pacific will discontinue their program of weekly concerts until Tuesday, Feb. 8, when Mu Phi Epsilon will again resume the planned schedule.

The following Tuesday, Feb. 13, the Conservatory Trio will perform in concert.

### Pacific Debaters Victorious

Charles M. Guss, head debate coach at College of the Pacific, announced today that Sheldon L. Nicolaysen and Rex Mull teamed to win first place in the Senior Men's Upper Division Debate Championship rounds at Pasadena last week-end. The two men were undefeated in all five contests, having triumphed over the host, Cal Tech, in the finals.

The trophy carried home by the team represented outstanding work in the face of stiff opposition from Oregon, Washington, Utah, Nevada, Arizona and California debaters.

#### DEBATE MEMBER

Rex Mull is a junior in C.O.P. who comes from Bakersfield J.C. His coach in that city was the former C.O.P. debator Leonard McKaig, member of Pi Kappa Delta, the national honorary forensic fraternity. Mr. Mull majors in Economics and has gained much attention with his radio technique in addition to debating.

Sheldon Nicolaysen is a Stockton College sophomore from Ripon. He was trained for debate in high school there, working under Ernest Poletti, also a former C. O. P. debator. Nicolaysen is a Political Science major, active in radio work and student government. He holds the position of Representative-at-Large from Unit II and is a member of Alpha Gamma Sigma, Stockton College Honor Society.

#### LOWER DIVISION

In the Men's Lower Division, Kurtis Meyer and Ted Shumway advanced to the semi-finals while debating the conference question. At that point they lost to Pepperdine.

The question of federal grants aimed at equalizing educational opportunities in tax-supported schools was the resolution under discussion.

For relaxation while in the Southland, the group attended broadcasts of well-known radio programs.

### Audition Entry Blank Available for Vocalists

Entry forms for the 1949 Atwater Kent \$15,000 Auditions for non-professional singers in West Coast colleges and universities are now ready for distribution.

The forms may be obtained by writing the Atwater Kent Foundation, Box 1511, Hollywood 28, before March 1. There is no entry fee. Contestants must be between the ages 18 to 29.

Awards totalling \$15,000 will be distributed to ten men and women as follows: two first prizes of

(Continued on page 2)

### HONOR COMMITTEE MAY BE INITIATED; TO BENEFIT BOTH STUDENTS AND PROFS

At a joint meeting of the personnel and administration committees, held last week, a tentative outline for handling the problem of cheating was presented by the committee formed to deal with this problem.

### Graduate Record Exams Schedule Released

It was recently announced that the Graduate Record Examination will be given at College of the Pacific this spring. The examination will be conducted in two half-day sessions, March 12 and 19, under the Institutional Testing Plan, and will include two parts:

1. **Profile Tests:** — eight general tests covering broadly the principal subjects of a liberal education; mathematics, physics, chemistry, biological science, social studies, literature, fine arts, vocabulary.

2. **An Advanced Test** in the candidate's major field of study.

The examination will be given for two classes of candidates:

1. College of the Pacific students wishing acceptance as candidates for the Master's Degree. (Required)
2. College of the Pacific seniors who plan to undertake graduate work at other institutions. (Required)

All candidates who wish to take the Graduate Record Examination this spring should apply personally through the local examiner, Dr. Willis N. Potter, School of Education, Owen Hall, on or before Friday, February 11, 1949.

### Photography New Pacific Course

A course in photography is to be offered in the spring semester by the Department of Art at the College of the Pacific. The instructor will be Assistant Professor Earl Washburn of the art staff. Professor Washburn, who has had considerable experience in this subject, announces the class will be given on Tuesdays and Thursdays from 1:15 p.m. to 4:05 p.m. beginning February 8.

Photography is to be an introductory course describing various cameras and their use, and covering lighting, exposure, developing and printing with emphasis on composition and selectivity.

#### OWN EQUIPMENT

The student will be asked to provide his own camera, tripod and filters.

Further information may be had by inquiring at the office of the Registrar, Administration Building, College of the Pacific, or by telephoning the Pacific Art Center through the main college switchboard — 8-8691.

The proposals made were: A joint Student-Faculty Honor committee be established. This committee is to be composed of three students and three faculty members, with the function of formulating of an honor code for the taking of examinations writing of term papers, and other academic activities where dishonesty frequently occurs. Pointing out to teachers practices that are conducive to cheating, along with recording of all cases of dishonesty shall also be included in their duties.

The hearing of complaints by the committee must follow a pattern so that everyone will get an equal break. The appeal or complaint must be in writing and signed. The chairman of the committee to whom the complaint must be sent will keep all except the final disposition strictly confidential.

In taking action on cases presented, the committee the routine followed will be as followed: The first time a student is caught "riding a pony," he shall fail in that test. For the second offense, the student shall be failed in the course. When two grades of "F" are received by a student for reasons of dishonesty, he shall be expelled from C.O.P. or S.C. Cases of dishonesty in the 11 and 12 grades will be referred to the Personnel Committee of Stockton College for suitable action. Any student receiving a penalty may appeal to the honor committee for a review of the case.

All students are encouraged to report professors that are lax in giving tests. These instructors shall receive recommendations about changing their methods of giving exams.

### Membership in Book Exchange Club Still Open to Units II, III

The students of Unit II and III showed an interest in the new book exchange club but the returns of cards were very poor.

If you are still interested in the exchange here is what you can do:

There will be cards at the F. S. A. office and all living groups during final week, so you can sign up to sell your books. You will be able to obtain books during the first week of school next semester — Come to the F.S.A. office.

If you still want books after that you can contact Robert McConnell at North Hall or Bev Johnston at Epsilon.

## THE WEEK'S HEADLINES

Bevin's anti-Israel policy under fire in British parliament, also severely censured by U.S. administration . . . "Nationalist" government of Chiang in China still totters on the brink at Nanking . . . Race riots in South Africa show hostility between Indians and Zulu tribes, both underprivileged groups . . . Mediation in Palestine shows progress. Dr. Bunce hopeful for peace . . .

Congress showing signs of balking at Truman's budget . . . Republicans advocate "economy" not increased taxes . . . Legislation awaits the inauguration . . . Hoover committee underlines need of better adjustment of armed services for efficiency and economy.

### FSA CARDS TO GO ON SALE FEB. 3rd Special Cards Offered to Unit I and II

Student body card sales begin Tuesday, February 3, for both Stockton College and College of Pacific students. The cards will be sold at the Student Union Offices for College of Pacific students, and at the registration building for SC students. South Campus vets will obtain their cards at room p7 on the south campus.

In addition to the regular student body card this semester a special card priced at \$7.50 is being offered to students in Unit I and Unit II. It is strictly a Stockton College activity card which will allow admission to all SC athletics and social functions, and participation in elections. It does not cover admission to any COP activities nor purchase of the year-book.

The FSA member is admitted free to the Mardi Gras as he is to all student sponsored activities including: Campus Day, The

Spring Formal, and the Welcome Dance. He may witness two complete schedules of C.O.P. and S.C. athletics, including baseball, track, tennis, swimming and the remainder of the basketball games, use the swimming pool during recreation periods receive all publications free with exception of the Naranjado (which is reduced from \$7.00 to \$4.00 to card holders) and also participate in student body elections.

### Know Russian and Get 4 Units Change For a Dollar

A beginner's course in Russian is being offered for the coming spring semester by the School of Adult Education. They have been attempting to establish this course for the past two or three years.

At the present time eleven students are registered, but twenty are needed before the course can actually be started.

Willard Mann stated that if the course should have to start late, the number of units would be reduced proportionally. Students in search of units may be interested to know that four are being offered.

There is a registration fee of one dollar.

Further information may be obtained by calling 4-4703 and asking for Adult Education.

### Roto-Chutes

If an article received from the General Electric News Bureau were printed as recently as 1940 as a straight news story, the readers would probably have passed over it simply muttering, "Some crazy crank," but — it's the Atomic Age we're in and this is the story today:

Schenectady, N.Y.—"The pilot of the future may safely escape his disabled supersonic craft at high altitudes where an ordinary parachute would be useless. He would be enclosed in a bullet-shaped metal 'capsule' with a propeller on its tip."

This was cited as a possibility by David C. Prince, vice-president of the General Electric Company in charge of the General Engineering and Consulting Laboratory, in conjunction with the announcement of a new device known as a "supersonic parachute" or roto-chute.

Developed by G-E engineers, the device is designed for use in rocket research and is capable of gently lowering delicate research instruments to the ground from rockets flying at altitudes as high as 100 miles. Released from a rocket, the device slows gradually from supersonic speeds to about 27 miles per hour by means of its whirling propeller or "vanes" which act as an air brake.

"Although not intended now for use by humans, the rotochute might be redesigned so that it could carry a pilot and could be fired by an explosive charge from a rocket," Mr. Prince said.

"The pilot then could guide the course of the rotochute by controlling the pitch of its vanes and land with greater accuracy than is possible with an ordinary parachute."

It might even be possible to lower an entire rocket by means of a rotochute, according to Mr. Prince, who pointed out that present research rockets are completely destroyed in landing.

Planes of the future, particularly long-range transports and bombers, may find use for the rotochute. Such planes, traveling at extremely high altitudes will necessitate some type of escape "capsule," which can be expelled from the planes and safely lower passengers.

Great accuracy can be obtained when the device is launched from a helicopter or small plane. A package can be dropped within a 10-foot circle.

### Drawing Speaker Chas. Wells At Methodist Church 6 Days

Charles A. Wells, writer, world traveler, and newspaper cartoonist who draws while he speaks, will begin a series of programs entitled "Christ and World Need." Sunday, February 6th, at the Central Methodist Church. There will be no admission charged any of the six nights.

CHARLES WELLS

The evening presentations will be followed by forum discussions, led by Wells, on the provocative themes of the week's programs—war and peace, race relations, social strife and economic transition, interpreted from the Christian viewpoint.

Wells, a well-trained artist has served in many capacities in the fields of illustrating and cartooning.

Raised a Quaker and educated in a Quaker university, he early became interested in religious work, but upon graduation, he turned chiefly to newspapers and religious periodicals. Frequent radio appearances have met with popular public acclaim.

Charles Wells has written for the Methodist Advocate; Gary, Indiana, Post Tribune; the Salem, North Carolina Journal, and many others.

Mr. Wells has also spoken on many radio broadcasts on the subject, "Adventures in Christian Living," and spoken before colleges and clubs including COP, Duke, and Louisiana State.

### Memory Expert Coming To Perform at COP

Robert H. Nutt, the "memory expert" will present his show at the College auditorium Thursday and Friday evenings, January 27th and 28th. His performance is independent of the college and therefore, as far as is known, no price admissions reductions will be made for the holders of student body cards.

Recently Mr. Nutt entertained the Rotary Club in Stockton with various memory feats one of which included reciting the names of forty guests.

### NOTICE COP GRADS STOCKTON COLLEGE GRADS ALL LIVING GROUPS

Purchase all tickets for your pics at the Naranjado office — Two week deadline.

### Entry Blanks Available

(Continued from Page One)

\$2,000 each; two second prizes of \$1,750; two third prizes of \$1,500; two fourth prizes of \$1,250; and two fifth prizes of \$1,000.

Contestants may choose selections ranging from musical comedy, concert repertoire, or grand opera. There are no restrictions in the manner in which the prize money may be used.

Individual hearings for all contestants are scheduled to begin early in March. Preliminaries will be held in Los Angeles, Hollywood, Santa Barbara, and San Francisco. Finalists will be heard in Los Angeles over two nationwide broadcasts.

Over 1,000 vocalists from 33 West Coast colleges and universities entered the 1948 competition. Winners were Lucine Amara and Robert Applestone, students at San Francisco State College.

### BROADCASTING OPPORTUNITY

The National Academy of Broadcasting in Washington, D.C., is offering several valuable scholarships to script writers in a contest which will close February 1.

The grand prize will be a full semester (16 weeks) of professional training in the residence school in Washington. This scholarship will cover all phases of broadcasting studio work, including script and continuity writing, diction, foreign language pronunciation, music appreciation, radio drama, control-board operation, program building and direction. Other prizes will consist of residence courses in announcing, continuity writing or production and a basic course offered by correspondence. Awards will be made by qualified judges on the merits of scripts submitted. Any type of original continuity, commercial or dramatic, will be accepted.

Trained script writers who are able to announce, produce or do public relations work are in special demand. College women interested in conducting broadcasts for women and children or in directing programs are needed everywhere.

Any student interested is invited to write directly to the National Academy of Broadcasting, 3338 16th Street, N.W., Washington 10, D.C.

### County Teachers Hear Dr. Werner

Far Eastern Conditions was the topic of discussion by Pacific's noted political science authority, Dr. G. A. Werner, who spoke before the Northern San Joaquin County Teachers' Association Wednesday, January 19, in Needham School Auditorium.

Dr. Werner's speech entitled, "History On the March in the Pacific," is part of the Association's discussion topic for the year, "Education for International Understanding in Our American Schools."

## PUT YOURSELF IN THESE SHOES Crepe Soles

5.90

They're the biggest news 'neath the hemline since nylons were invented! And if you like your soles soft and springy — with plenty of bounce — this shoe is for you! New rolled edge, soft-as-butter suede with a sassy front tie and a pert, smooth vamp. (A real buy at this price!) Black or Brown. Widths AA-B.

## ELLEN-FRED ENGAGED

Big Little Sister Party  
Slated for Gym, Feb. 9

The Associated Women Students are giving their bi-annual Big-Little Sister party for the new students on Wednesday, February 9, at 7:30 in the upstairs dance studio of the gym.

The big feature of the evening's entertainment will be a fashion show presented by the Brown House. The theme is called "Around the Clock," depicting the attire worn by a co-ed throughout the day. The models will be girls from each of the living groups.

All the girls attending Pacific are invited, and those who have been given names of little sisters are encouraged to get in touch with them immediately.

The general chairman of the party is Donna Hillard, and her committee heads are Ann McEniry, fashions; Jane Wheeler, entertainment; Wilma Mast, publicity; Donna Ohm, decorations; and Barbara Morengo, clean-up. If any girls are interested in having "Little Sisters," see Barbara Burkie at OWest Hall.

## CLUBS

## PHOTOGRAPHY CLUB

Sample slides taken by members of the photography club were the headline features of the last Monday meeting. George Cunningham, George Tabuchi and Ted Collins entertained the group with the showing of slides taken along the John Muir trail over their two week hiking trip.

Slides were also donated by Drs. Moule and Eby, and students M. Moss and Carl Sundahl.

At the same meeting plans were begun for the coming inter-campus photographic competition, in conjunction with the new photographic courses to be presented in the college next semester.

## FROSH WOMEN'S 'Y'

January 5th was the date that the Frosh Women's 'Y' met to discuss the plans for the incoming freshmen. The meeting, which was held at Freshman Hall, was highlighted by the entertainment of Phil Tippet, Joyce Wood and Monroe Hess. Musical enjoyment was furnished by Bob McKibben and Phil Tippet.

The next meeting will be held Wednesday, February 9th in the Anderson 'Y'. Further plans for the incoming students will be discussed.

## ROUND TABLE

Members of the Stockton College Round Table met in the south campus 'Barn' recently night for the final meeting of the semester.

A new constitution as ratified and officers were elected. Those to hold positions are Larry Bingham, President; Judy Dickinsen, Vice-President; Helen Keppel, secretary; Joe Escato, treasurer; and Jack Little, sergeant-at-arms.

An end-of-the-semester party was also planned, the theme being 'Folk Dancing Frolic' to be held at the Anderson 'Y'. January 22, 1949.

## WHITEHEAD TO MAYNARD

Doris Irene Whitehead has announced February 1 as the date of her marriage to Albert Maynard Jr.

The betrothed couple are the son and daughter of Mr. and Mrs. Albert Maynard Sr. and Mr. and Mrs. Fenton Whitehead of this city.

Election Results  
ARCHANIA

At an election of officers for the spring term held last week Robert E. Reed was elected president of Archania, with Joe Hinman the choice for vice-president, Hal Buck, treasurer, and Don Kent house manager.

The Archites held their annual Winter Formal Saturday night, January 15, with the theme being Black Sin. The decorations were black and gold with a spider web on the ceiling. The music was presented by Ted Herman and his band, and approximately 160 persons attended. Blue and gold compacts with the house crest on them were given as favors. Chaperons were Dr. Colliver, Mr. and Mrs. O'Neil and Mr. and Mrs. Harry Tremain.

## TAU KAPPA KAPPA

MARIE SANGUINETTI

Marie Sanguinetti was installed president of Tau Kappa Kappa, Thursday evening, January 20, at formal ceremonies.

Other officers installed at this time were: Moss Little as vice-president, Nancy Harby as Recording secretary, Ellen Anderson as corresponding secretary, Dolores Rico as treasurer, Shirley Mahoney as house manager, and Grace Knox as assistant house manager.

Marie Sanguinetti, daughter of Mr. and Mrs. Joseph Sanguinetti of Banta, is a senior student at the College of Pacific where she is majoring in economics. She succeeds Renee Nevraumont.

## MANOR HALL

Scott Bowman was elected president of Manor Hall for the spring semester at a meeting held recently. Others who were elected were Mrs. Maureen Hall, secretary; Wes Hall, who was president during the fall semester, treasurer; and Mrs. Lois Culver, social chairman.

Following the election refreshments were served.

## RHO LAMBDA PHI

Rho Lambda Phi held elections for spring semester house officers January 13, with the following results: Hank Lavaroni, president; "Buzz" Fornaciari, vice-president; Bob Huth, recording secretary; Tom Sprague, corresponding secretary; Dick "Father" McIntosh, attorney; and Gray Frost, sergeant-at-arms.

The Upper House Council will consist of Jim Boyd, Dick McIntosh, Ronnie Boone, Will Ballenger, Joe Hodson, and Fred Harold.

## - STRICTLY SO -

## GUYS 'N GALS

Next semester, Dave Gerber, out-going sports editor, will resume his Guys 'N Gals' column which was so popular during the Coleman and Fritz regime two semesters ago.

## ALLEY-OOP

Joe Torp likes to do things the hard way. Going to Sacramento, at what he claims was a moderate speed, his car overturned once and landed right side up. Fortunately no one was hurt. — A Hollywood stunt man couldn't have done better.

## COMBINATIONS

The girls from Alpha Theta Tau predominated the guest register at Rhizomia's winter formal — Epsilon ran a close second. Among some of the newer campus combinations were Betty Brady and Herb Baxter, Marge Hiers and "Buzz" Fornaciari, Gerry Moffatt and Bill Pinto, and Joan Tennant with "Kimo" Boyd.

## DEATH TAKES ITS TOLL

At assembly yesterday, Dr. Jon-te, Dr. Eiselen, and Dr. Waldo presented a skit titled "Death Valley Days."

Movies of previous Death Valley tours were shown.

## BULLETIN

Anybody who has any notices to post on the FSA Bulletin boards outside the Student Union building is asked to leave the posters or what have you at the information office or at the FSA offices. Remember, these boards are yours! Use 'em!

## OMEGA PHI

At an election held Thursday, January 13, at Omega Phi, John Rhode was elected president of the house for the spring term. Other officers are Ken Mork, vice-president; John Rihn, secretary; Ted Collins, treasurer; Herb Williams, recorder; Alan McAllaster, reporter; Bob Turner, guard; and Jim Jewell, Chaplain.

New members formally initiated into Omega Phi last Sunday were James R. Anderson, Tom Bandelin, Robert Belt, Bob Bondshu, Howard Cohn, Harry Conover, Clement Cope, Ted Fernish, Jim Gallagher, Morris Green, Phil Guthrie, John Jopes, Garth Lipsky, Lloyd Lundstrum, Richard Morris, Bruno Rhode, George Schlink, Gil Sells, Edward Temple, Phil Tippet, and Bob Wilson.

## Elaine Lardner Engaged

ELAINE LARDNER

West Hall was surprised January 17 when Elaine Lardner announced her engagement to Dick Boundry.

Elaine, daughter of Mr. and Mrs. E. H. Lardner of Penryn, is a senior who will graduate in June with a teacher's credential. Dick is majoring in Horticulture at the University of Cal at Davis. He is the son of Mr. and Mrs. James Boundry of Grass Valley.

As yet the wedding plans are indefinite.

## 'The LAST Weekend'

An informal dance was presented Saturday, January 8th, by Tau Kappa Kappa with "The Last Weekend" as the theme depicting the atmosphere of the previous New Year's weekend celebration.

Ross Hanna's Combo provided the rhythm. Dorothy Minium was general chairman; Pat White, decorations; Moss Little, refreshments; Dorothy Garner, music; VI Schomberg, set-up; Dolores Rico, bids; Marie Sanguinetti, chaperones; and pledges, clean-up.

## ENGAGED

The engagement of Betty June Thome to Jack Burns was announced Thursday, January 6, at Zeta Phi by the traditional five pound box of candy, and at Omega Phi Alpha with a box of cigars.

Betty June is from Marysville, California, and the daughter of Mr. and Mrs. M. T. Thome of the same city.

Jack, a native Stocktonian, is a graduate of C.O.P., doing graduate work in chemistry and on a secondary teaching credential.

The wedding has been set for sometime next August.

Puerto Rico is the easternmost island of the West Indie group known as the Greater Antilles.

ELLEN ANDERSON

Tau Kappa Kappa's Christmas dinner was the scene of more than a little festivity when Ellen Catherine Anderson passed a box of chocolates to announce that she is the future Mrs. George Frederick Schuler III.

Ellen is the daughter of Mr. and Mrs. H. R. Anderson of Kingsburg and is a senior at the College of Pacific. A member of Tau Kappa, she is a graduate of Stockton College. The benedict-elect, who passed cigars to his Rho Lambda Phi fraternity brothers at Pacific that same night, is also a senior.

A member of one of Stockton's oldest families, he is the son of Mr. and Mrs. George F. Schuler. During the war, the prospective benedict served in the Army Air Forces.

Plans are being made for a late summer wedding after the couple graduates from college. The wedding will be in Kingsburg, and they will reside in Stockton.

## The New Mrs. Bailey

A reception in the Tau Kappa Kappa Sorority house January 2, honored Mr. and Mrs. C. "Bud" Bailey, who had just returned from their honeymoon in the southwest.

The bride, the former Genevieve Metzler, is the daughter of Mr. and Mrs. Henry W. Metzler of Linden, and will graduate from the College of the Pacific with a degree in Education in June. She is a member of the Tau Kappas and was a member of the A Cappella Choir.

The couple were married December 18 at four o'clock ceremonies with the Rev. Richard Walsh of Linden officiating. Only immediate families witnessed the double ring rites in Morris Chapel.

Mr. Bailey is the son of Mayor and Mrs. Francis Bailey Sr. of Rockport, Texas.

CHATEAU AUX CHANCE  
ENDS SOCIAL SEASON

January 15, Rhizomia climaxed its social season with their "Chateau Aux Chance" Winter Formal. The house considers the event as its most terrific function of the year.

"Bud" Klein acted as general chairman of the dance. The various committees were headed by Rudie Michel, bids; Joe Hodson, refreshments; Stan Bourgeault and "Buzz" Fornaciari, decorations; and Will Ballenger, music.

The Dave Brubeck Trio, which supplied the music, appeared through the efforts of Ballenger.

# BENGALS VIE WITH AZTECS AT SAN DIEGO

## Cub Quintet Faces Hartnell Tomorrow Nite

### Cubs Down Grant in Closing Seconds Tangle with Monterey Tonight

By JIM GALLAGHER

A one-handed fadeaway by Sam Gellepes in the last 25 seconds of play gave Van Sweet's Stockton Cubs a 51-50 victory over the Tuesday night and placed the junior Bengals in a surprisingly favorable position in league seedings as conference play continues tonight.

The Sweet-men make a pair of home stands this weekend, entertaining Monterey Peninsula College tonight and Hartnell College from Salinas tomorrow.

Inspired by a Sacramento newspaper clipping branding them as a "mediocre" club, the Cubs proceeded to all but annihilate the red-clad visitors during the first portion of the game, but Grant narrowed the margin to 29-27 at the half and pulled ahead into a five-point lead during most of the second stanza.

Trailing 50-48 with a minute remaining, Cub hopes rose as Britt Smith tanked a free throw and pandemonium broke loose when Gellepes put through the clincher from 15 feet out.

Gellepes led the scorers in Tuesday's fray with 13, while Doug Scovil had 11 and Darrell Winrich 10. Skeen had 13 and Loseutoff 12 for the visitors.

Stockton split a pair of games on their road trip last weekend, trouncing Menlo 48-38 behind Winrich's 16 points and dropping a 62-59 decision to San Mateo the following evening.

The Cubs won just about as expected in the Menlo contest, despite the 12 points contributed by vaunted Menlo forward Brad Gleason. Unfortunately, San Mateo managed to hold a small but sufficient lead Saturday night to inch away with a three-point win, due mainly to the efforts of their star Jack Belden.

Scoring for Stockton was pretty well scattered, Jim Denton and Smith each taking 14, Gallepes 12 and Winrich 11. Belden had 13 for the winners.

This weekend's contests should serve to notch two additional league wins for the Cubs. Monterey, in their first year as a unified student body, has not been able to muster much in athletics, and has only one cage win to their credit so far this season. They do have a couple of dangerous men in Ron Roberts and Richard Lee, but advance dope has the Cubs winning just about as they please.

The Hartnell game is a different story, however. The Panthers have met and defeated some of the best junior college and university freshman competition in the area, besides showing well in the Modesto tournament. Cliff Cracknell, Wally Wong and Johnny Ottone constitute the main Panther threats. Although the game could be rated as a toss-up, the Cubs will have the advantage of playing on their home court and are installed as slight favorites.

Sweet will stand by his usual stalwarts, Smith, Gellepes, Winrich, Denton, Scovil, Bill Swenson and Del King. Others who may see action include Eddie Ingram, Jack Waldron, Richard Hart, John Ward and Don Newberry.

## Pacific Sports

Bob Thomas, Tiger forward, fights for ball with Wave center Hugh Faulkner (99), while teammates Bill Wirt and Howie Pearce look on. Pacific nipped Pepperdine 59-57 in the overtime sizzler.

### Pacific Prospects Look Bright for Successful CCAA Track Season

By BOB JIMENEZ

The CCAA track championships are almost 20 weeks away, but already the Tiger cinder team has dusted off its track suits and thrown away the mothballs. For the first time in its history, Pacific has inaugurated a vigorous fall training schedule which is designed to condition the team a little earlier this year.

Coach Jackson seems well pleased with the track team which has a good chance to regain the conference title lost in 1943.

#### RETURNING LETTERMEN

The returning letter men Heck, Hess, Hall, Kring and Adam can find a lot of help coming from the direction of last year's J. C. team. The ones to watch are Don Hardy and Jack Ross in the century dash, Gunder Kirkpatrick in the mile, Bob Mudd in the quarter mile, Art Smith in the javelin throw and sprints, Goff in the broad jump, Gustafson and Riche-sin in the two-mile races, and Brooks and Stokes in the hurdles.

Jim Waters a good shotput man two years ago, will return this year improved after recovering from an arm injury. Hall and Putman will add their prowess in throwing the heavy ball too.

ess in throwing the heavy ball too.

#### STRONG RELAY TEAM

Coach Jackson has a good reason to be pleased with his relay teams. He believes them to be the finest this college has seen. The 440 will have Hardy, Heck, Brooks, and Smith; the mile, Cope, Butler, Hess, and Stokes; and the medley relay will be about the same, with the addition of Kirkpatrick.

The team lacks the depth needed in dual meets, but the quality of the individual men will be sure to make Pacific stand out in the bigger meets.

The schedule this year opens with the intra-mural meet on March 10, and ends with the Modesto Relays May 21st.

#### TOUGH SCHEDULE

Teams the Tigers will meet this year include San Francisco's great Olympic Club, Stanford, Fresno and San Jose.

With the potentialities exhibited by the squad, Pacific rates an even chance to snare the conference title which has been dominated by the Spartans from San Jose for so many seasons.

### CAGERS SEEK REVENGE IN REMATCH TIGER FIVE IN UNDERDOG ROLE

By NORM RITTER

Tonight the Pacific five attempts to avenge their first and only CCAA loss by rematching with the San Diego Aztecs, who collared them 50-43 last Saturday evening on the local court.

### Call of the Fairway Beckons Cat Golfers

The Pacific golf team under the tutelage of Coach Larry Siemerling is preparing to sharpen its tools in anticipation of their first meet with the University of California, February 18th.

The Tigers will again be led by Andy Blossom who finished high for the Orange and Black in the C.C.A.A. tourney last year. Blossom is teamed with such veterans as Vern Troyer, Wayne Vanoose, Fred Solomon, Wayne Hardin, and Bob Beckham.

Two new par busters, Leroy Silva from Stockton High and Russ Shephard of Modesto J.C., will add depth to the team, a much needed factor against such opponents as the Golden Bears, Stanford Indians and the Spartans. The Stockton Country Club will be the home course for the men of Pacific.

### SKI TEAM READY FOR TAHOE MEET

Prospects for the College of Pacific ski team appeared bright after last Saturday's practice session at Yosemite.

Edy Kauppila and Bob Wilson showed good form in their slalom runs with the latter completing the Yosemite course in thirty-nine seconds, only four off the "A" classification time. Kauppila sped over the course in 42 seconds which is an extremely good early-season mark.

The team has already exhibited considerable jumping ability in practice sessions at Cisco Grove earlier this month.

On January 29 the team will participate in the Nevada State Jumping meet on the White Hill jump near Lake Tahoe.

Team members who will participate in the Nevada meet are Bob Bondshu, Bob McMahon, Roger Wickman, Elton Murphy and Wilson and Kauppila.

### CCAA Spring Sports Schedules Released

College of Pacific will be host at the CCAA conference swimming and golf championships, which will be held May 6-7, it was announced this week by conference president Charles R. Smith.

Conference championships in boxing, wrestling and gymnastics will be decided at a two-day carnival on March 11 and 12 at San Diego State. The Bengals will be represented at the affair by the gymnastic team, in its second year of interscholastic competition. Some individual Tiger wrestlers and members of last year's ill-fated boxing squad may also participate.

Conference tennis aggregations

After being soundly humiliated, 67-40, by the Oakland Bittners Monday of this week, the Bengals will undoubtedly be the underdogs at tip-off time tonight.

To gain sweet revenge for their loop drubbing they must regain the shooting eye which carried them so successive victories over Santa Barbara, Fresno State, and highly-favored Pepperdine last Friday.

Kjeldsen's men must also overcome the stubborn Aztec defense which held Pacific to their lowest point total of the year — 43 — in the Saturday debacle.

#### SCOUTED

That game showed that the Tigers were lethargic to adjust to the efficiently played man-to-man defense; it also showed clearly that the San Diego boys had completely mastered the Orange and Black attack beforehand.

Each time Bud Proulx attempted to signal a play, the opposition was readily aware of what was in the offing. The same thing occurred the previous night when the Bengals edged out Pepperdine's Waves in a breath-taking overtime, 59-57.

#### THAT PROULX AGAIN

The Los Angeles boys also molded a stiff defense, which was overcome only by dogged determination. Proulx paved the victory path with 16 points, most of them gained by his driving tactics.

Bill Wirt, with 13 markers, was high scorer for the Tigers in the Aztec game. Capt. Tom Keeney and Center Dick Barnes tied for game honors with 16 apiece.

After tonight's tilt, the Tigers will enjoy an eight-day rest until they engage the tough St. Mary's Gaels in a Civic Auditorium billing here on Saturday, January 29.

#### LOADED WITH STARS

Coach Benny Neff of the Moraga institution brings a veteran quintet headed by All-American Frank "Apples" Kudelka, to the Port City. Last season the ex-Lowell Hi flash averaged better than 17 points per game in leading the Saints to one of their best post-war campaigns.

He tanked 19 last year as his squad was upset by Pacific on the same auditorium floor, so he and his teammates should be seeking revenge on their return visit.

The remaining quartet of the all-veteran five consists of Augie Bullwinkle, Jack Rial, Joe Thurston, and Jim Flahaven.

will hold forth at Santa Barbara on May 6-7 when the Tiger racketeers will be defending champions.

Other defending champions are San Jose State in boxing; San Diego State and the Spartans, co-champions in wrestling; and San Diego in gymnastics.

# sports corner

By PHIL GUTHRIE

The athletic department is still working on next year's football schedule. Only two open dates remain to be filled. According to Bob Monagan, the October 1 and November 12 spots are vacant, and it is hoped that Utah U., Rocky Mountain powerhouse, and Wichita, Pacific's 1948 Raisin Bowl opponent, will be scheduled.

## CUBS LEADING SCORER

After 11 games Darrell Winrich, Long Beach's contribution to the Pacific sports scene, is the Stockton cagers' leading scorer. The Southern California dandy has gained high point honors in only one game, but his accuracy from the floor has marked him as the most consistent point-getter on Coach Van Sweet's squad.

## PACIFIC MARATHON

Entries for the first annual Pacific Marathon, which will be run Sunday, January 30, under the sponsorship of the Pacific Avenue Merchants, have been coming in during the past week, and several C.O.P.-S.C. runners are listed as entrants for Stockton's Yancey A. C.

Jim Hanny, Charlie Richesin, Bob McGuire and Don LeLancho,

all of whom were on the Tiger's cross-country squad this past fall, will compete for the Yanceytes along with Arner Gustafson, who will be participating for the Petaluma Spartans.

Trophies will be awarded to the victors in this six-mile endurance test and a special trophy will be given to the first C.O.P.-S.C. finisher who has not won a varsity block in cross country.

## ODE TO THE GOIB

Today's publication is the last in which the guiding spirit of Dave Gerber will be exhibited. With this issue it is appropriate to throw a few words of appreciation in the Goib's direction.

While handling the many chores which go to make up the duties of sports editor, he somehow found time to handle a great number of other activities. His accomplishments last semester ranged from dramatics and radio to football and basketball.

Under his guiding hand the sports page was one of the bright spots of this semester's Weekly, and his enthusiasm and drive made the section one of the most informative this school has seen for many a moon.

## Broadcasts Games

Radio station KAEQ, the campus station for College of Pacific, broadcasts all home and road games played by the College of Pacific basketball team. For the convenience of off-campus students the broadcasts can be heard in The End Zone.

## Omega Phi Trounces Schmoos Three Deadlocked in First

With finals about to rear their ugly heads, three quintets of intramural basketballers are tearing their hair upon realizing that Wednesday night's 38-19 victory of Omega Phi over the previously undefeated Shmoos has thrown the Major League into a three-way tie for first place. Omega Phi, Shmoos and the College Hot Shots occupy this position with five wins and one loss apiece.

The frat mens' win found Don Hamilton of Omega sharing scoring honors with Don Mitchler of the Shmoos. Each had 10 points. John Rhode was runner up with 8 points.

Another Major League game found the often trod upon Ball and Chain gang rack up an upset victory over Rhizomia by a 17-13 score. In the Minors, Coleman's 11 points couldn't stop Quonset E from racking up a 30-25 win over C & D. Ken Berridge garnered 16 points to swell his seasonal total while leading Archania B's to a 24-20 win over the Half Shots.

## RHIZOMIA BEATEN

Monday games found Rhizomia topping the Faculty 41-37, despite Larry Seimering's 13 points. A crucial night encounter saw the powerful Omega Phi club rack up 33 points in the second half to beat the Gears 45-26. The College Hotshots won by forfeit over Archania.

## QUONSET A WINS

In the Minor league Quonset A upset the Anderson "Y" team 19-14, and The College Halfshots outshot Omega Phi B team 26-13.

Ken Berridge is by far the outstanding scorer of both leagues. Berridge has gathered 80 points in three games for the Archania B team. He has 36 field goals and 8 free throws.

The Major league finds the basket well guarded. Top man in the loop is George Albano of the Gears who has 41 points. He is followed by Woodman (Gears) 37, Eachus (Ball and Chain) 37, Campbell (Shmoos) 34, Coykendall (Gears) 32, and Marcolopolous (Omega Phi) 32.

shooting and floor-work of the Blacks.

Tomorrow night the cleatmen will be out to avenge a previous defeat when they meet the Lodi Squires in a preliminary to the Stockton-Hartnell game in the Pacific gymnasium.

Henry Pfister, diminutive Tiger forward goes high into the strosphere in an attempt to stop a San Diego score.

Vernon Riggins, towering center for Fresno's Bulldogs lays in two points in last week's Fresno-C.O.P. contest. Vainly trying to prevent the score is Hank Pfister as Phil Ortez looks on apprehensively.

## Blacks Edge Gridders 46-44 in Thriller Sid Hall Takes Contest Scoring Honors

The crowd-pleasing Ti-Grids dropped another close contest last Saturday night when they were outlasted by the Pacific Blacks 46-44 in a preliminary game to the San Diego-C.O.P. encounter.

The grid-men played on even terms with the highly favored Blacks throughout the game and were not bested until the final minutes of play.

Sid Hall, fast moving forward

for the footballers, tallied 12 points but his scoring wasn't enough to equal the practiced

## THE RIGHT WAY

If more motorists would give thought to the right way, and be less assertive about the right of way, many traffic accidents would be averted, points out the California State Automobile Association.

## LETTERS TO THE EDITOR

Dear Editor:

In the way of events of the past week, the Pacific-San Diego game should be mentioned. Not for the hard playing that both teams did, that goes without saying; but for the sudden appearance of a strangely costumed figure—Charlie Hull.

His weird gymnastics combined with his strenuous efforts to drag a little spirit out of the crowd, did not go unappreciated. The approval of many spectators was voiced by "It's about time someone decided to lead yells!" unusual cooperation, and repeated calls to him to "do some more." We all hope that he will be on hand at the next home game, and that he doesn't suffer from aching muscles and stiff joints.

— Sue Thomson

Dear Editor:

I am a Freshman in this concentration camp and find some of the regulations peculiarly ridiculous. However, being purely egotistical I will only concentrate on one, the one which is more important to ME.

It seems odd to me to come back from a week-end at home, where my parents agree that a twelve o'clock deadline is somewhat of a restriction to a girl of my age, and come in at twelve o'clock here on campus. I suppose that some authorities feel that this short deadline keeps better tabs on the young ladies, however, we feel that it is very annoying, and as the young gentleman expressed it in last week's issue, we often must cut dinner in order to take in a movie and arrive home on time. Wouldn't it be possible to extend the deadline until one on Fridays and Saturdays for freshmen women?

I think that the week-day ten o'clock deadline encourages the girls to do more studying and is therefore very good. However, I feel and so does every woman on campus that the regulations are unfair.

I'm sure that most parents would feel that way, too.

(Name Withheld)

Dear Editor:

The Tuesday Chapel committee perhaps wonder why more students do not attend Chapel. I have talked with several kids who would like very much to attend, but like myself, would have to

forfeit their lunch. It is difficult to wait in line at the dining hall at 11:40 and be situated in your class at 12:15.

There would be no problem if one didn't have to wait at least 10 minutes in line. Why don't the non-chapel kids eat earlier so as to make it easier for those who attend chapel to eat their lunch and get to their 12:15 class on time?

A Chapel-Attending Student

Letter to the Editor:

Does the average girl come to school to get married or for an education? Most girls would answer, "To get an education." However, it seems as if Cupid has been very busy lately. College is supposed to supply the education to a person for his future life, however, does the curriculum include a course for future wives? A girl can study to be an economist, nurse, or even an engineer, but she rarely has time in college to prepare for what her future vocation will probably be, which is marriage.

Why can't our school be ultra modern and have a course for future wives. In that way we will be producing better citizens for our world.

—Two Future Wives

Letter to the Editor:

I have talked to many students who feel that the constitution should provide for the statement of specific duties of the rally chairman of each unit (I, II, III).

I believe that this is an excellent idea, because as the situation now stands, all of the duties fall on one person.

If we are to have equal distribution of duties, this suggestion should be followed.

ALICE CALL

Letter to the Editor:

Most students know what they want to major in in college, but how do they go about obtaining it? I believe a little more effort could be expended in helping students choose their courses of instruction. Usually they give you a sheet of classes to choose from and say go to it. It's not so bad for upper division students, but beginning Einsteins are usually helpless. A little more help and explanation in choosing a course of study would save a lot of money.

JOHN TROUP

## Five Helpful Hints For Veterans

## FIVE HELPFUL HINTS

Five "helpful hints" for veterans who wish to reinstate lapsed National Service Life Insurance term policies were offered today by Insurance Service of Veterans Administration Branch 12 area (California, Arizona, Nevada and Hawaii.)

They are:

1. If possible, the policy should be reinstated before it has been lapsed longer than three months. In most cases, early reinstatements make qualifying physical examinations unnecessary.

2. All questions on the reinstatement application should be answered. Failure to do so means a delay in regaining insurance protection.

3. The application must be dated. If not dated, it is not valid.

4. The application must be mailed to VA within five days. If the postmark is later than five days of the date on the application, a new form will be required.

5. Two monthly payments required for reinstatement must accompany the application. Without premium payments, VA cannot reinstate the insurance.

## First Occupational Reports

Mr. Ralph Wentz, of the Business Education Office on south campus, has announced that the first reports have been made on the Occupational Survey taken last year.

Approximate population of the area surveyed, which was the Stockton School District, was 93,000. Of this number 44 per cent or 41,000 persons are employed. Thirteen thousand of these persons were employed in distributive occupations, which is the handling of goods and service, and seven thousand were employed in offices. This is a total of 49 per cent of the working population in either office or distributive work.

Further calculations will be made by the Survey Committee.

## SKI NEWS

By HENNEY

Eddie Kauppilla, Bob Wilson, Roger Wickman, Bob Bondshu, Bob McMahon, and Bill Murphy, entered the guest slalom race, sponsored by the Yosemite Winter Club, last Saturday, January 15. Bob Wilson, captain of the team, clipped off the seconds to bring home the fastest time among the team members for one run and Eddie Kauppilla was clocked for the fastest combined time for two runs. Other official results have not been released. The six men mentioned have been released as the official COP team.

Bill Murphy, the newest addition to the team, is a Badger Pass man, and is a downhill-slalom specialist. The team will travel to Reno Saturday to enter the Reno Ski Club's giant slalom and jumping meet. This will be the team's first big meet of the season, so wish them lots of luck.

The next regular meeting of the Pacific Ski Club will be held Monday, January 24 at 7:30 in room 109 Bannister Hall. The Club will start plans for a trip to Mt. Rosebowl in Nevada.

The Hostel Club will hold a meeting Thursday, January 20, in

Busily working on the sets for the Pacific production "Dark of the Moon" are Penny Fitzgerald, Barbara Rowley, Joe Hinman and Claire Billesbaugh.

## Anderson "Y" Holds Election; Mo Hess Chosen President of New Executive Board

The election of officers to head the Anderson "Y" center for the coming semester was held last Friday, January 14. Those elected to direct the activities of the center were:

## STOCKTON COLLEGE GIRL WINS PRIZE

Gloria Davis, 11th grade student at Stockton College, won out over two of her fellow students to win the local Lions Club speaking contest, January 18. She will represent the Stockton Club in future zone and regional contests.

Miss Davis was presented a check for \$10 while checks of \$7.50 were given to Marilyn Chew and May Huey, who also competed.

The winning speaker's topic was "The United Nations — Safe-guard of Human Liberty."

Judges of the contest were Barthol Pearce, Walter Riatt and Charles Bottarini.

the Anderson "Y" center for the purpose of planning a snow trip.

Professor — "If molecules can be split into atoms and atoms can be broken up into electrons, can electrons be split any farther?"

Student — "Well, you might try mailing some in a package marked 'Fragile'."

MO HESS

## Six-Legged Racers

Want to place a bet on a fast-hopping grasshopper? Grasshopper racing may seem to be a queer sport, but a certain student in this school thinks that it is a very fine sport, for he was the winner of the "Derby" that was held yesterday on the lawn behind the tennis courts.

The principals in this "derby" were two grasshoppers that were found on the campus. Bets were made and sticks were used to induce the grasshoppers to jump. Cheers came from an enthusiastic crowd whenever one of the six-legged creatures jumped. The bigger grasshopper, "Citation," irked its owner very much because it didn't seem to want to win. It just wasn't in the mood for a race. The owner of "Citation" cursed and cursed, but "Citation" just wouldn't move. Finally, as the smaller insect was about to cross the finish line, the owner gave "Citation" a kick that sent him over the goal. This act immediately disqualified him because kicking grasshoppers isn't cricket.

"How is Joe getting along at the hospital?"

"He is doing fine, but he won't be out as soon as we thought he would."

"Have you seen his doctor?"

"No, but I have seen his nurse."

### "Cold Inside and Out"

It is cold out, Lord, and too,  
our hearts are cold

Cold toward the hungry,  
poor, and old.

We go our smug way,  
thinking only of how much—

How we can profit,  
at a cost to someone else.

We have clothing, food,  
warmth, and shelter fair;

About our brother,  
less fortunate, we do not care.

If his face be dark or skin  
some other hue than white

We feel that he is not worthy  
of us — quite.

Oh, God, when will we see  
the vision of one race,  
one church, one faith —

A Faith in Thee, and Thee alone  
Not wandering to Gods

of other worth

But being concerned, to bring  
Thy Kingdom here on earth.

Yea, Lord, we are cold with  
hearts as hard as stone

Those hearts can be melted  
but by Thee alone.

If we are warmed at last  
to see Thy light,

There may be hope that

the world can be made right  
Right for the Negro,

Right for the Oriental;  
Right for every living son

of Thee,

be he Catholic, Protestant,  
or Jew.

That day will come  
It can

It must,  
But it will come only when —

We go to Thee, Oh Lord.

Amen.

—F. Spencer Rodda

In addition to these, the College has for many years been authorized to credential students for the General Elementary Credential; the General Secondary Credential; the Special Secondary Credential in Art, Music and Physical Education; the Supervisory Credentials in the specific subject fields; and the Elementary and Secondary Administration Credentials.

Question: I am a World War II veteran and wish to go in business. Must I have experience in the business in order to get a G-I loan?

Answer: Experience is an important element in the success of the average business. You should be able to show a reasonable expectation of success in your venture in order to get your loan.

### It's Hard to Leave a Land of Palm Trees; It's Hard to Come Back to Finals

By LOIS RIGLIN

After a three week's stay in the Philippines where she was visiting her aunt, Lois Pinkham, Stockton College student, was not especially eager to return to school and finals.

The excitement of the trip began when she left San Francisco by plane — it was her first time up in a plane and "It was wonderful. I don't know how to describe it. It didn't look as if we were moving at all we were going so fast."

At the first stop in Honolulu, the city "Looked just like all the travel ads," but at Wake Island, (attention girls) Lois discovered a WOMAN'S PARADISE with a population of about 300 men, and only nine or ten women. To further add to the attractiveness were white choral sand beaches, blue ocean, and green tropical foliage.

At Guam, the last stop before reaching the Philippines, the plane passengers were welcomed by a tropical storm, and then after a day and a half of travel, arrived in the Philippines.

Lois explained that her visit was during the cold season when it was only 85 degrees in the shade, but it still took her a while to get used to the hot, humid, yet dusty climate. When asked what she thought about Manila, Lois replied, "From all reports, Manila had been a beautiful place before the war, but now it is bombed flat." Many of the buildings had been reconstructed, as had her aunt's home where she stayed.

The political situation was described as being very poor. The population is governing themselves for the first time, (they achieved their independence from the U.S. in 1946) and there is no real force behind the government as yet. They have not been able to fully adjust the governing body, and a few people are in control of politics.

When asked about the people, Lois said that much of the population of natives have poor living conditions. They live in squatters' shacks built of scrap material which the army left behind, and have no sanitation or electricity. The majority of these natives work principally as servants or scavengers.

Lois told about visiting a beautiful old Cathedral, where, as she walked up the front steps, a scavenger was at work taking out the marble of the front steps to resell.

The rest of the natives, however, live in nice homes and are well-dressed, proud and independent people. They own businesses of their own, or work for the

LOIS PINKHAM

government. Social discrimination is evident, however, between the Filipino natives and the Americans. Politically and in a business way, the two races deal together on an equal basis, but socially, intermingling is not accepted — even by the Filipinos themselves.

During her stay in the Philippines, Lois visited many places of interest. She flew to Baguio, a beautiful summer resort; visited the copper and gold mine at Leponto; went to Tagaytay, in the mountains looking down over the Chinese Sea; and attended a reception and ball at the Presidential Palace, where she shook hands with the President.

On the trip back to San Francisco, all but eight of the plane passengers were Chinese refugees who were fleeing from the threat of Communist control of Shanghai. Except for a four-hour delay on Wake Island due to motor trouble, the trip was uneventful, and when asked what she thought upon landing once again in San Francisco, Lois replied, "I was sorry it had to end so soon, and I'm looking forward to the next time when I'll have the opportunity to visit the Philippines."

Although veterans have the right to apply for compensation at any time during their lives, the number of living veterans on VA compensation and pension rolls has decreased during each of the past 17 months. From May, 1947, to October, 1948, there was a decrease of some 63,000 cases.

### Teaching Credentials Added To Pacific's List

The School of Education of the College of the Pacific has been accredited to recommend three new credentials authorizing public school service.

Official notification of this honor was received by College President Robert E. Burns from the State Board of Education, according to information from J. Marc Jantzen, Dean of the School of Education of the College of the Pacific.

Dr. Jantzen states that this authorization permits the School of Education of the College to prepare teachers for mentally retarded children, school psychologists, and school psychometrists — those who study speed and precision of mental processes.

#### STARTED AT C.O.P.

Recent legislation started this program in the California Public Schools in the fall of 1948, and the College of the Pacific was the first California collegiate institution to be visited by a committee representing the State Board of Education relative to these credentials.

Dr. Jantzen reveals that he al-

ready has several candidates working for these credentials. The School of Education at present has nearly 400 full-time upper division and graduate students working for one of the several credentials.

During Dean Jantzen's five years as administrative head of the School of Education, the following new credentials have been added to the list at the College of the Pacific: Special Secondary Credentials in Homemaking, in Speech Arts and Speech correction; and Attendance Officer Credential.

## A CHARACTER TOOK THEIR PLACES

Picture a basketball game; fighting teams; an eager crowd; lots of spirit, but what's missing? You've guessed it, Pacific's yell leaders.

But wait! What's this? Some character has come bounding out before the crowd, and, during the intermission he really peps up the team with some heretofore unknown Pacific yells.

This stranger is good and he's funny, but, SO ARE OUR OWN YELL LEADERS. Where are they? Surely Pacific's fighting spirit doesn't cease at the close of football season.

It is our belief, and we feel sure that Pacific basketball fans will agree; our team needs all the backing we can give them.

What about it, cheer leaders, are you going to allow a novice to take your rightful place as propagators of pandemonium.

And while we're on the subject of basketball, we've suddenly realized that we've seen neither hide nor hair of our band which used to appear regularly at the games.

Sure would be nice to see that gymnasium again packed to the rafters with Pacific fans.

## OPINIONS ON UMT

By DON DRAGOO

In this Atomic age when the threat of hostile forces impairs our national well being, we, as citizens of a free and democratic nation, are confronted with the problem of national preparedness. There are a great many members of our society who feel that this national preparedness will come to be through the medium of Universal Military Training. There are others who feel just as strongly that U.M.T. is not the answer and that the enforcement of Military Training will prove to be very detrimental to the youth of our nation.

Since the enactment of the Universal Military Training act will affect, directly or indirectly, a great many of us, we of the Weekly staff are directing an on campus investigation on this subject in a series of seven articles that we hope will afford you additional information and opinions that would otherwise go unnoticed. This information and opinions originate from Robert Burns, President of the College of Pacific; Edward Betz, Dean of Men, College of Pacific and Stockton College; Phil Garlington, Dean of 11th and 12th grades, Stockton College; Dr. Carl Voltmer, C.O.P. Athletic Department; several veterans now attending college, and several non-veterans now in high school and college who will be affected by the act. At the end of this series of articles we will summarize the opinions and information gathered and attempt to draw some logical solutions.

### DEAN BETZ SPEAKS

"First I would like to impress upon you that the opinions I am giving here are my own personal ones and do not necessarily quote a policy of the administration of the college," said Dean Betz in qualifying his statements, and then continued: "I do not believe that our country would be in a better position to defend itself because of Universal Military Training. History has shown that no country, when accosted by hostile forces, has survived successfully because of Universal Military Training. France, who for years prior to the recent world-wide conflict demanded a great reserve force of trained men, completely disintegrated when this reserve force was pressed into service. U.M.T. did not save Germany in either World War, and it certainly proved inadequate for Italy in 1942 and 1943. The Japanese did not survive the war with their versions of Universal Military Training."

Dean Betz also could not agree with those who claim that U.M.T. will advance educational standards in college, saying one cannot make a favorable comparison of the mental attitudes of the veteran of the war-time service and the veteran of the U.M.T. There are many factors to be taken into consideration, he said. The veterans of war-time service returned to the nation's camp in a much older mental and physical condition than would be possible to achieve during service in U.M.T. Some of them returned married and were up to accepting their adult responsibilities.

## Heads and Tales

By E. BORROR

Senate President Bob Wilson has advised that group of officers to follow a very practical plan of action. Before classes and student activities take up for Spring semester, the officers were asked to stop and review their duties. They are to re-read the constitution and remind themselves of the part each individual plays in accomplishing the goal set for Student Government.

Jayne Anderson, Commissioner of Organizations, submitted her resignation to the Senate, as she will be living in Oakland next semester. We wish her success there — she has proved herself capable here at Pacific.

If you have ever had the compelling desire to smash those glass-doored bulletin boards over by the Student Body Office and put up a little announcement, this is for you. A bulletin board for public use will be placed between the End Zone and the offices before long. In the meantime try to restrain such destructive tendencies, please!

Do you know this is basketball season? Do you realize the team has been playing basketball games? Apparently not.

If you happen to be around on registration day February 3, it will be the first day on which you can get the new Student Body card. Sales will continue the following week also.

Ever heard of the Bengal Bulletin? (Don't look now...)

Congratulations to Sheldon Nicolaysen Representative - at-large, Unit II, and Rex Mull on winning the Debate Championship.

More news, same column next semester. Hope to find your eyes here again.

## WHO DUNNIT?

Three weeks ago five men were arguing about the war. One of the five shot and killed one of the group. Name the Murderer and the Victim from the following data:

Dave played five sets of tennis with one of the innocent men yesterday morning.

The murderer is Arthur's brother. They grew up together. Edwin was interested in mathematics.

Charlie, who is a crack tennis player, used to be a bridge expert. Edwin never saw Arthur's mother.

The murderer was operated on for appendicitis ten days ago.

Ben met Arthur for the first time only four weeks ago.

Arthur has been at his mother's ever since the murder.

Dave used to be a concert pianist.

Ben and Charlie played bridge yesterday.

— Answer Next Issue —

A nautical mile is 1.152 statute miles.

Many of them returned much more susceptible to educational opportunities.

Military service also has the infamous responsibility of the "just getting by" and "anything is okay if you can get away with it" attitudes carried by many veterans. The veterans of these groups seldom come to college, but those few that do are the source of bad feeling toward the great majority of veterans who are faithfully making something of themselves.

"Education is one of the greatest virtues of man," said Betz. "We should keep our youth in educational institutions where they may learn to accept the responsibilities of living with their fellows. The little that they would gain from military service would be greatly over-shadowed by the amount they would gain from the same length of time spent in college."

## DRAMA SPOTS

By JERRY MULLIN

### ATTENTION READERS:

For the benefit of the uninformed, the chapel glee club has not moved over to the theatre; it is just the cast of "Dark of the Moon" practicing on their revival scene, a definite high point in the show. With all the singers, on and off key, musicians, and would-be musicians, plus spirituals, wandering souls are libel to gather the wrong impression.

### IMPRESSIONS

Thought I'd pass on to you a few ideas about the show, Dark of the Moon, that I gathered from Rob Dickerson, the leading man. "In my opinion it is one of the most terrific shows we have ever attempted at Pacific. It has everything in the entertainment way, such as: dancing, singing, comedy, drama, and romance. From an actor's standpoint, it is has everything you could possibly ask for as it calls upon your entire array of emotions. This show has a certain fever which takes hold of its participants and its viewers that I'm sure will also be caught up by our audience."

Incidentally, just in case we haven't mentioned it before, the show opens Saturday night, Feb. 12, and also plays Thursday, Friday, and Saturday night of the following week. Tickets will go on sale the first week of the coming spring semester.

### OTHER HIGHLIGHTS

The next studio production,

"Margret Flemming," under the direction of student director Eileen Norton has completed casting and is now in its first week of rehearsal. Advocates of beauty, and who isn't, will be pleased to learn that the leading role is going to be handled by Reba Watterson. Reba, who is no newcomer to Pacific drama, is certainly a welcome sight around the theatre to all her friends who have been waiting for her commitments to end to allow her the opportunity to do some drama. For her friends, we say, "Welcome back, Reba, to the grease-paint and work."

Playing opposite Reba, will be Glen Huling; who just finished a fine job in "Power Without Glory." Also in the cast will be two of the "Rip Van Winkle" players, Neil Whitman and John Cretan. A couple of the new comers will be Virginia Grattone and Carol Anderson.

### DARK (OF THE MOON) LOOKS

Barbara Rowley and Marcia Lou Brown are now referred to as witches. Dave Gerber becomes a strong back and a weak mind. Penny Fitzgerald switches to a solo vocalist. Bob Culp changes majors, and Hal Sherman takes up the guitar. And we feel it is time to say, that's all.

A hurricane is a wind that blows above 75 miles per hour.

## THIS IS COLLEGE

... By TED TOOMAY

## YOU'RE BATS

QUESTION: On what priority basis is a World War I veteran admitted to a Veterans Administration hospital?

ANSWER: Emergency cases have first priority; those suffering from injuries incurred in or aggravated by wartime service are next on the priority list, and those who swear they are unable to pay hospital charges for non-service-connected disabilities or illnesses are third. The latter must wait until a bed is available.
