My dear Johnson.

Here are two helpful clippings
in the midst of gloomy forest clouds
What do you think of the new Magazine
The Forester of the Am. Forestry Assoc.
I don't like the tone of it so far
proving the benefit of sheep in
forests, the mistakes of the Academy
Com. etc. Pinchot seems to have
fallen into the arms of politicians -
I wish you would write a forestry
editorial for the Century & get
Sargent to write another. The
reservations made by Cleveland last
year will soon be up again in Congress
With best wishes ever
Yrs John Muir
