Martinez, June, 8th 1848.

My dear Sellers.

I had a charming group of mountain days in the Sierra & Washoe mountains after I left you, but I was too early for the fir flowers I was seeking. I have just returned from a weeks trip to Mt Shasta & the Scott Mountain West of Sisson's but have again failed to find the magnificent flowers. I had a good time however in the snow & bracing air. I saw Keith yesterday & found him about as well as usual & greatly enjoying the Nicotiana you sent him, Mine also came to hand & is very fine. I may possibly drift East sometime this summer, attracted by the Atlantic forests. Trusting that the giraffe is gone & all is well with you I am cordially Yours John Muir
