### Gymnastic Variety Show to Help Send Track Team to Drake Relay

Two hours of gymnastic skill, interspersed with clown acts and top town and college dramatic and musical talent will be combined to form a huge Gymnastic and Variety Show, Saturday, March 11, at 8 p.m. in the C.O.P. gym.

One-half of the two-hour exhibition will be athletic feats staged on parallel bars, high bars, rings and trampoline. Tumbling will also be included. The other half, will be devoted to acts and skits from well-known persons on and off campus.

All proceeds of this show will be used to send the track relay teams to the Drake Relays at Des Moines, Iowa.

The Drake Relays mean the same thing to track as the Rose Bowl does to football; the best collegiate teams from all parts of the United States compete in this contest. Pacific's two relay teams are on a par with any of these. Last year the mile team broke the CCAA conference record. This year's team is much faster and its size has been augmented by the forming of a two-mile team, which is equal to any mile team. The Drake Relays is the goal for which the track squad has been building these many years.

It will cost over \$1,000 to send the two teams to Drake. The C.O.P.-S.C. track budget is sufficient to carry only its own schedule. So the athletic department has arranged a top-notch show not only to raise money for the event but to give students something special for their money.

The week of March 6-10 has been designated as Tag Week on campus — Drake Relay Tags. Purchaseable from track men, the cardboard tags are 50 cents each and may be exchanged for tickets at the box office just preceding the "show."

Pacific's contestants for the relays are Richard Butler, Glenn Cope, Preston Garmire, Mo Hess, Rayce Mason, Howie Stokes, Eddie Macon, and Jack Kirkpatrick.

Students are urged to buy tags and to look in next week's issue of the Weekly for a complete list of program events for the March 11 show.

### Vandals Again Smash Bookstore Window

Once more vandals have smashed a window in the College Book Store. Two weeks ago a brick was tossed through the west window. Friday night it was a beer bottle through the large pane on the east side.

### Sport Stomp Billed for Friday

By DICK CANNON

"HARLEM" is the theme of the Federated Student Association Sport Dance, scheduled for Friday, March 10th, at the Palladium. The Forrest Long Band will furnish red hot music from 8:00 to 12:00. Admittance is by Federated Student Association card only.

This is the second of the F.S.A. dances being tossed this semester, and since the Valentine Hop served as a "get-acquainted" affair, a larger turnout of couples is expected. Stags may attend, but as the spring comes on (a young man's fancy, etc.) it shouldn't be too hard to round up a date.

Mary Ann Paddock is General Chairman and is assisted by a competent staff, including Beverly Walters, chairman of the Program Committee (it's a program dance, bub), and Joyce Brooks, Social Chairman.

Joyce, in an interview, declared that, though this is a Sport Dance, levis will not be acceptable attire. She further stated that anyone desiring information about the blow-out may call her at South Hall.

However, this positively does not mean that she will furnish dates. Your reporter discovered this, for, when he was about to ask her for one, she very rudely hung up and refused to come to the phone thereafter. But she is willing to act as the Emily Post for the Stomp, and those students wanting to know the scoop on proper procedure should call her. If she isn't at South Hall, keep on trying and you may catch her on the fly.

The Palladium should be jam-packed for this brawl for you are definitely invited to:

Bring your spouse or your sweetheart

Or come all alone  
If you're there we'll be glad  
But if not, we won't moan.  
Have your hair in a braid  
For the music's down beat  
Formality none

(But at least wash your feet).

Epsilon Lambda Sigma, shown above, presented "Dreamer's Holiday" Wednesday night in the Band Frolic elimination skits. Girls, girls, girls in white shorts and paper hats will cavort again tonight — whoopee!

### Finalists Compete Tonite in Band Frolic Program; Pacific Band to Present First Part of Show

By FELISA CAPILO

Five on-campus groups will vie for first-place honors in the Conservatory tonight at 8:15 when the final rounds of the annual Band Frolic will take place. Of the 14 acts which were presented last Wednesday night, the five who will participate in tonight's finals are Alpha Kappa Phi, Epsilon Lambda Sigma, Omega Phi Alpha, Rho Lambda Phi, and Tau Kappa Kappa. A gold cup along with other prizes will be awarded to the winners.

Playing before a jam-packed auditorium the various participants gave out with effective scenery, music, and routines — not to mention the accompanying few off-color remarks now and then.

Epsilon's "Dreamer's Holiday," outstanding in costuming, setting, and music, told the story of a little girl's trip through Make-Believe Land. Archania, with "Going Home," presented a Civil War setting, and Tau Kappa took the audience "Inside U.S.A." The now-famous Rhizomia trademark, The Outhouse, stood prominent on the stage as they did a take-off on a well-known motion picture. The skit was entitled "All The Dean's Men." Not to be outdone, Omega Phi came out with "Sahara-Zad", complete with band, chorus, and the annual visitation of the "By-The-Sea" Boys.

Other groups who participated in the Frolic last Wednesday evening but will not take part in the final rounds are Alpha Epsilon Omicron, "100 Years of Pacific"; North Hall, "North Hall Presents Culture"; Mu Zeta Rho, "The Mews of Tin Can Alley";

(Continued on page 3)

### 'Sell Scrip to Buy a Future' Theme For Big Promotion Project '\$50,000 Or Else' Says Committee

Unless \$50,000 is raised in the next two weeks the proposed stadium for Knoles Field will not be built! Therefore "Sell a Scrip To Buy a Future" will be the Golden Rule for every campus guy 'n gal from March 1-18. Each college student is being asked to sell at least one \$100 scrip during

the drive. The student stadium scrip drive has been organized by representatives of the Stockton Chamber of Commerce and Federated Students.

The importance of the new 35,000 seat stadium is obvious to every college student and Stockton citizen. Thus committeemen of the two organizations feel it is the responsibility of both students and the public to share the financial promotion of the highly publicized project.

### MARCH 15 IS THE NIGHT

The stadium scrip drive will climax on March 15. That night an "all out campaign" will take place. Continuous radio publicity during the day will prepare the public for the night's activities. College students will scour the city, door to door, selling scrip, between 7-10 P.M. Chamber of Commerce members will be working "check book to check book" with "stadium salesmen". Returns and results of the campaign will be centered at the Federated Student Building, on the College of Pacific campus, during the evening. KAE0 will operate a live radio set up interviewing the workers and subscribers. Even downtown traffic will be "blocked" to create curiosity and interest over the stadium, "dream" of every local football fan.

### DAVE GERBER SPEAKS

Dave Gerber, College of Pacific Publicity Commissioner, spoke for the scrip drive committee. "We feel that the students themselves should be highly enthused over the terrific opportunity that is just \$50,000 away. If they realized that a new stadium would:

1. Put us on a national plane in athletics
2. Help College of Pacific financially
3. Create strong campus life as proven during the past season.

Then every college man and woman would "fight to the finish" to raise the needed money.

### STUDENTS ASSIGNED SCRIP

Students will be assigned scrips through their living groups or other organization. Fraternities and sororities will notify alumni and the Chamber of Commerce will contact all names on their prospective list. A general grand prize will be awarded the group selling the most scrip. An additional prize will be given the individual selling the greatest amount of scrip.

Not long ago the battlecry was "LeBaron for All American" . . . now let's see if Pacific can again make the headlines with SELL A SCRIP TO BUY A FUTURE!!

# TAG WEEK ON CAMPUS

## SPUR DELEGATES ATTEND NATIONAL L. A. CONFAB

More than 100 Spurs, members of the National Sophomore Women's Honorary Society, welcomed the first representatives from this campus to attend a Spur convention. The four Spurs with their advisor, Miss Harriet Monroe, met representatives from three states at the Regional Spur Convention held at UCLA last Friday and Saturday.

Highlight for Stockton representatives was the decision to recommend their group, now a probationary chapter, for honorary membership in National Spurs. This is the goal the group has been working toward since its organization last semester. Members of National Spurs from U.C.L.A., University of Arizona, University of New Mexico, U.S.C., U. of Calif. at Santa Barbara, and U. of Redlands, made the decision on the basis of attitude, interest and character of the girls in the group.

Attending the convention were

the president, Jane Moore; vice president, Luramae Saunders; recording secretary, Edie Fincher; and Beverley Carpenter, who was formerly president. Although they were the only group not in National Spurs, all activities and privileges, except voting, were open to them. White sweaters and skirts with large spur and school colors were worn by National Spurs. These uniforms, worn by Spurs each Monday, distinguish girls who serve their schools.

The greatest consumer of boron materials is the glass container industry.

## Students Leave For Radio Meet

Leaving Wednesday, March 1, for the third annual Western Radio Conference in Seattle, Washington, were four representatives of KAEQ, and the Intercollegiate Broadcasting System.

Included in this group were: Worley Evans, head of the Continuity Department at KAEQ; Gene Law, his assistant; John Witherspoon, Program Manager at KAEQ; and Mrs. Marilyn Livingstone, Program Manager at KCVN. Mr. John Crabbe, Director of Radio on the campus, is also attending the conference.

Other stations being represented are KTRU, of U.S.C., and KBYU, of Brigham Young University. Both commercial and educational radio and networks are attending the conference.

C.O.P.'s representatives are planning on making tape recordings at the conference, which will be broadcast over station KAEQ sometime next week.

## Sign-ups Open for Death Valley Expedition Say Bawden, Jonte

Sign-ups are now open for the 1950 Death Valley Expedition.

Dates set for this 14th annual tour to Death Valley and the Mojave Desert region are April 1-8, inclusive, announced Dr. A. T. Bawden and Professor J. H. Jonte, directors of the expedition, recently.

Participation in the trip is open to students and faculty, their friends and families. The tour, which is primarily educational in character, will cover about 1300 miles.

This year for the first time the group will travel by bus. Schedules of the different busses will vary somewhat in accordance with the academic interests of those in each group. Every traveler will have certain responsibilities a limited part of the time. This cooperative organization is for the purpose of cutting costs.

The fee for the trip is \$57, exclusive of incidental expenses or tuition for those taking courses for credit. As every year more people apply than can be accommodated, acceptance will be in the order in which complete payments are received. Over 50 applications have already come in. The registration fee is \$5; the complete fee must be paid before March 17.

Those desiring course credit who did not sign up for credit at the beginning of the semester should check immediately with the chairman of the department in which they plan to enroll.

A limited number of men students who have had previous experience on the Death Valley Expedition may serve as members of the Gravy Crew in lieu of payment. These students make preparations for the trip and help set up camp and prepare meals en route. Membership of this group is also limited, so it is suggested that application be turned in immediately by those interested.

Faculty members and other leaders of the 1950 tour will be Carl Berryman, Lloyd Berthoff, Edward Betz, John Blinn, Burke Bradley, Emerson Cobb, George Eby, Malcolm Eiselen, Lloyd Sweetman, Allen Waldo, Herbert Welch, and Richard Yip.

A few of the points of interest to be visited by the group include the Kern River and Red Rock Canyons; a plant of the American Potash and Chemical Corporation; Scotty's Castle; a ghost town at Rhyolite; Bad Water, the lowest point in the United States; the Furnace Creek Lodge; and Owen's Lake.

## Vacation Jobs Now Available

Students wishing to make a little extra dough during Easter Vacation might do well to see the Census Director for this district.

The heaviest part of the work will start April 1st, co-incidental with COP Easter Vacation, and intelligent workers are needed.

The work isn't too hard, and the pay is good. Preference is being given to veterans, but others are being considered.

The Director for this district is Mr. Bridgeford, and he can be reached through the State Employment Office at 111 S. Sutter Street.

# 'THE FATHER' NEXT STUDIO PRODUCTION

## Dickerson Takes Directing Honor

Opening in the Studio Theatre directly below the main stage at Pacific Theatre is August Strinberg's *The Father*, under the direction of Rob Dickerson. The dates for the production are March 9, 10 and 11 with all curtains at 8 p.m. This is the fourth in the current series of Modern European plays being directed here this year.

Now on Broadway with Raymond Massey, the production has been seen by both European and American audiences. This play is one of the first to dramatize the intricacies of what the psychologists term sex antagonism.

Featured in the leading roles are Bill Cunningham, as the Father; Bettie Gall as Laura, his wife; Marion Cramer, as the child, Bertha; Willard Clarke as the brother of Laura and Pastor; Max Huber as the Doctor; and Virginia Graham as the old family nurse. Others in the cast are Ronnie Hull and Rod Kling and Eileen Russel.

Reservations may now be made at the Pacific Theatre box office by phoning 2-8676, or at the door on the night of performance.

## Sculpture Show Honors Wilson

Bob Wilson, former College of the Pacific FSA president, has recently been honored by the exhibition of one of his sculptures in the 69th annual show of the San Francisco Art Association.

According to Mr. Richard Reynolds, Chairman of the COP Art Department, only 50 works of this type were chosen from over 1000 entries of professional artists in the fields of sculpture and oil painting. Bob was an art major at COP; he is now doing graduate work at the Art Center School in Los Angeles as a student of industrial design.

Bob's work, a figure of a bird in red sandstone, will be on exhibition at the San Francisco Museum of Art until March 12.

## More Band Frolic

(Continued from Page One)

Alpha Theta Tau, "In the Congo"; West Hall, "Tin Pan Alley"; Orchestras, "Mr. Shakespeare Takes a Holiday"; Zeta Phi, "In a Doll House"; Phi Mu Alphas Sinfonia, "Man Wrote a Song"; and South Hall, "Tough Stuff."

Prior to the presentation of the skits tonight, the College of the Pacific-Stockton College band will give a concert by presenting the following selections:

March, Op. 99.....Prokofieff  
Pavane.....Ravel  
Bolero.....Mozzkowski  
Coronation Scene from  
"Boris Godounov"  
.....Moussorgsky  
Concertino, Clarinet Solo  
.....C. M. von Weber  
(John Rando, Soloist)  
American Folk Rhapsody  
.....Grundman

South Pacific  
.....Rodgers-Hammerstein  
Bandwagon March  
.....Donald I. Moore

Dr. Leon Minear, Stockton College president; Harold Noble, and Mrs. Langley Collis will judge the five finalists.

## John Raitt Vocalizes Here Wednesday Night

Only three shopping days left until the John Raitt concert.

Tickets are still on sale for \$1 each in blocks of ten or more to members of the College of the Pacific and Stockton College student-bodies. Single seats are \$2.42

JOHN RAITT

\$1.82 and \$1.22 for the concert which will be given next Wednesday evening at 8:30 p.m. in the COP Conservatory under the auspices of the Anderson Y Center.

This will be the third appearance of the famous acting singer on the college campus. Since his last show here John has starred in a Los Angeles production of Romberg's "New Moon", and he will soon begin rehearsals for a new Broadway show. Based on the novel "Bowl of Brass", this musical will do for Kansas what another show in which John starred did for Oklahoma. Charlotte Greenwood and Ben Blue, long hits on the United States stage, will co-star with Raitt in this new production.

After the program Wednesday, a reception will be held for the singer in Anderson Hall.

## Men's Y Members Set Plans for Meeting

Members of the Men's Y Center have planned their second meeting of the semester for March 20.

The topic for discussion will be "Maturity in Boy-Girl Relations". The meeting will be held in Anderson Y Center. All men on both the COP and SC campuses are welcome to attend.

Refreshments will be served.

## Radio Highlights

By JERRY MULLIN

Our spotlight swings this week to one John Witherspoon, writer and producer extraordinary. John is a tall, thin, good-looking junior from Modesto.

At Modesto, he was editor of his high school paper and also editor of the Modesto JC "Collegian." At JC, he became interested in radio as his first love. So he decided to come to COP upon graduation from JC. Money might have been an obstacle but his Alpha Gamma Sigma scholarship for a 2.9 average eliminated that obstacle.

His first semester here was sufficient time to impress the populace with his abilities. He moved right into one of the more difficult writing assignments on Event of the Week. He also managed to get in enough other work to qualify for membership into Alpha Epsilon Omicron.

This semester he is engaged again on the writing of "Event of the Week," KAEQ Tuesday night at 7:45, and also as producer of the show. His other major chore consists of program director of KAEQ.

Also included in his various and sundry duties is KAEQ's Junior representative to Inter-collegiate Broadcasting System meetings. One such meeting he will attend along with various others from the station this week-end in Seattle, Washington.

Not content with a full time career in radio, he is also planning another full time career. He takes the big leap this summer when he joins the ball and chain ranks.

But Pacific has made its influence felt on John, he came here a brilliant student with his 2.9; but it didn't last. No alas, after a strenuous season with radio John's average has dropped. Now, he's only got a 2.5 — such a life.

Federal forest reserves were the forerunners of the present system of national forests.

Livestock accounted for 37 per cent of the total farm income in California in 1948.

Mary Nelson, President of Epsilon, knows the value of "IS THIS YOUR LIFE?" do you? Listen to—

**"IS THIS YOUR LIFE?"**

over KAEQ your campus station, Tuesday night at 8:30

## Los Angeles Alumni Association To Hold Meeting At Figueroa Hotel

On March 11, 1950, the COP Los Angeles Alumni Association is holding a meeting at the Figueroa Hotel.

Commencing at 10:30 A.M. the program is as follows: 10:30 A.M. Alumni Registration; 11:00 A.M. Dr. Werner, who has recently returned from Europe, will speak on Observations of a Globetrotter;

12:15 P.M. Luncheon in Figueroa Hotel Dining Room (\$1.00); 1:45 P.M. Virginia Short speaking on "Bach, 200 Years After"; 3:00 P.M. The A Cappella Choir of the College of Pacific will perform; 3:45 P.M. Adjourn. If you are interested in attending this meeting, contact Joe Hodson in the Alumni office as soon as possible.

Any alumni of Pacific can participate in such functions by joining the new lifetime membership plan: \$5 a year for 10 years, or \$10 a year for 5 years. This can be paid by installments or in one lump sum. For married couples, if one is an alumnus of COP, the fee is \$7.50 a year for 10 years; after ten years the alumnus is a member for life.

All students who have attended Pacific or who have graduated from same are entitled to join. Plus meetings, this new membership plan entitles one to the receipt of the Pacific Weekly; The Pacific Review; admission to the Alumni Homecoming Dance; admission to the Mardi Gras May 13; and a newly added benefit for married couples, the receipt of a sterling silver baby spoon with a tommy tiger insignia on the handle, to be given to each baby born.

Recently the alumni of Sacramento held a meeting for that area and surrounding areas. Ernie Jorge, head line coach of the Tigers, narrated on the showing of the San Jose-Pacific game.

The next meeting of the Sacramento area will be held on April 5. If any alumnus is interested in attending, he may contact Bob Bovey, 2541 27th Street, Sacramento, California.

**I Came**

**I Saw**

**I Was Conquered**

By JOHN BEVANDA

At 10:25 A.M., I entered the swanky fountain and sat down on one of the plush seats at the counter. I knew there were people inside other than myself because I could hear them, but there was too much smoke to see. I blew the crumbs off the counter, picked up the menu and looked it over. I decided on a cup of coffee.

Then it was 10:30 A.M. A beautiful, but deliberately stupid waitress took my order. I admired her uniform. Why? Because it was a beautiful coffee color. It matched the coffee she later spilled across the counter to me.

I had to look twice at the cup to get the full beauty of it, it too, was coffee color. Slowly I added the sugar and watched the grains sink to the bottom. The spoon I stirred the coffee with was slightly bent but somehow I managed to maneuver the implement through the rapidly thickening brew. One look at the cream and I decided I could do without.

I took that first delicious sip of coffee. Gasp! My head reeled from the aroma, never before had I tasted such coffee.

The brew, the flavor, the smell, the grounds (oops), the entire thing made me pick up my check at 10:42 A.M. and without finishing my coffee run not walk to the rapidly filling exit. Thus was my first encounter with the End Zone.

# PACIFIC TO SWIM AT BEVERLY HILLS

## Pacific Track Season Opens With Annual Intramural Meet

Track season at the College of Pacific will start next Thursday March 9, and Friday, March 10, with the annual intramural meet.

Events scheduled for Thursday are as follows:

4:30—220 yard low hurdles Trials

Discus and high jump

4:35—880 yard run

4:45—220 yard dash (Trials)

5:00—2 mile run

5:15—220 yard low hurdles (Final)

5:30—220 yard dash (Finals)

Events scheduled for Friday are as follows:

4:30—120 yard high hurdles (Trials)

4:35—440 yard dash

4:45—100 yard dash (Trials) Javelin

5:00—120 yard high hurdles (Final)

5:15—100 yard dash (Final)

5:30—Mile run

5:40—880 yard relay

The following rules will apply to the meet: (1) lettermen and those on scholastic probation are not eligible to compete; (2) each organization may enter four men and compete three in each event. Anyone entered in the meet is eligible for the relay (four man, 220 yards each); (3) in the two-day meet a man may not compete in more than three events, exclusive of the relay. No one may compete in more than one race of 440 yards or longer in one day; (4) no man without adequate training may compete in events of 440 yards or longer. The coaches reserve the right to exclude any man who is not on the track squad; (5) points count 5, 3, 2, and 1 in each event for the track championship; (6) events will be run promptly as per schedule. "Warm Ups" should be taken early. Be there on time; and (7) all members of the track classes should compete. Meets are in the nature of tests in P.E. No. 66, No. 67, and No. 117.

The coaches expect the meet to be fast and several records to be broken because of the excellent weather which has allowed intensive practice.

## Pacific Sports

### Stockton College Meets Modesto JC to Decide Third Place Play-Off

The Stockton College hoop squad will play Modesto JC tomorrow night in the Pacific Pavilion to determine third place in the northern division of the NCJCC. The winner will join SFCC and San Mateo in the sectional tournament at Sacramento.

Modesto won the right to play Stockton by defeating Menlo, 49-42, last Wednesday. Regular season play ended with Stockton, Menlo, and Modesto tied for third with a 6-6 record.

During regular season play Stockton and Modesto split their two game series, each winning their home game. The Pirates dropped the Mustangs, 48-36, on the Modesto court and fell to the Stockton quint, 68-47, on the latter's home court.

Rod Detrick, Mustang center-forward, paced the scoring department with a season's total of 274 points. Other leading scorers were captain Del King, 183; Harlan Berndt, 148; Lee Kaupke, 169; and Paul Jacobs, 76. Gene Sosnick who was ineligible for the first semester of play ended the season with a total of 70 points in 10 games, an average of seven points per game.

#### SFCC DUMPED

Tonight in Auburn Placer JC will try to clinch the NCJCC crown by repeating their Wednesday night win over SFCC. Placer, winner of the Modesto Tournament, is the favored team.

If SFCC wins tonight's game, the third encounter will be played in Auburn tomorrow night. The Bay City quint is paced by Pat Boyle and Kevin Duggan while Jn Sergue and George Goto are the manstays of Coach Harry Aronson's Placer five.

Tentative starting line-ups for the Mustang-Modesto game will be as follows:

Berndt	F	Avina
Detrick	F	Reynolds
Jacobs	C	Hagen
Sosnick	G	Doan
King	G	Ustick

### PEARCE FIGHTS FOR REBOUND

### SOSNICK ELUDES PIRATE

### Santa Clara Broncos Seek Fourth Straight Win, Battle COP Nine

#### Howie Pearce Paces COP Hoop Scorers, Pfister Second

By MORRIS EDELSTEIN

Howie Pearce proved to be the tall man on the Totem Pole in more than one respect, as he led the Pacific cage team in the scoring department with 239 points. Breathing on Howie's neck for scoring honors was Hank Pfister with 235. Next was Jim Denton with 151, Corky Orteiz with 105, and Jim Enos with 55.

The hot and cold Tiger quintet lost fifteen games while only coming out on top in seven outings this last season. They scored 1069 points while our opponents racked up a total of 1254.

The absence of Bill Wirt, last year's star forward, was fatal to the team. Bill just began to hit his stride, meshing a 14 points per game average, when a broken ankle sidelined him for the remainder of the season.

Probably the most improved player on the squad was Howie Pearce, who developed a nice hook shot and whose 6 feet 8 inch frame ruled over the backboards.

Next year's team shows signs of promise with Bill Wirt, Howie Pearce, Jim Denton, and Britt Smith as the returning letterman.

Credit should go to Wally Jeff for his managing of the basketball team for the last three years.

Santa Clara U. will host the Tiger baseball squad in the Bengal's intercollegiate opener tomorrow at Washington Park in Santa Clara. To date, the Broncos boast a three win no loss record in games this season against semi-pro outfits, and are regarded as favorites to take the pennant in the strong California Intercollegiate Baseball Association.

Pacific baseball mentor Hugh McWilliams released a probable starting line-up for the Tiger horsehiders, consisting of Sonny Adkins at first base, Bobby Leighton or Matt Equonio at second, while Wally Dietrick will hold forth at the hot corner. Shortstop will see Buddy Jones in action, and left, center and right fields will be covered by Ken Rose, Chris Mooney, and Ray White respectively.

Handling McWilliams' mound chores will be Bob Gunskey, Sam West, and Jack Sandman. At the receiving end of their throws will be Lloyd Chelli.

Included in the veteran Santa Clara nine will be two St. Mary's of Stockton alumni, twin brothers Hal and Harvey Toso. Hal pitches and plays first base while Harvey holds forth at shortstop. The Toso brothers have the distinction of being the only set of twins in collegiate baseball.

The Bengal and Bronco nines will play a return game the following Saturday at Oak Park, here in Stockton.

## Pacific Swim Team Preps For Meet By Smashing San Jose State, 59-16

By ED POWELL

This weekend the Tigers are in Beverly Hills meeting the cream of western swimmers. To top the meet down Los Angeles way they will have to get by U.S.C., Stanford and Fullerton J.C. The Trojans were victors last year, but Fullerton on their 1950 record seems to be the team to watch.

Jon Stebbins, the red haired comet, smashed four records Wednesday afternoon as he led the COP Tigers to a 59-16 victory over the San Jose State Spartans in the Pacific Pool.

#### RECORDS BROKEN

Both the school and pool marks for the 100 and 200 yard breaststroke fell before his powerful butterfly stroke. In setting a new 100 yard mark of 1:01.3 Stebbins enabled the trio of Poucher, LaVelle and himself to set a new 300 yard medley relay mark of 2:58.4. This eclipsed the record set last year by Poucher, McMillen and Steel by two and five-tenths seconds.

His time in the 200 yard breaststroke of 2:22.4 smashed an eight year old COP record by two full seconds.

The Tigers took first places in eight events, lost one and shared another. Dick Cullenward breezed home first in the 220 and the 440 freestyles as expected, but received a scare from Pacific's Don Driggs in the 220.

Frank Poucher ran away with the 150-yard back-stroke as did Bob Steel in the 100 yard freestyle. Gene Nyquist took a strong second in the back-stroke and a utility third in the 440.

San Jose outclassed in most of the events took the diving as expected and pulled an upset tie for first in the 50 yard freestyle. Pat McConnell won the diving from Morrie Green of Pacific and George Haines tied Wayne LaVelle of Pacific in the sprint.

The 100 yard freestyle saw five contestants entered, one over the four man limit. An energetic brown cocker spaniel finished a poor fifth.

#### BOX SCORE

300-Medley—(1) COP (Poucher, Stebbins, LaVelle) time 2:58½

220 Freestyle—(1) Cullenward (CP), (2) Driggs (COP), (3) Lee (SJ), time 2:18.2

50 Freestyle—(1) tie between LaVelle (COP) Haines (SJ), (3) Brown (COP) time 25.5

Diving — (1) McConnell (SJ), (2) Green (COP), (3) Sherman (COP)

100 Freestyle—(1) Steel (COP), (2) Brown (COP), (3) Haines (SJ) time 54.2

150 Backstroke — (1) Poucher (COP), (2) Nyquist (COP), (3) Lebedeff (SJ) time 1:41

200 Breaststroke — (1) Stebbins (COP), (2) McMillen (COP), (3) Murray (SJ) time 2:22.4\*\*

440 Freestyle—(1) Cullenward (COP), (2) Lee (SJ), (3) Nyquist (COP) time 4:53.9

Four-Man Relay — (1) COP (Driggs, Brown, LaVelle, Steel) time 3:41.9

## FANNON THE BREEZE

By WILL FANNON

With the refusal of Villanova to comply with the NCAA sanity code, the question of its strength or lack of it comes up once again. Certain "liberal" institutions believe that the code is too strict while the "conservative" element of college athletics consider the code too lax. This leads to the question of the subsidization of athletes. Should subsidization of the athlete be a college policy or not?

Those who favor athletic subsidization point out the great amount of time that is required for an athlete to practice for his sport. Add to that his studies, and he will have a full day that will not possibly permit working for a small maintenance wage. The athlete who does not have the financial background to fulfill his monetary obligations may thus be deprived of a college education.

Those who oppose athletic subsidization cry at the thought of "professionalism" in college athletics. They say that an athlete should not be procured by any college but should go to the institution of his uninfluenced choice. The main proponents of this are the famed de-emphasizers of athletics from the Ivy League.

I believe that the present system of athletic scholarships with financial remuneration for odd jobs about the campus is adequate. It helps a financially deficient student with athletic ability through college and also frees college athletics of the legitimate accusation of "professionalism."

Professional charges will be constantly leveled against college athletics, but most of these charges are without basis and are mainly made by those who cannot compete with other colleges and thus level the charges to alibi their defeats.

### STUDENT STADIUM DRIVE

Soon a drive will start among the students to raise funds to increase the scrip sales to the \$150,000 necessary to start the actual construction of the new stadium. The rise of Pacific as a major athletic power may well depend upon the success of this drive. If you, the students of Pacific, want to see your teams play major opponents at home, then you should contribute your salesmanship to the drive. A major opponent wants to play in a major stadium, and our present stadium is far from adequate for major opposition.

If this drive fails, next year's schedule may suffer. If we do not have a stadium seating approximately 35,000, then Boston University will cancel their game with us, and both the Santa Clara and San Jose games will be transferred to Lodi. This will leave Pacific with one local game, the Loyola encounter.

Major football is wanted by the students of Pacific. It is at your doorstep now. Don't shun it; for if you do, it may never return.

Pacific left the CCAA to participate against major athletic opponents. A failure to secure this new stadium will injure our attempts to bring major football to you. It may put Pacific back in the CCAA.

### COP GOLF TEAM

Anyone who is interested in golf should try out for the COP golf team. Those who do so will receive playing privileges at the Country Club plus a chance to win a varsity block. If you are interested, contact Bob Monagan in the athletic offices.

Matches scheduled thus far are with California, Santa Clara, St. Marys, San Jose State, and Modesto Junior College.

### 1950 PACIFIC TENNIS SCHEDULE

## Intramural Basketball Championship Play-Offs Scheduled For Tuesday

Tuesday night will be championship night in the College of the Pacific Gym, when Omega Phi, intramural basketball champion of the National League, will meet the winner of the North Hall-Rhizomia game played last night.

The interleague championship game will be preceded by a preliminary game between the Grads and Shooting Stars, tied leaders of the Coast League. The preliminary is scheduled to start at 7:30 o'clock.

Managers of prospective intramural volleyball teams will meet in the COP gym Tuesday at 4:30 p.m. to discuss plans for the approaching season. Team championship will probably be determined by the double elimination system, and play will begin on March 13th.

## COP Golf Team Meets Santa Clara and Cal.

College of Pacific will open its 1950 golf season against Santa Clara next Tuesday, March 7, at the LaRinconada Golf Course near San Jose. The following Friday the Tiger divot diggers will travel to Berkeley to match golf clubs with the Golden Bears of California.

Thus far five men are out for the team. They are Andy Blossom, Russ Shepherd, Fred Solomon, Wayne Vanoose, and Alden Huff. Other candidates for the team are needed. Anyone who makes the golf team will receive the following privileges: (1) playing privileges at the country club, (2) a block "P", (3) two dozen new golf balls, and (4) during the season will play at the best golf courses in the state. Anyone interested should contact Bob Monagan or any member of the team.

## Mustangs, Sacramento Open Baseball Slate

The first cut having been made the first of this week, the Stockton College Mustang Baseballers have been shaping up for their opening game against Sacramento J.C. on March 7.

Coach Van Sweet released the following schedule for the Mustang horsehiders.

March 7	Sacramento	There
March 11	Placer J.C.	2 games "
March 14	Sacramento	Here
March 25	Monterey	2 games Here
April 1	San Mateo	2 games "
April 15	S.F.C.C.	2 games Here
April 22	Modesto	2 games There
April 29	Menlo	2 games There
May 13	Hartnell	2 games There

## Introducing Andy Blossom—

The need for candidates for the College of Pacific golf team was emphasized by Andy Blossom, one of the outstanding local golfers and four-year man on the COP squad.

Blossom was born in Stockton on June 26, 1925. He attended El Dorado Grammar School and St. Marys High School in this city.

### FIRST MAJOR WIN

His first major tournament win was achieved in Biarritz, France, where he was attending the Biarritz American University. He won the 1946 Biarritz Open and with it a case of cognac that is traditionally bestowed on the winner.

In his four years spent at Stockton College and College of Pacific, Blossom has been a member of the Pacific varsity. In 1947 he was the low individual in the CCAA golf tournament. The following year in Santa Barbara he finished third, and his '49 finish is unmentionable as far as Andy is concerned.

### OTHER WINS

Andy Blossom, known by the nickname of "Ducky", is a constant threat in local championship matches. One of his objectives this year is the Country Club championship, but he expects keen competition from Russ Shepherd and Fred Solomon.

He won the Country Club championship in 1948 and was runner-up to Eddie Monaghan, former state champion, in 1947 and to Bud Troyer last year. The year of '49 was not completely disastrous for Blossom, however, for he did capture the American Legion's July 4th tournament.

## SC TRACK

The first workouts of the Stockton College track squad have shown that this year's squad will be two deep in every position.

The following are among this year's prospects: High Jump—John Toffelmire and Keith Fitch, Low Hurdles—Ray Hurlburt and Roger Betto, High Hurdles—Keith Fitch and Fred Artis, Shotput—Bob Schumacher and Jim Fairchild, Discus—Bob Jones and Tom Eastus, Javelin—Fred Cooper and Bob Butterfield, Distance—Ken Laughran, Ray Opper, Ed David, Dick Hudson, and Joe Escatto, 880—John Patton and Del King, Sprints—Glen Brooks, John Cobb, and Bob Hudson, 440—Nat O'Neal and Bob Wood.

### MARY JANE DONEGAN PASSES CHOCOLATES

Valentine's day, February 14, was the date chosen by Mary Jane Donegan of West Hall to announce her engagement to Ted Johnson of Hollywood.

Mary Jane, the daughter of Mr. and Mrs. Daniel Donegan of North Hollywood, is a thirteenth year student in Stockton College. She is majoring in music.

Mr. Johnson is now dividing his time between Los Angeles City College at night and a job in that city during the day. He is the son of Mr. and Mrs. Arthur Johnson of Hollywood.

The couple have set no wedding date as yet.

### South Hall Installs House Officers

Installation of new officers of South Hall on February 16, was marked by the traditional candle-light ceremony.

Outgoing president, Gloria Chapman, presided over the installation. Incoming officers are Virginia Walston, president; Carolyn Reiss, vice-president; Nadine Proffitt, treasurer; Ione Cunningham, secretary; Connie Dinapoli, historian; and Irene Helgeson, Wanda Wymer, Vicki Sanguinetti, and Isabelle Durst, house council.

Guests of honor during the evening were Miss Harriet Monroe, Dean of Women; and Mrs. R. A. Brady, director of women's housing.

After the formal ceremony refreshments were served.

FATHER (facetiously): "Don't you think our son gets his intelligence from me?"

MOTHER (likewise): "He must have. I've still got mine."

## Betty Burke of Tau Kappa Chosen As Belle of Archania for Spring '50

BETTY BURKE

Betty Burke of Tau Kappa Kappa was chosen as the Belle of Archania for the spring semester of 1950. The coronation ceremonies were held in Archania last Monday.

Miss Burke is the daughter of Mr. and Mrs. Charles Cunningham of Stockton. A freshman in college, she is majoring in music.

When asked to comment on becoming Belle of Archania, Betty said, "It's all like a dream." After the coronation ceremonies, she cut the Belle cake guided by the hand of Swede Warner, Archania's president.

The new Belle was crowned by Swede Warner with a garland of roses. She sat upon a throne especially constructed for the occasion. Betty Burke received with her selection as Belle, a keepsake bracelet, a bouquet of roses, and a free invitation to all Archanian functions.

"Sweetheart of Archania" was sung to the newly crowned Belle by Marv Tripp and then men of Archania.

Pre-coronation entertainment was provided by Alpha Theta Tau, Epsilon Lambda Sigma, Mu Zeta Rho, Tau Kappa, and Johnny Wheeler of Archania. Last year's Belle, Jeanne Gist, was introduced before the coronation.

### Sorority Pledge List Released

Dean Harriet Monroe has released the official pledge list of the Panhellenic sororities for the spring semester. They are as follows:

Alpha Theta Tau: Nancy Bartlett, Sherlie Baysinger, Janice Comstock, Judith Dickinson, Gloria Gold, Dee Mooney, Miriam Sage, Carol Simmons, Beverly Spradling, Pat Thomas, Barbara Toller, and Jane Vance.

Epsilon Lambda Sigma: Sue Billups, Mary Ann Blair, Shirley Burks, Marcia Gilbert, Lorene Hanner, Joyce Hellwig, Arlene House, Martha Luedmann, Dorothy Merritt, Margaret Nash, Diana Noble, Jane Palmer, Nancy Parry, Barbara Russell, Joyce Taylor, Carolyn Waldorf, and Sue Wyatt.

Mu Zeta Rho: Dorothy Byram, Alice Call, Vonda Carlton, Jeanne Hardie, Marilyn McCrum, Betty Elliott, Mary Ellen Stuart, and Sue Thomson.

Tau Kappa Kappa: Betty Burke, Louise Gardner, Jean Moore, and Lucy Byerson.

### Louise Holler's Troth Revealed at Epsilon

Louise Holler announced her engagement to Sheldon F. Craddock at the pledge program at Epsilon last Monday night, February 27.

LOUISE HOLLER

Louise is the daughter of Mr. and Mrs. Wesley C. Holler of Los Angeles. A senior majoring in Economics, she is affiliated with Epsilon Lambda Sigma. Sheldon is the son of Mr. and Mrs. Warren F. Craddock also of Los Angeles. He is a graduate of the University of California and was affiliated with Phi Kappa Psi Fraternity.

The date of the wedding has been set for June 17 in Los Angeles. They will reside in Corona Del Mar.

## YMCA-YWCA COUNCILS INSTALL NEW OFFICERS

What is our campus M.Q.?

Rereating to the Y cabin near Valley Springs last weekend, members of the campus YMCA-YWCA Executive Council studied the answer to that question and installed new officers for the present semester.

With M.Q. standing for "maturity quotient", the cabinet decided that the M.Q. of a person can be judged by dividing the degree of his "interior integration" plus his "external creative response" by his chronological age.

The council divided its survey by examining the intellectual, emotional, and ethical phases of life on the COP-SC campuses. After making an extensive analysis of existing situations, the members turned to a discussion of possible remedies which might be applied by the Y group.

Besides holding formal meetings and impromptu bull sessions, the group installed the officers of the new Executive Council. Those participating in the ceremony were Council President Don Payne; Vice-President Delcia Burns; Secretary Cathy Crawford; and Treasurer Bob Schumacher.

Officers of the Men's and Women's Y groups are President Don Martin; Vice-President Gil Jones; Treasurer Dave Roberts and President Helen Moore; Vice-President Mary Ann Gustafson; Treasurer Marty Kostal.

Other students installed included Unit II Representative Alice Bogie; Unit III Representative Ray Nilson; Frosh Women's Y President Evalyn Van Horn; Frosh Men's Y Vice-President Jim Williams; Churchmanship President Vernon Shinn, Vice-President Helen Hoar, Secretary Doris Alexander; Jr.-Sr. Women's Y President Mary Cappa; and Editor "Yze Wire" Jan Thompson.

### First Women's Y Meet; Film Will Be Featured

All women students of the College of the Pacific and Stockton College are invited to attend the first meeting of the Women's Y for this semester, which will be held on Monday, March 6, at 7:30 p.m. in the Anderson Y Center.

The program will feature a movie "Boundary Lines" concerning patterns of prejudice. Mr. James Wilson of the SC Sociology Department will lead a short discussion of the same problem. Refreshments will be served.

## Campus Radio Stations To Add New Programs

The Campus Radio Station KAEQ and the College of the Pacific FM station KCVN are performing a service far more important than many students realize.

In addition to broadcasting all athletic events and functions of general interest to the college community, the news broadcasts and general programs over the FM station cover Stockton and most of San Joaquin County.

During the spring semester additional programs will be added, including special dramatic shows, written, produced, directed and acted by students.

Advertisers are becoming more conscious of the value of our stations, and can now be approached on a strictly business basis to sponsor programs.

What is not generally known to the students at COP is the high regard in which the Radio School is held by the big commercial broadcasting chains. Just another example of the growing importance of COP in the Collegiate World.

### Churchmanship Council Plans Retreat March 3, 4

The Churchmanship Council, part of the Anderson Y, will have a retreat at the Y center cabin on March 3-4, 1950.

The retreat theme will be "What is this thing called Churchmanship?" To help develop this theme, the Churchmanship council is having Dr. George Collier to discuss "On Being a Churchman", and Dr. Lloyd Berthoff to discuss "Pale of the Churchman on Our Campus".

Also, the activities for the present semester will be planned at the retreat.

The newly elected officers are: president, Vernon Shinn; vice-president, Helen Hoar; secretary, Doris Alexander; treasurer, Naomi Stanff; and publicity, Doris Johnson.

## SC Newman Club Elects Alfred Miller President

Alfred Miller was elected president of the Stockton College Newman Club at their spring elections. Other officers elected were Lucille Cordova, vice-president; Lois Nevins, corresponding secretary; Nadean Cassidy, recording secretary; and Dan Casteline, treasurer. Bob Olcomendy is the retiring president.

The Newman Provincial Convention will be held here April 15th and 16th. The club will be host to representatives from 21 western universities and colleges.

Over 50 members attended the traditional snow trip to Lake Tahoe over the week-end of February 17th to 19th. The group stayed at the Tahoe Valley Lodge.

## Laurel & Hardy Movies Here

"The Live Ghost," a Laurel and Hardy comedy is scheduled to feature the South Campus noon movie double bill in room C-3 next Tuesday. The second attraction will be "Nevada", a colored film showing the resources, industries, and pleasure spots of that state.

Next Thursday, March 9, "Give Us Wings", starring the Dead End Kids, will be shown. This picture will be jam-packed with drama, action, laughter and suspense. For this, a ten-cent admission will be charged.

A comedy entitled "How Not to Conduct a Meeting" and a movie on the General Motors Institute will be shown free of charge on March 14.

## Kirkbride Contest Open To All Pacific Students

Open to all students of the College of the Pacific, the 1950 annual Kirkbride Contest has recently been announced by the California History Foundation of COP.

Offering prizes of \$25, \$15, and \$10 to contestants submitting the most satisfactory study on some phase of local California history, the contest is made possible by the support and interest of Mr. Charles N. Kirkbride of San Mateo.

Further rules concerning this contest may be obtained from Dr. Eiselen, Bannister 200, or Dr. Hunt, Bannister 205.

## King Elected As Prexy of Home Econ Group

Isabella King was elected president of Providence 15 of the National Home Economic Association of Colleges of Northern California and Nevada at a recent conference held at the University of California at Davis.

Isabella's election means that next year COP will play host to the conference which includes 12 college clubs. Other people who attended this year's conference were Vivian Teel, President of Delta Mu Eta, Home Economic Sorority, Beverly Vowel, Dorothy Pedro and Miss Edna Gehlkin, head of the Home Economic Department at Stockton College and College of the Pacific.

## Slipping and Sliding That's Social Dancing

Have you noticed the sudden influx of dirty shoes? It isn't a fad — that much I've found out from personal experience, it's this P.E. class Social Dancing. You begin with slide, slide, Ooops, were those your new bucks? It really didn't matter, the shoes belonged to the girl next to me, but it was the principle of the thing.

Learning to dance is really a problem, especially when one is deaf to tone, rhythm, and has a poor memory. The one step, the two step, the fox trot. E-gads, is it possible? I never realized there were so many different kinds of steps. And it isn't cricket just to follow, you have to count. Slow, slow, fast-fast, slow. Even in my sleep I can feel my feet slowly disintegrating. Take it from one who knows, it's much easier to have your mother teach you the Charleston than to stumble through one semester of Social

## F.S.A. Cleaners Urge Students to Come Clean

By SHIRLEY DIETZ

Track men Ken Laughran and Ray Hurlburt are two students working their ways through college with the help of students. To you, their job may seem dull but, to them, it is all important.

You can see these boys if you stop by the FSA cleaners any day between 8:00 o'clock and 4:00 o'clock Monday through Friday, and on Saturdays between 9:00 o'clock and 12:00 o'clock.

They seem rather disillusioned about their job as it isn't doing the business that it should be doing. The FSA cleaners is for the benefit of all students and faculty and is advantageous all around.

The prices are extremely low — you can have your white shirts and khaki's cleaned for only \$.25 each, with three-day service; cashmere sweaters will be cleaned for \$.65 (angora's \$.75). There is no extra charge for special rush service.

The FSA cleaners is owned by the A-1 Cleaners, who in turn pay rent to the FSA. Ken and Ray receive a commission of 17% of the income taken in each month. So, as you can see, if business is good, their wages go up. If the FSA cleaners proves successful, there will be an enlargement very soon.

So, in case you fall in a mud hole (South Campus parking lot) dash over and get cleaned.

Dancing to learn it.

And the music. Could you call it music? The low scratchy sounds that loudspeaker emits could be called anything but music. There stand the class, each boy clutching a girl, while the long introduction begins.

Boxer: "Have I hurt him?"

Manager: "Naw, but keep on swinging. The draft may give him a cold."

## EDITORIAL The Infirmary Is Inadequate

One of the sources of complaint on this campus has been our local medical unit better known as the infirmary. Most of the students who are required to pay \$7.50 for an infirmary card are extremely displeased with the inadequacies of this so-called medical institution.

One of the main faults with the infirmary is the fact that they are forced to depend upon Stockton physicians for their major medical work. There is no resident physician at the infirmary. A student who is injured or needs immediate medical attention is often haphazardly patched up and forced to return at a more convenient time. Convenient for whom?

One case involves a male student on campus who suffered a fractured finger. The nurse at the infirmary set the finger and then told the student to participate in his tennis class.

Such incidents as this should not happen. The College of Pacific should have a resident physician at the infirmary to handle all emergencies. This physician could be a young doctor just out of internship. Thus a young doctor will be abetted in his career, and the students of Pacific will have adequate medical care right on campus.

This policy of a resident physician should be a requirement for all colleges and educational institutions who house students on campus. The College of Pacific needs a resident physician for the infirmary. Thus an inadequate situation will be improved, and there will be less griping among the students. Since the infirmary is a part of the college, and the college is composed of students, the student should receive some benefit for something to which he contributes.

## AWS RECALLS CUB HOUSE

By VONDA CARLTON

Reminiscing is a favorite past-time when a group of friends get together. At a recent meeting of the Associated Women Students, the council discussion centered around the old Cub House which has been replaced by the present End Zone.

Sponsored by the A.W.S., the Cub House started its career the same time as classes started on the present campus. It wasn't a spectacular building, just an unpainted frame, covered with vines and shaded by a huge pepper tree.

The inside of the house wasn't much nicer, but it had a snack bar, a piano, tables, and what is more important it had a friendly atmosphere. Students and faculty used to gather around the tables and talk or if someone was there to play the piano, they all joined in the singing.

As the campus grew, the Cub House was expanded. The porch became part of the house and when Mrs. Harriett Farr, who was in charge of operations, moved, her living quarters were made part of the main room.

During the depression many COP men and women worked at the fountain to help pay part of their expenses. They received the staggering sum of 35 cents an hour. With the small profit de-

rived from the snack bar, the AWS established a revolving scholarship loan for women students. This scholarship is still available today.

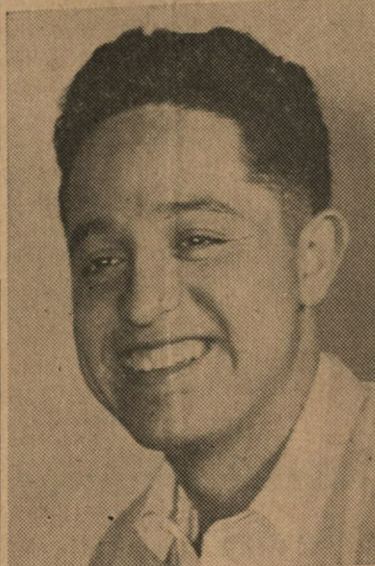

For many years now the Associated Women Students have set the standards for both men and women on campus and have helped maintain those already in existence.

At present the AWS is busy making plans for the big Spring Formal, March 17, and also they will sponsor a banquet, at the end of the semester, to honor outstanding women on campus.

The Associated Women Students are a group who should be proud of their record. Every woman on campus is a member of this organization and through their representatives, they set the standards and maintain the traditions of the College of the Pacific.

## THE MAN BEHIND FSA POLITICS

Joe Gallegos, sophomore at Stockton College, speech major, with his sights set on a career in law, is getting good field work through his experiences at school.

A member of the Spartan Hi-Y and the Spanish Club in his first year at Stockton College, he is right at home now in the Phalanx Fraternity, and as chairman of the FSA Revision Committee. As Former Junior Governor of California, he made valuable contributions when the group met in Sacramento recently.

In addition to his college activities, he is employed at Port Stockton as weight checker, and is a volunteer member of the McKinley Fire Department at French Camp.

It was Colorado's loss, and California's gain when the Gallegos family decided to make this their home.

## From the DEAN'S OFFICE . . .

Dean Betz

Last year at the instigation of the Student Affairs Committee and the administrations of both colleges a "Student-Faculty Honor Code Committee" was organized. Its purpose is three-fold: (1) To encourage the faculty members to improve examination methods; (2) To act as a board of judges in cases of alleged dishonesty in classes; (3) To study the possibility of establishing an Honor Code at Pacific.

As chairman of the committee I have requested that faculty members report their attitudes on the establishment of the Honor Code. As the replies come in I notice very wide differences of opinion on the subject. In next week's Pacific Weekly faculty reactions will be summarized.

If you are interested in this problem I suggest that you discuss the matter with your professors for many of them have not replied to my request for information. If you care to express an opinion yourself I would appreciate having it to take before the Committee.

EDWARD S. BETZ,  
Dean of Men

## The Outside World

By LEE ATWATER

The American public has again been placed under the thumb of the farm bloc in congress. Now that the consumer has paid for the potato crop our farmers are setting up a program for cotton, wheat, and peanuts that will make the potato fiasco nothing by comparison.

Subsidy programs are not new. Governments have often supported various industries that were deemed necessary for the well being of the economy. Our government has long supported shipping so that trade routes could be maintained. There is little disagreement that some subsidization plans should be maintained, but it is time to revamp our whole subsidy set-up.

This year the United States produced potatoes far in excess of our needs at the supported price, but through tax supported parity the public paid for these excesses whether they wanted to or not. This potato program has illus-

trated a basic fault in our farm subsidy laws. This is that the government is expected to pay for any amount of production whether the production is needed or not.

The program is now no longer a subsidy but a direct grant of demand to anyone who wishes to produce. No part of industry can expect this dole so why should the farm bloc demand subsidy as part of the American Way. This patchwork of regulation as it now stands is nothing more than GRAFT of the grandest sort.

Our economy is based on efficiency fostered by the governments supporting an inefficient farmer. The penalty falls not only on the consumer-taxpayer but on the efficient farmer.

If the farmers demand a support program paid for by the public, they must expect general stabilization, not a DOLE. This MUST be coupled with comprehensive controls on production and distribution.

## HEADLINES OF THE WEEK

British Labor Government embarrassed by slim majority in parliament . . .

Churchill pressing for United States of Europe, three-way peace pact with U.S., Britain, Russia . . .

Pressure on President Truman to take initiative in peace pact with Russia . . .

Atomic Scientists claim a hydrogen bomb could depopulate the whole earth . . .

Say, Mac, will you let me use your new Levi's tonight? . . .  
I got a formal date.
