FROM THE PRESIDENT'S DESK

MAR 17 1950

BY MO HESS

It looks as though I have been wrong for the greater part of last semester and this semester. Perhaps I owe an apology to you fellow students. All along I have been defending the Stockton College Administration's point of view when it came to an identity for Stockton College because I thought that they honestly were wanting to work with COP and build a stronger Stockton College and a stronger College of Pacific. That was the explicit expression that was given to me by the President of Stockton College in one of our many private discussions. We agreed that it would be unwise to express controversial ideas outside of that office.

I agreed because I had confidence in the Stockton College Administration and I actually thought that they were "on the level." Certain things have transpired since which indicate to me that perhaps I was wrong.

I have been told by various people that the two Deans of Men (one from each college) are trying to break up the Federation and the two Deans of Women are just sitting by "watching Rome burn." I guess that it is about time that some of this stuff came out into the open. These are gross misconceptions! I'm disgusted with the continual tension that goes with a job of pleasing an administration which continually changes its mind. It seems that promises mean nothing, and mutual lack of confidence is prevalent. It is a hoax to think that our Dean of Men is trying to break up the FSA . . . it's his "baby". He was the one who set up the present system. If there is any credit to be given for trying to break up the FSA let it rest where it belongs . . . with the Stockton College Administration.

As Student President, it has been my job to work through reams of plans for student government, and my deliberated point of view is that in such a relationship as exists between the two

colleges, the FSA form of government is absolutely the best form of government that we as students could have. I was willing to pacify because I thought that good ends were in sight, but as long as I see that they aren't, then I feel that I must speak my mind, and yours — as students — in reaction to what could be called tyranny!

It is very interesting to me to see the Pacific Weekly censored each week and told not to put in any stories concerning relations between Stockton College and the College of the Pacific, "because it might cause a rift". It is equally interesting to me to see that Administration who demands such censorship of a "free press" unofficially approve the editorial that was printed on the first page of THE COLLEGIAN dated March 14, 1950. It is equally interesting to me since I had the opportunity to see that editorial the night before the paper was published, and give my comments on it to the two young ladies who wrote that article. The reaction I received to my comments was not pleasing. When I pointed out that the article was slanted and that it didn't give the true facts, I was told that it must have been all right because it was approved by the Stockton College Administration . . . Interesting, isn't it? (Editor's Note: See Page 6, Columns 4 and 5 for Collegian article.)

This is just one item among a myriad which are trying very seriously to break the reaffirmation statement which was issued by the Presidents of both schools and which were published in this paper not too long ago.

Let me cite another example of "control" . . . For years the Naranjado has been operating on the College of Pacific campus, and in recent years it has been operating very successfully under our joint college relationship. Here we are under a two-college set-up and graduates of Stockton College deserve their share of recognition. I also

believe that other activities of Stockton College deserve their fair share of recognition. As far as I know there have been no, absolutely no breaches of confidence by the Naranjado Staff. And yet I have been informed that the Stockton College Administration has appointed a special faculty advisor to the Naranjado. That faculty advisor has sent out letters to every member of the Naranjado Staff advising them that he is available at their convenience to help them with their work. It is interesting further, to say that someone from the Stockton College faculty or administration has told the printer that no material is to be printed for the Naranjado unless it has the approval of this advisor. This advisor was neither appointed, nor given instructions through the right channels.

Last semester it was under insistence from the Stockton College Administration that a Publications Board was set up between the two colleges to handle matters of broad policy and to take special interest in keeping publications within their budget. Publications commissioners from all three units as well as a faculty advisor from each school are on this committee which is chaired by the Finance Commissioner of Unit III. I am sure that I would go along with this "censorship" if the Naranjado HAD ACTUALLY DONE ANYTHING TO MERIT THIS "CONTROL". But to my knowledge there is absolutely NO NEED for anything such as this.

Perhaps this comment "from the President's Desk" will do nothing but get the student president in trouble, but I have felt that it has become my duty to let all of the members of the FSA know just how the cards are dealt so they will be on their guard.

I should be very glad to answer any comments on points covered in this article either personally or in print.

COP-SC Students Boom Scrip Sales

Scrips for a total of over \$3,000 were turned into the Federated Student Office as a result of the "door-to-door" selling between 7-10 P.M. Wednesday evening.

"The success of the Student Stadium Scrip Drive is the determining factor in assuring us that the '49-'50 Federated

Students will go down in history as one of the finest student bodies in the one hundred years of College of Pacific." These are the words of Pacific's president, Mr. Robert Burns.

Early Wednesday morning student enthusiasm for the day's concentrated scrip selling began with the untiring marching of a student band on Stadium Drive. At the eleven o'clock assembly student-faculty talent combined to encourage the growing excitement and spirit among the student body. Mr. Burns, Dr. Minear, and Dave Gerber spoke to the student audience on the importance of the new stadium. Bob Monagan and Dick Briggs also presented their opinions on the campaign now in progress.

Omega Phi supplied music led by Andy Anderson. Betty Benson sang "Summertime" and "Em-

FSA INVESTIGATING COMMITTEE BRINGS VERDICT 'NO CHANGE'

Last Monday night the FSA revision committee presented to the Senate its recommendations. Briefly they are:

1. That the present structure of the FSA is satisfactory.
2. That the difficulties encountered are in the administration of student affairs, rather than the overall plan.
3. That no change be made at present, but the student bodies and administrations of Stockton College and COP make every effort toward cooperation under the present plan.

Infirmary Directors Answer Charges

By DICK CANNON

The current rhubarb in connection with the operation of the COP infirmary caused the appointment Tuesday of a committee by the F.S.A. Senate to get the facts for presentation to the administration.

Dr. Langley Collis, Infirmary Surgeon, in an interview stated, "We want some facts. We cannot be expected to act upon bare statements which are not backed up

(Continued on page 7)

Joe Gallegos, chairman of the committee, stated that these recommendations were unanimously passed. The Senate voted to accept the recommendations by an 11 to 7 vote, with all but two of the COP members abstaining from voting, so the vote of SC alone was 9-7 in favor of them.

Lee Atwater, commissioner of student affairs, made the original motion that the Senate accept and endorse the committee's report. After Dean Betz pointed out that if the Senate endorsed the report the SC administration would not accept it, Atwater re-

Plans Announced For Summer Session

The summer session of 1950 promises to be the largest in the history of C.O.P. both from the standpoint of offerings and enrollment, according to an announcement made by Mr. Jantzen, dean of the summer session.

The first session will be from June 20 to July 21, and the second session will be from July 24 to August 25.

The summer teaching staff includes 71 resident faculty members and 22 visiting faculty members. Courses will be available for those in the thirteenth and fourteenth grades, upper division students, and graduate students.

The tuition for both graduate and undergraduate courses, will be fourteen dollars per unit. There will be no additional class or laboratory fees for any of the courses, with the exception of certain courses in the Pacific Music Camp.

Y Cabinet Safe Stolen Last Sunday Evening

A small cabinet safe containing irreplaceable legal documents and approximately \$500 was stolen last Sunday evening from the office of Director Walt Raitt of the Anderson Y Center.

Detectives of the Stockton Police Department made a thorough investigation after the discovery of the theft early Monday morning. The thief is believed to have entered through the window, from which numerous fingerprints were obtained. The 100-pound safe was evidently removed from the office some time after midnight.

Mrs. Stoltz, secretary of the Y center, said that the larger part of the funds stolen had been collected in the recent campus-wide Community Chest campaign. Anyone who has information concerning the theft is requested to see Walt Raitt immediately.

Caryl Heyde Chosen 'Campus Sweetheart'

As the entire radio audience sat breathless Dan Terry calmly dialed 2-9292 last Friday afternoon and announced to the waiting public that Caryl Heyde of Alpha Theta Tau was the first "Campus Sweetheart" of the "Campus Caravan" radio program.

As "Campus Sweetheart" Caryl was awarded a rose corsage, two free dinners, two passes to a local theater and a 10"x14" photograph of herself to be placed in the "Campus Sweetheart" showcase in the End Zone.

Every Friday for the next nine weeks a "Campus Sweetheart" will be chosen and at the end of the ten-week period THE "Campus Sweetheart" will be voted on. To be eligible to get in the race all the girls of Stockton College and College of the Pacific have to do is get the backing of a few hundred votes.

Pacific Offers Various Scholarships

The College of the Pacific offers twenty-two scholarships ranging in amounts from twenty-five to one hundred dollars a year. These scholarships range from the home arts field to scholarships to students from Panama and Costa Rica.

Several of the scholarships are: Two Burnham scholarships through Burnham Brothers, Stockton, for students qualifying in the Home Arts Field.

The Alpha Gamma Sigma scholarship is offered by COP to a graduate of a California junior college who is recommended by Alpha Gamma Sigma.

The Junior Scholarship covers tuition for the senior year to the student maintaining the highest scholarship during his junior year at COP.

Scholarships are awarded by the scholarship committee on the following points: character, scholarship, and need.

Psychology Club Meet

There will be a Psychology Club meeting March 21, Tuesday evening at 7:30 in room 109 of Bannister Hall. All psychology majors and faculty members are urged to attend this important meeting.

A tentative program has been scheduled. There will be a show-

braceable You". "In My Solitude" was sung by John Patton. Ed Zucchelli and Herb Markall presented one of their noted skits. Bob McLaughlin acted as Master of Ceremonies.

Stockton citizens are well aware of the student interest in the proposed stadium as a result of the afternoon parade which demonstrated the publicity power of 75 cars and 15 trucks, with Frank Wolfe as parade director. Mr. Lowell Berry, Board of Trustees member and a strong supporter of last season's football activities, expressed his approval of the day's activities in the statement. "I am proud of the enthusiasm and interest shown by the students in Wednesday's scrip activities."

Final instructions for the scrip selling were given student salesmen in the mass rally Wednesday evening in the Greek Theater. Dean Betz, Mr. Monagan, Mr. Hammond, and Dave Gerber spoke to the students just before they began their city canvas between 7-10 P.M.

ing of the latest psychological film "Hypnotic Behavior" by Lester F. Beck of University of Oregon Psychology Department. Following this there will be an important discussion of the club's future activities.

BERNSTEIN TALKS TO MUSIC MAJORS

By MURIEL SWENSON

Music majors and faculty members waited patiently in Music C for the arrival of Leonard Bernstein, conductor, Monday afternoon at 4:15. It seems that the conductor was delayed in Stockton. In the meantime, Mr. Larew, tympanist of the San Francisco Symphony, talked to the group.

When, an hour later, the San Francisco guests were all present they included Mr. Bernstein, Mr. Larew, Miss Irman, Director of Publicity of the San Francisco Musical Association, and Ed Couch, chairman of the San Francisco Symphony Forum.

Mr. Bernstein, apologizing for the delay, smiled in his gracious way and presented a most interesting informal talk. With questions coming from the students, Mr. Bernstein based answers on personal experiences.

The subject matter ranged from college days at Harvard to Progressive Jazz. He was quite persuading in the philosophy that a college education is vital to a prospective musician. With some questions concerning Progressive Jazz, Mr. Bernstein, the versatile person that he is, went to the piano and illustrated his points with a unique arrangement of "My Blue Heaven".

A brilliant analization of his own composition, "Age of Anxiety" had the audience spellbound; plus a vivid characterization of Bartok and an example on the piano of passages from his Music for Strings, Percussion and Celesta, which Mr. Bernstein will conduct this week during the San Francisco Symphony Forum.

Church Research Information Revealed

Many students have been wondering exactly what goes on in the room on the third floor of the Administration Building which reads "Rural Church Research" on the door.

About five years ago, a group of ministers saw a need for forming an organization to solve the various problems concerning the rural church. The group now consists of fifteen laymen and fifteen representatives from different organizations. Dr. Richard Myers is the director of the group and he teaches one class a year, which is open to ministers from the local churches.

All College Musical To Be Held in May

On May 20 Pacific will have its first original all-college musical under the sponsorship of the Blue Key, the men's honor society.

An all-college musical which would incorporate the talents and abilities of all Pacific personnel has long been the aim of the group behind this show. They have been working on the script and completing plans for organization since school began last September. The script is at last completed and notice for tryouts, which will take place next week, will be posted on the FSA bulletin board sometime Monday.

The show is called "Another Time" and was written by Bud Harpham, Dave McDonald, and Jerry Mullin. Its list of directors include co-directors, Rudy Jensen, and Jerry Mullin; dance directors, Mary Lou Shanley, Mary Rhodes and Joan Parkinson; choral directors, Bob Smith and Shirley Arthur.

The show is entirely original and includes more than 14 new tunes. It borders on a musical comedy with its theme and story line, and yet in reality is more a revue. Plans call for a cast which will exceed 50 people. Rehearsals are being planned so that they will not interfere with other extra-curricular activities in which interested participants may be engaged.

This is the first attempt of such a venture on this campus. It's nothing new for colleges all over the country have them. To date Pacific has lagged behind, but this is a year that Pacific lags behind no one. Yet, this tremendous undertaking can not be accomplished without your support. This is not a one-show venture, but an attempt to establish an annual affair; it can not do without your help if it is to succeed.

Those secondary credential teaching candidates who are planning to take advance grammar tests must be present Thursday, March 30, in room 204 of the Administration Building, at 11:00 A.M. Any student desiring information should see Dr. Olson, chairman of the English Department.

Dave Brubeck Concert Soon In Conservatory

Brubeck is coming back to COP! Once more Dave Brubeck and his "Jazz Workshop" of eight talented musicians will give their interpretation of "Progressive Jazz".

The date is Wednesday evening at 8:00 P.M., March 22, 1950, in the Conservatory. Start in immediately by clearing every other obligation for that night. If you haven't heard Brubeck before, or if you've only heard his trio, a rare treat is in store for you.

No one can afford to miss this concert, and anyone can afford to attend; for the admission is only 75c with student body card, and \$1.00 for everyone else.

The group is large enough to give one the feeling of strength and depth the way that Kenton does. However, it still maintains the freedom of expression and improvisation that is characteristic of small Jazz groups.

Dave's own style on the piano is always forceful and brilliant, and no matter how much you have heard him he always holds new surprises for his listeners.

As the case was last year, the concert will be sponsored by Phi Mu Alpha Sinfonia, National Honorary Music Fraternity; tickets will be available from its members, and at the door the night of the concert.

A replica of California's first public school house stands in San Francisco's Portsmouth Plaza.

Stud.-Teachers To Continue to Buy Meal Tickets

By MARY JANE LACEY

A lot of students have been wondering if anything was ever done to remedy the student teacher meal ticket situation. It seems that student teachers living on campus have had to buy a meal ticket for three meals while they only eat two.

The students naturally wanted to know if some arrangements could be made so that they would only have to pay for two meals. The question was raised, but heard no more of.

So the "Weekly" asked if anything had been done to remedy the situation. They found that nothing has been done, nor can be. This is mainly due to the fact that the cafeteria has to meet expenses and if concessions were made and prices lowered they would have to dip into tuition funds to do this.

The prices are now as low as they can be. Concessions to a few would necessarily mean concessions to many, for many students request meal tickets to exclude week ends. Besides financial difficulties, such a change would also effect the hiring of help, and the buying and preparing of food. So the change seems to be an impossibility.

Women's Y Is Active In Semester's Doings

A cabin retreat and a student-faculty discussion were sponsored by the Women's Y this past week, announced President Helen Moore, today.

Girls from the Y met at the cabin near Valley Springs last Saturday and Sunday for three discussions based on the general theme "The Personal Touch." These bull sessions were led by Mrs. Patsy Groves, a professional model; Mrs. Harold Jacoby, a faculty wife; and Luramae Sanders, a member of Spurs. Subjects discussed were charm, dating, and faith under the titles "Lovely to Look At", "Delightful to Know", and "Heaven . . ."

Helen presided over the meetings. Betty Jensen and Marty Kostal planned the retreat.

Dr. and Mrs. Malcolm Moule were hosts to a group of girls from the Y in their home last Monday evening. An informal discussion of racial conflicts and problems was held from 8 to 9:30. Refreshments were served after the meeting.

The next YWCA Faculty Fireside will take place Wednesday evening, March 22, at the home of Chancellor and Mrs. Tully Knoles. Women interested in attending this semi-monthly discussion are invited to meet in front of Anderson Y at 7:45.

Pacific Needs Cash To Send Swimmers To National Meet

By ED POWELL

Ohio State will be the host school for the NCAA swimming championships to be held March 23. Pacific should be represented by its 300 yard medley relay team which is undefeated on the Pacific Coast this season.

The only rub is that Coach Chris Kjeldsen needs \$500 more to take the boys back to Ohio. On the surface this seems like too much to task with everyone already digging deep for the Stadium Scrip Drive and the Drake Relay Drive. But looking at the record, the Tigers will stand an excellent chance of placing and the school could definitely use publicity in some field other than football.

A look at the past will show that the Tigers have been represented in the Nationals only once and at that time they finished fourth with only a two-man squad of Ralph Wright and Fred Taioli.

Already this season the medley squad has broken the school record several times as well as defeating such opposition as U.S.C., Stanford, Fullerton, U.C.L.A., San Jose State and Santa Clara. One of these men, Frank Poucher is a Senior. It stands to reason that with Poucher gone the times of this season may not be equaled for some time.

Today the Bengals are in San Francisco competing for top honors in the PA meet at the Olympic Club pool. There are only four events for men; the 220 freestyle, 150 backstroke, 200 breast stroke and diving. The traveling squad is composed of Cullenward, Driggs, Steel, LaVelle, Brown, Poucher, Nyquist, McMillen, Stebbins, Green and Sherman.

Bears Blast Bengals Return Match Today

Smarting from a 13-5 defeat at the hands of California in Berkeley last Friday, the Pacific golfers are preparing for a return engagement with the Bears at the Stockton Country Club this afternoon and a first encounter with the USF Dons, Tuesday in San Francisco.

The Tigers found the Mira Vista course not to their liking as the Bear foursome took three out of four singles matches and both doubles pairings.

Even though the Bengals have dropped their first two matches they are predicting a victory on the home course today as well as a win over the Dons on the tough Harding Park layout.

CALIFORNIA RESULTS

Pacific Sports

Swimmers Prep for Monterey by Dumping Vallejo

The Stockton College swimming team, going on their fourth consecutive year without a loss in league competition, take on Monterey this Saturday at 2:30 in the Pacific pond. The Mustangs have won 35 dual meets in 39 outings since Bill Anttila took over the coaching position. Last year our boys beat Monterey 54 to 19 but the Lobos should give us our stiffest league competition this year. The feature race of the day should be the 150 yard back stroke with Jack Humphrey swimming against Monterey's standout, Ken Kendall.

The Mustangs won their first conference swimming meet of the year last Saturday, completely outclassing Vallejo J.C., 54 to 16. Standouts were: Jack Humphrey who did the 150 yard back stroke in 1:48; John Nugent, who, swimming in his first competitive race, won the 50 yard free style; Ray Carmassi took an easy first in the 440. In a little more time, Ray will be pushing last year's quarter mile record set by Dick Cullenward; Al Light won the 200 yard breast stroke hands down; and Jim Stackhouse outpointed all others in diving.

Tonight the Mustang swim team travels to San Francisco to participate in the annual PAA tournament held at the Olympic Club.

Bengal Baseballers Beat Sacramento

The College of the Pacific baseballers defeated the Sacramento State College nine by a 9-7 score last Wednesday, in what turned out to be a tightly played contest at Cole Memorial diamond.

The Tigers scored their nine tallies in the first, third, and fourth innings and were never headed. However, the Sacramentans enjoyed a seventh inning rally in which they brought four men home to bring their total to seven runs and also force a definite threat to the Tigers.

Pacific mentor Hugh McWilliams used hurlers Jerry Griffin and Bob Grunsky in defeating the visitors. Griffin started but was relieved by Grunsky in the seventh frame.

Gamma Gamma Epsilon Wins Volleyball Opener

Tuesday's games, or rather game, was a consecutive 15-2, 15-4, victory for Gamma Gamma Epsilon over Archania. Scheduled games between the Yearlings and the Giraffes, and Quonset F and G and North Hall were both forfeited. The Yearlings won their game by forfeit while both Quonset F and G and North Hall failed to make an appearance.

Mustang Cagers Win Consolation

After losing a 34 to 33 affair to highly regarded Placer J.C., the Stockton College Mustangs roared back to win the consolation trophy. Right after their one-point disheartening loss in the first game of the Regional Jaycee Tournament to the Spartans, the Mustangs set back Grant and Santa Rosa to gain honors.

Sacto. Sacks Mustangs 20-2

Three Mustang pitchers were used in an unsuccessful effort to stop the uncanny hitting of the Sacramento J.C. Panthers as Stockton College went down to a 20-2 defeat last Tuesday at the Oak Park diamond. The capitol city team could do no wrong, collecting 16 hits off of Mustang pitchers Frank Bevalacqua, Ted Chase, and Jim Donnelly.

Behind at half time, the "Tangs" came back to edge out the Saracens from Grant, 40 to 36. "Mighty Mouse" Gene Sosnik tied with Rod Detrick for scoring honors with 12 points apiece. Rod held down Jim Loscutoff, Grant's scoring ace, to a lone bucket from the floor.

Sparked by Del King's 16 digits, the Mustangs swept by Santa Rosa in the consolation finals, 51 to 46. Coach Van Sweet's boys ended the season with a total of 15 wins against 12 losses.

Pacific Tennis Team Battles Cal. Saturday, Meet USF Wednesday

The College of Pacific tennis team will open its intercollegiate season tomorrow afternoon at 2 p.m. at Oak Park against the University of California. The Tiger netmen, paced by five returning lettermen, are one of the northern California favorites but still expect trouble from the Golden Bears.

Cal has suffered the loss of six lettermen from last year's squad but have bright hopes for the coming season with junior college transfers and three veterans bolstering the team. The main prospect that entered the Bear's fold is Lorne Main, Canadian Davis Cupper, who transferred to California from Modesto JC.

Two former letter winners have returned to UC after an absence of a year or more. Cameron Fair, number one man in 1946, and Bob Borland, number two man in 1947, expect to be of additional help to the cause of the Golden Bear.

Pacific is paced by 1949 letter winners Henry Pfister, Darrell Winrich, Clint Arbuckle, Bob Hall, and Don Hamilton. These five and graduate Ted Collins paced the Tiger netmen to second place in the Northern California Intercollegiate Tournament last year. Don Jacobus from last year's Stockton College squad has been added to complete this year's team.

PLAY U.S.F.

Next Wednesday the Tiger netmen travel to San Francisco to play the defending champion, USF. Though losing such tennis standouts as Art Larsen and Sam Match, the Dons figure to be in the running once again. The San Francisco Hilltoppers still have a strong net team anchored by such tennis notables as Conway Catton, Harry Roche, Frank Sample, and Bill Green.

Starting on Thursday-March 23 COP will seek to wrest the Northern California Intercollegiate Championship from USF in the annual tournament scheduled to be held during the entire weekend. The Tigers and Dons will probably be the favorite teams.

WEEKENDERS GAME

Last Saturday the Pacific racquetballers opened their season with an impressive win over the Berkeley Weekenders, 8-1. The Tiger team won all of the matches but the number three doubles. Hank Pfister defeated Hal Mitchell, former Cal Ace, in the top singles match, 6-0, 4-6, 6-1, and teamed with Don Hamilton to grab the number one doubles from Mitchell and Ted Collins, 6-4, 3-6, 10-8.

Other results are as follows: Darrell Winrich (P) d. Collins, 9-7, 6-4; Clint Arbuckle (P) d. Dan Burke, 7-5, 6-2; Bob Hall (P) d. Bob Culver, 6-1, 6-4; Don Hamilton (P) d. Oscar Harper, 6-1, 6-2; Don Jacobus (P) d. Julius Debro, 6-3, 6-2; Winrich and Hall (P) d. Harper and Doug DeGiere, 6-0, 6-3; Burke and Culver (W) d. Arbuckle and Jacobus, 7-9, 6-2, 9-7.

The highlight of this year's tennis schedule will be the Ojai Valley Tournament and the matches with the always powerful U.S.C. Trojans and U.C.L.A. Bruins.

FANNON THE BREEZE

By WILL FANNON

The National Association of Inter-Collegiate Basketball has gone ultra simon pure in its latest ruling. After inviting the University of Nevada to participate in its annual tournament at Kansas City, the association chiefs did a turnabout and disqualified the Wolfpack on the grounds that the university was obtaining money for the trip from donations by gamblers. When a cry of protest arose, the tournament officials attempted to qualify their decision by saying that certain denominational entries in the tournament would object to Nevada's so-called gambling affiliations.

The whole situation arose when a gambler named Benny Binion offered the university \$1000 to finance the trip. The acting president of the college rejected the offer because of Binion's record in Texas. It seems as if Binion is allegedly wanted in Texas on charges of being connected with a million dollar policy racket.

The university then took up a collection among merchants of the city of Reno. No donation over \$100 was accepted by the school. The only fault that could be found in the donations was that a few of the donors were the proprietors of some of the Reno gambling establishments.

This is not the question of the moral values of gambling. It is merely a question of discrimination. It seems odd that this so-called connection should deprive Nevada of a place in the NAIB tournament because of the fear of objection from certain denominational colleges when, if one would look at the Wolfpack football schedule, he would find that it includes many denominational institutions.

Another fault with the disqualification of Nevada is that gambling is licensed in that state and is thus a legal profession. A gambling establishment proprietor is a merchant as is the clothier, butcher, baker, grocer, etc. One would not question a donation from a merchant therefore why question it from a legalized profession?

The question boils down to why was Nevada eliminated? Was the gambling charge just an excuse to disqualify the Wolfpack?

NATIONALS

Next week the swimming national championship meet is being held at Ohio State University. The top swim teams of the nation will be represented. Will the College of Pacific medley relay team be among the participants?

Another national meet that will be held later in the year will be the national track meet. Certain members of the Pacific squad are going to be participants if not for the college then for the Olympic Club. There is no reason why they cannot represent Pacific in the meet. The fellows who will participate would prefer to represent the school and should be given the opportunity to do so.

CAL TRACK MEET

April 1 is a date to remember. On that Saturday afternoon the College of Pacific will join USF, St. Marys, Santa Clara, and the University of California in a track meet to be held at Edwards Field. The Pacific squad has a terrific chance to make a good showing against their mighty neighbors from the Bay Area.

One interesting sidelight will be missing however. That will be a 440 clash between USF's flash Ollie Matson and Pacific's Eddie Macon and Rayce Mason. Mr. Matson has given up track to devote his full time to the pursuit of the pigskin.

However one will be able to see many other track notables in action. Among the participants will be Len Dixon, St. Marys' sprint and hurdle star; Paul Mello, Phil Arnot, Don Jackson, Don Anderson, Roland Maples, and other upholders of the honor of the Golden Bear; and our own track team which will be one of the school's best.

Mustang Netmen Play San Mateo

Eleanor Cole's Mustang tennis team travels to San Mateo today to open their conference play against the Bulldogs. They were to have opened against Menlo J.C. last Thursday, but the match was rained out.

San Mateo defeated the Mustangs last year 5-2, and will field a strong team led by Kurt Braum again this year. The Mustang team of Rich Haley, Van Sweet, Lee Tucker, Bob Taylor, and Bud Blumenfeld will be out to gain their first win of the season.

Annual COP-SC Track Clinic Scheduled Tomorrow

High school coaches and trackmen in the valley schools within a 75-mile radius are invited to the second annual track clinic to be held at the College of Pacific tomorrow at 2 p.m. The trackmen will work out with the College of Pacific and Stockton College varsities. In case of inclement weather the clinic will be held in the gym and the sports pavilion. The purpose of the clinic, according to Coach Earl Jackson of the College of Pacific team, is to exchange ideas and improve track and field athletics in the valley.

The schedule for the clinic is as follows:

- 2:00—Low and high hurdles (Coach Jackson)
- 2:30—Dashes (Coach Thompson of Mustangs)
Shotput and discus (George Kerr, Olympic Club weight ace)
- 3:00—440 yard dash (Coach Jackson)
Pole vault (Ray Kring, COP and Olympic Club ace)
- 3:30—880 and one mile (Charles Trowbridge of the Tarzans)
Running broad jump (Coach Jackson)
- 4:00—Relays (Coach Thompson)
Running high jump (Coach Jackson)

The clinic will be concluded with a general discussion among the staff members and the high school coaches and athletes.

INTER-CLASS MEET

The annual interclass meet will be concluded today with the following events:

- 4:30—120 yard high hurdles (Trials)
Shot put and pole vault
- 4:35—440 yard dash
- 4:45—100 yard dash (Trials)
Javelin
- 5:00—120 yard high hurdles (Finals)
- 5:15—100 yard dash (Finals)
- 5:30—Mile run
- 5:45—880 yard relay

The same rules apply as did in the intramural track meet except that lettermen will not be prohibited from entering.

INTRAMURAL RESULTS

Six records were broken in the intramural meet held last weekend. Ray Hurlburt of the Quonsets was one of the outstanding individuals in the meet breaking two records, the broad jump and high jump, and ending second in the 220, 440 and pole vault. Hurlburt's new records are 21' 6½"

Introducing Bob Steel—

for the broad jump and 5' 10½" for the high jump. He also won the 220 yard low hurdles.

Johnny Cobb set a new record in the 440 by traveling the quarter-mile in 51.8. Cobb was also second in the 100 yard dash. Tom Eastus of North Hall set a new discus record of 129' 7½", and Bob Butterfield of the Town team established a new mark of 180' 7½" for the discus. Ed Davies of the Quonsets set a new two-mile mark of 10:20.3.

The Quonsets won the team title by squeezing out the Town team 72-70. Other groups who scored points were North Hall, 19, and Rhizomia, 1.

INTRAMURAL SPORTS

Ten teams entered in the double elimination volley ball tournament began competition Tuesday and Thursday afternoons. Of the ten entered, Omega Phi, last year's champions, and The Yearlings, an independent group, are favorites. Other teams are Archania, Rhizomia, North Hall, The Giraffes, Faculty, Quonset F and G, Grads and Gamma Gamma.

Individual participation tournaments in intramural badminton and handball will be run this year. Those who are interested should sign up in the gym office or contact Dr. Voltmer as soon as possible. The schedule calls for these tournaments to be completed by Easter vacation.

Introducing one of Pacific's most prominent webfoots, and one of the mainstays of the Tiger swim team, Bob "Rapid Robert" Steel. Born September 27, 1927, this 22 year old senior matriculated to the Pacific campus via Stockton High and the U. S. Navy.

Now swimming his fourth season for the Tiger mermen, Bob will probably do his splashing in the 50 and 100 yard sprints and will also be a member of the 4 man relay team. It should be mentioned that Rapid Robert holds the Pacific records for the 50 and the 100 yard events, and was also anchor man on the record breaking medley relay team at S.P.A. meet at Beverly Hills.

While in Stockton High, this outstanding swimmer lettered for the Tarzans four years in a row and made an excellent record as an all-around swimmer. During his time in the Navy, Bob won the 100 meter and 50 meter freestyle events at the Pacific Fleet championships at San Diego. Among his other triumphs he was named as the most valuable swimmer the first two years he was a member of the COP swim squad.

Bob recalls his biggest day in swimming to be at the S.P.A. meet two weeks ago. At that meet the Pacific medley relay team cracked the meet record for the event, with Steel swimming as anchor man.

The good showing of the team at the Beverly Hills meet gives Bob an optimistic attitude in regards to the 1950 swim season, and he feels confident that the medley team will better their time at the NCAA meet later in the season.

JC ALL-AMERICA

Six members of the 1949 Stockton College swim team received All-America awards from the Helms Athletic Foundation. Those who received the awards were Gene Nyquist, Dick Cullenward, Jon Stebbins, Danny Pace, Rex Young and Bob Jiminez.

DEAN ANNOUNCES NEW FRAT PLEDGES

The Dean's office has released the list of men who have been accepted as pledges for the Spring Semester of 1950:

Rho Lambda Phi: Merwin Anderson, Ed Blackmore, Stewart Boyd, Don Curtis, Anthony Dinubilo, Mike Franceschini, Gerald Griffin, Kent Hall, Mike Heraty, Don Madden, Woody Pereira, Norman Perkins, Jerry Pickering, Carlo Simoni, Wes Walch and Dean Wise.

Omega Phi Alpha: Walter Baun, Bud Blumenfeld, Jim Broderick, John Burdue, David Gerber, Ted Grossman, Vern Haas, Don Henderson, Bob Hudson, Noori Ibranim, Bob Jones, Ed Kahn, Arthur Loder, Ervin Moser, John Nastari, Joe Nicolau, Doug Null, Ronald Pearce, Ross Price, Tom Rosqui, Don Salmon, Doug Scovil, Bob Sherman, Don Smith, Al Stockdale, Ed Sweeney, Don Waits, Howie Watkins, Ray White, Bob Wood, and Robert Woods.

Alpha Kappa Phi: Bob Bent, Bob Coon, Jack Gaunt, Manuel Gaxiola, Ronny Null, Sam Kamilos, Robert Lane, Dave McDonald, Jay McGee, Norwood Mitchell, Dave Otis, Horton Peckenpough, Tom Smales, and Warren Wise.

Honorary Group Called "Knowlens"

The newly organized Senior Women's Honorary group recently adopted a constitution. The group will be known as the "Knowlens" in honor of Mrs. Tully C. Knoles.

This organization is striving for membership in the national Mortar Board. The group is working toward promoting good citizenship, scholarship, and a responsibility for service.

By treaty with Mexico, the United States paid approximately four cents per acre for the territory now known as California.

(Editor's note: The following article is a reprint in exactly the form presented in the March 14 edition of the COLLEGIAN. Please read this carefully and compare with the story of what actually happened as listed on Page 1, column five of the Pacific Weekly.)

FSA INVESTIGATION GROUP FAILS

by Nancy Hirsch and Harriet Ritchie

The FSA Revision Committee presented its resolutions to the Senate last night. After being told the revision was inevitable, the committee recommended no change in structure. This action presumes to pass judgment on a matter completely outside the committee's jurisdiction.

By an 11-7 vote the Senate accepted the resolutions as presented. This acceptance does not mean that the Senate endorses these resolutions. All but two COP representatives, who voted yes, abstained from voting by suggestion of Dean Betz in order to give a clearer view of Stockton College opinion.

With no alternative to offer except the vetoed present association, Unit III representatives Jim Jewell and Don Martin glibly convinced the weak Unit I and II Revision Committee representatives that because the Reaffirmation was proposed by the administration it is tyranny.

On Monday night of last week, Chairman Joe Gallegos stated to the Unit II, III Coordinating Committee that his group would probably back the Reaffirmation.

Immediately following this report the final meeting of the Revision Committee was held. It must be noted that Unit III representative Jim Jewell's presence was outstanding because of his many previous absences. The ringleader of present structure constitutionalists, Jewell, with the help of Don Martin, glibly reversed the committee's tacit agreement to accept the proposal agreed upon by the presidents of the two colleges.

With such statements as, "It is an insult to intellectual and political integrity for the administration to force the Reaffirmation on this committee," "The administration is responsible for student government within finances, moral precepts and social attitudes; we should not expect the administration to domineer student government," and "The real issue is not whether the plan is good or bad, but that it is not student generated," Jewell and Martin whipped the somewhat indifferent Units I and II delegates into unanimously passing the following resolutions:

WHEREAS, the committee feels that any difficulty in the present organization is not one of structure but rather of administration and student attitude, and

WHEREAS, we feel the present constitution is the superior plan that has been requested by the administration, and

WHEREAS, the presentation of the plan is not consistent with democratic student government,

WE RECOMMEND, that the Reaffirmation be not accepted.

WE RECOMMEND that the Reaffirmation be not accepted and college administration bend every effort within the present framework to increase the cooperation of Units I and II and the solidarity of Stockton College.

These recommendations were passed by an alleged majority of the Investigating Committee, although only six voting members were present. These resolutions are supposed to be the opinion of the majority of voting committee members; however, seldom were more than six members present at any meeting.

It seems strange that a committee of 16 and an advisor should so completely ignore the purpose of their organization, by offering after two months of deliberation nothing more than destructive criticism.

There was a total of 1463 mining establishments in California in 1947 including metal and non-metallic, oil and gas business units.

SUMMER JOBS OPEN TO WOMEN

Dean Monroe has received inquiries from National Headquarters of the Camp Fire Girls which may interest some COP Seniors. They are looking for college graduates who are interested in this type of work as a career. Naturally no male students should apply, but any women interested can obtain the dope straight from Dean Monroe — about applications, qualifications, etc. at Room 109 Ad Building.

For the coming summer, the Marin County Girl Scout Council has three types of jobs open. They want counselors with special skills, ages from 19 up; assistant counselors, ages from 19 up; unit leaders, ages from 21 up. Dean Monroe has full information concerning these jobs. Take birth certificates or convincing story when applying.

Rate of pay? Varies with qualifications and positions.

AWS Presents Annual Emerald Isle Formal Dance Tonight at Pacific Gym

For \$0.99 any AWS girl may take a reluctant young man to the "Emerald Isle" dance tonight in the COP gym. The cost is the same for an eager beaver.

This function is the second annual formal of the gals' organization and something new has been added. A "Blarney King" will be chosen and unveiled to public view at the height of the merriment. Lois Driffel, chairman, states that the selection of the unfortunate man will be conducted in a manner which will leave no come-back from disappointed aspirants.

Sweet music will be poured by Wayne Morrill's band, with the singing of Gloria featured, from 9 to 12 p.m.

Committee chairmen are, besides Lois Driffel, Jackie Rose for Decorations; Virginia Walton for Chaperones; Pat Thomas and Ruth Laird for Music; Delores Rico for Bids; Pat Parris for Blarney King (it says here); and Jeannine Hill for publicity. Volunteers are being appointed to clean up after the dance.

Romeo - Juliet At Noon Movies

A Hollywood cut version of Romeo and Juliet, starring Leslie Howard and Norma Shearer, will be shown at 11:00 A.M. in room C-3 next Tuesday, March 21. This movie will take up the first meeting of Romeo and Juliet at the Capulet Ball, and follows through the final scenes of Juliet's tomb.

On March 28, a film entitled Mexico Rebuilds for Democracy will be shown. The story tells of an instructor who comes to Mexico and how he helps educate the people. A second hit, Wheels Across Africa, will also be shown.

No more Thursday noon movies will be shown because of lack of attendance, said Mr. Spafford last week.

- MORE INFIRMARY -

(Continued from Page 1)

by proof."

Dr. Collis and Miss Doris Richards, senior nurse, insisted that the infirmiry is being run as efficiently as possible under the existing conditions. "No organization is perfect," said Dr. Collis, "and only he without sin should be casting stones."

When questioned about the possibility of students receiving treatment at times other than those at which the infirmiry is officially open, Miss Richards stated that any student who, in her opinion, needed treatment could obtain it at any time. However, she said she did not think students should come to the infirmiry at odd times, particularly at night.

It is in view of the seriousness of the complaints being made about the infirmiry service that the F.S.A. Senate decided to appoint a committee to investigate the matter. If facts are desired by those operating the infirmiry, it is the purpose of the F.S.A. to furnish them. A report will be made to the administration as soon as the committee completes its investigation.

Committee members are: Vonda Carlton, Roy Coykendahl, Jeanne Gist, Carol Glass, Caryl Heyde, Roy Kirsten, Ruth Laird, Wilma Mast, Greta Peterson, Bill Pinto, Glenn Smith, Bob Turner.

Mu Phi Epsilon, National Honorary Women's Sorority of the College of Pacific held their formal installation of officers March 4 at the home of their advisor, Mrs. Wilhelmina Harbert.

Miss Shirley Arthur, past president, installed Joyce Heaton, president; Joan Damerow, vice-president; Patricia Allen, recording secretary; Gladys Papazian, corresponding secretary; Edna Smith, treasurer; May Ouchida, historian; Wilma Mast, Warden; Lenore LaChance, chorister; and Mrs. Harbert, chaplain.

US-USSR Institute to Hold Conference Here March 24-25 to Study Conflict

An institute on the United States and the Soviet Union of Russia, which is sponsored by the Student YMCA-YWCA, and the American Friends Service Committee, wishes to join with other concerned students in Northern California on March 24-25 at the Anderson Y on the Pacific campus

to study and discuss the conflict which underlines the relations between the United States and Russia. The recently released report "Some Quaker Proposals for Peace" will be used as a basis for discussion.

UNDERSTAND RELATIONS

The main purpose of this institute is to make the members understand and realize the relations on a neutral basis between the two countries, thereby hoping that additional ideas for ending the cold war be presented.

PROGRAM LISTED

On Friday, March 24, the program will consist of registration at the Anderson Y Center, followed by a dinner. The evening address will be featured by Dr. Laurence Sears, professor of political science at the University of California, who will speak on the Focal Points of Conflict at 7:45.

At 9:00 a.m. on Saturday, the program will continue with a group discussion on the Roots of Tension. From there a plenary session will be held.

Following lunch, a group discussion on Constructive Alternatives will be held. The closing session at 3:30 p.m. will be featured by an address given by Dr. Alfred Fisk, Professor of Philosophy at San Francisco State College and an extensive traveler through Western Europe, who will talk on the Attitudes for a Concerned Person.

Don Martin, president of the Men's Y, said that any students are eligible to attend the conference. He went on to urge all students to attend it. If you are interested in doing so, send a registration blank and one dollar to the US-USSR Institute in care of Walt Raitt, Anderson Y, C.O.P.

cussion, the third meeting of the group this semester.

According to President Don Martin the men will meet upstairs in the Anderson Y Center. All men students on the SC and COP campuses are invited to attend. Refreshments will be served at the conclusion of the program.

Men's Y to Discuss The Weaker Sex

"How Weak Should the Weaker Sex Be?" is the topic to be discussed by members of the Men's Y next Monday morning, March 20, at 7:30. Dean Edward Betz and psychology teacher Mrs. Lena Knox with other prominent faculty members will open the dis-

LETTERS TO THE EDITOR

To the Editor:

Last Monday night, March 15, the recommendations of the F.S.A. Investigation Committee were presented to the Senate.

Tuesday, in the Stockton College Collegian, there appeared an article about the F.S.A. Investigation Committee and their findings, supposedly as presented to the Senate Monday evening.

We would like to refute some of the statements in this article.

1. The headline "FSA Investigation Group Fails." In conjunction with the headline, also consider the first paragraph which states we "presumed to pass judgment on a matter completely outside the committee's jurisdiction."

Let's analyze this statement. It is both false and true. It is true if our findings had to agree to those of the administration and it is false if our findings were to be fair and impartial. At the close of this letter the duties of this committee will be listed. We feel that the matter was entirely within our jurisdiction.

2. The resolution as a whole, printed in the paper, does not use the same wording as the one which was accepted by the Senate Monday night, which is further evidence that the story was not a coverage of the Senate meeting, but evidently had been prepared several days in advance.

3. "These recommendations were passed by an alleged majority of the Investigating Committee . . ." We doubt the veracity of this statement. In the Senate meeting Joe Gallegos, committee chairman, stated that the resolution was passed by a UNANIMOUS vote of the committee, and not by an "alleged majority". The chairman has the right to say what constitutes a majority vote.

4. According to the March 6, 1950 minutes, which are open for inspection to anyone, there are quotations by Jim Jewell, the supposedly "ring leader of the present structure constitutionalists" which read that he thought "the present plan is the superior plan that was requested." Such statements as this "glibly convinced the weak."

The Senate has accepted the F.S.A. Investigation Committee's report and passed it on to the Constitution Committee without recommendation. Given adequate freedom, the Constitution Committee will continue to formulate the plans as to what our future student government will be. It is with this in mind that we as a federation of students should do everything within our power to formulate a plan of student government that will incur the greatest good for the greatest number.

(Signed) The F.S.A. Investigation Committee

Luneta Post of VFW Campaigns To Promote Stadium Scrip Sales

To do their bit in the Stadium Scrip Drive, Luneta Post of the Veterans of Foreign Wars are putting on a campaign to promote sales. The post has set a goal of \$10,000 for its share, and the campaign will close on April 15th with a dance in the Civic Auditorium.

The Outside World

Wisconsin should be very proud of their fair son who is about to save the world from Communists. It's too bad the Senator cannot decide just who he is going to accuse next so he could assign the F.B.I. to the job.

His assistants on the investigation must be very confused when McCarthy announced in quick succession that there were 205, 57, then 81. Card carriers or fellow travelers in our State Department must have quite a personal turnover.

The idea behind the current investigation is a good one. All authorities agree that Communist infiltration is a threat. All one must do is look at the record to see that the cold war has been fought by the "fifth column". We can't afford to weaken our nation by allowing serious subversive action in our policy making groups.

It is still too early to make any real decisions on the worth of McCarthy's accusations, but so far there has been nothing shown but lots of smoke. McCarthy has said nothing that has any meaning. He has called a few names; he has presented some very cloudy and prejudiced "evidence"; and he has succeeded in nothing more than to smear a few well known people.

This campaign has all the earmarks of party dirt. They say that when you don't know facts you call names. There have been few facts but many names, Senator. Someone in the party should get wise to the fact that you have to have a few facts to qualify an investigation.

Aquacade Trys Net Girls! Girls!

Plans for the 1950 annual Aquacade "Holiday Carnival", are now under way and will be presented May 17, 18, 19 and 20.

Tryouts for the water ballet girls have been held and those who will take part are Ilima Kauka, Jo McCabe, Dotty Wright, Betty Geddes, Elizabeth Perm, Velma Little, Larrie Harris, Diana Noble, Sue Billups, Marjorie Coy, Ruth Cunningham, Virginia Wallace, Carolyn Wilsey, Nancy Bartlett, Sue Colran, Janice Nicholson, Adrienne Hatch, Myra Kauka, Betty Wise, Dorothy Dunn, and Alice Bogie.

The date will be set later on for the tryouts for the boys.

Students Urged to Join School Hosteling Club

Are you athletic? Do you have muscles plus endurance? Well, even if you are anemic and underweight, you will gain new friends, new experience, new ideas, a new perspective — and a lot of fun by joining the Hosteling Club, which meets every other Wednesday night in the Anderson "Y" at 7 p.m.

At present, there are A.Y.H. (American Youth Hostels) Local Councils in 29 states. The Pacific Hosteling Club joined the A.Y.H. last January, and is now able to secure additional information which helps in planning trips.

If you are interested in Hosteling, sit in on the next meeting at the "Y". Two trips are scheduled in the near future.

EDITORIAL

With the printing of an inflammatory, misleading article in the March 14 edition of the South Campus paper, the COLLEGIAN, the FSA split has come to a frenzied climax.

We, of the Pacific Weekly, have attempted to cooperate in every way in satisfying the needs of the student government and administrations of both campuses.

Due to the misrepresentation by the COLLEGIAN, which seems to be in all actuality a faculty organ, we feel that it is necessary to clarify our stand on this issue of student government reorganization.

The PACIFIC WEEKLY, as to policy, is a student-controlled newspaper, paid for by the funds of the student government and will, to the best of its ability, attempt to convey the opinions of the largest number of students in the best American tradition.

Therefore, we believe:

1. Both colleges can only reap a maximum of benefits under the present system of student government through mutual cooperation.

2. In order to indoctrinate the students into the ways of good citizenship and participation in government, they must direct their own activities by means of trial and error.

3. We believe in the individual identity with cooperation of both institutions so that they might meet the needs of the forthcoming student generations. Stockton College MUST have a separate identity so the voters of the City of Stockton will better understand the contributions of the college to the youth of the community. This should be done so neither school is harmed!

4. The most efficient method, as the WEEKLY sees the problem, is the continuance of the present system as presented by the Revision committee (see page 1).

In short, we are saying, as President Burns has ably stated, "The administration should not interfere with the right of the students to choose and run their own government unless policies followed are detrimental to the interests of the college and themselves."

MORE FSA

(Continued from Page 1)

worded his motion so that the Senate merely accepted the report and referred it to the constitution committee.

The following is the detailed report submitted to the Senate by the FSA revision committee:

In arriving at these recommendations now being submitted for approval before you, we the members of this committee have done everything within our power to review and examine in an unbiased state of mind the facts involved in this proposed change of our student government under which we have matriculated.

THEREFORE, we the FSA Investigation Committee offer for your adoption:

RECOMMENDATION

WHEREAS, the committee feels that any difficulty in the present organization is not one of structure, but rather of administration and student attitude; and

WHEREAS, the presentation and the formulation of the proposed plan is not consistent with

democratic student government; and

WHEREAS, we feel that the present Constitution under which we are matriculated is the superior plan that has been requested.

THEREFORE, we recommend that the proposed change in our government be not accepted.

FURTHERMORE, we recommend that the student body and college administration bend every effort within the present framework to exercise the cooperation of Units I and II in order to gain the solidarity and the positive identity for Stockton College.

INFIRMARY

Following the recent editorial in the Weekly, the Senate also formed a committee to investigate the infirmity. This group will make a survey to determine the basis of the complaints that have been voiced around the campus.

Possibilities of bringing a D.P. student to the COP campus was brought up by Glen Smith. The Senate voted unanimously in favor of the plan for next semester.
