With the reader's permission, this writer would like to come home to roost. There seem to be a few things in this current Student Body difficulty that need clarification.

GET TOGETHER

Some of the national and international hysteria has spilled over into our school thinking. Without doubt we have a very tense situation here on the two campuses, but should we as students throw up our hands and admit that there is no solution. We know that there must be an answer. Let's get together and find it.

Our difficulties first began when Stockton College started off on its own. The college began with lots of problems in the new 6-4-4 plan and very little money with which to carry them to satisfactory conclusions. Stockton College needs money. There is the crux of the problem. The college had been so long aligned with C.O.P. that the citizens who have to pay the bills don't know that there is a dynamic four-year institution in the city. Stockton College has to have an identity of its own in order to survive.

REALIGNMENT PROPOSED

Stockton College proposed this year that the student government be realigned to better satisfy the needs of students and community alike. The present difficulty has arisen, not by understanding the present issues (personalities aside) but by over-emphasis on our own feelings. We are here to build, not to tear down.

In the short run none of us like to see an institution that has been very successful undergo major or even minor revision. In the opinion of those who are responsible for the building of a new college, the present institution of student government can no longer satisfy the future Stockton College program. Since a student association is the life blood of any college, the administration must request an alignment of student government that is compatible with future needs. Over FOUR million dollars of future civic improvement is at stake.

IT IS ALREADY LATE

No matter the course taken by the groups on the Stockton College campus we of the College of the Pacific must realize that there can never be a real break in the spirit of the two schools. We may not always have the same aims in sight; but because our ideas in the short run may not be the same, should not mean that we cannot live together. We are students, we are here for a purpose, and we as students will always have interests and purposes that will draw us together.

Stop and think of the real aims behind any alignment before we condemn the issues at stake. We know that Stockton College has its problems. We as Pacific students must appreciate the difficulties as they stand and make every effort to solve the problems not tear down what we have built.

Centennial Slogan

"1851 — A Golden Century Crowns Pacific — 1951". This is the winning slogan in the California Centennial Slogan contest.

WHOOPEE!! \$20,000

The Stadium Scrip Drive . . . another victory for the '49-'50 Federated Students! Praised by the Stockton Chamber of Commerce and College of Pacific officials for "a terrific student campaign and a job well done", student salesmen doubled the campus goal for a total of more than \$20,000!

Leading the student battle for first place is Omega Phi Alpha with \$10,415 in pledges and funds. Second and third places respectively are held by Alpha Theta Tau \$3400 and Zeta Phi \$1500. The three awards will be doubled by the Chamber of Commerce as the campus goal of \$10,000 was more than realized. Therefore first place will receive \$200, second prize \$100, and third \$50.

In order to aid the selling of the remaining \$12,000 of the needed \$150,000, the student drive is being extended to next Tuesday. Dr. Robert Burns, President of College of Pacific, stated the remaining \$150,000 for the stadium will be raised through the sale of debenture bonds by the college.

Dave Gerber, chairman of the student drive, thanked the students for the really "terrific job" each student undertook in putting over this "stadium deal". A special thanks from Gerber, and Chamber of Commerce officials, went to the student committee who worked endlessly toward the success of the drive. Those who assisted Gerber in the project are Frank Wolfe, Barbara Strand, Dean Tyrrel, and Caryl Heyde.

FEDERATED STUDENT ASS'N ISSUE, BACKGROUND GIVEN FOR CLARITY

By VONDA CARLTON

In order to clarify the issue, the following background material on the Federated Student Association reorganization is offered.

On December 11, 1949, Dr. Leon P. Minear, president of Stockton College, and Mr. Edward Betz, dean of men, presented to the Senate a plan whereby Units I and II would become a single unit. The plan also called for two separate student bodies, one for Pacific and one for Stockton College, with a coordinating agency to take care of joint affairs.

It was revealed at the meeting Dr. Minear was being urged to secure more recognition for Stockton College, so that the people of Stockton would realize that there is a Junior College in this district when they go to the polls to vote the bond issue, which is badly needed to enlarge the school.

Dr. Minear emphasized at this time that the students should either accept this plan or come up with a better one. At this time, the Senate appointed a committee to investigate the plan proposed and alternatives. Joe Gallegos was elected chairman of the group and Mr. James Wilson, was chosen as faculty advisor. Five representatives from each Unit were asked to serve on the committee.

At the Senate meeting March 13, 1950, the Investigation Committee after listening to the pros and cons of the issue, reported back to the Senate with a resolution. The resolution said in effect that the committee considered the present FSA structure the better plan and that both schools should do everything in their power to try to work out Stockton College's aims under this plan.

This resolution was accepted by the Senate and referred to the Constitution Committee.

Since that time the Stockton College Collegian and the Pacific Weekly have exploited both sides of the issue. Student opinion was expressed in both papers, and as a result, many students have asked for a complete explanation of the problem.

Dr. Minear has said there will be a split. How complete that split will be is up to the administration. (Continued on page 2)

Crowning of King and Queen to Top 1950 Annual Stockton College Fun Fest

Climaxing the second annual Stockton College Fun Fest, which will be held in the Civic Auditorium this evening, will be the crowning of the King and Queen at midnight. "Midway" has been chosen as the theme for the annual affair, announced Chairman June Rich.

— BIG CHIEF JONTE —

SEE PAGE THREE FOR NEWS OF DEATH VALLEY

CANDIDATES ANNOUNCED

The King and Queen contest has been under way since March 3 and ended last Friday. Candidates who will vie for honors tonight are Koleta Graham, Dan Boone, Pat Armstead, Joe Nicolau, Danny Del Prato, Don Hall, Jim Brawley, Bill Kester, Sherlie Baysinger, Willa Sanford, Pat Lawson, Marlene Fetzner, JoAnn Meyers, Betty Cowell, Ellen Fitzgerald, Jeanne Chandler, Virginia Null, Lucille Beggo, Don Buck, Joan Dealy, and Ernestine Ferrari.

Judging for the contest took place last night; however, the results will be kept a secret until midnight tonight. The judges were from Beta Sigma Phi, a group of young business women, and the Junior Chamber of Commerce.

CARNIVAL ATTRACTIONS

With Dan Terry and his Orchestra supplying the music, the carnival-dance will be held on the main floor of the auditorium, which will be surrounded by 25 midway booths. These booths, according to Chairman Rich, "will include penny pitches, baseball throws, and many other carnival attractions." They have been al-

(Continued on Page 8)

US-USSR DISCUSSION HERE TODAY, TOMORROW—

Secretary of State Dean Acheson's statement of American foreign policy, and other recent developments in the "cold-war" will be taken up tonight and tomorrow when an Institute on the United States and the Soviet Union convenes at the Anderson Y center.

The seven points of Secretary Acheson, the Soviet Union's recent peace declarations, and the "Quaker Proposals for Peace" will form a basis for discussion by Northern California students. Alternatives to the "cold-war" will be proposed at the two-day conference.

Tonight, the program will consist of registration at the Anderson Y center, followed by a dinner, of which Don Martin is to be toastmaster.

After dinner, the program will move to Music C where Dr. David Bruner will open the meeting and introduce Mo Hess to the group. Mo will then introduce Dr. Laurence Sears, professor of political science at Mills College, who will speak on the "Focal Points of Conflict" at 7:45. In 1932 his book "Responsibility" was published. He is also a contributor to the Journal of Liberal Religion, Journal of Philosophy, and Ethics.

Tomorrow at 9:00 a.m., the program will continue with a group discussion on the "Roots of Tension". From there a plenary session will be held. (Continued on page 7)

Opera In May by SC-COP

Verdi's opera, "Il Travatore" will be presented by the Stockton College-College of the Pacific music departments in the Pacific Auditorium on May 6, 7, and 13.

Plans for the production were given the go-ahead signal last week by John G. Elliott, Conservatory Dean, Lorraine Knoles, coordinator of the two colleges, Stockton College Vice President Burke Bradley, and Dr. Irving Goleman, Stockton College Division Chairman of arts and sciences.

Cast for the production would number at least 100, with a full orchestra and a chorus of at least 50, says Lucas Underwood, Ass't

Professor of Music and Director of the Opera.

"To stage such a production is quite an undertaking", said Underwood, "and unless a group is exceptionally good, it can't be done with amateurs. The strain on the voices is terrific."

Stage techniques will be handled by Tony Reid, creator of many of the Pacific Theatre stage backdrops.

The May 6th and 9th dates are evening performances, to begin at 8:00 p.m., while the May 13th date is an afternoon performance. The starting time has not yet been released.

Tickets will go on sale April 1st.

Marines Recruit

A Recruiting Officer from the Women's Marine Corps will be on the COP campus April 13 and 14.

Qualifications for the Women's Corps are as follows: you must be from 18 to 25 years of age, in general good health, and a graduate of or presently attending an accredited college.

Attendance at two six weeks courses at the Marine base at Quantico, Virginia are required. The first, or junior course, carries corporal rating and pay, the second boosts you up to sergeant. After completion of the two courses, you may be qualified for reserve or regular commission in the Marines.

Anderson Hall Setting of Foreign Trade Banquet; 350 Expected

Anderson Hall will be the setting of the big Foreign Trade Banquet which will be held tonight at 7:00. Mr. G. Lewis Fox, general chairman of the San Francisco Chamber of Commerce, will be the principal speaker at the affair which will bring 350 guests to Pacific.

Alpha Theta Tau Wins

Once again Dan Terry dialed 2-9292 and placed the honor of Campus Caravan Sweetheart for this week on Jean Huish, of Alpha Theta Tau. Jean is the second sweetheart to have been chosen by the listening audience of Campus Caravan.

Teachers, students and wives of many of the guests will sit side by side at the banquet tables. The student group will contain 120 business administration majors and other students in Mr. Ritter's current classes in foreign trade.

Mr. O. H. Ritter, executive vice president and comptroller of the College and chairman of the department of business administration, will preside at the Anderson Hall occasion. The banquet is a part of his plans for developing mutual understanding and acquaintance of business leaders in training of active executives of today.

Many prominent leaders will come from San Francisco, some of which will give brief commentaries. A few of the guests will be Paul H. Brent, chief of the international trade division of the United States Department of Commerce; Leland W. Cutler, president of the World Trade Center Authority; and Paul A. Bissinger, president of the San Francisco Chamber of Commerce.

Stockton guests will include "Dutch" Derr, secretary-manager of the Stockton Chamber of Commerce; Elmo Ferrari, director of the Port of Stockton; other officials from the Chamber of Commerce and several banking men will attend the event.

More BACKGROUND

(Continued from Page 1)

istration. The students have only one choice remaining; accept the idea that Dr. Minear expressed in the first Senate meeting in December and then work to save everything they can to keep the bond between Stockton College and College of the Pacific as close as possible.

Infirmity Committee Holds First Meeting

By DICK CANNON

Last Monday night the F.S.A. Committee, appointed by President Mo Hess to make an investigation of the Infirmity situation at COP, met and completed preliminary organization. Glenn Smith was elected Chairman and Caryl Heyde, Secretary. Dean Harriett Monroe is faculty advisor.

PROCEDURE OUTLINED

Following organization, plans were mapped for a thorough investigation. Since the first necessity is to obtain facts from students concerning their contacts with the Infirmity, a definite mode of procedure was outlined. It was the unanimous opinion of the committee that facts are desired, not only unfavorable to the present set-up, but on the other side. It was agreed that the operation of the Infirmity is quite a difficult job, and the Committee desires to get at the facts as soon as possible, but not in a haphazard and hurried manner.

ADMINISTRATION POLICY

Dr. Burns, COP President, when interviewed, stated that he was in favor of the investigation, if carried out properly, and that the administration will cooperate in every way. He further stated that it is the fixed policy of the administration of COP to permit full freedom to the Pacific Weekly in expressing opinions, even if at variance with those of the administration. He made several suggestions concerning the lines he believed the investigation should follow, but emphasized that he was not attempting to dictate in any way either to the Committee.

INFORMATION ASKED

To help in this investigation, students are asked by the Committee to give any information they may have regarding their contacts with the Infirmity, both favorable and unfavorable. Rumors and gripes, unsupported by facts, are not desired. Committee members are: Vonda Carlton, Jeanne Gist, Carol Heyde, Carol Glass, Glenn Smith, Wilma Mast, Bob Turer, Terry Manosar, Ann Arthur, Greta Peterson, Roy Kirsten and Bill Pinto.

D.A.V. Unanimously Decides to Back V.F.W.

The Disabled American Veterans in a meeting on Wednesday, March 15, decided unanimously to back the V.F.W. in their drive to raise funds to buy scrip for the disabled veterans in San Joaquin county, in Veterans Hospitals, and convalescent patients in service hospitals.

Production Rehearsals Now in Second Week

Now in its second week of rehearsal is the fourth and last production of the current Pacific Theatre Season, "Green Valley." Under the direction of DeMarcus Brown, the play is an original folk fantasy by Fran Watron. This will be the first time that this play has been presented anywhere in the United States or Europe. The production will be presented four nights, April 21, 22, 28 and 29 with curtain times at 8:30.

Featured in the leading roles are Willard Clarke, Marcia Lou Brown, Tom Rosqui, Rob Dickerson, and Penny Fitzgerald. Others in the cast are Sherwood Goozee, Molly Levine, George Hall, Ronnie Hull, Barbara Rowley, and George Nunn.

Settings are being designed by Bill Strom and Anthony Reid and dancing under direction of Betty Hackett.

Reservations may be made two weeks in advance at the Pacific Theatre Box office, or by calling 2-8676 from 9 a.m. until 5 p.m.

'Cherry Orchard' Rehearsals Progress

Under the direction of Paul Vieregge, rehearsals for "The Cherry Orchard" are well under way.

The underlying theme of the play is the decay of the aristocratic class and its replacement by a new order of practical, hard-headed business man. Practically all of the characters in the play are ineffectual. The shining exception, however, was the peasant-born Lopakhin, typical of the rising class of energetic self-made men who see clearly and talk plainly.

The cast is as follows: Dunyasha, Betty Benson; Lopakin, John Cretan; Ephikhodof, Pete Duncan; Madame Ranevsky, Alice Call; Anya, Eileen Russel; Charlotta, Norma Nicklemann; Barbara, Babs Dix; Gayef, Don Robinson; Firs, Jack Jones; Pishchik, Bill Sibley; Peter Trofimoff, Jim LaMar; Yasha, Dave Otis; and The Tramp, Ed Davis.

The play will be given in the Studio Theatre on April 24-26, and 27.

California is the chief source of natural sodium sales in the nation.

Musical Sponsoring Drive for Talent

"There's no business like OLD show business". With this theme in mind the backers of the Campus Musical are sponsoring an all-campus drive for talent.

Expectations are that this will be the largest musical show ever produced on campus. All the music and lyrics will be original and under the direction of Bud Harpham and Bob Smith.

This extravaganza is being presented by the Blue Key Honorary Senior Men's Fraternity which will shortly join the National Blue Key organization.

The largest names on the campus will be featured in the different acts as well as all the living groups, working in conjunction with the Blue Key, who hopes to be the carrying force in years to come for this presentation.

Campus Caravan Cutie Chosen Every Friday

By JERRY MULLIN

Your campus sweetheart? Well, the answer lies with Campus Caravan and Dan Terry, who can be heard over KSTN, 1420 on your dial, Monday through Friday from 5 to 5:30. But permit me to explain.

Pacific's own disc-jockey coming to you care of the local station is using his "Campus Caravan" program on a search for your campus sweetheart. A poll is taken of your choice by the postcards you send in. Then every Friday for the next ten weeks, the girl with the most number of votes is chosen campus sweetheart. At the end of the ten week period, your favorite sweetheart will be selected from among the ten finalists.

For the sweetheart of your selection, there isn't a pot of gold waiting at the end of her Friday rainbow; but there are some very nice things for instance: 2 tickets to dinner at the El Kobar Restaurant, 1 corsage of her own choice of flowers from S. F. Floral Co., 2 tickets to the Fox California Theatre, a photo by the Bob McCullum Photo Studio, free album of records from Johnny Calvin's, free dancing lesson with Arthur Murray Dance Studios, serenade of her favorite tune and an interview by phone with Terry over KSTN.

Gravy Crew In Charge of Death Valley Dry Ice, Dill Pickles, Salted Peanuts

An army travels on its stomach, also the COP Death Valley Expedition.

One of the biggest attractions of this trip is the food, prepared by the gravy crew under the supervision of Prof. J. H. Jonte. Annually 16 students earn membership on the expedition by working 40 hours before leaving Stockton and helping with meals en route.

The gravy crew undeniably has a lot to do with the success of the tour. When Prof. Jonte orders 50 lbs. of salted peanuts, it is their job to count peanuts into piles for individual lunches. When a dry ice refrigerator is needed for frozen foods, the crew builds one. When twelve tons of kitchen equipment have to be loaded . . . you get the idea!

The bookkeeping system of the crew is so involved that it takes Prof. Jonte and a triple-crossed filing system to find a jar of dill pickles among 337 assorted cases of food.

One year it came to light that 11,340 slices of bread were used

on the trip, which placed end to end would reach more than 4,000 yards. If anyone starts laying bread end to end on the 1950 tour, it will undoubtedly be the gravy crew that's responsible.

Members of this ambitious group are Dale Addington, Don Angerina, Ted Betz, Harold Burch, Gary Busher, Roy Demonte, Kenneth Fortriede, Paul Greene, Marvin Kayser, James Lehman, David Roberts, Bob Schumacher, Brit Smith, Marvin Vipong, Ira Wheatley, and Dave Wolf.

El Dorado is the northernmost of the Mother Lode Counties.

PACIFIC NETMEN SEEK NCIC CROWN

Pacific Swimmers To Vie In Nationals, Win PAA Meet

By ED POWELL

Thanks to the generous contributions of students and townspeople of Stockton a four-man Pacific swimming squad left here last Monday evening for Columbus, Ohio with their sights on the NCAA swimming championships.

Making the trip are Frank Poucher, Jon Stebbins, and Bob Steel of the undefeated Medley relay team and Dick Cullenward ace distance swimmer.

The Tigers gave a preview of their power last Friday night when they won the PA meet at the Olympic Club in San Francisco.

Frank Poucher took the 150 yard back stroke and Jon Stebbins breezed past all competition to take the 220 yard breast stroke. Poucher's time of 1:38.6 was the fastest of his career, and it enabled him to defeat his old rival, Jack Weeden, of Stanford for the first time in five starts.

Stebbins set a new PA record of 2:26.5 in his trial heat and won going away in the finals in 2:27.7. Dick Cullenward paced the 220 freestyle all the way up to the last lap only to have his old nemesis Ralph Sala of Stanford sprint by to cop the event in the time of 2:16.4.

Other Tigers to place were: Morrie Green and Bob Sherman, third and fourth in the diving, Gene Nyquist, fourth in the backstroke, and Bill McMillen fourth in the breast stroke. Pacific had 19 points, Olympic Club nine, Stanford eight.

Pacific to Drop Golf Loses to Cal, 16-11

Following the third consecutive defeat, this time at the hands of the University of California, 16-11, Bob Monagan, COP Athletic Director and golf manager decided to call off the remainder of this season's matches.

Monagan stated that even though the team has a good nucleus of three or four men, six players are necessary for intercollegiate competition. Because a full team hasn't turned out for road games it has become necessary to cancel the remaining games.

Monagan did give some encouragement by revealing that Pacific will be represented by a four-man squad in the Northern California Intercollegiate Championships at Pasatiempo during Easter Vacation. The sport will be resumed next year if the tournout warrants it.

Despite the loss to the Bears last Saturday at the Stockton Country Club, Russ Shepherd and Fred Solomon downed Frank Minch and Don Brunk, number one and two men for California. Shepherd shot a three under par 69 to whip Minch, while Solomon defeated Brunk with a respectable 74. Only other Tiger to score was Andy Blossom, who downed Charles Haight one and a half to a half.

Pacific Sports

Stockton College Swim Team Dumps Monterey

The Stockton College swimming team completely outdid their supposedly closest rival, Monterey, last Saturday at the Pacific pool, 50 to 25. Our boys took first place in eight of the nine events, and brought their total of wins to 33 out of 37 meets in the last three years.

This Friday night the Mustangs take on the Olympic Club Juniors at San Francisco. The feature race of the night will be Ray Carmassi against Jim Lee in the 440 yard free style.

The announcement of the ineligibility of Buzz Kann and Jack Murphy, both transfers from San Francisco City College, proved to be somewhat of a shock, as it will definitely weaken the team.

Saturday's Results:

300 yard medley — Won by Stockton team of Humphrey, Murrey, and Gillin.

200 yard free style — Carmassi (Stockton), Ball (Stockton), and Cutino (Monterey).

50 yard free style — Fisher (Stockton), Nugent (Stockton), Kimball (Monterey).

Diving—Stackhouse (Stockton), Googins (Monterey), and Ferante (Monterey).

100 free style — Gillin (Stockton), Nugent (Stockton), and Cutino (Monterey).

150 yard back stroke — Humphrey (Stockton), Kimball (Monterey).

200 yard breast stroke — Light (Stockton), Buchinno (Monterey), and Rose (Stockton).

440 yard free style — Carmassi (Stockton), Dew (Monterey), and Easton (Monterey).

400 yard relay—Monterey team of Googins, Petrobono, Brownlig and Cutino.

Bengal Baseballers Bop Fairfield, 13-6

The College of Pacific baseball nine dumped the Fairfield Sky-masters by a 13-6 count last Tuesday on the Cole Memorial Diamond. Although the Skymasters outhit the Tigers 10 to 7, the Pacific squad took advantage of the wildness of the Fairfield pitchers and the miscues of the infield to gain their victory.

Jack Sandman, Pacific pitcher, set 12 Skymasters down on strikes and was coasting along easily until the Fairfield nine started a last inning rally. The Skymasters converted four hits into two runs during that inning and lost another when MacMillan failed to touch third base after hitting a home run.

Another highlight of the game was a seventh inning rally by the Tigers during which Catcher Dick Ramos stole home. The fourth inning was the best for the Bengals, with the Pacific horsehiders scoring seven runs on three hits.

COP CINDER SQUAD

Introducing Howie Stokes—

This week's sports personality, and College of the Pacific's ace hurdler, is senior Howie Stokes. Born March 10, 1926 in Lodi, this outstanding trackman is now competing in his last season for the Orange and Black. He figures prominently in Coach Earl Jackson's plans for a top season for the Tiger thinclads, and will probably be a member of the Pacific group to go to the Drake relays.

Howie is best known as winner of the 200 meter low hurdles event, junior division, at the national A.A.U. meet last year. His time of 23.1 seconds in that race was the fastest time recorded for the event in 1949.

When at Lodi High, Stokes ran the 440, the 220, the low hurdles, and the relay to win his letter four years in a row. In his freshman and sophomore years in college Howie did his stuff for Stockton College, taking first place in the low hurdles as a freshman in the NCJCC meet. Last year, his first for C.O.P., Howie aided the Tiger cause by placing first in the CCAA meet and by setting his record time at the A.A.U. meet.

Stokes recalls his most unusual day in track as happening while he was stationed with the 11th Airborne Division in Japan.

When his orders were snafu'd via G.I. red tape, Howie found himself traveling to a meet with the outfit's swim team. He declines to state whether or not he won any events, but points out that there are now low hurdles in a swimming tank.

7 Track Records Falls In Interclass Contest

Seven new records were established in the inter-class track meet held at Baxter Stadium last week-end. The Juniors walked away with team honors garnering 61 points to the Sophs, 43, Seniors, 35½, and Frosh, 24½.

Bob Butterfield broke his javelin mark that he set in the previous week by three feet. Butterfield's toss was 183'5". Eddie Macon and Don Brooks both set individual marks and then combined with Rayce Mason and Ken Butler to set a new 880 yard relay mark of 1:30.1. Macon's record was 22.2 in the 220 yard dash while Brooks skimmed the low hurdles in the fast time of 24.9.

Inability to raise a team and to train it properly has caused Coach Dink Templeton of the Olympic Club to cancel their scheduled track meet with the College of Pacific Saturday. The Tiger track team will compete in an intra-squad meet then as attempts to line up another opponent have proved fruitless.

Feature Volleyball

Gamma Gamma won their second consecutive game in the volleyball tournament by defeating the Grads in the COP gym last Tuesday. Other games played saw Omega Phi, defending champions, defeat the Faculty and the Shooting Stars gain a win over Quonset F&G.

At the conclusion of the first round of play the only undefeated teams are Gamma Gamma Epsilon, Shooting Stars, Yearlings, and Omega Phi. Once-defeated teams still in the running are Archania, Grads, Faculty, Rhizomia, Bulldogs, and Quonset F&G.

Pacific Net Team Seeks to Regain Northern Calif. Championship

The College of Pacific tennis team is seeking to regain the Northern California Inter-Collegiate championship that they lost to USF in 1948. The Dons, defending champions who will seek to retain their championship, have the top seeded entrants in Conway Catton and Harry Roche. The Tiger doubles combine of Henry Pfister and Don Hamilton were seeded number one and Pfister grabbed the third spot in singles competition. The tournament began yesterday and will be concluded tomorrow.

Because of their recent win over USF, Pacific will probably be ruled as the favorites of the tourney. The Dons are still expected to provide the top obstacle to the Tiger netman's supremacy, however.

The probable point system for the tournament will be as follows: one point for reaching the quarterfinal, one point for reaching the semi-finals, one point for reaching the finals, and one point for winning the finals. The system is the same for both the singles and the doubles.

Three trophies are presented by the tournament, one for the winning team, one for the singles champion, and one for the doubles champions. Only COP and USF have held the present trophies. Pacific won all three trophies in 1947 while the USF netmen clinched all three the past two years.

COP BEATS USF

The College of Pacific started on the road to Northern California tennis supremacy by defeating USF, 5-4, on the latter's courts last Wednesday. The Tigers and Dons split the singles matches, but Pacific's doubles supremacy decided the match in favor of the Orange and Black.

Clint Arbuckle reversed last year's defeats by upsetting USF's Harry Roche, 6-3, 9-7 in the number two singles match, while Pacific's top duo of Pfister and Hamilton retained their high ranking by defeating Conway Catton and Roche, 8-6, 7-5.

Other results were as follows: Catton (USF) d. Pfister, 6-1, 5-7, 6-2; Winrich (P) d. Sample, 10-8, 6-3; Green (USF) d. Hall, 6-2, 6-4; Hamilton (P) d. Vickerey (USF), 6-1, 7-5; Smith (USF) d. Jacobus (P), 8-6, 6-2; Hall-Winrich (P) d. Green-Smith, 6-1, 6-1; and Sample-Vickerey (USF) d. Arbuckle-Jacobus, 6-2, 7-5.

PACIFIC BOPS CAL

Last Saturday the Tiger tennisers opened their inter-collegiate season by beating Cal, 8-1. Hank Pfister defeated Cal's ace, Lorne Main, in the top singles game, 4-6, 6-2, 6-4, and then teamed with Don Hamilton to dump the Golden Bear's top duo, Main and Wally McDonald, 4-6, 6-2, 6-4.

Other results were as follows: Darrell Winrich (P) d. Merrill Albert, 6-1, 2-6, 8-6; Clint Arbuckle (P) d. McDonald, 6-2, 6-1; Bob Hall (P) d. Don Menke, 6-1, 6-4; Don Hamilton (P) d. Chuck Curry, 6-4, 0-6, 6-4; Len Warren (C) d. Don Jacobus, 6-1, 2-6, 6-1; Winrich and Hall (P) d. Curry and Fair, 7-5, 6-3; and Arbuckle and Jacobus (P) d. Menke and Ritchey, 9-7, 6-4.

FANNON THE BREEZE

By WILL FANNON

Yours truly is going to join the long list of baseball predictors who joyfully impart their realms of knowledge upon the unsuspecting public and then when the pennants are decided and the world series is in progress duck around the back alleys to avoid the humiliating glances of that same public. The accuracy of my predictions is something unmentionable, for last year I was among the legions who picked Hollywood for the cellar in the Pacific Coast League.

Giving myself a pat on the back, here goes. Fannon's predictions for Baseball 1950.

AMERICAN LEAGUE

(1) BOSTON RED SOX — the McCarthy Maulers have been so close and yet so far away during the past two years. However the Sox have improved their line-up considerably, and IF they get away to a fast start and IF they get some pitching support for Kinder and Parnell, the Hub City Sluggers may add another pennant to the flag pole at Fenway Park.

(2) NEW YORK YANKEES — the Bronx Bombers are always dangerous and with Casey Stengel at the helm they may grab their second straight gonfalon. It looks as if the Yankees are going to need more than Joe Page to pull them through this year, but if all the big IFs come through, Yankee Stadium may once again be the scene of the World Series.

(3) DETROIT TIGERS — with one of the best pitching staffs in the majors and a good outfield to boot, Red Rolfe's motor city squad could be classified as the darkhorse of the race. The acquisition of Gerry Priddy solved the second base problem and IF Dick Kryhoski comes through at the first sack, the Tigers may roar in '50.

(4) CLEVELAND INDIANS — the Indians outcome depends upon power and one rookie in general, Luke Easter. If Luscious Luke belts the ball in the manner to which he is accustomed, the Indians may end up in the baseball classic for 1950. Lou Bordeau's Clevelanders are strong down the middle with a pitching staff headed by Bob Feller, Bob Lemon, and Mike Garcia, a top second basestop combination of Boudreau and Gordon, and an excellent center fielder named Larry Doby.

(5) PHILADELPHIA ATHLETICS — if Connie Mack's pitchers come through, the grand old man of baseball may realize his fondest wish. The 'A's need a little more power in the outfield, and if this supplied by Ben Guintini and Barney McCosky, look out, American League!

(6) CHICAGO WHITE SOX — WASHINGTON SENATORS — ST. LOUIS BROWNS.

NATIONAL LEAGUE

(1) BROOKLYN DODGERS — "Dem Youthful Bums am goin' places." It looks as if the Dodgers are becoming the Yankees of the National League, that is, the perpetual pennant winners. The only thing that could stop the Bums is the sophomore jinx which was so disastrous to Cleveland last year.

(2) ST. LOUIS CARDINALS — the Red Birds need a little youth to supply that late season punch but as long as Messrs. Musial, Slaughter, and Marion are around, the Cards are going to be tough to beat.

(3) PHILADELPHIA PHILLIES — the Phillies have collected a youthful aggregation with a will to win. Paced by Del Ennis and Dick Sisler and with the return to form by Ed Waitkus, the Phils bode ill will for the rest of the NL.

(4) NEW YORK GIANTS — Leo Durocher has rid himself of his power team and has emphasized speed. However, the Giants still lack the pitching necessary to cop the gonfalon.

(5) BOSTON BRAVES — (6) PITTSBURGH PIRATES — (7) CHICAGO CUBS — (8) CINCINNATI REDS.

Mustangs Open Track Season In 4-Way Meet

MUSTANG CINDER SQUAD

The Stockton College Mustang track team will open its 1950 intercollegiate season this afternoon in Baxter Stadium when the "Tangs meet the thinclads from Placer J.C., Sacramento College, and College of Marin. The Mustangs are regarded as favorites to take the four-way affair.

On the strength of pre-season performances, Stockton mentor Boyd Thompson has high hopes for first place points in the dashes, the two-mile run, the pole vault, and the broadjump events. Stockton is especially strong in these events and Thompson sees the possibility of a clean sweep in all of them.

Further aiding the Mustang cause is the return of dash man Glenn Brooks, who has been out of competition with a shin splint. In recent time trials, Brooks is reported to have turned in a 10.3 hundred yard dash while running in street clothes.

Standouts for the Mustangs will probably be Bob Jones in the discus throw, Bob Butterfield and Fred Cooper in the Javelin, Ed Davies in the Two-Mile run, and Bob Hudson, Johnny Cobb, and Glenn Brooks in the dashes.

Bob Jones threw the discus 152 feet this season at the Long Beach relays, a distance that tops the nation in junior college competition.

Stockton's Bob Butterfield and Fred Cooper have both thrown the javelin far enough to out-distance all other J.C. spear throwers in Northern California. The two of them are expected to take first and second place at the NCJCC meet on May 6.

Next Thursday the Mustangs play host at a five-way meet with Yuba College, Vallejo J.C., Menlo, and Contra Costa.

Mustang Baseballers

Coach Van Sweet's Mustang horsehiders meet the Monterey College Lobos at Oak Park diamond in a double header tomorrow to open the 1950 NCJCC baseball season. The first game will start at 2:30 p.m.

The Mustangs are expected to open the conference season strong and are favored to take both games in tomorrow's tussles.

San Mateo Tennis Team Beats Stockton College

The Stockton College Mustang tennis team lost their conference opener to San Mateo last Friday on the San Mateo courts by a 4-3 score.

Next Tuesday the team travels to Modesto to play the Pirates. Modesto lost their star, Lorne Main, to the University of California, but are still expected to field a fine team.

EVELYN NAUMAN NOW MRS. WILLIAM REVITT

Evelyn Nauman became the bride of Bill Revitt March 12, in Morris Chapel. Attending the bride were Marnel Richardson as matron of honor and Barbara Fraser, bridesmaid. A reception at Epsilon Lambda Sigma followed the wedding.

Evelyn, who graduated last February from C.O.P., is a member of Epsilon. The newly-weds plan to make their home in Stockton.

Newman Club Begins New Lecture Series

The COP Newman Club is embarking on a new lecture-discussion series under the direction of the Rev. Thomas McCullough, assistant pastor of Old St. Mary's Church. Discussion will be based on books and periodicals available at the COP Library and there will be occasional guest speakers. Next Tuesday's session will be devoted to Sheed's "Theology and Intellect".

Officers elected for the present semester are Fred Tulan president; Irene Tassano vice-president; Mary Gardella, recording secretary; Connie Spinetti, corresponding secretary, and Martin Urrizola, treasurer. Miss Elizabeth Humbargar is faculty advisor to the group, and Father McCullough is chaplain.

The group meets regularly during the Tuesday Chapel period upstairs in the Anderson "Y" Center. All interested non-Catholics as well as Catholics are invited to attend. Membership is comprised of both COP and SC students.

Jonte Announces Dates For Pre-Med Exams

Pre-medical students are notified by Prof. J. H. Jonte that the Medical College Admission Test

Take a good look at this picture and you will understand why there is an acute parking problem on the campus. The parking situation is bad enough without students parking their cars the wrong way. The photographer went hog wild on this picture but really the flat tire wasn't necessary.

VFW Throws Scrip Dance

If you're a lone wolf, you need a buck; if encumbered it will cost you two. In either case it's cheap at half the price. What? The V.F.W. Dance that is being held on April 15th, in the Civic Auditorium to climax Luneta Post's drive for \$10,000 for Pacific Memorial Stadium Scrip.

Archania Holds Spring Formal Saturday Nite

"Evening in Paradise" is the theme of the Archania spring formal which is to be held this Saturday night in the fraternity house. The dance, under the direction of Jack Atwater, will be the congratulatory event for the pledges of the spring semester.

this year will be given Saturday, May 13, and Monday, November 6.

As these are the only times the test can be taken, all pre-medics who plan to enter a medical college for the fall term of 1951-52 are urged to check with Prof. Jonte, Room 109, Weber Hall, at their earliest possible convenience.

Bill Ross, elderly COP student, is Chairman of the Committee beating the drums for the drive. Bill has a gimmick in his deal that has a real punch. ALL the scrip sold by Luneta Post will be used for the admission of totally disabled veterans to COP home games. The Post will furnish transportation from Veterans Hospitals in the Bay Area section and for individual veterans from San Joaquin and adjoining counties.

Get your tickets at the Book Store, from Old Man Ross in person, or from any member of Luneta Post you may meet. Remember, when the dance is a pleasant memory, you will still be helping send totally disabled vets to the football games ten years from now.

Rhizomia Downs Given Last Week

Saturday, March 18, Rho Lambda Phi presented its first dance of the Spring term. Entitled "Rhizomia Downs", the dance followed a race track theme. Star of the evening was "War Rhizite", a live horse which the house rented for the evening. "War Rhizite" was kept in the card room, which had been converted into a stable for the evening. Pictures of each couple were taken, with the gals, who were dressed as jockeys, sitting upon "War Rhizite", and the fellas standing by holding the reins.

Wayne Morrill and his orchestra provided the music, and vocals were by Gloria.

Co-chairmen were Paul Devencenzi and Jack Townsley. Committees included, Decorations, Rudy Michele; Music, Art Venable; Bids, Bob Beckham; Refreshments, Hal Daley, and clean-up, the pledges.

KELLY FENTON AND JOE HODSON

Amazed by the glare of the flash gun, Joe Hodson, sitting, and Kelly Fenton, standing, are pictured reviewing the membership list of the COP Alumni Association. Hodson, Alumni Secretary, and Fenton, his assistant, are pleased with the results of their fall campaign but still hope to revive more interest in the school among the grads.

Dr. Windmiller Reports
On Student Probations

The number of students on probation this semester comes to an even 300, of which 231 students are on scholarship probation, with the other 69 students on attendance probation, announced Dr. Windmiller earlier this week.

Those students who fall below a 0.75 grade point average for one semester are automatically put on the scholarship probation for the next semester, which means that if a student fails to improve his record above a 0.75 average during the semester that he is on probation, he is subject to dismissal from school.

These students are warned when they are put on probation, and a copy of the letter is sent home to their parents.

The remaining 69 students are on probation for exceeding the limit of 20 cuts last semester. Being on attendance probation means that a student may not

COP Debaters Refuse
West Point Invitation

At the recent tournament at the California Institute of Technology the coaches from different colleges and universities in the West chose Rex Mull and Doris Riggs as one of the outstanding debate teams on the West Coast and extended to them an invitation to debate at West Point Military Academy in a national speech tournament sponsored by the U. S. Government. Mr. Guss, their coach declined the invitation because of insufficient funds but he thanked the committee for the honor bestowed on the C.O.P. debate team.

have more than 10 cuts during the entire semester. If one does exceed the limit of 10 cuts during the semester, he is subject to dismissal.

Eighteen students have already been dismissed from school this semester for exceeding the limit.

Questionnaires Sent
To Methodist Students

Questionnaires are now in circulation on the SC and COP campuses among students who listed Methodist as their religious preference at the time of registration.

These information blanks, covering general college background as well as religious affiliation and interests, were sent to every second student on the Methodist preference list, in an attempt to secure an accurate sampling. Those who received the questionnaire are urged to mail the completed forms as soon as possible.

The survey is sponsored by the Bureau of Social and Religious Research at Northwestern University, under the direction of Dr. Murray H. Leiffer. The information obtained will be used to guide program plans of the California-Nevada and Southern California-Arizona Methodist conferences.

More US-USSR

(Continued from Page 1)

Following lunch, a group discussion on Constructive Alternation at 3:30 p.m. will be featured by an address given by Dr. Alfred Fisk, Professor of Philosophy at times will be held. The closing session at San Francisco State College and an extensive traveler through Western Europe, who will talk on the "Attitudes for a Concerned Person."

MENS Y GROUP MEETS TO
DISCUSS SEX RELATIONS

By BILL JAMES

Hoping to bring the male students into closer contact with the female specie, the Men's Y sponsored a program and discussion last Monday in Anderson Hall entitled "Should the Weaker Sex be Weaker? No conclusion was reached, but everyone seemed to enjoy the bull that the panel was throwing.

Mrs. Lorraine Knox, Mr. John Dennis, and Dean Edward Betz were featured as the speakers for the panel. Miss Betty Jensen directed the panel, while Gil Jones acted as chairman.

The panel got off to a "bang" when Mrs. Knox said that the term "the opposite sex" should be replaced in favor of the "other sex". She went on to say that what the world needs is not men against women, but men and women together. She believes that women should try to act like men. She went on to add that some women think their role secondary to that of man, but this is not so. Never let a man think that he has a monopoly on you, she added. All three of the panel members agreed that men and women should look at each other as companions, and not as the opposite sex (I wonder why).

Mr. John Dennis then brought up the subject of the Kinsey Report. He stated that it said that only 5% of the people have normal sex desires, while 95% have abnormal desires. Then the ques-

tion was raised. "Should we act according to the Kinsey Report?" No, he stated, for it depends upon the individual. He went on to say that some of the adolescent spirit should be brought back to the sophisticated college level, for in the adolescent period, sex didn't enter into the relationships with each other.

Dean Betz thought that we should attempt to have organizations in which both sexes would take part.

About this time, Gil Jones announced that a dozen members of the Women's Y had been downstairs listening to the session by way of a hidden microphone. They then came upstairs and joined in the remainder of the discussion. After the discussion adjourned, it was agreed by many that Man chases after woman until she catches him.

Australia has contributed almost \$90,000,000 in world relief appropriations since UNRRA began.

FROM THE PRESIDENT'S DESK

I did have hopes that this column for last week would do some good, but with issues raised and decisions stated Administratively, we must now face what comes . . . As the score now stands, the Administrative Heads have decreed that there will be two Units next year instead of three Units as in the present system. The Stockton College (11, 12, 13 and 14th years) will be one Unit, and the College of Pacific will be the other Unit. (The "split" is no longer to be wondered about: it is here.)

However, it is our reaction to the "split" that will govern us next year. We may continue to fight it — and get nothing but dictum, or we may try to salvage what we can and work together for a continued Federation. You see, the ultimate power of the Student Body derives from the Stockton Board of Education and the College of Pacific Board of Trustees, and if either one of these organizations decide that they don't like our form of government, they have the power to change it as they will.

So, in actuality, if we are to have the **only kind of Student Body** that is feasible under this two-college set-up . . . a **Federated Student Body** — we must be sure that there are open channels from both student organizations through which this cooperation can exist.

The COP Constitution Committee has been working every night this week to give us students of COP a **good government** for next year — and they deserve loads of orchids. (All members have been present at the meetings.) But whether this committee is a success or not depends upon you . . . Their proposals will be presented to the Unit III Council on Monday Night at 9:00 in an open meeting for their approval. Then the proposals will appear in the Weekly and finally they will go to you for your vote and decision.

That's the way it looks now.

John Patton, Baritone, To Give Recital Mar. 26

John Patton, the baritone thrush of Quonset B, will give a recital on Sunday, March 26th, at 4 P.M. at the First Baptist Church at Hunter and Lindsay.

John is a freshman music major at COP. From Richmond, Calif., he is a graduate of El Cerrito High. In addition to his musical ability, he is quite an 880 man among the thin-clads.

The recital will feature spirituals, folk songs and arias. The ever popular "Roll, Jordan, Roll", "Macushla", and other favorites will be interspersed with violin solos by John Nastari. Miss Betty Jensen will accompany.

Cruise to Orient Offers 6 Credits

The American President Lines has announced that students and teachers who take the APL cruise to the Orient this summer will be eligible to receive six college credits in Social Science and Humanities. Arrangements were made through San Francisco State College.

Dr. Wilder Bentley of COP, and Mr. Harold Baldwin, an Oakland educator, have been appointed San Francisco State College representatives and will lead the cruise group.

The group will sail from San Francisco on July 14, and will return August 25. The tour will be aboard the SS President Wilson. Contact Dr. Bentley for further information.

MUSIC NOTES

Monday night, March 20, six College of the Pacific students auditioned at the Bay Area division of the Atwater Kent contest held in the Sherman Clay auditorium in Oakland.

Those auditioning were: Carole Maddox, June Hook, Frances Grone, Nadine Stuhlmuller, Jane Haskell and Barbara Mills. Accompanying the contestants were Doreen Ham, Ed Perry, Vickie Sanquinetti and Beverley Caprenter.

Miss Elizabeth Spelts, Professor of voice at the COP conservatory also attended the audition.

MU PHI EPSILON

Miss Joyce Heaton, newly installed president of Mu Phi Epsilon, National Women's Honorary Music Sorority was chosen to represent the C.O.P. chapter at the Mu Phi Epsilon's National Convention for a week this summer at Seattle, Washington.

New Courses Offered At Summer Sessions

The COP summer session will plan a number of courses designed especially for 13th and 14th grade students. This is in accordance with the announcement by Dean Jantzen, director of the Summer Session.

Students who need to meet state requirements for U.S. Constitution and History courses may do so in the summer session which will cost the students \$14.00 per unit. Preliminary announcements may be obtained at the COP Administration building or at the Summer Session office.

CHAPEL NEWS

"Fellow European Students" will be the subject spoken upon by Miss Betty Collins at Tuesday Chapel, March 28.

An English educator, Miss Collins has been in charge of the Quaker Student Center in Freiburg, Germany, since July 1947.

The speaker at Sunday Chapel on March 26, 1950, will be Jack Galagan, Pre-Ministerial student. He will speak on "The Magnificent Failure". The student leader will be Scott MacIntire. The soloist will be Miss Mary Donegan who will sing "The Stranger of Galilee." Miss Betty Jensen will be organist.

Annual Mission Tour

The third annual California Missions Tour, sponsored by the College of Pacific Department of Tours, will be held during Easter Vacation, April 1 to April 7. This trip is by specially chartered motor coach, with \$60 cost covering the transportation and admission fees.

Communist To Address Philosophy Institute

"Capitalism, Communism, and Social Justice" is the tough and timely topic for the 1950 Pacific Philosophy Institute. It will be no academic, for partisans of the conflicting positions will confront each other.

AVOWED COMMUNIST

Avowed communist Herbert Phillips, recently dismissed from the philosophy faculty of the University of Washington, will put the case of Marxist-Leninism. Opposing him will be Pacific's economist Charles Norman, and philosophers Sidney Hook, Yves Simon, and Alvin Haag.

Sidney Hook, from New York University, is an intense anti-communist, whose ideas of social justice are secular. Yves Simon is a neo-Thomist, a position generally held by Roman Catholics. Simon is now with the University of Chicago, and for ten years taught at Notre Dame. Alvin Haag, from the University of Redlands, is a keen representative of personalism.

AMERICAN WAY

Commenting on the varied views of the participants, Institute Director William D. Niemann said: "This couldn't happen in Russia. Here in America we believe that free communication of mind with mind is essential to the discovery of truth, and I, for one, have a strong enough faith in the American way of life to believe it can stand serious scrutiny because it is essentially sound. The same thing cannot be said about communism."

The Institute week is June 11-18, between commencement and summer session. Held at Lake Tahoe, only 100 places are available, and almost half of these have already been applied for. A \$5 deposit holds a place. Either one or two units on either undergraduate or graduate level may be earned. For one unit the total cost, including board and room, is \$40. GI benefits are available. Applications will be screened April 4.

Geology 1b Class Travels to Diablo

Tomorrow morning early Dr. Allen W. Waldo's Geology 1B class will take its first trip of the semester, to Mount Diablo.
