### NO STADIUM. HUH? WE FIXED THAT BUT QUICK!

### ONE SURE WAY TO IMPRESS THE 'BIG BRASS'

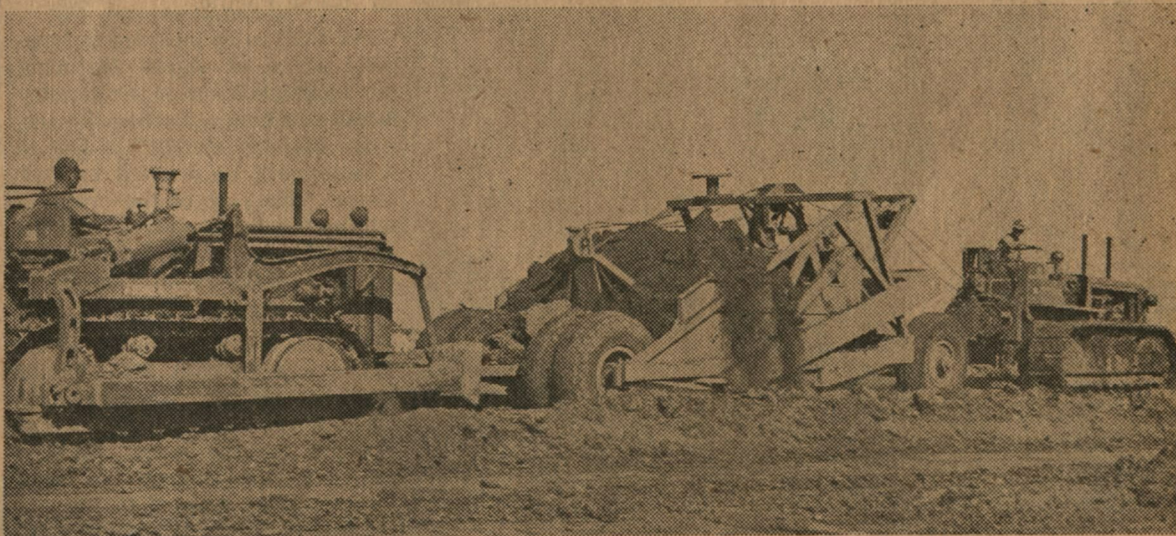

Velma Little and Iva Smith, who sold Larry Seimering \$100 Scrip get a real big hand from COP President Robert E. Burns.

### OFFICIAL GROUND BREAKING FOR STADIUM

Shown above in ground breaking ceremonies for the new Pacific stadium are, left to right, Mike Evanhoe, top scrip salesman; O. D. Jacoby, chairman board of trustees; John Rohde, COP football star; Mayor Dan W. Morrison, and Jim Hammond, Chamber of Commerce assistant manager.

### AFTER THE CEREMONY THE DIRTY WORK BEGINS

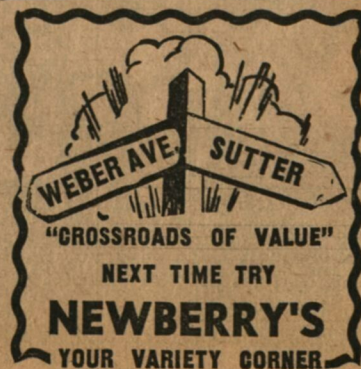

195,000 cubic yards of dirt are now in the process of being moved from the Calaveras River and a portion of Baxter Stadium for use in the dirt fill for Pacific Memorial Stadium.

Work began on the stadium last month following the ground breaking. The turf will be approximately 10 feet below the ground level which is similar to the present Baxter Stadium. The contract states that installation of seating facilities must begin 60 days after the first dirt is moved. Plans call for slightly over 16,000 seats to be placed on either side of the field between the end zones for use in 1950. The bowl will be completed the year following by closing in the end zones with another 12,000 seats.

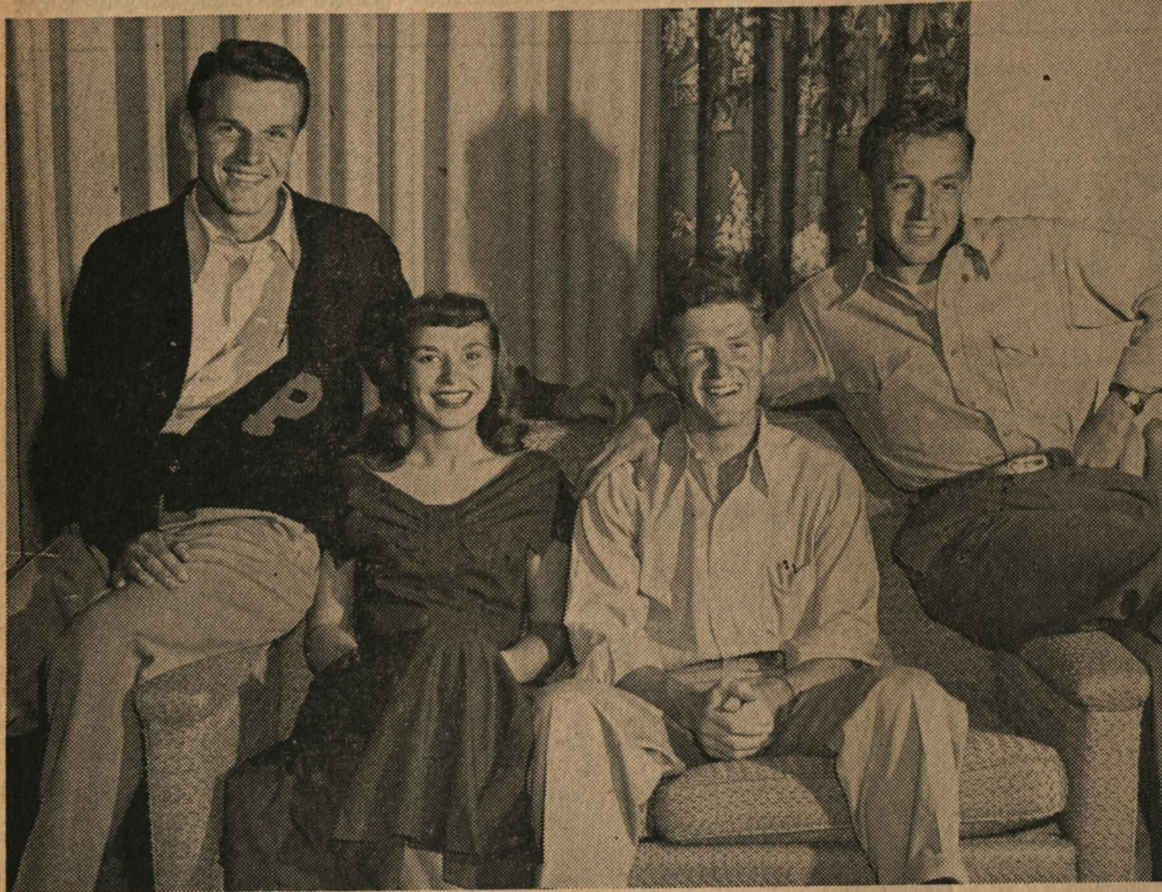

The stadium will be ready in time for Pacific's first home game with Loyola October 21.

## CHEESECAKE? HOLLYWOOD, LOOK US OVER! V. Monroe Show

### Plays Top Schools; COP On June 5

By DICK CANNON

V-M day is almost here! Monday, June 5th, Vaughn Monroe will be at the Civic Auditorium with his entire radio cast of Moonmaids, Moonmen, and who knows Maybe a man from Mars! One thing is certain; there will be one fellow and one girl from COP who will be introduced from the stage as Miss Pacific Weekly and Mr. Radio Pacific.

For COP to be included in Monroe's series of shows featuring the leading schools of the country is quite an honor. During the program Monday evening, a full 15 minutes will be devoted to COP songs. This part of the program will be taped and then put on the air in 'Camel Caravan' which goes on CBS national hook-up every Saturday evening at eight o'clock.

Breuner's is donating an album of records to both Miss Pacific Weekly and Mr. Radio Pacific. Tickets are on sale at Johnny Calvin's for the event. Make a date for a swell show and dance next Monday from 9 to 12.

## THE DEAN SUGGESTS A BRAND NEW IDEA

The following housing regulations for men living off campus were issued earlier this week by Edward Betz, Dean of Men. He stated that no alcoholic beverages of any kind are to be brought into the rooms at any time. There is to be no gambling; reasonable hours should be kept; girls are not to visit rooms unless accompanied by their parents or the householder; cases of illness should be reported immediately to the College Infirmary, miscellaneous house rules set by the landlord concerning uses of facilities should be carefully observed. Dean Betz also requested that a copy of these regulations be posted in rooms occupied by students.

## BATTLING HESS AND BOMBER JOE GALLEGOS

Senate meeting on the F.S.A. revision was explosive, but no casualties.

The subway passenger stared intently at another rider for a long time then said, "Excuse me, sir, but if it were not for the mustache you'd look exactly like my wife." The second man replied, "But I haven't got a mustache." Said the first guy, "No. But my wife has."

"When I marry," boasted Mabel, "a lot of men will feel wretched."

"My goodness," said Marie.

"How many are you going to marry?"

Hi diddle diddle, the cat and the fiddle,

He called the sarge a goon, The MP's laughed to see such sport,

Court martial — tomorrow noon.

The worst thing about history is that every time it repeats itself the price goes up.

# All-College Musical Rated Successful

Ratings of "Another Time," an all-college musical presented in the Conservatory last Saturday, were obtained from approximately 35% of the audience.

Three-to-one favorite as top song hit of the show was "Love Is a Fundamental Thing," which was written by Jerry Mullin and Bud Harpham. Favorite single personality of the evening was

Mary Rhodes, star of two acts. Music and skits were also voted outstanding features of the production. "Shakespeare," "Murder Mystery," "Broadway Baby," and "Melodrama" were the skits liked best by the audience.

This was the first presentation of a show which the Blue Key

senior men's honorary society hopes to make an annual all-college event.

Individual criticisms stated that several of the songs were more familiar than original, the staging of the songs could have been improved, the program was too short, and more rehearsal time was needed.
