MERCED GOLD MINING COMPANY,

COULTERVILLE, CAL.

Box 118, July 1, 98.

John Muir,  
Dear sir,

I have long meant to write to you and ask you about an article on the water ouzel which Mr. Foley told me of while I was at Yosemite. Please tell me if it is a pamphlet and price. I am much interested in your writings — and in birds, but it has been my fortune not to meet your articles on birds, but on mountains, glaciers, etc. Your article on King's River Canon in Old Century, I read lately and visited the Canon.

If I remember aright you have written a pamphlet on the Redwoods.

Please inform me briefly what printed matter you have on these subjects.

I am your grateful reader,  
Dean W. Park. a.
