My dear Mr Lukens

The more we look at  
the last batch of factories, the better  
we like them. Especially the family  
group & Lotter in the basket.

I have just returned from  
Mt Shasta when I went to examine  
the flowers of *Abies Magnifica*.

I leave for British Columbia forests  
at the end of this month

Hoping to hear from you on those  
wonderful trees, I will come to Lathrop

I am Yrs truly  
John Muir
