My dear Cousin, I received a newspaper from you a day or two ago which shows you bear me in mind. I have been hard at work all winter fighting on behalf of our forests. In a month from now I am going again into the northern wilderness in British Columbia & Alaska to study a few variable trees.

Here is a notice of the honorary degree of L.L.D. conferred last Commencement on me by the University of Wisconsin which I thought might interest you. Hoping you are well & also my friends Mrs Kelly, Mr Buchanan Susan Gilroy Miss Mather etc I am ever very truly
Your affectionate Cousin
John Muir
