My dear Prof. Muir,

Your of 3^d inst. was a disappointment to us as it was death knell to our hope of seeing you, as I have been daily expecting word that you could give us a few hours of your valuable time.

Your delightful account of your trip made me feel as if I longed to be a tree-man and take the identical trip you outlined - You must not forget us as we have

headquarters and then return
by Duluth to the Lakes as that
is a trip one never tires of -
This should reach you about
Christmas and we no one
do not all send a more hearty
Christmas Greeting than before.
Do not forget or overlook us
next time and if you can
spare the time drop me a
line once in a while -

Truly yours
Geo. L. Kip

here for the wedding - we
expect to be away for about
six weeks from July 15 to
Sept^r 1st and probably will
devote the time to mountains
of Colorado making Florida
Springs or Manitou our
