My dear friend Min -
We see by the papers that the Harriman Expedition has returned. As your name is not mentioned it is possible that you have stayed in Alaska for a little uninterrupted work. We hope however that you have gotten home safely as well.

Our friend Keist passed through here Friday on his way home from Europe and spent several hours with us to our great enjoyment. We begged him to stay longer but he said he was "nothing but a California Gopher" and was in a hurry to get back to his hole which he proposed to pull in after him. He looks well and I think the trip has done him lots of good.

I have kept my nose over this desk every day since January, so am going next week up to my club house at Quaker Lake for a straight months vacation. Fay will go

wish me - She is not very well, getting too fat,
and the doctor says she must get out of doors
and exercise, so I am going to put her through -
I very much wish it were possible for me to take
her out into the Seines, that is the medicine
or rather tonic that she needs, but I can't see
my way to leave the property job - Consolidation
is still being worked at, but with little prospect
at present of reaching a basis. While I personally
very much desire it, it will not do for me to
let that fact be known.
Frank has been over in the woods of Michigan
on a 3 week vacation, is expected home
tomorrow morning.

We are all very anxious to hear from you and
hope to see some publication of your trip soon.
With kindest regards to you all -

Yours very sincerely
A. H. Sellers
