When are we to have our long trip together?

Dear Mr & Mrs Sellers we were all sorely disappointed when we got word that confounded business called you straight back to Chicago ere we had sight of you. With no doubt feel the same.

I'm at work on an article on glaciers for an encyclopedia & when that is done I have to get ready for a long trip abroad with Prof. Sargent of Boston to study trust mountains ice etc. I leave here for Boston May 18 just after the President's short Yosemite trip & hope to get a glimpse of you as I pass through Chicago. Ever Yours
