have interested ^[2] Grandma.
I long for news from
home but I must
just wait how slow
we seem to go though
we sail between 300 &
400 miles every day.
This is a very large &
comfortable ship & of
course I have made
a lot of acquaintances.
Six or eight of them
will probably go with
me through Tasmania,
New Zealand, Australia
& up through the islands
to Singapore. It will
be quite a while if
we I can find the
end of this huge journey.
