Dear Sister Louie

I found a letter from you also during my rainy-day review.

It was dated Oct. 28-1898.

In it you said that having begun a letter to me you felt if the weather were better that you would like to tell me about - but as your fingers & eyes were tired you would leave it all for a rainy-day letter.

I hope your rainy-day will come soon. My rainy-day has gone by - It was yesterday & the sunshine floods the room in which I am writing - A perfect day - The fall of the grass a lovely rich green - as we have had no frost yet -

And an Autumn hush in the air. It is the middle of the afternoon - but as I am not feeling much better today, I have not been out all day.

But the glory of the day seems to me.

to me.

The Wells family + Mr Gowran
speak highly of the Alhambra
Valley. But they do not seem
very strongly attracted to
that country generally.
They went at a wrong time.
It looked very brown + dry
then - They were glad to see
the green ~~mountain~~ ~~again~~
but it will not last long.
It will soon be all white
again - But then the rich
bright Spring time will follow.
How lonely your home must
seem without Wanda! I
have a very warm place in
my heart for Wanda + Helen.
But ~~there are~~ still little
girls - I do not think I ever
told you how much I enjoyed
the Book, you sent me -
"When all the woods were green"
So vividly was it written that
I almost felt myself one of the
party - I will write to Sarah
+ all the others soon - Love to
all from your Sister Annis L. M.
