John Muir, Esq.  
Martinez, Calif.

Dear Sir:-

I was in California a few days ago but after inquiry found that you were still absent, which prevented my having the pleasure of calling upon you as I had expected to do.

I have been for some time past much interested in the possibility of your having or of your writing an autobiography, giving from your busy life much, I am sure, that would interest and be of value to the American reading public.

I should be most glad to consider the question of publishing this book if you thought of writing it, and should be glad to hear from you on the subject.

Yours very truly,

*George Abbott*

Dear Sir, I thank you for your kind letter of Jan 14<sup>th</sup>. I may possibly write an auto since so many seem to want it - but not before until I get a lot of more important work off my hands. Yes etc
