ANNUAL DANCE DRAMA PRESENTED TONIGHT AND SATURDAY

The dance drama, directed by Miss Mae Shaw, will be given in the auditorium tonight at eight-thirty and at nine on Saturday to allow attendance at the Football Carnival first.

A varied program has been prepared including three distinctive groups of numbers. The first is to include a series of miscellaneous original dances. In the second group, a dance suite will be presented which has been written around the theme of the birth of Aphrodite. Orchesis, honorary dancing sorority, is to present the last group on the program which will consist of five numbers. The Blue Danube will conclude the program as customary.

Tickets will be thirty-five cents and may be secured from members of Orchesis. As an advertisement, a group of dances were presented at the Fox California on Tuesday.

THE SENIOR SNEAK By GEORGE CHALLIS

The seniors pulled their annual sneak Wednesday, April 26, under the leadership of Buck Taylor, Bud Husir and Lauren Harvey.

To heighten the excitement of the "sneak" the seniors pulled a smart stunt and abducted two lower classmen, Bob Randall, freshman, and George Challis, sophomore. They charged that the two prisoners had, in the dim past, overturned the senior bench and dropped it in a hole ten feet away from its original seat.

It was a lark for a while—but when the seniors reached a remote spot in the wilderness about seven miles east of Comanche and shackled Randall and Challis to a tree, hand and foot, the prisoners rebelled. By devious methods known only to themselves they slipped their leg and hand shackles and managed to escape. For two and a half hours they were free. Then wham! when only five minutes away from possible freedom the prisoners were recaptured by their relentless pursuers and returned to the seniors' orgy grounds.

A miserable, mock, weak, hypocritical trial was held and the prisoners pronounced crazy but guilty. The sentence was a thirty-three mile walk back to Stockton—after everyone had departed for home. Some, namely Gene Foster, Bob Wright, Lyman Wright, and Bud Husir, wanted the prisoners' shoes and pants removed to make the walk a little more enjoyable. The boys got home—sad and tired—and a little bruised.

The seniors had a grand time. Lots of food to eat, swimming, and ball playing, all made for an enjoyable afternoon.

JUNIOR COLLEGES HOLD FESTIVAL HERE

Held under the auspices of the conservatory the annual Junior College musical festival met Monday on Pacific's Campus.

One of the feature attractions of the afternoon was a short speech by Coach Stagg.

VOTE

Once again Pacific turns its attention to the election of its student body officers for the ensuing year and political desires of organizations and individuals are rampant in student discussion.

The students up for election are all seeking honor and reward but how many of them are prompted by the ambition to do something for the school?

In its truest sense a student body office is a place of service where the incumbent can be of benefit first of all to the school and its ideals and traditions.

Before a vote is cast let each one of us first question the true motive of the nominees. If he is motivated by the desire to serve the school, further its aims, and has the desirable qualifications for the office, vote for him. If, on the other hand, their is question as to his ambitions or doubt as to his qualities, let us relegate him to the position he deserves and place in office the person truly deserving and truly worthy of the position. Be true to yourself in voting and be true to the ideals of the College of the Pacific.

STAGG'S SON WILL COACH HERE

Paul Stagg, 24 year old son of Coach Amos Alonzo Stagg, has been added to the Pacific coaching staff for the 1933 season. This came as a welcome surprise to Pacific followers.

Paul will help in the back field and will pay special attention to the quarterbacks. He will spend much of his time developing the technique Coach Stagg wants to see in his teams.

Young Mr. Stagg will remain only for the football season and will not be a member of the College faculty.

DANCE GIVEN TO HONOR "SWEDE"

May 12 marks the beginning of the end for Pacific's "Swede" Righter. "Swede" is to be given a grand farewell on this date at a dance held in the Social Hall. The dance is being sponsored by the Block P and will be a special effort on their part to bid a grand farewell to a man who has grown to be a part of Pacific tradition in his twelve years of faithful service to this institution.

On May 9, at the assembly given over to the giving of the track awards, the "Swede" will again be the principle speaker and guest of honor. The "Swede" has been coaching the track team this season because of the absence of Jim Corson, regular track coach.

Righter has done a good job and the proof of his services in coaching the track aspirants for Pacific's "33" year will be shown in the assembly at the time of the rally when "his boys" come forward to receive their hard earned awards.

DEBATE CLOSES GOOD SEASON

Last week two Pacific debate teams gained victories for their school. The first team composed of Slovak, Kolak, Poletti, and Page defeated a team from St. Marys College.

The other team met the San Quentin team there in a round debate. The team was composed of Wright and Matheny. The previous debate between these institutions had resulted in a victory for San Quentin. In each case the audience gave the decision.

CHANGES PROPOSED IN CONSTITUTION

Five amendments to the present constitution were proposed at the meeting of the student body held last Tuesday. Three were minor changes affecting the detailed running of the student body. The other two were major changes affecting the policy and principle of student organization.

The first of these is the change in personnel and number of executive committee. The number of the ex. committee would be increased by the addition of the presidents of the junior and senior classes and the president of the A.W.S. Apparently no opposition will develop to this as there was not a murmur when the change was read.

The second change aroused a great deal of opposition. The proposal is to have the board of control composed of members of the administration, faculty, and student managers. The managers would be elected by the Board of control.

Backers of the plan say that inasmuch as the school and not the student body pays for athletics it is no more than right that they have absolute control. Opponents of the plan object to the student control or representation being taken entirely away. It makes the board, they say, self-perpetuating and autocratic.

A compromise has been suggested in that the executive committee appoint the senior managers instead of the board, thus the self-perpetuating phase would be left out.

STAGG KEPT BUSY OVER WEEK-END

Coach Stagg was kept busy this last week-end. Saturday night he spoke to 400 high school men, coaches, teachers, and business men at Exeter. The men came from schools for many miles around.

Sunday afternoon a tea was held in his honor by the San Jose Alumni at the home of Mr. J. O. Crumey in San Jose. Two hundred people attended. Sunday evening Mr. Stagg and Dr. Knoles spoke to a capacity crowd in the First Methodist Church of San Jose.

Monday morning found Mr. Stagg speaking before the men of the San Jose High School. He returned immediately to get ready for football practice.

WHITE BALLOT CAST THE FIRST TIME FOR HIGH STUDENT OFFICE

Mel Matheny is to be the College of Pacific's 1933-34 Student Body President. A bombshell exploded in the Pacific Auditorium Tuesday morning when it was learned that for the first time in the history of the college a presidential candidate was elected on a white ballot. Few, if any, of the campus politicians predicted the casting of the ballot. President Bob Wright officially opened the nominations when he called for all presidential nominees. "Nigs" Page was granted the floor and he immediately nominated Mr. Mel Matheny. As no nominations were presented Yancy Boone Smith moved that a white ballot be cast for the presidential nominee. The surprised and entirely willing student body complied.

According to a Pacific tradition, the elections are usually the bitterest and most drawn out of all nearby schools. Because of the exciting last year's race for the position the campus dopesters were all prepared to take up sides to fight to the bitter end. But, even politicians cannot fight each other if they are on the same side, as in the present case.

Further nominations were:

Vice President:
Ruth Kent
Miriam Gaeley

Treasurer:
George Hench
Rod Bailey
Harold Easterbrook

Secretary:
Eleanor Stevens
Jessie Robinson

Nominees for executive and publications committees are too numerous to mention.

CONFERENCE MEET SET FOR MAY 6

The annual Far Wester Conference track meet will be held Saturday, May 6, in Sacramento. It should prove to be one of the hardest fought meets ever.

Early dope seems to indicate that Fresno will win the meet with San Jose close behind. Chico, Cal Aggies, Pacific, and Nevada are considerably weaker and will put up a real fight for the remaining places.

Pacific's best bet for a first place is in John Hoobay. Hoobay is capable of 48 seconds in the 440, and should be able to out run any man in the conference.

Hatch in the 880 and mile should be good for several points. The 880 has been the best race this year, and he ranks with the best in the conference.

Cunningham of San Jose is a cinch for a first in the javelin, but Challis is improving and may win a second place for Pacific.

Russell stands a good chance for a first in the shot. Brown and Kjeldsen will be close behind, and one of the three should pick up a place in the discus.

Bardin in the sprints and broad-jump, and Corson in the high jump are likely point winners.

Maiden Form's NEW
BRASSIERE

for the Modern Girl

IT FITS LIKE A STOCKING!

Tiny "fashion-points" like those used in shaping fine silk stockings give Maiden Form's "Full-Fashion" brassiere its lovely uplift contours and at the same time make it flawlessly "skin-smooth" through the breast sections. As far as feeling and appearance go, you might be wearing no-brassiere-at-all! But with all this effect of freedom, "Full-Fashion" is skillfully constructed to give perfect bust control and permanently blocked to keep its smart shapeliness, even through long, hard wear and frequent washings.

"Full-Fashion" is only one chapter in the fascinating tale of Maiden Form foundation garments. Send for free booklet telling the complete story—Maiden Form Brassiere Co., Inc. Dept. C 245 Fifth Ave., N. Y.

MOJAVE DESERT TRIP SUCCESSFULLY MADE

Forty people participated in the chemistry-geology inspection trip to the Mojave desert during the week of spring vacation. Covering a great variety of territory and visiting several chemical plants on the route, the group found ample opportunity for observation in several fields. A caravan of eight automobiles and a six ton truck made the journey. The party had its own camping outfit and camp was anywhere the fire was built. Provisions were under the charge of Prof. J. H. Jonte and other details in charge of Dr. Bawden.

Three motion picture cameras were taken on the trip and about 1100 feet of film were exposed. The pictures will be shown at the college soon. Dr. F. B. Sheldon was the official physician of the trip and his wife was the official chaperon. The official mechanic was Mr. Mallory, assisted by Hilmuth Ulmer.

The group left Stockton early Saturday, April 8, and visited the Twining Laboratories at Fresno. The next day Red Rock Canyon was visited, where the varicolored rocks in many formation were studied. The salt lake and salt works at Saltdale, the petrified forest, and the Dutch Cleanser Mine were also visited that day. That night was spent in a camp near Randsburg, one of the few old mining towns still inhabited.

A great diversity of territory was covered in a short week and extremes of climate ranging from the heat and dryness of the desert to the patches of snow and cold of the mountains were encountered. The route taken was of historical interest in that it covered the main ways taken by the early immigrants as they tried to break a path into California.

VARSITY TRACKMEN TO MEET CHICO

The varsity track team will travel to Chico this week end to take on the Wildcat team. The pre-meet dope indicates a defeat for the Bengals. Chico defeated the Cal Aggies who in turn beat Pacific.

The race between Jenks and Hoobyar should prove the feature of the meet, with Hoobyar given the slight edge. The weight combination of Russell, Kjeldsen and Brown should prove quite effective against the Wildcats.

SPRING PRACTICE ENDS SATURDAY

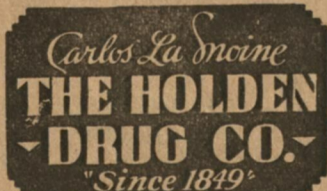

Spring practice is almost ended. Although many of our veterans of last year were out for track, Coach Stagg has stated that he thinks the practice has had some measure of success. Next year some of the fellows will know just what Mr. Stagg intends to do.

The Coach has been stressing fundamentals. For three weeks no plays were given at all. This last week a few plays were used. A shift was incorporated in them.

Practice will end with the Carnival Saturday night, unless Mr. Stagg gets word from Chicago that he can remain a few days more.

PACIFIC TRACKSTERS DEFEAT NEVADANS

The Pacific track team won its first track meet of the season against the Nevada Wolves last Saturday. The final score read 66-65. Pacific won only after the relay team of Richardson, Wicker, Ulmer, and Hoobyar took the last five points under cover.

Bardin followed Hill of Nevada to the tape in both dashes, but he also won the broad jump to take high point honors of the day. Hoobyar won the 440 with Ulmer right behind.

Farina and Kjeldsen surprised by coming in one, two in the javelin. Russell again came through to take a first in the shot. Carl Brown wasn't far behind.

VARSITY TO LOSE ONLY THREE MEN

The 1933 Bengal football varsity will be without the services of only three men of last season's team. They are Stocking, Odale, and Vassar. Although their services will be missed, many new men will be fighting to fill those positions.
