Darlings Helen & Wanda

We were very glad to get your
letters assuring us you were
well & happy & telling
us about your trips to
Mono & Mt Dana etc
You should also climb
Mt Gibbs if you have time
& make notes on the plants.
also the big gray broad
topped Mammoth Mountain
next to Mono Pass on the South
But don't go through the brushy
snaky Tuolumne Canon.
& don't go up Mt Ritter
on account of the miles of
ice you would have to travel
over. We are all well
Heaven bless you darlings
John Muir
