Dear Mr Tecor:

I have just received
your letter dated August 12th
1903. When it was written I was
in Manchuria. & it followed
me round the world without
overtaking me until yesterday
From Shanghai it was sent
to Peking & forwarded from
there by the U.S. Legation.
It is a very kind letter & I
sincerely thank you for it &
for the handsome set of
spoons which I think were
acknowledged by my daughter.
The picture too is charming in
which you are sketching
on a beautiful stream bank.

How greatly you would
enjoy the scenery of
some of our California
mountains.

I was away more than
a year from home
& on the whole had
a glorious time. Some
day I hope to be able
to tell you some
of it. In the meantime

I am faithfully yours

Tom Morris
