Dear Mr Muir

I feel very very grateful to you for your letter about my article in "Out-West-"

It is my first-magazine article and yours is the first-praise.

I count your letter as the most precious one I ever received and I feel a few heads taller. I told Dr Jordan about it and he said "What Muir says goes, as he is the best-authority on such subjects"

Thank you very very much.

I do hope the Bull Creek Redwoods

can be spared as those who have  
seen the grove consider it as  
the finest.

The California Club and the Yampai  
National Park Association are  
going to make an effort to  
save the Redwood Cañon groves,  
600 acres of which are offered for  
sale for \$80,000.

Dr. Merriam and Mr. Nelson are at  
Point Reyes this week. I hope you  
will dine with us during their stay.

Thanking you again for your kind  
letter I remain your sincere friend  
Catherine H. Atellell
