Truly hope ^[22] I may have
the good luck to meet
you again.

After coming home to
give lectures - on travel
this year again I
went to Africa collecting
animals for the Agassiz
Museum Cambridge -
and am now to write
up my material of years standing.
Please let us know when
you are coming East again

journey together.

This letter is really
to introduce to you a
very good friend of
mine. Miss Mabel Gage
I have told her to be
sure and meet you if
possible and to know
you can tell her much
that will make her
stay in California
very interesting -
