My dear Muir:-

I am delighted, but not surprised, that Sir Joseph Hooker is pleased with your book.

Now go to work and put your scientific ideas about Alaska into book form.

The Alaska Trip is here. I am now doing my best to get the Glacier Bay article into the June number, which we should very much like to do. I will write to you as soon as I know definitely. The pictures are being tinkered.

Yours ever cordially

R. U. Johnson
