Chicago, June 7, 1895

My dear friend Muir - Last week Wednesday
it was arranged, & I was to write the next day,
that we would be in San Francisco this week.
A few days before this we went out to Woodstock
to bury my mother, the weather was wet cold & dreary
& Mrs. Sellers caught a severe cold, & on the Wednesday
night above mentioned, it developed into quite a severe
illness. The business that I was going to San F.
on, was to attend a meeting there on June 15th in
connection with a land scheme in Mountain Home
Idaho, that this Company is acting as trustee for.
It has just been decided to hold this meeting at
Mountain Home and as I am still too ill for me
to leave here I shall have to send Frank in my place.
He will leave here Sunday night.

Now this don't necessarily mean that we may not
come out this summer, as I tell Fay that as we
have an annual pass over the Santa Fe which expires
Dec 31. we will have to go out to San F. & return before
that date to get our money's worth for her health.

Now I understand from you that you were going
into the mountains about July 1. When do you expect to
come out?

Our business has grown so since we moved into our
elegant new offices (La Salle & Washington Sts), the Trust Department
(Frank) with the rest, that I don't see how it will be
possible to let him go with you to the mountains this summer.
Our fellows like you & I have earned the right to go but

PLEASE NOTE CHANGE IN OUR ADDRESS.

young men must attend to business. Frank
is very good about this & takes great pride and
interest in his business.

Here is our dear friend Keisk. Wife, Frank &
I often talk about you all. Remember me to him
& Mrs Keisk & tell "Willie" if he will come on here
to this "Summer resort" I will take him to the
"Midway". - Say give me in kindest regards to
Mrs Muir & the children & Mrs Strentzel & not forgetting
you "old fellow" - and hope it won't be many moons
before we see you - Why can't you bring all your
family on here after you get back from the mountains
& we will go home with you. - Think about this.

Yours very truly
A. H. Sullivan
