Mr John Muir
Martinez, Calif.

Dear Sir

Mr Hanlon continues to use your property
& in front of it on the street for a dumping
place for lumber & wagons. I notified ^{him} that it
was Mrs Muir's wish for him to move it away.
that was about one year ago. I asked him again
last week when he was going to move it &
and he said he had as much ^{right} there as any
one, and if you wanted it move to do
so. I would state that it seems to me the
object was to make Port st 110 ft wide so
that Mr Hanlon could have use of it
for himself.

Mr John P. Silva & Mr. F Silva were
here at my place last Sunday & wanted
to rent the Hall for Sledge purposes provided

The Hall was fixed so that Lodges could hold their meetings. & when they have a dance they want it for all night.

I am of the opinion that if it was fixed up. there would be a good revenue derived, but as it now stands there is no accommodation of no water or toilets. Will you have the Hall fixed? Kindly let me know

Respectfully yours
Francis George.
