Martinez, Cal., May 22/05.

Dear Dr. Merriam:-

You seem mortally silent! Dorothy told Helen some time ago that you expected to come to California some time this season. When do you expect to start? In a week or two I am going to take Wanda and Helen to Arizona. Helen's left lung is still sore, but we hope that a summer in the dry desert air will go far towards a cure. Our first camps will be somewhere along the Southern Pacific R.R., but probably most of the summer will be spent in the petrified forest region, and near Flagstaff and along the rim of the Grand Canon. It would be delightful to have you with us, or even to have a mere visit from you in any of our camps. We'll try to keep you posted on our whereabouts. In the meantime let us hear from you. Address Martinez and Mrs. Muir will forward.

With kindest regards to all the family --Baileys, Gilbert etc., I am

faithfully yours,

JOHN MUIR
