Dear Mr Muir

Many thanks for your letter & the story of Heekeen - Mrs Ahern & I read it with as much pleasure as we did years ago when it first appeared. Capt. Perrin wishes to be remembered to you.

You will get a fine sample of native wood - enough to make a table.

The Lamas Forest Reserve is gradually developing & will be one of the interesting spots in the Philippines before another year is finished.

Run out this way when you have more time to see this interesting country & people. Hoping to have the pleasure of hearing from you occasionally, believe me
respectfully
G. P. Ahern
